Then, he attacked it with his new massive demonic greatsword leaving scars on it and he was also drawing blood.

Me: Oh man, I didn't expect to see Sherlock Hound transform once again.

Nico: And when the moon turned demonic red, it suddenly started to rain blood. That was really scary and really dark.

Then, Sherlock Hound fired a black and blood red energy beam from his massive greatsword and it hit The Hound of The Baskervilles and he tamed it, and he sent it to The Masters of Evil. We cheered as we holstered our weapons and power down, and Sherlock Hound's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive midnight black angel wings are permanent.

Me: Whoa, you tamed The Hound of The Baskervilles?

Laney: That would've been impossible, that demon hound is never loyal to anyone.

Sherlock Hound: (British Accent) Normally, it's impossible for any mortal man to tame the beast, but the blood in my veins isn't human, and because of my new transcendent devil physiology, I found out that I can tame rogue demon hounds and other demons and have them obey my commands.

Lincoln: That's really incredible, and thanks to you, we now have The Hound of The Baskervilles as a new member of The Masters of Evil. (To The Alucard Sisters) And it's so good to see you and your sisters again, Alicia.

Alicia Alucard: (Romanian Accent) You too, Lincoln, it's been seven years since we last met, and it's good to see you again, Rachel.

Rachel Alucard: You too, Alicia.

Lincoln went up to The Alucard Sisters and he hugged them, and The Alucard Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you eight since you were seventeen, and as you can see, I really grew a lot since then.

Beatrice Alucard: (Romanian Accent) My word, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Clara Alucard: (Romanian Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Denisa Alucard: (Romanian Accent) You said it, plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, these girls are Alicia Alucard, the Obsidian Gene-Slammer, Beatrice Alucard, the Cyclonus Gene-Slammer, Clara Alucard, the Dreadwing Gene-Slammer, Denisa Alucard, the Ramjet Gene-Slammer, Elvira Alucard, the Thrust Gene-Slammer, Felicia Alucard, the Dirge Gene-Slammer, Mara Alucard, the Sunstorm Gene-Slammer, Nadia Alucard, the Nova Storm Gene-Slammer, Olga Alucard, the Acid Storm Gene-Slammer, Paula Alucard, the Ion Storm Gene-Slammer, and Silvia Alucard, the Spinister Gene-Slammer, these eleven girls are Lincoln's Guardian Angels from Romania and classmates in English, and like their sister, Rachel Alucard, they're eleven of the most beautiful, sophisticated, and deadly vampires and they're also Gothic Dark Angels, and The Alucard Sisters are also masters of all sorts of magic.

Nico: Whoa, beautiful, sophisticated, and deadly?! No one wants to mess with them.

Eli: Not unless they want their veins drained of all their blood.

Michelle Emperyous: Exactly. They, Rachel, and Lincoln would love to dance during Halloween night. Each Alucard Sister has on black shirt and skirt with black boots, but they have different hair color. Alicia has red, Beatrice has orange, Clara has pink, Denisa has chestnut brown, Elvira has black, Felicia has violet, Mara has green, Nadia has indigo, Olga has white, Paula has blue, and Silvia has gold hair. During the Halloween dance, each of the Alucard sisters and Rachel kissed Lincoln on the lips. As a result, Lincoln promised that he comes of age, he will marry Rachel and her sisters along with the rest of his harem, and they hate The Wet Bandits with a blazing passion, because they tried to steal from the Alucard Sisters' house, but before they could even get close to the door, Lincoln, Rachel, and the Alucard Sisters made illusions based on Ghouls n Ghosts series monsters appear before them, and Marv and Harry ran away screaming like little girls.

Me: Figures. I'm surprised they hadn't dared to drain them dry.

Lincoln: Are you kidding, they may be burglars, but they're too stupid and dumb to even be a serious threat, plus, it's always fun scaring those two and hearing them scream like little girls and send them running for the hills.

Nico: And with them back, I have a feeling Marv and Harry aren't going to be too pleased to see them again.

Lincoln: We may even create illusions of spiders and put them on their faces again and make them scream like little girls again or we could do worse than that, and now that you girls are here.

Lincoln went up to each of The Alucard Sisters and he hugged them in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alicia Alucard: (Romanian Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, eleven Elemental Thunderbird Necklace of Eternal Love appeared on The Alucard Sisters' necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with eight white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Clara Alucard: (Romanian Accent) (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alucard Sisters.

The Alucard Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Cornelia Redfield from Devil Make Love and Shouko Kuga, Lidi, and Melusine from Demoness of Dreams.

Lincoln: Oh wow, it's Cornelia Redfield from Devil Make Love and Shouko Kuga, Lidi, and Melusine from Demoness of Dreams.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Cornelia Redfield: Yes, we're okay, thanks to you.

Then, when Cornelia Redfield and the other three girls saw who it was that saved them from The Hound of The Baskervilles, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was The Hound of The Baskervilles.

But, when Lincoln showed what happened such as Sherlock Hound transforming again and all of us thrashing the demon hound and Sherlock Hound firing a black and blood red beam that tamed it and he sent it to The Masters of Evil, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and The Alucard Sisters have a lot of catching up to do now that they're back in town.

Maria: Whoa, so you guys went after The Hound of The Baskervilles? I thought it was just a legend.

Nico: Nope, it was all too real.

Lincoln: And he was really really vicious.

Me: Just like how he was described in the book.

* * *

After taking down The Hound of The Baskervilles, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Alucard Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alicia Alucard: (Romanian Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Beatrice Alucard: (Romanian Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Clara Alucard: (Romanian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Denisa Alucard: (Romanian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Elvira Alucard: (Romanian Accent) I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Alucard Sisters put up a video, and it showed Lincoln and The Alucard Sisters out at Lake Huron at night, and Lincoln was in his swim trunks and The Alucard Sisters were in black two-piece bikinis.

Past Alicia Alucard: (Romanian Accent) Lake Huron during the night truly is amazing.

Past Lincoln: It sure is, Alicia.

Suddenly, Lincoln caught the scent of blood in the air and his eleven massive and long white tails had gone wild.

Past Clara Alucard: (Romanian Accent) Trouble?

Past Lincoln: Yep, courtesy of Lori, Lynn, Lola, Lisa, and Luan.

Suddenly, they saw a massive army of hulking muscular beach bullies heading right for Lincoln and the Alucard Sisters and they were out to kill them, and as Lincoln found out, it was on the orders of Lori, Lynn, Lola, Lisa, and Luan. Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscular beach bullies, and then, the vacuum tubes literally began sucking the hulking muscular beach bullies dry of all of their blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and he was growing even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the bullies and went back into Lincoln, and the bullies were now weak and thin as a rake and completely drained of blood.

Past Elvira Alucard: (Romanian Accent) Linky, are you alright?

Past Lincoln: I'm okay, Elvira, this always happens whenever Lori, Lynn, Lola, Lisa, or Luan send that massive army of hulking muscular beach bullies after me.

Past Denisa Alucard: (Romanian Accent) True, you always wind up getting larger in muscle mass and even more taller and stronger than ever.

Suddenly, The Alucard Sisters swarmed Lincoln, and they kissed him all over the place: his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Lincoln wrapped his massive eleven and long white wolf tails around the waists of The Alucard Sisters and brought them closer to him as he hugged them all and not only did he kiss them, but he also bit them on their necks with his fangs as the video ended.

Miia: Wait a second. Alicia, Lincoln marked all of his Guardian Angels before in the past, but that was mainly to recover from a fatal blow that his mean sisters or his other enemies have inflicted on him.

Alicia Alucard: (Romanian Accent) Yes, that's true, but what you saw was him marking us out of true love. Oh, and I don't know if anyone else knows this, but Lincoln's marking us also left us something else too.

Alicia Alucard turned around and lifted her shirt up, and we saw it: it was a beautifully intricate tattoo of a Thunderbird and Vampire Bat flying in the skies with the full moon above their heads.

Nico: Whoa.

Maria: No way, so that's what happens when Lincoln marks his future wives?

Selene Arcangela: Yes, we wind up getting a large beautifully intricate tattoo of a Thunderbird and our favorite mythological creature on our backs: a sign that we belong to Lincoln Loud, and if any pervert dares to hurt any of us, he will come after them and make them bleed.

Nico: Damn.

Me: Yeah, and that also included Lori, Lynn, Lola, Lisa, and Luan, who had really nasty track records of pissing off Lincoln's Guardian Angels, his harem, and Lincoln himself, and they were also the very targets of their wrath as well, so yeah, it wasn't pretty.

We got a shower afterwards, and then, Lincoln, Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse are heading to Cheep Cheep Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator

Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

March Hare: Wow, so, this is Cheep Cheep Beach, it sure is beautiful.

Lincoln: It sure is, March Hare, and it's perfect for our first date. Shall we?

Lincoln, Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse and they hugged the girls in their abnormally massive and powerful muscular arms, and Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Cheep Cheep Bay, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Runo Misaki, Simulator Yumi Ishiyama, Simulator Aelita Schaeffer, Red Chess Girl, White Chess Girl, The Queen, White Chess Queen, Bunny, Cheshire Cat, The Mad Hatter, March Hare, and Dormouse, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Hightail Falls is next.

Nicole: Ooh! That was a tricky one and that was Yoshi's spiciest one.

Nico: Yep.

Eli: Me and Hunter will go with.

Hunter: (German Accent) Oh ja ja und this will be fun.

Nico: It sure will.

Troy: And also the Super Megaforce Team will go too.

Nico: Right! We're meeting the embodiment of Super Megaforce too.

Zocks: Me and Flint will go too since we both are for Gokaigers.

Me: That is true.

Nico: Yeah. Lets go!

They went into the simulator and it activated and they were at HIGHTAIL FALLS!

Nico: WHOA!

Eli: Wow! This is amazing!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this level doesn't have a boss on it so one of you is going to ride Yoshi all the way to the end. Yoshi gains incredible speed when he eats that pepper right there. See?

They saw it.

Nico: Oh yeah. I know that pepper.

Nicole: Good. You just got to get to the star at the end of the track.

Nico: Okay.

Hunter: Who wants to go on him?

Eli: I will.

Nico: Awesome.

Troy Burrows: Better get ready for the Goombas.

Megaforce Rangers: LETS POWER UP! SUPER MEGA MODE!

They went Super Megaforce!

Zocks and Flint: TWOKAI CHANGE!

They both danced and in the control room the Mascots and Will danced to their music!

Will: OH YEAH! Love that music!

Poromon: Me too!

Manaphy: So awesome!

Troy Burrows: SUPER MEGAFORCE RED!

Emma Goodall: SUPER MEGAFORCE PINK!

Jake Holling: SUPER MEGAFORCE GREEN!

Gia Moran: SUPER MEGAFORCE YELLOW!

Noah Carver: SUPER MEGAFORCE BLUE!

Lillith: SUPER MEGAFORCE BLACK!

Orion: SUPER MEGAFORCE SILVER!

Zocks: PIRATE POWER! TWOKAISER! ツーカイザー

Flint: INVENTION POWER! TWOKAI FLINT! ツーカイフリント

All: EARTH'S DEFENDERS NEVER SURRENDER! POWER RANGERS SUPER MEGAFORCE!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Me: Oh yeah!

Eli: AWESOME!

Nico: If Zocks and Flint's ranger forms were adapted they would be called Super Megaforce Gold and Platinum.

Flint: Not bad.

Zocks: I like it.

Flint: What about Chloe? What does that make her?

Nico: Super Megaforce Diamond.

Chloe Bourgeois: Ooh! I like the sound of that.

Me: Me too.

?: I think that's a cool idea!

Then a girl came in and she had blue hair and blue eyes and blue angel wings and blue clothes and she had a tiara with the symbol of the Super Megaforce Team on it as well as on her skirt and she had a Super Megaforce Blaster and Sword on her hips and she had a belt for the ranger keys.

Nico: Eileen Gokaiger I presume?

Eileen Gokaiger: That's right. Embodiment of the Super Megaforce Ranger and commemorating 20+ Years of Rangers.

Nico: Awesome!

Troy Burrows: Awesome to meet you Eileen.

Nico: Your sister Erika told us about you and it's awesome to meet you too.

Eileen Gokaiger: Same here.

Nico: Now there's over 47+ Years of rangers. We have the American and Japanese teams all together.

Eileen Gokaiger: That's what I heard. That is cool!

Nico: Yep. We can talk more later. Lets go get that star.

Eli went and got Yoshi out of his egg and got on him.

They saw Goombas coming!

Eli: Goombas coming!

Nico: (gets out Beetle and Killer Shrike's Ridewatches) Have some of this!

Nico activated the ridewatches and blasted the Goombas all over!

Eileen Gokaiger: Time for the power of The Changeman of 1985!

She flared up a Blue Pegasus Aura and fired a wave of lightning and blasted the Goombas all over!

Me: WHOA! That was awesome!

Eli: Nice one!

Then Yoshi ate a chili and then…

WHOOOSH!

He turned orange and ran fast up the walls fast!

Nico: WHOA!

Me: JUMPING FIREBALLS!

Applejack: HOOWEE! He's going faster than a stampede of cows.

Qin: No kidding!

Yoshi: See ya, slowpokes!

ZOOM!

Eli fired a blast of Force Lightning and electrocuted the Goombas.

Eileen Gokaiger: Take this one! SAMURAI FIRE STORM SWORD!

She used the power of the Samurai Rangers from 2011 and slashed the Goombas all over!

Me: WHOA!

Jayden: Wow! She has all our powers all right!

Me: No doubt about it!

Yoshi: Whee!

Nico: Yeah!

Hunter blasted more Goombas!

The Super Megaforce Rangers fired laser blasts from their guns and blew them apart!

Eileen Gokaiger: YEAH! Take that!

Zocks and Flint slashed and blasted the Goombas all over.

Nico: YEAH!

They saw the star!

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Me: YEAH!

Nico: That was awesome!

Troy: Rangers that's a Super Mega Win!

Eileen Gokaiger: That was awesome!

They all high five!

Eli: Tell us more about yourself

Eileen Gokaiger: Sure. I am a martial arts instructor and I teach kids all the moves of all the great forms of martial arts. What inspired me to do so is The Power Rangers and Super Sentai shows. It's not only how I become the embodiment of the Gokaigers but also how I help kids build up self defense.

Nico: Cool!

Hunter: Wunderbar!

Nico: Would you like to join the team?

Eileen Gokaiger: I would be honored.

They left the simulator and we cheered wildly for them.

---

Later as we were watching TV we then heard banging and tool working.

Eli: Sounds like the mascots are working on something.

Syd Chang: Might as well see what they're up to now

We went to check and we saw that the mascots made an awesome device.

Lola: Wow what is that?

Poromon: It's our solar powered electric laser can opener.

Poliwag: Just finished it.

Poromon: Watch.

He had a big can of beans and it turned on and it fired three lasers and opened it and the can was perfectly open with no razor sharp edges.

Me: Whoa! That is cool!

Qin: How did you make it?

Poromon: We used a solar cell, one of Lisa's laser rays that she threw out and used a gear that she threw out.

Poison Ivy: Why would she throw it out?

Lisa Loud: Those were some extra parts I didn't need.

Qin: Wow.

Me: But this is an awesome idea guys! Especially for those that struggle with can openers that hardly open anything.

Laney: And those edges are as sharp as razor blades when you open them and they can cut you.

Camie: Yeah no kidding.

Stimpy: You guys have a great tinkering side to you like I do.

Ren: That is true Stimpy.

Qin: I agree. Just like me.

Lola: Cool!

Hotlink: Let's open some more!

Me: Hmm. I know!

I went and got out a can of dehydrated all you can eat buffet. Just add water.

Me: Open this.

They went and did so and it was open.

Me: Awesome! I've been trying to find a good can opener for this.

I took a cup of water and poured it on the powder and then out came AN ALL YOU CAN EAT BUFFET OF FOOD!

Nico: WHOA!

Searchlight: Let's open more!

Nico: I think that's enough for now. At least it works.

Xenia: It sure does.

Me: We'll have to get this patented and set up for sale. This is brilliant.

Xenia: Yeah great job guys.

Poromon: Thanks.

Masker Mind: Nico, who gets to shine today?

Nico: Emerald Goldenbraid, Sakura Haruno, Fu, Ino, Lillian Hale, and Trixie Lulamoon

Emerald: Cool!

Fu: All Right! This is gonna be fun.

Lillian Hale: It sure will be.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Dr. Richard Hawlings who's come back from the dead, and his wife, Carolyn Hawlings, who's been freed from prison by Slappy, and they've returned for revenge and they're causing havoc once again. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Dr. Richard Hawlings who's come back from the dead, and his wife, Carolyn Hawlings, who's been freed from prison by Slappy, and they've returned for revenge and they're causing havoc once again.

We gasped.

Qin: Not those two greedy assholes again!

Nico: They sure are nothing but fucking trouble, but this time, Dark Samus isn't here to help them.

Me: You got that right. I can't wait to tear those greedy dickwads apart once more.

Lincoln: Dr. Hawlings is getting The Black Gates no doubt about that, but as for Carolyn, I've got a much better punishment for that greedy bitch: she's getting turned into a gold statue with my King Midas' Golden Touch Vengeance Curse.

Nico: And sent to prison once again, only this time, she's getting an upgraded sentence of Eternity Without Parole. Alright, gang, we need to head down to the jungles of Baladora and help Mark Rowe and Kareen deal with Dr. Hawlings and Carolyn once again.

Qin: Yep.

I went over and got the book for How I Got My Shrunken Head.

Me: We did this one back in 2019 and it was before the Great War of Friday The 13th.

Nico: I remember that.

Juran: So, where does the Shrunken Head come in? Do we fight that too?

Nico: No the Shrunken Head is not the main bad guy. Dr. Hawlings and his wife are.

Me: And I'll bet that he'll be horribly scarred and disfigured now.

Camie: Why?

Me: Because he ripped my heart out like with what happened in Indiana Jones and The Temple of Doom and it exploded in his face and burned him badly.

Nico: I remember that.

Eli: That is cool!

Taro: But will we see the Shrunken Head in some form?

Me: No it doesn't work that way.

Brittney: Shrunken heads are supernatural artifacts and they have mystical power.

Taro: I see.

The previous group came.

Evil Seed: Can me, Vypra, Dai Gui, Aqueduct, Mirror Master, Zexion, Number 7, Scorpion, Johnny 13, and Kitty go with you guys?

Nico: Yes you all can come with us.

Qin: This is gonna be good.

Lola: We're doing How I Got My Shrunken Head next.

Aqueduct: Nice!

Lola: Yep.

Wallflower: Nico, which Gene Slammer do you think you'll meet next?

Nico: Charge Man next.

Qin: That's the last of the robots from Mega Man 5.

Me: Yep.

Qin: This will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the four figures are none other than The Elemental Archfiends, a quartet of immensely powerful elemental fiends who serve Golbez in the video game Final Fantasy IV, and they're here to destroy us under Golbez' orders. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the persons we just saw and the dark energy signals we sensed belongs to The Elemental Archfiends, a quartet of immensely powerful elemental fiends who serve Golbez in the video game Final Fantasy IV, and they're here to destroy us under Golbez' orders.

We gasped.

Kuja: The Elemental Archfiends of Golbez, I should've known they'd one day make their return, and they're not to be underestimated though, each of the Elemental Archfiend has control over over the four elements of fire, water, earth, and wind: Scarmiglione is the Archfiend of Earth, who goes by the title of the Blighted Despot, Cagnazzo is the Archfiend of Water, who goes by the title of the Drowned King, Barbariccia is The Archfiend of Wind, who goes by the title of the Empress of Winds, and finally, Rubicante is the Archfiend of Fire, who goes by the title of the Autarch of Flame.

Nico: Damn, this is going to be one tough challenge.

Aylene Aretos: These fiends aren't going to be easy to defeat, therefore, we need to show them our full power.

Lincoln: Exactly, there's no way we're letting them get out of this alive.

Nico: This'll be one fierce fight of the elements. Alright, gang, let's go, we're heading to the jungles of Baladora and help Mark Rowe and Kareen deal with Dr. Hawlings and Carolyn once and for all.

Lincoln: And when they hear that Slappy was behind their return, it's not going to end well, and once we get done with them, you're next, Elemental Archfiends.

Aylene Aretos: There's absolutely no way we're going to let you live any longer, Elemental Archfiends, you're nothing more than the servants and enforcers of Golbez and his twisted ambitions, and for that, you four will pay the ultimate price for your misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the jungles of Baladora and help Mark Rowe and Kareen deal with Dr. Hawlings and Carolyn once and for all, and once we got done with them, Aylene Aretos and Lincoln are going to destroy The Elemental Archfiends.

We were off to the jungles of South America.

---

We arrived in the Jungles of South America.

Me: Here we are guys.

Vypra: Be on the lookout for anything.

Nico: Right.

Nicole: This will be a good one.

We looked around the jungle

Anastasia (Cinderella): Let's also be on the lookout for Mark.

Me: Wow what a place.

?: HELP! HELP SOMEONE HELP ME!

Me: UH OH!

We ran fast and found Mark Rowe sinking in quicksand!

He was up to his chest in quicksand

Me: Mark!

Mark Rowe: Get me out of here guys!

Nico: Hang on Mark!

I formed a vine and formed a lasso and then threw it and wrapped around him.

Me: PULL!

We pulled.

We then got him out.

Nico: WHOA!

Mark Rowe: Thanks guys!

Aqueduct: How do you get yourself into these situations?

Mike Rowe: I don't know.

Me: Lets clean you up here.

Maria fired a wave of water and cleaned him him.

Mike Rowe: Ahh thanks.

Nico: You're welcome.

Kareen came.

Kareen: Hey guys!

Me: Hey Kareen.

Kareen: Glad you all made it.

Manterror: I know that it's not the real problem. But have either of you 2 seen the Shrunken Head?

Mike Rowe: You mean this?

He showed the Shrunken Head.

Me: Just like I remember.

Nico: Yep.

Eli: Ugly thing.

Number 7: I suggest you keep that safe.

Me: I agree. I take it you know that Hawlings is back.

Mike Rowe: Yeah I sure do.

Xenia: Good.

Me: If I were to guess, Slappy brought him back with the promise to fix the burns I dealt him.

Mike Rowe: I am assuming.

Chef Pepperjack: Oh, I'm gonna make something so hot he'll have more burns!

Me: Nice.

Mike Rowe: I saw that he had someone else with him too. He was an old man with a fur coat.

Melody Meteor: Wait did he have an insane hatred towards a "witless halfling" as he called it?

Mike Rowe: Yeah! How did you know?

Melody Meteor: Oh man! That's Denethor, Son of Echthelion!

Nico: The Steward of Minas Tirith!? What's he doing here?

Mike Rowe: No idea.

Melody Meteor: I think I just found myself my archenemy. Denethor needs to be taught some manners. I hate that guy.

Johnny 13: Didn't see that coming.

Emerald Goldenbraid: Who is he again?

Melody Meteor: The Steward of Minos Tirith in the Land of Gondor from Lord of The Rings.

She went over his history.

---

Denethor II is a supporting antagonist in Peter Jackson's Middle-earth film series, based on J.R.R. Tolkien's fantasy novel The Lord of the Rings. While the books portray Denethor as inherently noble and tragic, with his actions driven by good intentions, the Peter Jackson films instead depict him as a much less sympathetic and far more unstable, cruel and cowardly character.

He was portrayed by John Noble, who also played the Scarecrow in Batman: Arkham Knight, Unicron in Transformers: Prime, Brainiac in Superman: Unbound, Mallus in DC's Legends of Tomorrow, Henry Parish in Sleepy Hollow, Walternate in Fringe, Leland Monroe in L.A. Noire, Sam Butcher in The Boys, the Diviner in Star Trek: Prodigy and Ivan Yugorsky in Running Scared.

After Boromir's death, Denethor finally succumbed to madness. When Gondor was besieged by the armies of Mordor, Denethor refused to ask Rohan for help because he knew that Aragorn, the rightful heir to Gondor's throne, would ride with them. Instead, he sent Faramir with a small army to Osgiliath to recapture the overrun city. All the men died except for Faramir, who returned to Minas Tirith heavily injured.

When the armies of Mordor besieged Minas Tirith, Denethor believed the war was lost. In his madness, he decided to burn both himself and Faramir, whom he believed to be dead. Faramir was saved by Peregrin Took and Gandalf. Denethor, burning alive, ran to then jumped off the pinnacle of Minas Tirith to his death. His son Faramir succeeded him as the ruling Steward, but due to his injuries, he was unable to rule Gondor.

When she was done we were shocked.

Me: But I have known about Denethor.

Laney: Yeah he was a monster.

Poison Ivy: I'm actually in my element here.

Me: You sure are Pamela.

Mike Rowe: Wow you guys all grew in numbers from the last time we saw you.

Kareen: Yeah no kidding.

Me: Things have changed a lot over the years.

Xenia: Yeah we grew not just in numbers but in strength and power.

Lola: Yep.

Melody Meteor: Yeah and it's awesome.

Kitty: And 310 of them have Miraculous.

Sakura Haruno: It's true.

Qin: Yep.

Mike Rowe: Wow that is cool!

Lola: Yep.

Camie: It sure is.

Me: Lets go find Dr. Hawlings.

Horri Bull: All these leaves are in the way though. Let's cut them up with a jungle knife.

He went and did so.

Xenia: Awesome.

Me: Yeah.

We were walking.

Double D saw a camera that was caught on him in his armor.

Iron Boy: Is that a camera?

Fu: Probably one of Hawlings'.

Scorpion: It probably didn't get your good side. Or any side.

Me: Hmm. What do you think it's for?

Xenia: Good question.

Master Frown: It probably was put there to alert him and his goons of us!

Me: If that's the case then we better blast the goons before they come.

Qin: Good idea.

Nico: If you see any goons slash them to pieces.

Zexion: Why can't we just kill him with your exploding heart?

Ino: It worked wonders before.

Me: Yes it did but I want to see if I really left my mark on him.

Nico: Yeah. No doubt it did.

Qin: Yep.

Ra's Al Ghul: That is still a good idea though.

Me: Yep.

Eli: It sure was. (Senses something) He's up ahead guys.

Me: Awesome.

Mirror Master: They're in for a lesson.

stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Elemental Archfiends, or we will force you out.

Four figures came out, and they were none other than Rubicante, Archfiend of Fire and The Autarch of Fire, Barbariccia, The Archfiend of Wind and The Empress of Winds, Cagnazzo, Archfiend of Water and The Drowned King, and Scarmiglione, The Archfiend of Earth and The Blighted Despot.

Lincoln: Rubicante, Archfiend of Fire and The Autarch of Fire, Barbariccia, The Archfiend of Wind and The Empress of Winds, Cagnazzo, Archfiend of Water and The Drowned King, and Scarmiglione, The Archfiend of Earth and The Blighted Despot, I knew that one day, you four would show up to kill us, but your master made a fatal mistake sending you four after us, we've fought creatures like you and won.

Cagnazzo: YOU DARE TO SPEAK TO US LIKE THAT?! WE DO NOT CARE IF YOU ARE GODS AMONG MEN, ALL WHO DEFY LORD GOLBEZ SHALL DIE!

Aylene Aretos: Says you and every last villain we've faced.

Suddenly, Aylene Aretos' green eyes turned neon green, and she was surrounded by a green energy aura with stars, winds, tin, eagles, phoenixes, and angels, she unholstered her massive Aretos the Tin-themed greatsword from her back, and as she approached The Elemental Archfiends, she left green energy, stars, winds, tin, eagles, phoenixes, and angels with every step.

Aylene Aretos: You Elemental Archfiends make me sick to no end, you all have caused destruction and havoc to far too many people and all for the loyalty to your master, Golbez. You four lack utter remorse and empathy for the destruction you've caused and for those that'd fallen to you in the past, all of your crimes have gone unpunished for far too long, and now, you will pay the ultimate price for them… with your lives.

Suddenly, Aylene Aretos was surrounded by a massive vortex of green energy with stars, winds, and tin surrounding the vortex, there are eagles, phoenixes, angels, and Aretos the Tin flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at The Elemental Archfiends: the red eyes of death. Then, as the vortex faded, Aylene Aretos emerged, but she was changed forever.

Aylene Aretos grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large green orbs orbiting around her legs, she has the body of a goddess, she has sky blue yellow highlights in the bangs of her long green hair and green bow and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, winds, tin, eagles, phoenixes, and angels surrounding her, she has Aretos the Tin with the alchemical symbol of tin emblazoned on her forehead and Third Eye with green iris, she has on eagle earrings with green gems for eyes and holding the Star, Wind, Tin, and Eternity Kanjis in its talons, she also has Aretos the Tin with green gems for eyes and holding the Star, Wind, Tin, and Eternity Kanjis in its talons for the second pendant on the bottom of her green eagle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Aylene Aretos has on a short-sleeved green blouse, sleeveless green top, green skirt with the alchemical symbol of tin on it, green knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, winds, tin, eagles, phoenixes, and angels on the coattails, and on the back is Aretos the Tin and it's surrounded by winds. Suddenly, Aylene Aretos felt a sharp pain on her back, and then, her massive green angel wings with sky blue tips on the large green feathers grew much bigger for her new body and she also now has eleven massive and long green wolf tails with sky blue tips and sky blue markings, Aylene Aretos has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Aylene Aretos' massive Aretos the Tin-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, winds, tin, eagles, phoenixes, and angels, and when it emerged, it was transformed into Aylene Aretos' Eternal Alchemical Alchemy Beast Hurricane Aretos the Tin Alchemy Angel Wind Phoenix Angel Greatsword of Eternal Eternal Alchemical Alchemy Beast Hurricane Aretos the Tin Alchemy Angel Wind Phoenix Angel Justice, it's a brand-new massive greatsword with embedded sky blue gems and Aretos the Tin etched on the 7'6" massive, wide, double-edged green blade, large green eagle heads for the crossguard, large white angel faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large green eagle heads with golden yellow gems for eyes and on the bottom of the large green eagle heads is a large green eagle head with green gems for eyes and green gem in its mouth for the pommel, Aylene Aretos has on her large gold Bracers of The Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Aretos the Tin's head with green gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Aretos the Tin that said, "Aylene Aretos, Gene-Slammer of Aretos the Tin, Master of The Powers of Wind and Tin, Alchemical Angel of Wind and Tin, True Immortal and Powerful Warrior of The Universe, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Dark Chandler, Archenemy of Anteater Demon, Destroyer of The Elemental Archfiends, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Tin, Stars, Phoenixes, Angels, and Eagles"

Suddenly, Aylene Aretos' immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Aylene Aretos has transformed into SUPER ANGEL-ARETOS THE TIN-EAGLE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ALCHEMICAL WIND HURRICANE TIN ARETOS THE TIN EAGLE PHOENIX ANGEL OF DIVINE COSMIC ALCHEMICAL WIND HURRICANE TIN ARETOS THE TIN EAGLE PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ALCHEMICAL WIND HURRICANE TIN ARETOS THE TIN EAGLE PHOENIX ANGEL LOVE!

We were really amazed by Aylene Aretos' Super Angel-Aretos the Tin-Eagle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Elemental Archfiends saw it, they fell into a rage and fired blasts of fire, water, wind, and earth at her and Lincoln to kill them, but Lincoln and Aylene Aretos absorbed the elemental blasts and it made them even stronger, and Aylene Aretos fired a massive barrage of green energy, stars, winds, tin, eagles, phoenixes, and angels, which hit The Elemental Warlords and exploded and they were knocked down, they got back up, but now, they were even angrier than ever.

Estella Skyla: WHOA!

Rosa Laurence: That's amazing, Aylene Aretos' transformed.

Lincoln: That's right, Aylene Aretos has transformed into her Super Angel-Aretos the Tin-Eagle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we put an end to The Elemental Archfiends for good.

Aylene Aretos: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Hurricane Wind Alchemical Tin Wind Aretos the Tin Eagle Phoenix Angel and Divine Cosmic Eternal Hurricane Wind Alchemical Tin Wind Aretos the Tin Eagle Phoenix Angel Love) They will pay for everything that they've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Aylene Aretos.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity,

Kindness, Selflessness, Courage, and Trust) Your rampage is over, Rubicante, Archfiend of Fire and The Autarch of Fire, Barbariccia, Archfiend of Wind and The Empress of Winds, Cagnazzo, Archfiend of Water and The Drowned King, and Scarmiglione, The Archfiend of Earth and The Blighted Despot, and now, you shall pay for the crimes that you've committed in Golbez' name.

Aylene Aretos and Lincoln went after The Elemental Archfiends who continued firing blasts of fire, water, earth, and wind at them, but they continued absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Elemental Archfiends and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Aylene Aretos also attacked them with some powerful punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving The Elemental Archfiends even more madder with rage.

Scarmiglione: YOU! YOU! We WILL KILL YOU ALL!

The Elemental Archfiends charged right at them with uncontrollable fiery rage and wrath in their black hearts, but Aylene Aretos fired a powerful energy blast at them which hit them hard and they got knocked down, and then, Lincoln turned the tips of four of his massive and long white tails into Cell's stingers, and then, he stabbed them into The Elemental Archfiends and he began absorbing them and he was also assimilating the Geokinesis of Scarmiglione, the Hydrokinesis of Cagnazzo, the Aerokinesis of Barbariccia, and the Pyrokinesis of Rubicante, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Elemental Archfiends except for their clothing. Then, four energy cards with the Elemental Archfiends' drained souls appeared in Lincoln's left hand, and Lincoln banished them to The Black Gates forever, we cheered wildly for what Aylene Aretos and Lincoln did as they holstered their massive greatswords and powered down and Aylene Aretos' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive green angel wings are permanent.

Aylene Aretos: This is for all the lives of all those who fell victim to you and your master. Thanks for helping me destroy The Elemental Archfiends for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Aylene.

Suddenly, Aylene Aretos wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aylene Aretos' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Aretos the Tin flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and winds blowing behind them and we cheered wildly. Then, Lincoln and Aylene Aretos sucked in and absorbed the elemental forces and winds and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and in the end, we made sure The Elemental Archfiends paid the price for their crimes and for serving their master, Golbez.

Me: If we ever face him in the future, we'll make him pay for everything he's done. So, Lincoln, who's the next group of Cybertronian Gene-Slammers we're meeting on your rescue tomorrow?

Lincoln: That's an easy one: Gene-Slammers for the Insecticons.

Nico: Whoa!

Selene Salamandra: And there's only group of girls who'd be Gene-Slammed into The Insecticons: The Ashida Sisters.

Noriko: (GASPS) My sisters?!

Jessica Shannon: (GROWLS) I can't believe Team Rocket had the gall to Gene-Slam them!

Nico: They crossed one too many lines Gene-Slamming Lincoln's Guardian Angels and our friends, in fact, there's no line they're willing to cross in their plans for world domination.

Eli: That's right. So, who are they?

Selene Emperyous: You'll love meeting them, Eli, and so will the rest of the team, they are Akari Ashida, Gene-Slammer of Airachnid, Bunko Ashida, Gene-Slammer of Blackarachnia, Chihiro Ashida, Gene-Slammer of Glowstrike, Doremi Ashida, Gene-Slammer of Shrapnel, Ginka Ashida, Gene-Slammer of Kickback, Hiromi Ashida, Gene-Slammer of Hardshell, Kaguya Ashida, Gene-Slammer of

Waspinator, Lekki Ashida, Gene-Slammer of Inferno, and Mei Ashida, Gene-Slammer of Chop Shop, these girls are Lincoln's Guardian Angels from Japan and classmates in Gym, and they're also mutants that have mastery of their elements and they're the sisters of Noriko Ashida. Akari has fire, Bunko has earth, Chihiro has wind, Doremi has water, Ginka has light, Hiromi has darkness, Kaguya has ice, Lekki has nature, and Mei has gravity.

Nico: Whoa.

Me: That's really awesome

Michelle Emperyous: They knew that Noriko would have feelings for Hikaru Akatsuki and made a beautiful wedding dress for Noriko to wear for when Noriko and Hikaru would get married. Akari has cherry red hair with matching clothes, Bunko has chestnut brown hair with matching clothes, Chihiro has gold yellow hair with matching clothes, Doremi has aqua blue hair with matching clothes, Ginka has white hair with matching clothes, Hiromi has black hair with matching clothes, Kaguya has ice blue hair with matching clothes, Lekki has emerald green hair with matching clothes, and Mei has purple hair with matching clothes. They and Lincoln even made a tuxedo for even Hikaru Akatsuki to wear as well, and Lincoln made The Ashida Sisters beautiful necklaces with their favorite jewels, and to show thanks, they each kissed Lincoln on the lips, and they hate Icky Vicky and Trina Riffins with a blazing passion, the reason why is because they tried to destroy the wedding dress The Ashida Sisters made for Noriko out of extreme jealousy.

Nico: (GASPS) Those flat-chested jealousy-crazed, rage-crazy bitches!

Laney Emperyous: But thankfully, the dress that was destroyed was a decoy and it had silent alarms ready to alert Lincoln and The Ashida Sisters along with Noriko and Hikaru, in case someone tries to ruin their future wedding so they instantly arrived and then they beat the living the crap out of Icky Vicky and Trina Riffins and sent them back to jail but not before they humiliated both Icky Vicky and Trina Riffins and even wedgied them onto a flagpole with Icky Vicky and Trina Riffins only in their undergarments.

Me: It was really humiliating, you thought what Emily Lane did was humiliating, what Lincoln and The Ashida Sisters and Noriko and Hikaru did to them was really over the top humiliating.

Nico: Wedgied them onto a flagpole and only in their undergarments, sheesh, that's a punishment that is worthy of those two jealousy-crazed bitches.

Vexen: Now THAT was an explosion!

Ryugu Tamatebacco: I just love it when history repeats itself.

Me: That was fun!

Jack O Lantern: I could've done better!

Pied Piper: (sarcastically) Sure, you would've.

Pterodactyl Ghost: Either way, another job well done.

Vypra: Yep. But Denethor will be a perfect addition to the M.O.E.

Melody Meteor: He sure will.

Nico: Yep. Great job today everyone.

Mike Rowe: Thanks guys.

Me: Anytime Mike.

Fluttershy: (To the viewers) I thought this was fun.

Me: We all did.

We went back home.

SLAPPY WAS INFURIATED!

Alexander DuBrow: Relax, boss. Hawlings might have failed. But I got everything on Iron Boy's armor thanks to the camera you asked me to place.

Bob Roth: What exactly are you planning based on that info?

Alexander DuBrow: (smirks) It's a surprise.

Little did Slappy know that Sebastian Mendez had a world's tiniest camera put in the room and he knows that Alexander DuBrow is up to something and Sebastian was going to watch Slappy like a hawk..

Me: Yep.

I gave some spinach to a cow and then out come NUMEROUS BOTTLES OF MILK!

Qin: Whoa! Popeye's spinach does wonders for all kinds of farm animals.

Me: Yep it sure does.

Maria: That is awesome.

Ino: I wonder if it would help flowers grow fast.

Me: That would be awesome.

Laney: But we have plant powers for that.

Nico: Yugi, I want to thank you, Gentleman Ghost, and your teams for coming

Yugi: It's no problem Nico. This will be fun.

Eli: It sure will. And you and Father always make an awesome team Yugi.

Yugi: Thanks Eli.

Papi: Yeah that is awesome.

Nico: Papi, remember when we first met you?

Me: Yep and it was before the Great War of Friday the 13th.

Nico: We still saw the shrunken head.

CRASH!

Nico: Oh no. Don't fucking tell me

Eli helped me up and got the pumpkin off me.

Me: (Dazed) Anyone get the number of that pumpkin that hit me? (Blubbers) OW! OKAY WHO IS THE FUCKING WISEASS!?

Liam: That's the emergency.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Drew Brockman, Walker, Tabby, and Lee that The Pumpkin Heads are back, and they're causing trouble in town once again.

We gasped.

Nico: Oh man, I knew it was going to be them again, I just knew it, and it's not even Halloween.

Me: I know, right? But, still, we got to stop them.

Qin: Yeah!

Camie: Who are the Pumpkin Heads

Me: Alien mischief makers from another planet. We faced them back in 2019.

I went over what happened in chapter 875 and it was brutal.

Camie: WHOA!

Applejack: Why those rotten mischief makers!

Just then, Brandon Skellington arrived, along with Lightning Lisa and Suu the Slime.

Brandon Skellington: Sorry for the intrusion, everyone, but I had to come here as soon as possible.

Suu: Same with me and Lightning Lisa.

Lightning Lisa: We were made aware of the situation by my elder brother's prime counterpart of the Pumpkin Heads' return.

Me: You both got here as fast as possible, and I can understand why you came here, Brandon.

Brandon Skellington: I wasn't going to let these aliens run free even if they wear pumpkins for heads, and I intend to stir up some early Halloween fun to deal with them.

Lincoln: Good idea. (Sensed for The Pumpkin Heads) AHA! Gotcha! I've picked up on The Pumpkin Heads, they're 20 yards away, along with Drew Brockman, Walker, Tabby, and Lee, and they're on the move.

Nico: We need to get to them as fast as possible.

Lincoln: Yeah, we can't let them get caught. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out to help Drew Brockman, Walker, Tabby, and Lee deal with The Pumpkin Heads.

Nico: I think these are also rogue ones!

Me: Yeah these definitely must be rogue ones! They are for sure getting the Black Gates.

Qin: Big time!

Me: NOBODY HITS ME WITH A PUMPKIN AND GETS AWAY WITH IT!

Suu: DARN TOOTIN!

Xenia: YEAH! STUPID PIEFACES!

Kaito: Are there friendly ones then?

Shanan: Yes there are.

Me: I can't remember if we met friendly ones or not but there are.

Nico: Yeah. But either way we got some rogue Pumpkinheads to face.

Xenia: Lets get them!

We went to find them.

We arrived just in time to see Drew Brockman, Walker, Tabby, and Lee running from The Pumpkin Heads.

Lincoln: There they are. Now, let's give those aliens a real Halloween scare.

Suddenly, waves of black and orange darkness appeared from nowhere along with the many icons of Halloween: Skeletons, Pumpkins, Bats, Ghosts, Witches, Werewolves, Vampires, Demons, and all the other Halloween creatures came out from nowhere and they blasted The Pumpkin Heads with blasts of pumpkin fire and black and orange darkness. Then, they all converged and a massive explosion erupted as the sounds of a Thunderbird Screech, Phoenix Cry, and demonic laughter were heard and we appeared.

Lincoln: We got here as fast as we could, Drew.

Brandon Skellington: Now, leave this part to me.

Brandon Skellington fired blasts of black and orange darkness and black and orange energy blasts from his Pumpkin Scepter of Halloween Town Justice and they hit the Pumpkin Heads, and that had caused the pumpkins to come off the aliens' heads and come to life. Then, they fired blasts of fire at them, and Brandon Skellington summoned ghosts that took possessions of the other pumpkins that came off the aliens' heads, and they fired blasts of darkness and ghosts at them.

Nico: Whoa, Brandon is really causing some early Halloween mischief with what he's doing.

Me: He sure is, he's really causing Halloween mischief towards the Pumpkin Heads.

Lightning Lisa: Now, to deal with those reprehensible aliens.

I went over to them.

Me: Hey you Squash Heads! I got your telegram with a nasty lump on my head!

Nco: Not gonna happen again!

Qin: You got a lot of nerve coming back!

Me: Now we're going to pulverize you and turn you into Pumpkin Pie!

Shane, Shana, and both Jack O Lanterns appeared.

Shana: Sorry we're late!

Shane: We were told about this from Brandon.

Jack O Lantern (Billy and Mandy): Yeah this will be fun.

Me: You made it just in time.

Shana: Yeah, these are more rogue members of our people.

Me: I see. Then we're going to squash some pumpkins. One of them threw a pumpkin at me and hit me on the head. I have a huge lump.

Shana: Ouch!

Xenia: Yeah.

Marvel Jack O Lantern: Let me show them a flaming pumpkin!

He threw a Flaming Pumpkin and it hit the rogue Pumpkinheads and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Me: Nice one! Top this! (ACTIVATES HOBGOBLIN'S RIDEWATCH)

I fired a bunch of pumpkin bombs and they hit the Pumpkinheads and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Shane: Ninja Storm Ranger Form! HA!

Kouta: Henshin!

They transformed!

Shane: (ECHOING) POWER OF AIR!

Kouta: ORANGE ARMS! KAMEN RIDER GAIM!

They were ready!

Nico: YEAH!

Nico: Take this!

He fired energy blasts and blasted the Pumpkinheads.

Nico: YEAH!

Suddenly, Lightning Lisa's electric yellow eyes turned neon electric yellow, and she was surrounded by an electric yellow energy aura with stars, lightning, chemicals, dragons, phoenixes, and angels, she unholstered her massive Lightning Lisa's Supercell Lightning Storm Genius Greatsword of Supercell Lightning Storm Genius Love from her back, and as she approached the Pumpkin Heads, she left electric yellow energy, stars, lightning, chemicals, dragons, phoenixes, and angels with every step.

Suu: That's for sure.

Brandon Skellington: I've done my part. It's up to you guys now to end this madness.

Lincoln: And we will.

Brandon Skellington teleported back to The World Tree Estate in a massive tornado of black and orange darkness as the pumpkins that he brought to life went back to normal as the ghosts and the other Halloween creatures came out and disappeared.

Nico: Brandon helped in his part with causing mischief on them, now it's our turn.

Me: That's right, now we must end them for good.

Suddenly, Suu's blue eyes turned neon blue and she was surrounded by a green and blue energy aura with stars, water, ocean waves, slimes, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached The Pumpkinheads, she left green and blue energy, stars, water, ocean waves, slimes, phoenixes, and angels with every step.

Me: You're going to be nothing more than ashes after we get through with you, you bastards!

Nico: And we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird

Lincoln, Lightning Lisa, Suu, and I went after The Pumpkin Heads and we fired extremely powerful blasts of rainbow energy, electric yellow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Pumpkin Heads and they exploded with incredible power as they hit them.

Then, we attacked them with our massive greatswords leaving scars on them and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Lightning Lisa, Suu, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Pumpkin Heads insane and straight to the brink of insanity.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (ECHOING VOICE) STRIKE OF THE SEVEN STARS!

Lincoln fired super-heated spheres of light at The Pumpkin Heads, and they not only got burned badly, but all of them were turned to ashes and their spirits were banished to The Black Gates for good. Everyone cheered as Lincoln, Lightning Lisa, Suu, and I holstered our massive greatswords on our backs and powered down, and Lightning Lisa's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long brown wolf tails, and massive brown angel wings are permanent, and Suu's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long green wolf tails, and massive green angel wings are permanent.

Nico: That'll teach you aliens never to come after our friends ever again!

Me: You said it.

Lincoln: They made a huge mistake coming back, and they didn't count on Brandon Skellington using some of his tricks to cause some early Halloween mischief.

Eli: That was so awesome, and it proved to everyone that Brandon

Skellington really is The Master of Halloween and The King of Terror.

Luna: And when Halloween comes, we'll ask him for some help on really making it one Halloween no one will ever forget.

Me: With the assistance of both him, his dad, and Elena Skellington.

Qin: The whole Skellington Family helping us with Halloween, oh man, this is going to be one wicked and awesome Halloween no one will ever forget.

Nico: We should make pumpkin pie out of them

Me: Good idea.

Lana: Yeah!

Me: Lana can I have some ice for this lump on my head?

Lana: Sure thing.

She gave me some ice for it.

Me: Ahh. Much better.

Juran: Anyone know how to make pie?

Me: We got 2 of the best pie makers ever right here. Applejack and Pinkie Pie.

They smiled.

Juran: Cool.

Rainbow Dash: I can't believe I didn't like pies before. Now I love them!

Me: You would have to be a crazy lunatic not to like pies.

Taro: You didn't like pies before?

Rainbow Dash: I never liked them at all. Pinkie Pie made pies for me and I lied to her to make her happy. But I love her pies now.

Me: The reason she never liked them before was because she never had one before.

Rainbow Dash: It's true. But I wanted to prove to Pinkie that I can eat a pie to her by making a garbage dump pie.

Me: I almost hurled my guts out seeing that.

Xenia: YUCK!

Me: Yeah.

Rainbow Dash: Yeah not the smartest idea.

Lana: I would've eaten it!

Me: Yeah you would Lana but not anyone else.

WE LAUGHED!

Lola: (LAUGHS) Yeah.

Lana: (LAUGHS) I sure would.

Me: Yeah.

Taro: What was that pie made of?

Me: You do NOT want to know.

Taro: Fair enough.

We got to making the pies and we later ate them.

Me: (Eating Pumpkin Pie) Mmm! Not even Thanksgiving and it's awesome.

Xenia: It sure is.

Nico: I also like apple pie.

Me: Me too.

Camie: Same here.

We had a great pie.

Me: Ahh. Now we could use some pizza to wash it down.

Nico: That would be awesome. Now for the Anothers.

Eli: Lets see. (CONCENTRATES) Whoa we have Another T-Rex, Magma, Money, Virus, Sweets Dopants, Pericles and Gentleman Ghost.

We gasped!

Qin: Whoa so just Fiona, Selene, Bertha, Hailey and Emma Guntherton coming.

Nico: Yep.

Maria: Let's call them.

We did so and in swirls of elements came the Guntherton sisters!

Fiona Guntherton: Hey guys.

Selene Guntherton: This will be fun.

Emma Guntherton: It sure will be.

Eli: I sense that the Anothers minus Gentleman Ghost are one person.

Qin: Wow.

Nico: There they are!

Out came Another T-Rex, Magma, Money, Virus, Sweets Dopants and Pericles!

Me: WHOA!

But then an Ewok came.

Me: Whoa an Ewok?

Lincoln: Wait I know this Ewok. Shodu Warrick?

Shodu Warrick: Good seeing you again Lincoln.

Lincoln: You too Shodu. Then that means.

Another Magma Dopant: (In a girls voice) Yep.

Lincoln: Eowyn Endor. Awesome.

She reverted back and was a girl with green and blue hair, green eyes and green and blue clothes and she had an awesome keyblade with her.

Eowyn Endor: Awesome to see you again Lincoln.

Lincoln: Same here Eowyn. Guys this is Eowyn Endor, Keyblade Knight of Endor, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Endor, and she has intense nature powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Endor, and she witnessed the Jedi Knights' battles against The Sith, and she and her Ewok friend, Shodu Warrick, helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of nature.

Laney: That was awesome.

Lana: Yep.

Me: Wow the Keyblade Knight of Endor. That was the decisive battle that brought an end to the Galactic Empire.

Nico: Yeah.

Eowyn Endor: That's right.

Juran: Considering what happened afterwards, did it really end?

Me: It sure did and the entire galaxy is at peace. With no Palpatine, the Empire and the First Order fell from power.

Nico: Yep.

Eli: Thank goodness.

Me: Boy that was so epic.

Eowyn Endor: I heard all about how you guys helped destroy the Death Star and all that. That was awesome.

Me: It sure was.

Nico: Yeah.

Me: By the way is the Another Gentleman Ghost friendly or hostile?

Eowyn Endor: Friendly and she is one fast flyer.

Nico: Whoa!

Qin: That will be cool.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

She glowed and was separated from the Anothers!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Xenia: that was cool!

Maria: Time for backup. (TURNS DIAL) BEETLES OF MAYHEM!

She summoned Beetle, Katz, Evan & Myles, Yodo, LeFou and Hellhound.

Me: Oh yeah!

Camie: Awesome.

Me: Now for Another Gentleman Ghost.

Nico: All we can do now is wait.

Me: We don't have to wait long!

We saw a figure fly in and it was ANOTHER GENTLEMAN GHOST!

Gentleman Ghost: I say. Who is that dashing good man?

Me: Another version of you James?

Another Gentleman Ghost: (In a girls voice) I do look awesome though.

Me: That voice.

She reverted back and was a girl with pink hair, pink eyes, pink clothes and had falcon angel wings and tail feathers and she had a tiara with the symbol of the Falcon Dopant on it and the symbol was on her skirt and she had a Falcon Sword in her hand.

Me: Falchion Falcon! Wow!

Falchion Falcon: Awesome to see you again J.D.

Me: Same here. Falchion is the embodiment of the Falcon Dopant and she is also a REALLY FAST flyer and she is also a very skilled thief that moves with incredible speed and can't be seen by anyone. She steals from criminals though.

Gentleman Ghost: I say. She has so much in common with me. I am a gentleman thief. Well done fair lady.

Falchion Falcon: Thank you.

Kaito: (gets out Gaim gear) Did Swartz promise you anything?

Zocks: (Gets out Wizard gear) Because we can grant it instead.

Kaito got a Gaim Sword and Zocks got a Wizard Sword.

Falchion Falcon: No he didn't. I swiped this however when he wasn't looking.

She revealed that she had Swartz's Prototype Kamen Rider Legacy Belt!

Me: (GASP) That's Swartz's Kamen Rider Legacy Belt!

Nico: WHOA! Sakura told us that he was working on a belt that had all 50+ Years of riders in it.

Sakura Knudson: It's true. So you swiped that with your speed.

Falchion Falcon: I sure did.

Me: Awesome!

Sougo (gets out Gaim Ridewatch): Kairi Yano and Sly cooper are thieves too.

Armor Time! (Horns and traditional Japanese music) Soiya! Gaim~!

Geiz (gets out Beast Ridewatch): You'll get along with them just fine.

Armor Time! (Drum roll) Open! Beast! (Lion roar)

Sougo got GaimArmor while Geiz got BeastArmor.

Daiki: I'm getting along with you already!

Me: Yeah.

Falchion Falcon: I can tell you are.

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and separated her.

Falchion Falcon: Awesome.

She put the belt on.

Falchion Falcon: Time for Saber Power.

She activated the Saber Ridewatch and flew at Another Gentleman Ghost and fired a massive wave of fire and blasted him down.

Me: WHOA! That belt not only allows you to use the powers of all the Riders from over the course of 50+ Years but also it enhances their power times 500! Whoa!

Nico: That is awesome!

Eli: Incredible!

Nico: (gets out Gentleman Ghost) Time for some ghost power!

Falchion Falcon: Allow me too! (ACTIVATES KAMEN RIDER GHOST RIDEWATCH) Throw me an Eyecon!

Me: Here!

I gave her one!

She activated it.

HENRIETTA SWAN LEAVITT!

She fired a blast of stars and blasted the Another down.

Nico: Who was she?

Me: Henrietta Swan Leavitt was the woman that measured the vast distances of remote galaxies.

Nico: Cool! That's interesting. This will be fun! (ACTIVATES GENTLEMAN GHOST AND PERICLES RIDEWATCHES)

He fired a wave of energy and blasted the Another down.

May: Take this! (ACTIVATES DC AND MEPHISTO'S RIDEWATCHES)

She fired energy blasts and blasted the Another down.

Maria: YEAH And this! (ACTIVATES UNDEAD SPELL PUNK AND THE 3 MULTIVIOLAS RIDEWATCHES)

She fired energy blasts and smashed the Another down.

Papi: Take this! (ACTIVATES PERICLES RIDEWATCH)

She fired energy waves and blasted the Another down.

Then Zs'Skayr, Phantom of Vasquez Castle, Gossamer, Evil Tim, Mutant Dexter and Big Chicken came.

Nico: Cool team Zs'Skayr!

Zs'Skayr: Thanks Nico.

Ed: IT IS THE CURSE OF EVIL TIM! HE HAS COME TO DISSECT OUR INTERNAL ORGANS AND FEED THEM TO THE MINIONS OF HADES!

Laney: Ed!

But then I smelled something REALLY FOUL!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! DEXTER?!

Mutant Dexter: Sorry. I stink in this form.

Tsukasa: It's good that we have that belt now after meeting Gokaiger's embodiment yesterday.

Falchion Falcon: It sure is.

?: Boy I'll say!

Charge Man came.

Me: Charge Man! Wow!

Charge Man: (In a girls voice) Yep. I got this.

Nico: Vicky Cindy Charge!? Whoa!

Vicky Cindy Charge: That's right!

She ran fast and smashed down Another Gentleman Ghost and I caught the ridewatch and purified it.

Me: Awesome!

Vicky Cindy Charge: Yeah! Oh I'm naked just so you know.

Me: Oh boy. It's gonna hurt just so you know.

Vicky Cindy Charge: I know.

I put on my blind man glasses and the boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she threw up and then rammed into May and smashed her into a mud pen for Liam's pigs!

SPLAT! YUCK!

She reverted back and was a girl with orange hair and she had red eyes and had orange wings and had the Charge Kanji in the middle of her forehead.

Vicky Cindy Charge: (Groans) That hurt. (GASP) Oh man! Sorry May! Boy you are gonna smell horrible!

May: I'm okay!

LIGHTHOUSE FOGHORN!

Vicky Cindy Charge: (SEES HERSELF) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this!

The fashion Brigade gave her an awesome orange wardrobe and she had skates on for awesome speed and she had a Charge Kanji Barette on.

Vicky Cindy Charge: Boy this is awesome!

Lola: It sure is.

Papi: What's your favorite memory of Nico?

Vicky Cindy Charge: When me and Nico were after criminals running on foot from the jewelry store and we smashed them down and got them sent to prison.

Nico: That was fun.

Me: Awesome.

Nico and Vicky hugged.

Nico: I've missed you.

Vicky Cindy Charge: Same here.

We went back home and got May a bath.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to take down Matt Cordell, the murderous ex-police officer returned from the dead, and seeks revenge on the people who wronged him.

I gasped.

Me: Oh God, I knew we'd be going after Matt Cordell one day.

Nico: I saw the Maniac Cop movies, and Matt Cordell was just a regular New York City cop.

Me: He wanted to expose the truth about the corruption in City Hall, that was until he was arrested and unjustly imprisoned in Sing Sing for police brutality, and then, he was mutilated and killed in a shower room in Sing Sing by the other inmates, whom he helped incarcerate.

Jaden: So, we got to stop him.

Kuja: Before he claims more victims on his rampage. Plus, we also have evidence of the mayor's hand in framing Cordell.

Nico: Cordell was investigating the corruption that was going on in City Hall, that's why The Mayor framed him and had him arrested under false charges and unjustly imprisoned. The Mayor's career is about to be brought to an end, but first, we must stop Cordell.

We travelled through the streets, but everywhere we went, we saw dead bodies on the streets, no doubt this was Matt Cordell's work.

Eli: Everywhere we go, we find dead bodies on the streets.

Lincoln: Cordell's been here, and I think I know who he's going after next: Officer Jack W. Forrest Jr. and Officer Theresa Mallory, and they're already in his path.

Suddenly, we saw nine girls head our way with long hair matching the colors of the rainbow, matching sleeveless crop tops, red skirts, red knee-high boots, massive angel wings matching their hair, and long white sleeveless trenchcoats with elemental forces on the coattails and the Insecticons on the backs of the trenchcoats and holstered on their backs are massive greatswords, and with them are the six girls, along with Officer Jack W. Forrest Jr. and Officer Theresa Mallory.

Lincoln: (GASPS) Akari Ashida, Gene-Slammer of Airachnid, Bunko Ashida, Gene-Slammer of Blackarachnia, Chihiro Ashida, Gene-Slammer of Glowstrike, Doremi Ashida, Gene-Slammer of Shrapnel, Ginka Ashida, Gene-Slammer of Kickback, Hiromi Ashida, Gene-Slammer of Hardshell,

Kaguya Ashida, Gene-Slammer of Waspinator, Lekki Ashida, Gene-Slammer of Inferno, and Mei Ashida, Gene-Slammer of Chop Shop.

Akari Ashida: That's right, and we got the girls and the officers out of the way, but Cordell's on our trail.

We then saw a figure head our way: it was Matt Cordell, the undead murderous cop out for revenge.

Kuja: And now, we approach the final act to your reign of terror. But, it will not end with your death.

Suddenly, Kuja's light blue eyes turned neon light blue and he was surrounded by a purple and light blue energy aura with stars, fire, light, magic, dragons, phoenixes, and angels, he had his Brumel Cores at the ready, and as he approached Matt Cordell, he left purple and light blue energy, stars, fire, light, magic, dragons, phoenixes, and angels with every step.

Kuja: I can understand that you are furious at The Mayor for framing you when you were getting that close to the truth of finding out about the corruption, that's why he framed you and got you sent to prison, but this cannot go on any longer, you must be stopped, Matt Cordell. But, this I swear, The Mayor is going to be answering for his crimes, but by the hands of the law and not you.

Suddenly, Kuja was surrounded by a massive vortex of purple and light blue energy with stars, fire, light, and magic surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a silver phoenix. Then, as the vortex faded, Kuja emerged, but he was changed forever.

We were amazed by Kuja's Super Angel-Genome-Wizard-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Matt Cordell saw it, he took his baton and unsheathed a hidden knife and was about to charge at him with it, but Kuja fired a massive barrage of purple and light blue energy, stars, fire, light, magic, dragons, phoenixes, and angels which hit Matt Cordell, and he also sent his Brumel Cores and attacked him further, Matt Cordell got back up, but he was even more enraged now.

Kuja: (Divine Echoing Godly Voice of The Celestial Wizard Genome Terra Magic Redemption Draconic Phoenix Angel and Divine Cosmic Celestial Wizard Genome Terra Magic Redemption Draconic Phoenix Angel Hope) It looks like you're not going to go down without a fight, oh well.

Kuja went after Matt Cordell, and he fired extremely powerful blasts of purple and light blue energy, stars, fire, light, magic, dragons, phoenixes, and angels which hit Matt Cordell and exploded and he fired blasts of purple energy and magic from his new Mage's Staff which hit him, and he also casted Flare and Holy which hit Cordell even further, and he sent more Brumel Cores at him, and this was really pissing him off.

Then, Kuja turned into his Trance form as his long silver hair and massive silver angel wings turned red and he sprouted a red tail and it was even more powerful than ever and he really let Matt Cordell have it.

Me: Whoa, Kuja is really tearing Matt Cordell apart.

Nico: We know we're supposed to take down Matt Cordell, but Cordell is way too dangerous to let run free.

Then, Kuja fired a blast of purple energy and tied him up and sent Matt Cordell to The Masters of Evil. Then, Lincoln handed Mallory and Jack all the evidence of The Mayor's corruption and what he did in framing Matt Cordell that led to his death, and they issued a warrant for his arrest and the surviving cops captured The Mayor and was arrested for corruption and a litany of other charges, and he was going to be taken to trial. We cheered as we holstered our weapons and power down, and Kuja's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive silver angel wings are permanent.

Lincoln: We've done it, we've stopped Matt Cordell and sent him to The Masters of Evil.

Nico: And we sent the evidence of The Mayor's corruption and what he did that led to Matt Cordell's wrongful arrest and imprisonment and his death to the surviving cops, and they've arrested him.

Me: It won't be long before he gets thrown in prison forever.

Lincoln: He's bound to get sent to the same prison Matt was thrown in, and if the news gets out, he's not going to last a second in there. (To the Ashida Sisters) And it's so good to see you and your sisters again, Akari.

Akari Ashida: (Japanese Accent) You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Ashida Sisters and he hugged them, and The Ashida Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Bunko Ashida: (Japanese Accent) My word, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Chihiro Ashida: (Japanese Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Doremi Ashida: (Japanese Accent) You said it, plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, these girls are Akari Ashida, Gene-Slammer of Airachnid, Bunko Ashida, Gene-Slammer of Blackarachnia, Chihiro Ashida, Gene-Slammer of Glowstrike, Doremi Ashida, Gene-Slammer of Shrapnel, Ginka Ashida, Gene-Slammer of Kickback, Hiromi Ashida, Gene-Slammer of Hardshell, Kaguya Ashida, Gene-Slammer of Waspinator, Lekki Ashida, Gene-Slammer of Inferno, and Mei Ashida, Gene-Slammer of Chop Shop.

Michelle Emperyous: These nine girls are Lincoln's Guardian Angels from Japan and classmates in Gym, and they're also mutants that have mastery of their elements and they're the sisters of Noriko Ashida. Akari has fire, Bunko has earth, Chihiro has wind, Doremi has water, Ginka has light, Hiromi has darkness, Kaguya has ice, Lekki has nature, and Mei has gravity. They knew that Noriko would have feelings for Hikaru Akatsuki and made a beautiful wedding dress for Noriko to wear for when Noriko and Hikaru would get married. Akari has cherry red hair with matching clothes, Bunko has chestnut brown hair with matching clothes, Chihiro has gold yellow hair with matching clothes, Doremi has aqua blue hair with matching clothes, Ginka has white hair with matching clothes, Hiromi has black hair with matching clothes, Kaguya has ice blue hair with matching clothes, Lekki has emerald green hair with matching clothes, and Mei has purple hair with matching clothes.

Laney Emperyous: They and Lincoln even made a tuxedo for even Hikaru Akatsuki to wear as well, and Lincoln made The Ashida Sisters beautiful necklaces with their favorite jewels, and to show thanks, they each kissed Lincoln on the lips, and they hate Icky Vicky and Trina Riffins with a blazing passion, the reason why is because they tried to destroy the wedding dress The Ashida Sisters made for Noriko out of extreme jealously, but thankfully, the dress that was destroyed was a decoy and it had silent alarms ready to alert Lincoln and The Ashida Sisters along with Noriko and Hikaru, in case someone tries to ruin their future wedding so they instantly arrived and then they beat the living the crap out of Icky Vicky and Trina Riffins and sent them back to jail but not before they humiliated both Icky Vicky and Trina Riffins and even wedgied them onto a flagpole with Icky Vicky and Trina Riffins only in their undergarments.

Nico: That act of extreme jealousy is also another reason why Icky Vicky deserves to die, what she and Trina tried to do really pisses me off.

Me: She deserves much worse than the humiliations we're giving her.

Lincoln: That's why on December 1st, Xehanort, Icky Vicky, and Flip are going to meet their end for good, and we'll never have to see those cretins again, and now that you nine are here.

Lincoln went up to each of The Ashida Sisters and he hugged them in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akari Ashida: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, nine Elemental Thunderbird Necklace of Eternal Love appeared on The Ashida Sisters' necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with nine white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Hiromi Ashida: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ashida Sisters.

The Ashida Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Sayoko Saeki, Sonia, Kirika Chuuzenji, Midou, Aiko Nogami, and Yuka from In no Houteishiki.

Lincoln: Oh wow, it's Sayoko Saeki, Sonia, Kirika Chuuzenji, Midou, Aiko Nogami, and Yuka from In no Houteishiki.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sayoko Saeki: Yes, we're okay, thanks to you.

Sayoko Saeki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sayoko Saeki: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sayoko Saeki, Sonia, Kirika Chuuzenji, Midou, Aiko Nogami, and Yuka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Matt Cordell, the murderous ex-police officer returned from the dead, and seeks revenge on the people who wronged him.

But, when Lincoln showed what happened such as Kuja transforming again and all of us thrashing the undead cop and Kuja tying him up and sending him to The Masters of Evil and Lincoln sending the evidence of Mayor Jerry Killium's corruption that led to Matt's wrongful arrest and death, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and The Ashida Sisters have a lot of catching up to do now that they're back in town.

Maria: Whoa, so you guys went after Matt Cordell from Maniac Cop. Damn.

Nico: Yep, and he really left a trail of death in his wake.

Lincoln: But, in the end, Kuja transformed and we all took him down.

Kuja: And you sent the evidence of Mayor Jerry Killium's corruption to the surviving cops. Now, he's about to get the punishment of his life.

Just as we predicted, former Mayor Jerry Killium was found guilty on multiple counts of corruption and sent straight to Sing Sing Prison, the very prison Matt Cordell was wrongfully sent to and he was sentenced to Life in Prison Without Parole. But, just as Lincoln said, not a second into his sentence, Jerry Killium was murdered by the inmates who found out about everything, and Lincoln banished Jerry Killium to The Black Gates for his crimes.

---

After taking down Matt Cordell, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Ashida Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Akari Ashida: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Bunko Ashida: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Chihiro Ashida: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Ginka Ashida: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Doremi Ashida: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Ashida Sisters put up a video, and it showed Lincoln and The Ashida Sisters out at Lake Superior, and Lincoln was in his swim trunks and The Ashida Sisters were in red two-piece bikinis.

Past Akari Ashida: This is so awesome, a nice beautiful day at Lake Superior.

Past Lincoln: It sure is, Akari.

Suddenly, Lincoln caught the scent of blood in the air and his eleven massive and long white tails had gone wild.

Past Bunko Ashida: Oh, shit. Trouble?

Past Lincoln: Yep, courtesy of Lori.

Suddenly, they saw a massive army of hulking muscular beach bullies heading right for Lincoln and the Ashida Sisters and they were out to kill them, and as Lincoln found out, it was on the orders of Lori. Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscular beach bullies, and then, the vacuum tubes literally began sucking the hulking muscular beach bullies dry of all of their blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and he was growing even stronger.

When Lincoln was done, the vacuum tubes detached themselves from the chests of the bullies and went back into Lincoln who was now even larger in muscle mass and even more taller and stronger and much more imposing and his orange swim trunks have stretched out even more thanks to the sudden muscle mass increase, and the bullies were now weak and thin as a rake and completely drained of blood.

Past Mei Ashida: Linky, are you alright?

Past Lincoln: I'm okay, Mei, this always happens whenever Lori, Lynn, Lola, Lisa, or Luan send that massive army of hulking muscular beach bullies after me.

Past Kaguya Ashida: True, you always wind up getting larger in muscle mass and even more taller and stronger than ever. Of course, you know this means Lori's getting her ass kicked when we get back. (Seductively) But, first.

Suddenly, The Ashida Sisters seductively walked up to and pounced on Lincoln, and they kissed him all over the place: his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Lincoln wrapped his massive eleven and long white wolf tails around the waists of The Alucard Sisters and brought them closer to him as he hugged them all and not only did he kiss them, but he also bit them on their necks with his fangs as the video ended.

May: Ooh boy, you girls really pulled out the stops on the seduction and made Lincoln go crazy when you pounced on him.

Akari Ashida: He was so cute. And after we had our passionate make-out session, we went home and told everyone about what Lori did.

Luna: Yep, and needless to say, that control freak got thrown in another titanium cage like the gorilla that she is! (Snickers) Plus, when we saw our bro covered in lipstick marks on his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and with an In Heaven look in his eyes and face blushing, we wanted to take a picture of it.

Lily: But, we had a lot of them in the past and I have no room for anymore photos in the albums, and Lori went way too far that day, we even reprimanded her big time, and I went as far as to whack her cage with a mallet ten times.

Luan: You made Lori throw up big time when you did that, Lily, and thank goodness we didn't let Lynn whack her cage, you know her tremendous strength, she's as strong as ten gorillas, but Lincoln, if we so much as let him whack her cage, he could've destroyed it with one hit, he'd surpassed Lynn in terms of physical strength and he's at the same level of physical strength as J.D.

Nico: Sheesh, so one hit from Lincoln, the cage is totaled and Lori winds up in the hospital, damn, but this is her punishment for what she tried to do to her little brother and his Guardian Angels and harem in the past.

We got a shower afterwards, and then, Lincoln, Windblade (Transformers Cyberverse), Arcee (Transformers Cyberverse), Chromia (Transformers Cyberverse), Alpha Strike (Transformers Cyberverse), Skywarp (Transformers Cyberverse), Slipstream (Transformers Cyberverse), Apsara, Mako Yakumaru, Ririko Kagome, Shizuka Nekonome, Nova Storm (Transformers Cyberverse), Acid Storm (Transformers Cyberverse), Lifeline (Transformers G1), Nora Healthheart, Mage Meadowbrook, Somnambula, and Ravage (Transformers EarthSpark) are heading to Jolly Roger Bay.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Windblade (Transformers Cyberverse), Arcee (Transformers Cyberverse), Chromia (Transformers Cyberverse), Alpha Strike (Transformers Cyberverse), Skywarp (Transformers Cyberverse), Slipstream (Transformers Cyberverse), Apsara, Mako Yakumaru, Ririko Kagome, Shizuka Nekonome, Nova Storm (Transformers Cyberverse), Acid Storm (Transformers Cyberverse), Lifeline (Transformers G1), Nora Healthheart, Mage Meadowbrook, Somnambula, and Ravage (Transformers EarthSpark) and they hugged the girls in their abnormally massive and powerful muscular arms, and Windblade (Transformers Cyberverse), Arcee (Transformers Cyberverse), Chromia (Transformers Cyberverse), Alpha Strike (Transformers Cyberverse), Skywarp (Transformers Cyberverse), Slipstream (Transformers Cyberverse), Apsara, Mako Yakumaru, Ririko Kagome, Shizuka Nekonome, Nova Storm (Transformers Cyberverse), Acid Storm (Transformers Cyberverse), Lifeline (Transformers G1), Nora Healthheart, Mage Meadowbrook, Somnambula, and Ravage (Transformers EarthSpark) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Rarity: And trying to kill Windblade (Transformers Cyberverse), Arcee (Transformers Cyberverse), Chromia (Transformers Cyberverse), Alpha Strike (Transformers Cyberverse), Skywarp (Transformers Cyberverse), Slipstream (Transformers Cyberverse), Apsara, Mako Yakumaru, Ririko Kagome, Shizuka Nekonome, Nova Storm (Transformers Cyberverse), Acid Storm (Transformers

Cyberverse), Lifeline (Transformers G1), Nora Healthheart, Mage Meadowbrook, Somnambula, and Ravage (Transformers EarthSpark), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of milk appeared over the funnel.

Me: (GASPS) CARTONS OF MILK?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the cartons of milk were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: We knew Flip was lactose intolerant, and all the better for us to use it for some humiliations as well.

* * *

At Lynn's Table we were having some fun.

Hotel Transylvania Blob: Evelyn, you and Kazuma are up for bonding

Evelyn: I know and this will be fun.

Poromon: But first we have something to show you guys.

They went over to Amy.

Amy: Well if it isn't the little freaks!

Poromon: We have something to show you Amy.

Amy: Oh what is it? You freakish buttfaced leader kicking the bucket?

Then they jumped and put a helmet on Amy's head!

Amy: What the!? What is this thing!? Get it off of me!

Poromon: That's the Happy Helmet. It's time you learned how to be a good person.

Manaphy: And this is the remote control.

She showed a remote.

Manaphy: And we use this dial to control how happy you will be.

Nico: Did you just build that guys?

Poromon: We sure did.

Stimpy: I built one for Ren before.

Ren: I remember that Stimpy.

Amy: YOU SICK LITTLE MONKEYS!

Me: I have a feeling this will be awesome.

Samey: I won't like it but this will be awesome.

Me: Yeah.

Poromon: Want to test it J.D.?

Me: Sure.

I went over and took the remote.

Me: Here we go.

Amy: Why I oughta…

CLICK BUZZ!

Amy felt her face pull and she got a smile!

Me: Hey it works!

Poromon: It sure does!

CLICK BUZZ!

I pressed it again and then Amy was getting a bigger smile.

Amy: HEY! What's Happening to me!

She tried to fight it but it was futile.

Amy: NO! (Straining) Got to fight it

CLICK BUZZ!

She smiled more.

CLICK BUZZ!

I pressed it again and she smiled more.

Amy: (Straining) CAN'T… LOSE… CONTROL!

I pressed it again.

CLICK BUZZ!

Then she smiled and was now REALLY HAPPY!

Amy: (LAUGHS JOYOUSLY) J.D. I'm so happy! I will be your permanent maid for you and be happy for good.

Me: I like this!

Poromon: Me too!

Kazuma: Evelyn, I'll never regret meeting you

Evelyn: Me neither. That was awesome.

Nico: It sure was.

B.O.B:… is this for real right now?

Me: It sure is. Amy is now happy.

Ren: I hope she doesn't destroy that helmet like I did.

Stimpy: Yeah I made a Happy Helmet myself for Ren and he destroyed it when I played my favorite song Happy Happy Joy Joy.

Me: Don't worry. I used my magic to make the helmet unbreakable and indestructible.

Nico: Cool.

Poromon: We made this as part of a test. A Rehabilitation Program for some of the jerks.

Me: Think of this as part of a trial. If Amy can behave herself and be happy by the time we get home from our big mission, I will remove her dark side and have that be humiliated instead.

Nico: Oh I get it!

Evelyn: I remember that the Battle Fight was a living Hell for you

Kazuma: It was. But that was awesome that you guys came and helped us.

Me: That was awesome.

Laney: Yep.

Me: And it all started when we found Kazuma on a planet made of Sweet Potatoes.

Xenia: Yeah.

Dirt Boss: What big mission?

Me: Todays mission.

Nico: Yeah he's talking about that.

Dirt Boss: Oh right.

Evelyn: But it's a good thing we made Hitoshi paid with his life.

Kazuma: Big time.

Me: That is for sure.

Amy: I agree there.

Me: Yep. Now Amy remember our deal okay and you will be rewarded.

Samey: (SNICKERS)

Amy: You got it.

She spun around and was in a maid outfit.

?: Amy looks cute as a maid.

We saw a girl with black hair and yellow eyes and had yellow angel wings and had yellow clothes and she had a tiara with the symbol of the Beast Morphers on it and the same symbol on her skirt.

Zoey Steel: Zoey Steel, Embodiment of the Beast Morphers.

Me: Awesome to meet you Zoey.

Zoey Steel: Same here. Thank you guys for destroying Venjix/Evox.

Me: That revelation that they were both one in the same Blew us out of our socks.

Nico: Yeah.

Devon: But it's awesome to meet our embodiment.

Zoey Steel: Same here. I didn't want to go by Go-Busters as my last name. It would be weird.

Me: I see.

Nico: (laughs) It was the same with the embodiment of Go Onger. And the RPM Rangers faced that virus first!

Me: Yep.

Zoey Steel: I know! Crazy huh.

Me: Yeah

Eddy: And Zoey and Steel are two of the Beast Morphers

Zoey Steel: I know! Awesome.

Zoey Reeves: You share both our names.

Zoey Steel: I know.

Wideload: Tell us more about yourself

Zoey Steel: I'm a researcher of the Morphin Grid. I found out that the Morphin Grid is not just for Earth but for many alien races.

Me: WOW! But we found out about that with the Kyurangers, Zyuohgers and Aquitar Rangers. That is awesome.

Zoey Steel: It sure is. But many creatures of the universe can do it too.

Me: Yep.

Nico: Would you like to join the team?

Zoey Steel: I would be honored.

Napalm Man: Nico, who gets to shine this time?

Nico: Rainbow Dash, Lynn Loud, Vegeta, Lightning Dust, Musa, and Amore.

Rainbow Dash: Awesome!

Vegeta: It's going to be an honor Bokrua.

Nico: You're going to like it Vegeta.

Me: Yep.

Lynn Loud: This is gonna be fun.

Lightning Dust: It sure will.

Amore: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than King Jellyjam, and that monster's back from the dead and he's causing trouble once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than King Jellyjam, and that monster's back from the dead and he's causing trouble once more.

We gasped.

Nico: That tyrannical smelly pile of old jelly! I knew it was going to be him, I just knew it!

Me: Same here.

Eli: Yeah!

Sebastian Mendez: That stupid dummy, I know he's planning something really big, so I've installed a world's tiniest camera in the room, so I'll be watching Slappy like a hawk, and remember that camera you saw in the jungle. Well, one of Slappy's cohorts, Alexander Dubrow, has gotten info on Iron Boy's suit, and whatever he's planning with it, I just know he's going to cause trouble again and capture the mermaids in Deep Trouble once again. When we do go after him, let me be the one to kill him and feed him to the sharks.

Nico: You got it, Sebastian. Man, when it comes to the darkness, you're an expert. Okay, team, let's get to Camp Jellyjam and help

Wendy, Elliot, and the others deal with that disgusting pile of jam.

Lincoln: He's getting wiped from the face of the earth for this.

Me: Yeah!

I went and got the book for Camp Jellyjam.

Me: We faced him in 2019 and we buried him alive. We blew up Joshua Mines and buried him underground.

Nico: That was awesome. And Sebastian don't kill Alexander Dubrow. He and Bob Roth are the only buddies of Slappy not worth killing. They will go to jail.

Sebastian Mendez: Well okay.

Nico: Good. But that was still an awesome adventure.

Me: Yep.

Nico: And his smell is unbearable!

Me: Yeah! YUCK! He smelled like raw sewage and malignant slime.

Juran: How big is he?

Connor: Me and my team were there. Want me to be honest about it?

Juran: Yes please.

Connor: Fifteen foot tall walking pile of purple slime that uses kids like slaves.

Me: I should tell you guys what happened back then.

I went over what happened during the events of chapter 821 and it was awesome.

When I was finished everyone that hadn't heard about it was shocked!

Zocks: Being slaves is worse than death!

Nico: Oh, we haven't gotten to the part where he punishes those that are slow in cleaning him!

Me: He eats them.

Zocks growled in rage!

Zocks: WHY THAT MONSTER!

Applejack: Why that low-down dirty pile of slop!

Nico: Yeah! This time we banish him to the black gates.

Me: After we throw him into a black hole.

Nico: Good idea.

The previous group came.

Ryugu Tamatebacco: Can me, Shendu, Selene, Amora, Spymaster, Brain Freezer, Vexen, Jack O Lantern, Pied Piper, and Pterodactyl Ghost go with you guys?

Nico: Yes you all can go with us.

Qin: Yep.

Amora: Awesome.

Gabriel: Nico, which Gene Slammer do you think you'll meet next?

Nico: Now it's time for the Robots of Mega Man 6. Flame Man first.

Flame Man: Wow! This will be awesome.

Nico: Yep.

Me: Amy you be good while we're gone.

Amy: I will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the four figures are none other than The Fiends of Chaos, four highly powerful demons who serve as the secondary antagonists in the first Final Fantasy video game and revealed to have sealed a pact with the main villain, Garland, and they're here to destroy us under Garland's orders. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and none of us are going to like it one bit: the persons we just saw and the dark energy signals we sensed belongs to The Fiends of Chaos, four highly powerful demons who serve as the secondary antagonists in the first Final Fantasy video game and revealed to have sealed a pact with the main villain, Garland, and they're here to destroy us under Garland's orders.

We gasped.

Kuja: The Fiends of Chaos, I should've known they'd one day make their return, and they're not to be underestimated though, just like with The Elemental Archfiends, each Fiend of Chaos has control over over the four elements of fire, water, earth, and wind: Lich is The Fiend of Earth, Kraken is The Fiend of Water, Tiamat is The Fiend of Wind, and finally, Marilith is The Fiend of Fire.

Nico: Damn, this is going to be one tough challenge.

Elaine Ekenas: These fiends aren't going to be easy to defeat, therefore, we need to show them our full power.

Lincoln: Exactly, there's no way we're letting them get out of this alive.

Nico: This'll be one fierce fight of the elements. Alright, gang, let's go, we're heading down to Camp Jellyjam and help Wendy, Elliot, and the others deal with that disgusting pile of jam once and for all.

Lincoln: And when they hear that Slappy was behind his return, it's not going to end well, and once we get done with them, you're next, Fiends of Chaos.

Elain Ekenas: There's absolutely no way we're going to let you live any longer, Fiends, you're nothing more than the servants and enforcers of Garland and his twisted ambitions, and for that, you four will pay the ultimate price for your misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Camp Jellyjam and help Wendy, Elliot, and the others deal with King Jellyjam once and for all, and once we got done with them, Elaine Ekenas and Lincoln are going to destroy The Fiends of Chaos.

We were off to Camp Jellyjam.

---

We arrived at Camp Jellyjam.

Shendu: Is this the place?

Me: Yep. This is it.

Nico: Boy just like last time.

Me: Yeah.

Wendy and Elliot and the others came.

Wendy: Boy are we glad to see you guys.

Me: Same here Wendy. We head Jellyjam is back.

Itasis: I'm afraid to ask but… how much damage has he done?

Wendy: I told everyone that Jellyjam is back. Because I got this.

She held up a note. It said "I haf reterned." In purple slime.

Me: He is a terrible speller.

Xenia: Yeah.

Amora: The correct spelling is "I have returned."

Nico: Yep.

Qin: Yeah.

Wendy: But I'm glad you guys are here.

Me: Yep. This time we're going to finish him once and for all. We have 4 years of pain to dish out on him.

Xenia: We sure do.

Me: We faced him before the Great War of Friday The 13th.

Windsweeper: Explain to me why we're just throwing him into a black hole instead of blowing him apart? He's dead either way!

Me: Black Holes will obliterate him completely. If he is blown apart he will just reform. He is a slime.

Suu: He's right on that. We slimes are gelatinous creatures and our cells will make us reform into one.

Vexen: That's a good point. Even the tiniest cell will help him reform.

Me: Yeah.

Windsweeper: That is true. I see what you mean.

Xenia: Yep.

Me: But we got to make sure that Jellyjam is gone for good.

Frost Man: I could freeze him bit by bit.

Nico: That could work. We could also incinerate him.

Me: Hmm. No. Jellyjam would have his pieces break out of the ice. But I don't think fire works on him.

Pied Piper: I don't think it does.

Rainbow Dash: Plus, I don't think we want the whole place smelling bad and having bits of him all over if we blast him apart.

Me: Yeah and have us smell like shit and malignant malodorous crap.

Nico: Yeah that would be disgusting.

Xenia: Yep.

Bad Juju: Would an orange soap wave work?

Me: I think so.

Nico: We'll give it a try.

Camie: It might work.

Lynn: It's worth a shot.

Pterodactyl Ghost: I'll fly over the area to look for him.

Me: Okay.

He flew over.

Camie: This will be good.

The ground then shook.

Crankcase: That's not a good sign!

Me: Uh oh.

Wendy: He's stirring because of humongous burps.

Lynn: Geez those burps are louder and more powerful than mine.

Nico: More powerful than Bubble Bass.

Vegeta: Still won't save him!

Jack O Lantern: And thanks for letting me help out in the rescue.

Nico: You're welcome.

Me: Yeah.

Totally Spies Timmy: Anyone got soap for this?

Ed: EVIL SOAP!

Eddy: Shut up Ed!

I pulled out a soap blaster gun.

Nico: Nice.

Pterodactyl Ghost: Wasn't able to find him.

Brain Freezer: It's fine.

Lightning Dust: I think we know where he is.

Me: He must be still in that mine.

Shadow Noir: I'll get those kids out of there. He probably burps loudly while sleeping.

Nitro Man: Anyone want to hop on me on the way there?

Laney: I will.

Nico: Go for it.

Nitro Man: All right.

Nico: Lets go to Joshua Mine.

We were off.

As we were on our way we smelled a malodorous odor.

Me: UCH! That smells horrible.

Spymaster: We're getting close.

Musa: That smell's getting strong!

Camie: Yuck!

We then saw the entrance to the mine.

Me: Entrance to the mine sighted.

Shadow Noir came back through a portal of darkness and she had all the kids with her.

Me: Thank goodness.

Pounce: Entrance time!

We went at the mine.

King Jellyjam was infuriated! Then the spirits of soap came and they swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and then we came out.

Me: Hello you malodorous freak! 4 years made you smell worse than ever.

Amore: We would end this with a few strong blasts.

Selene: But we all know the best way to get rid of you!

Me: And it will hurt!

Jellyjam: YOU MADE A FOOL OF ME! I WILL EAT YOU ALL AND

VOMIT YOU ALL OUT OF MY BUTT!

Xenia: That doesn't make sense.

Camie: Now it's time for you to get your slimy butt kicked!

Rainbow Dash, Lightning Dust and Amore fired waves of lightning.

Lynn fired waves of lava.

Musa fired a wave of music.

Vegeta: FINAL SHINE ATTACK!

He fired a powerful blast of green energy from his hand and the blasts all hit Jellyjam and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion blew the mountain and the mine apart! When the smoke cleared Jellyjam was melted and mangled up like Majin Buu was.

Nico: He's still not down!

Me: No but that really hurt him good.

Camie: It sure did!

Poromon threw beer bottles!

SMASH SMASH SMASH SMASH SMASH!

Poromon: This will hurt him! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him and he bursted into flames!

Me: That hurt too!

Then Anti Wanda, Rex Goodwin, Raven Branwen, Dr. Polaris, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, and Black Spider came.

Nico: Anti Wanda, Rex Goodwin, Raven Branwen, Dr. Polaris, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, and Black Spider.

I fired Orange Soap blasts and drenched him and he got burned bad!

Nergal: Wow! That really works!

Nico: It sure does.

Me: Yep.

Nergal: Oh here J.D.

He gave me some pizza.

Me: Oh thanks Nergal.

I ate the Pizza and it was just what I needed.

Me: (Eating) Mmm! Ahh I needed that.

Anti Wanda: Ya'll smell that stench?!

Nico: Oh, we can smell it, alright!

Rex Goodwin: It'll all go away once Jellyjam is destroyed.

Me: Yep.

Raven Branwen: It better!

Dr. Polaris: (to Nico) We heard you killed Rogue Pumpkinheads.

Nico: We sure did.

Chemistro: Did you really make pumpkin pie out of them?

Me: Yep. And I needed Pizza to wash down the pie too.

Nergal: Happy to provide.

Beamcaster came.

Me: Back for another round Beamcaster?

Beamcaster: Oh yeah!

Me: Awesome.

Beamcaster: Man, that smell is nasty!

Me: Tell me about it!

Nico: Yeah!

Qin: Disgusting.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire, water, earth, and wind blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Fiends of Chaos, or we will force you out.

Four figures came out, and they were none other than Marilith, Fiend of Fire, Tiamat, Fiend of Wind, Kraken, Fiend of Water, and Lich, Fiend of Earth, The Fiends of Chaos and servants of Garland.

Lincoln: Marilith, Fiend of Fire, Tiamat, Fiend of Wind, Kraken, Fiend of Water, and Lich, Fiend of Earth, The Fiends of Chaos and servants of Garland, I knew that one day, you four would show up to kill us, but your master made a fatal mistake sending you four after us, we've fought creatures like you and won.

Tiamat: YOU DARE TO SPEAK TO US LIKE THAT?! WE DO NOT CARE IF YOU ARE GODS AMONG MEN, ALL WHO DEFY LORD GARLAND SHALL DIE!

Elaine Ekenas: Says you and every last villain we've faced.

Suddenly, Elaine Ekenas' blue eyes turned neon blue, and she was surrounded by a blue energy aura with stars, water, ocean waves, mercury, Echeneis, phoenixes, and angels, she unholstered her massive Ekenas the Mercury-themed greatsword from her back, and as she approached The Fiends of Chaos, she left blue energy, stars, water, ocean waves, mercury, Echeneis, phoenixes, and angels with every step.

Elains Ekenas: You Fiends of Chaos make me sick to no end, you all have caused destruction and havoc to far too many people and all for the loyalty to your master, Garland. You four lack utter remorse and empathy for the destruction you've caused and for those that'd fallen to you in the past, all of your crimes have gone unpunished for far too long, and now, you will pay the ultimate price for them… with your lives.

Suddenly, Elaine Ekenas was surrounded by a massive vortex of blue energy with stars, water, ocean waves, and mercury surrounding the vortex, there are Echeneis, phoenixes, angels, and Ekenas the Mercury flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at The Fiends of Chaos: the red eyes of death. Then, as the vortex faded, Elaine Ekenas emerged, but she was changed forever.

Elaine Ekenas grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large blue orbs orbiting around her legs, she has the body of a goddess, she has light blue highlights in the bangs of her long blue hair and blue bow and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a blue energy aura with stars, water, ocean waves, mercury, Echeneis, phoenixes, and angels surrounding her, she has Ekenas the

We were really amazed by Elaine Ekenas' Super Angel-Ekenas the Mercury-Echeneis-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Elemental Archfiends saw it, they fell into a rage and fired blasts of fire, water, wind, and earth at her and Lincoln to kill them, but Lincoln and Elaine Ekenas absorbed the elemental blasts and it made them even stronger, and Aylene Aretos fired a massive barrage of blue energy, stars, water, ocean waves, Echeneis, phoenixes, and angels, which hit The Fiends of Chaos and exploded and they were knocked down, they got back up, but now, they were even angrier than ever.

Elaine Wittgenstein: WHOA!

Rosa Laurence: That's amazing, Elaine Ekenas' transformed.

Lincoln: That's right, Elaine Ekenas has transformed into her Super Angel-Ekenas the Mercury-Echeneis-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we put an end to The Fiends of Chaos for good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Elaine Ekenas.

Elaine Ekenas and Lincoln went after The Fiends of Chaos who continued firing blasts of fire, water, earth, and wind at them, but they continued absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy,

blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Fiends of Chaos and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Elaine Ekenas also attacked them with some powerful punches, kicks, and karate chops, and they smashed them all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving The Fiend of Chaos even more madder with rage.

Marilith: YOU! YOU! WE WILL KILL YOU ALL!

The Fiends of Chaos charged right at them with uncontrollable fiery rage and wrath in their black hearts, but Aylene Aretos fired a powerful energy blast at them which hit them hard and they got knocked down, and then, Lincoln turned the tips of four of his massive and long white tails into Cell's stingers, and then, he stabbed them into The Fiends of Chaos and he began absorbing them and he was also assimilating the Geomancy of Lich, the Pyromancy of Marilith, the Hydromancy of Kraken, and the Aeromancy of Tiamat, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of The Fiends of Chaos except for their clothing. Then, four energy cards with the Fiends of Chaos' drained souls appeared in Lincoln's left hand, and Lincoln banished them to The Black Gates forever, we cheered wildly for what Elaine Ekenas and Lincoln did as they holstered their massive greatswords and powered down and Elaine Ekenas' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive blue angel wings are permanent.

Elaine Ekenas: This is for all the lives of all those who fell victim to you and your master. Thanks for helping me destroy The Fiends of Chaos for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Elaine.

Suddenly, Elaine Ekenas wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elaine Ekenas' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Ekenas the Mercury flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Elaine Ekenas sucked in and absorbed the elemental forces and ocean waves and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and in the end, we made sure The Fiends of

Chaos paid the price for their crimes and for serving their master, Garland.

Me: If we ever face him in the future, we'll make him pay for everything he's done. So, Lincoln, who's the next group of Cybertronian Gene-Slammers we're meeting on your rescue tomorrow?

Lincoln: That's an easy one: Gene-Slammers for the Dino Rangers.

Nico: Whoa!

Selene Salamandra: And there's only group of girls who'd be Gene-Slammed into The Dino Rangers: The Marikawa Sisters.

Shizuka Marikawa: (GASPS) My sisters.

Saeko Busujima: (GROWLS) I can't believe Team Rocket had the gall to Gene-Slam them!

Nico: They crossed one too many lines Gene-Slamming Lincoln's Guardian Angels and our friends, in fact, there's no line they're willing to cross in their plans for world domination.

Eli: That's right. So, who are they?

Selene Emperyous: You'll love meeting them, Eli, and so will the rest of the team, they are Aina Marikawa, Gene-Slammer of Grimlock, Chie Marikawa, Gene-Slammer of Swoop, Etsuko Marikawa, Gene-Slammer of Slug, Hana Marikawa, Gene-Slammer of Snarl, Kaori Marikawa, Gene-Slammer of Scorn, Mika Marikawa, Gene-Slammer of Slash, and Rio Marikawa, Gene-Slammer of Sludge A.K.A. The Marikawa Sisters: these seven girls are Lincoln's Guardian Angels from Japan and nurses at his school, and they're also the sisters of Shizuka Marikawa, and surprisingly only a few knew one fact, Shizuka and her sisters are octuplets.

Me: WHOA!

Nico: Damn, so only a few people knew about that, and they're also awesome nurses at Lincoln's school.

Michelle Emperyous: They're also doctors capable of healing wounds Lincoln would suffer through and they also developed medicine that can heal illnesses that would normally take days to heal through. The Marikawa Sisters even Shizuka have all fallen in love in Lincoln, so much so that when they heard about what Killjoy Huggins had done, they slipped some extremely powerful laxatives in Killjoy Huggins' lunch which resulted in Killjoy Huggins suffering a powerful diarrhea that caused him to crap all over the teacher's lounge with the other teachers and Superintendent Chen in it which resulted in Killjoy Huggins getting a two year suspension.

Eli: Oh man, now that was utterly humiliating: nothing is worse than that!

May: And they exacted payback on Killjoy Huggins.

Nico: Yeah, it was humiliating.

Laney Emperyous: Each sister has yellow hair and the same bust as Shizuka but, they each have different clothing: Aina has red, Chie has green, Etsuko has blue, Hana has pink, Kaori has indigo, Mika has purple, and Rio has orange. To show thanks for always helping him, Lincoln kissed each of the Marikawa Sisters on the lips and they hate Lewis Travolta with a blazing passion, the reason why is because he tried to scam Lincoln's school of their money. But, Lincoln and the Marikawa Sisters saw right through his trick and laced Lewis Travolta's lunch with the same laxatives that were used with Killjoy Huggins which resulted in Lewis Travolta crapping all over his own car inside and out resulting in complete humiliation.

We laughed hysterically.

Me: Now, that one I still remember too well. Man, it was so humiliating!

Nico: I remember that day as well, he made a mess all over his own car inside and out and everyone took pictures and laughed at him! (LAUGHS HYSTERICALLY) It was so hilarious.

Luna: No matter how long ago that was, it was still hilarious!

Lynn Sr.: That bloated sack deserved it.

Bonz: There. Nice clean air.

Roxy Rocket: No more stench.

Nergal: I hope you liked the pizza. Because we're having more of it as a victory celebration!

Duff Killigan: I approve!

Black Spider: Me too!

Me: Awesome!

Laney: Yeah!

Nico: Great job today everyone.

Wendy: (To the viewers) This was an awesome adventure and we saw the last of Jellyjam.

Me: Yep.

We went back home and Amy was good and true to my word I separated her darkness from her and purified her and then Amy broke down crying and she was really crying. Dark Amy was put in Amy's place.

---

Slappy was infuriated!

Bob Roth: Relax. I actually got an idea for your endgame plan. I looked over your files and I noticed there are at least 3 or 4 that aren't in Team Loud Phoenix Storm.

Slappy: You looked through my files?!

Bob Roth: (sheepishly) Your cabinet was unlocked! Anyway, you can choose one of them to involve in your endgame plan.

Slappy: Hmm. No! They aren't important. It's Nico that I want. But tell me anyway.

Now, five years later, we got bad news: Slappy broke that asshole out of jail, but Thomas double-crossed him and his cohorts and slashed them in the faces and left to get revenge on Lincoln and his Guardian Angels on his own. There will be no mercy whatsoever on that asshole, Lincoln's sending him straight to The Black Gates after he gets through with thrashing him all over the place.

## SAY CHEESE AND DIE

---

In the early morning hours at 2:00 AM, Lincoln had a dream, and he saw six figures who was hiding out and living in the streets of Tantara, Peru. But, they were no ordinary six figures, they were Nightmare Lunar-Flame, daughter of Lincoln's future wife, Ember McLain. Rainbow Kat, daughter of Lincoln's future wife, Nyancy Chan. Ash Whamp-Jack, daughter of Lincoln's future wife, Roller Brawl. Star-Tech Gravity, An Metallic Pegasus. Tex Gravity, An Unicorn-Lombax Colt. And Izzy Gravity, An Pegasus-Cyborg Filly. Lincoln woke up from the dream, but he wasn't the only one, Ember McLain, Nyancy Chan, Roller Brawl, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Ember McLain: And not only that, it also means that we found out where our daughters are at.

Nyancy Chan: Along with an Metallic Pegasus, An Unicorn-Lombax Colt, and an Pegasus-Cyborg Filly.

Roller Brawl: Any ideas where exactly?

Me: They're at Tantara, Peru.

Nico: The second city of Peru? It is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Ember McLain, Nyancy Chan, Roller Brawl, Me, and Nico were heading to Tantara, Peru. Lincoln saw a 14-years siren-like ghoul punk girl who has pale-white skin and a very slender build, a long flaming teal and blue hair pulled back into a ponytail at the top of her head, green eyes with light purple eyeshadow, freckles on her cheeks, and a curled and curved line near her eyes. She wears a pair of dark purple shades on her head, a purple sleeveless shirt with a skull and a backwards double quaver, lavender arm warmers, a purple plaid skirt with an Dark Element symbol on it, a silver belt, dark purple tights, and high purple boots. She wields her Battle Guitar-Axe. A 13-years-old Asian girl who has rainbow-colored hair in the style of a long ponytail with a pink bow on her head that resembles cat ears, and four purple lines on her face that resemble whiskers. She wears a light purple hoodie jacket, a white shirt with a purple line on the bottom and a Magic Element symbol on the center, purple pants with rainbow-colored lightning bolts, light purple sneakers, a cat bell on her neck, and cat paw-like gloves. A 10-year-old goth girl who has, pale pink skin, pink hair with black streaks that she ties in two large pigtails with a bang long enough to cover her eyes, and wears an white tiara, pointed ears, and sharped fangs. She wears a black long-sleeve dress with a little white stripe on the end, an white neckerchief clipped on her chest with a gray skull brooch, long striped knee socks, and black flat Mary Jane shoes. She wields two katana blades. A white, black and light blue metallic Pegasus with various gadgets and weapons. A orange and white Unicorn-Lombax Colt. His cutie mark is a Mechanical Wrench with an Light Bulb. And A purple Pegasus-Cyborg Filly with a slender build, black mane shaved to one side and tail and both ends in dyed Light Purple, her front hooves has mechanical claws. her cutie mark is a skateboard with an machine pistol. Lincoln saw who they are, it was Nightmare Lunar-Flame, Rainbow Kat, Ash Whamp-Jack, Star-Tech Gravity, Tex Gravity, and Izzy Gravity.

Lincoln: Excuse me, are you Nightmare Lunar-Flame, Rainbow Kat and Ash Whamp-Jack?

Rainbow Kat: Indeed we are.

Nightmare Lunar-Flame: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is

the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Ember McLain, Nyancy Chan, and Roller Brawl came out, and when Nightmare Lunar-Flame, Rainbow Kat, and Ash Whamp-Jack saw them, they were stunned.

Ash Whamp-Jack: Mother?

Roller Brawl: I'm here, my little vampire.

Nightmare Lunar-Flame, Rainbow Kat, and Ash Whamp-Jack, ran up to Ember McLain, Nyancy Chan, and Roller Brawl, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you three should know, Ember, Nyancy, Roller Brawl, your mothers are one of my many future wives.

Nightmare Lunar-Flame, Rainbow Kat, and Ash Whamp-Jack: That means… you're our father.

Lincoln smiled, and that filled Nightmare Lunar-Flame, Rainbow Kat, and Ash Whamp-Jack with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Star-Tech Gravity, Tex Gravity, and Izzy Gravity join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Nightmare Lunar-Flame, Rainbow Kat, and Ash Whamp-Jack to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Ember McLain, Nyancy Chan, and Roller Brawl with their daughters, and Nightmare Lunar-Flame, Rainbow Kat, and Ash Whamp-Jack now has a loving, strong, brave, and caring father in their life.

Me: Boy last time we were at Marco's house was when we had to deal with his ugly so-called shapeshifting blob brother Keith.

Twilight Sparkle: That is awful. And I heard about you guys facing that freak.

Me: Yeah it was awful.

Nico: Yeah no kidding there.

Camie: That was awful. But what happened back then?

Me: It was a horrifying sight. And it was back a few weeks before the Great War With the Royal Defenders.

Nico: Yep.

I went over what happened in chapter 1089 and it was crazy.

When I was done everyone that hadn't heard about it was shocked!

Widowmaker: That is crazy!

DVA: Yeah it sure was!

Me: Yeah.

Edd: I will never forget that. That was a most scary day.

Eli: Wow.

Nico: Double D, I want to thank you, Zs'Skayr, and your teams for coming.

Edd: Why it's my pleasure Nico. This will be so fun.

Rei the Ghost: I agree there.

Nico: Rei, remember when you joined us?

Rei the Ghost: I sure do. J.D. and Sophie Nocturn saved me from McWolf in the Castle of Solidarity in the world of Magic The Gathering.

Nico: That's right.

Me: That was so fun.

Lola: Wow. That was fun and cool.

Me: It sure was.

Laney: That was awesome.

Nico: You're among the other ghosts in the team now.

Rei the Ghost: I sure am. That is so awesome.

Xenia: I agree there.

Lola: Yeah.

Lucille Loud: (Scottish Accent) I was a ghost when you all met me now.

Me: I remember that Lucille. And that was awesome.

Nico: It sure was.

Me: (Sniffs) EW! I think I missed some Jellyjam sludge on my shirt.

Camie: That was a really revolting adventure.

Nico: Let's check to see if we have any left

Me: I think we might have missed a couple of spots.

We looked at ourselves carefully and found that we still had Jellyjam sludge on us.

Laney: Oh yeah there's still some on me.

Lola: Me too.

Lily: YUCK! Me too!

Camie: Same with me.

Nico: We're getting this off!

Maria: I got this!

She enveloped us all in a ball of water and Eddy put Soap in it. Maria and Eddy were the only ones clean.

She lathered us up and spun us around.

Eddy: BING!

Maria: SPINCYCLE!

She spun us around fast!

Eddy: BING!

Maria: Washer off.

We came out and we were dripping wet and then…

POOF!

We puffed up.

Me: That was funny.

Lola: Yep.

Nico: Rainbow Dash, Lynn Loud, Vegeta, Lightning Dust, Musa, and Amore did a good job

Vegeta: Indeed we did Bokrua.

Rainbow Dash: Boy that was so awesome.

Camie: Yeah.

Lightning Dust: That was awesome and fun.

Lynn: It sure was.

Nico: Keep an eye out for anything suspicious

Me: Right.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Marco and his friends that Keith, the shapeshifting slime is back, and he's causing trouble in town once again.

We gasped.

Me: We actually know about that.

Nico: Oh man, I knew it was going to be him, I just knew it.

Me: Same here. So, we need to destroy him for good.

Eli: That is for sure.

Lincoln: Exactly, and we need to be careful, he's a shapeshifter like The Thing, but he can only take on the form he used to befriend Marco. The only thing that can rat him out is fire. So, I also called some additional help.

Just then, Light Lily and Fi the Phoenix arrived.

Fi: We heard the whole thing from Lincoln, and we got here as fast as possible.

Lily: Awesome, and since we already have Kate with us, there's no way Keith's going to get out of this.

Lincoln: Right, Lily. (Sensed for Keith) AHA! Gotcha! I've picked up on Keith, he's inside Marco's house, and Marco and his friends are literally in big trouble.

Nico: We need to get to them as fast as possible.

Lincoln: Yeah, we can't let them get hurt by that shapeshifting monster. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Me: No he doesn't.

Then we smelled B.O.

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out to help Marco and his friends deal with Keith.

Nico: Okay, there's no telling what Keith's capable of once we get in, but once we do, we better be ready to make him pay.

Me: Right.

We then got inside Marco's house.

We were ready.

Me: Look sharp guys.

Nico: Marco? You there?

Eli: I sense that he's here.

Suddenly, Lincoln heard screams coming from the basement.

Lincoln: They're in the basement.

Nico: We got him.

We headed for the basement, and just in time to see Marco and his friends cornered by Keith. Then, a swirl of fire appeared from nowhere and the spirits of the mythical animals that use fire appeared and fired blasts of fire that hit Keith as he let out a scream and turned into his true form: a yellow blob of human organs connected by webs of purple veins. Then, the spirits converged and a massive tornado of fire exploded out as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Nico: Gotcha, you ugly shapeshifting blob!

Me: You thought your shapeshifting was going to get you out of trouble, fat chance.

Lincoln: We've dealt with shapeshifters before in the past, and we knew just how to rat him out.

Camie: What the fuck is that!?

Me: That's Keith! He's a shapeshifting Blob creature.

Xenia: Yep.

Suddenly, Keith roared and turned into Nico.

Me: WHAT THE FUCK!

Nico: HE'S ME!

And he went at Lincoln punching and smashing him all over the place, and Lincoln had tons of bruises all over his body, and that major-league pissed off Anna Anyanova, Eman Reynolds, Sabrina

Lorelai, Girl Jordan, Leeli, Twilight Sparkle and her friends who are in Lincoln's harem.

Girl Jordan: YOU SON OF A… ! HOW DARE YOU HURT OUR MAN! YOU'RE GONNA PAY FOR THIS, YOU ASSHOLE!

Anna Anyanova, Eman Reynolds, Sabrina Lorelai, Girl Jordan, Leeli, Twilight Sparkle and her friends who are in Lincoln's harem went at Keith and they smashed him all over the place and sent him flying into a wall, then, they ran over to Lincoln.

Eman Reynolds: Linky, are you okay?

Lincoln: I'm fine, Eman. Plus, I knew he was going to get mad and shapeshift into one of us to attack us, but he also didn't know about this.

Suddenly, Lincoln's bruises all over his body began healing like crazy, and not only that, but we also felt him getting even stronger from the damage Keith gave him.

Nico: Whoa! Lincoln, your wounds were healed and you even grew stronger as a result!

Me: I forgot that Lincoln can do that.

Lincoln: You forgot that I have the superhuman regeneration factor of Majin Buu and the other villains who have this ability along with the Saiyans' ability to grow stronger from the damage I'd sustained in a fight.

Me: Nice one, and don't you dare think you're getting out of this, Keith. You hurt Lincoln, and now, you're gonna pay for it!

Nico: What you just did was really low. You better pray for mercy, you ugly blob.

Me: Yeah you ugly glob of putrid flesh!

Keith turned into Maria.

Keith: (as Maria) Guys, it's Maria. Shoot the other one!

Maria: No! I'm the real one! Shoot him!

Juran: How can we find out the real one?!

Eli: That one!

He fired a blast of Force Lightning and electrocuted Keith! And reverted him back!

Maria: Thanks Eli!

Eli: You're welcome. Not even this walking glob of flesh is a match for my lie detecting powers!

Keith: WHY YOU!?

I took the battle to the planet Glaren. But then we saw A HORRIFYINGLY AWFUL AND GROTESQUE TRANSFORMATION TAKE PLACE!

We saw him split open and blood was pouring out of him and he grotesquely turned into a NUMBER OF HORRIFYING CREATURES AND WAS A HORRIFYING MONSTROSITY! HE TURNED INTO A HORRIFYINGLY MIXTURE OF THE TORMENTOR FROM DEAD SPACE WITH THE DOG THING, THE BLAIR MONSTER, THE SANDERS THING AND THE CLOUD B4 CARRIER!

Me: WHAT THE FUCKING NINE FUCKING LEVELS OF HELL!?

CAMIE AND LEELI SCREAMED IN FRIGHT!

Fluttershy then saw the monster before her and then she SCREAMED IN HORRIFYING FRIGHT AND THEN CURLED UP INTO A FETAL POSITION AND WAS WAILING AND CRYING HER EYES OUT!

Me: YOU MOTHERFUCKING PISSANT FREAK! YOU MADE FLUTTERSHY CRY!

Lincoln: NO ONE MAKES FLUTTERSHY CRY!

Aurico: It's Morphin time!

He transformed!

Aurico: RED AQUITAR RANGER POWER!

He was ready!

I fired a wave of fire and blasted the huge monstrosity!

Qin: NO ONE MAKES FLUTTERSHY CRY AND LIVES!

She fired a blast of fire and blasted the monstrosity!

Sunset Shimmer: NO ONE MAKES FLUTTERSHY CRY AND GETS AWAY WITH IT!

She fired a massive blast of fire and burned it!

Me: NUOVA STAR!

The 4 Star Ball on my bracelet glowed and I fired a massive ball of fire!

Nico: NUOVA DEATH RAY!

The 4 Star Ball on Nico's Bracelet glowed and Nico formed a lens and fired a powerful focused beam of fire and light and energy!

Lola fired a powerful blast of fire and Fi fired a powerful blast of fire!

The blasts all hit the huge monstrosity and burned him all over the place!

Zs'Skayr floated to him.

He fired a blast of purple energy and blasted the monstrosity all over.

Zs'Skayr: This is what you get for hurting your brother and making Fluttershy cry!

Rarity and Applejack fired waves of apples and crystal and jewels and water and blasted the monstrosity!

Lincoln, Rainbow Dash, Apple Bloom and Eddy fired laser blasters and lightning and blasted it.

Xenia fired arrows.

Vegeta: This shows that you have no honor! GALICK GUN!

He fired a purple energy blast!

Me: FINAL SHINE ATTACK!

I fired a powerful energy blast!

Nico: FINAL FLASH!

Nico fired a powerful yellow energy blast!

The blasts all hit the monstrosity and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLE FIERY POWERFUL EXPLOSION!

The explosion was massive and devastating!

When the smoke cleared Keith was back to normal and in his human form.

Me: That did it!

But he got up and was massively pissed!

Keith then began to turn into a fusion of Heatblast and NRG.

Me: Whoa! Half Pyronite and half Prypiatosian-B! Interesting combination.

Nico: Very.

He fired a blast of energy fire and I fired a blast of energy and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion of fire blasted him back!

He then turned into a fusion of Wildmutt and Blitzwolfer

Me: WHOA! Half Vulpimancer and half Loboan. Very interesting combination.

Suddenly, Kate Lloyd's brown eyes turned neon brown and she was surrounded by a red and yellow energy aura with stars, fire, flames, phoenixes, and angels, she unholstered her massive sword from her back, and as she approached Keith, she left red and yellow energy, stars, fire, flames, phoenixes, and angels with every step.

Kate Lloyd: There is absolutely no way that we can ever let you run free, Keith. You're a monster just as bad as The Thing, and what you just did in shapeshifting into Nico and attacking Lincoln like that and now you have the audacity to make Fluttershy Cry!? You heartless monster! You've already crossed the line, and for that, you're going to be left as a pile of sludge by the time we get through with you.

Suddenly, Kate Lloyd was surrounded by a massive vortex of red and yellow energy with stars, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Keith: the red eyes of death. Suddenly, Kate Lloyd's massive greatsword and all the greatswords and swords she'd gotten began merging and they were surrounded in a kaleidoscope of red and yellow energy, stars, fire, flames, phoenixes, and angels, and when it emerged, it was transformed into Kate Lloyd's Inferno Firestorm Thule Research Center Thing Destroyer Greatsword of Inferno Firestorm Thule Research Center Destroyer Justice, it's a brand-new massive greatsword with embedded blue gems and the Outpost 31 symbol etched on the 7'6" massive, wide, double-edged arctic blue blade, large arctic blue husky heads for the crossguard, large white angel faces built into both sides of the hilt and large arctic blue gems embedded in the foreheads, longer midnight black handle, four large arctic blue husky heads with blue gems for eyes and a large arctic blue husky head with blue gems for eyes and blue gem in its mouth on the bottom of the arctic blue husky heads for the pommel, she has on her gold Bracers of the Champions of The Universe with large blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, large gold Belt of Elemental Bravery with gold husky head with blue gems for eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Kate Lloyd: (Divine Echoing Godly Voice of The Arctic Nightmare Survivor Rage Firestorm Phoenix Angel and Divine Cosmic Arctic Nightmare Survivor Rage Firestorm Phoenix Angel Hope) And for what you just did turning into The Thing and making Fluttershy cry, you crossed a serious line.

He tried using Toepick's powers

But it had NO EFFECT on Kate at all!

She blasted him all over and punched him too!

Kate Lloyd: I've seen uglier horrors than that!

Nico: WHOA!

Me: Kate knows the horror of the Thing and the kind of terror it wrought and it's 1,000 times scarier than Toepick's Nightmare Face.

Nico: That is true.

Me: But Keith still crossed the line big time.

Lily: He sure did, as if beating up our brother wasn't bad enough, but to turn himself into The Thing and making Fluttershy cry, now he's really going to get burned in a really big way!

Me: There's absolutely no fucking line he's willing to cross!

Nico: None at all! That ugly son of a bitch!

?: What he just did proves he's an asshole!

Lincoln: It sure has been a long time, I haven't seen you in seven years, and as you can see, I really grew a lot since then.

Aprina Arabella: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Qin: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful fire fairy?

Lincoln: Indeed I do, Qin, this is Aprina Arabella, Queen of the Fire Fairies, she's my Guardian Angel and the Queen of The Fire Fairies of The Garden of Flames, an enchanted fairy village populated by The Fire Fairies. Aprina Arabella is a human sized fairy and she's a powerful and skilled fighter with incredible control over fire and possess many incredible powers over fire and magic.

Nico: Whoa.

May: That's right, and we found out about her, and she's really amazing.

Sabrina Lorelai: Lincoln met Aprina when he discovered a portal that led to The Garden of Flames in the secret garden he and his Guardian Angels know about, and he saved Aprina from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Aprina was very impressed by Lincoln's strength, bravery, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Me: Hey, I remember her all too well, she's one of the seven leaders of the Elemental Fairy Lands: The Seven Elemental Fairy Queens, and they're really powerful, and Lincoln saved them and the Elemental Fairy Lands from Randall Williams and sent him to The Russian Black Neptune Nuthouse for Looneys for the rest of his life.

Nico: That's really awesome, and he also made an impression in the Seven Elemental Fairy Queens by showing his strength, bravery, courage, intellect, and skills in combat and magic by taking down that basketcase.

Lincoln: And I swore that if that loon ever breaks out, I would kill him, and I made the same exact promise I made with Lily the Mermaid and with my entire harem, I promised that when I came of age, I will marry her and the other six Elemental Fairy Queens, now that you're here, Aprina.

Lincoln went up to and hugged Aprina Arabella in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aprina Arabella: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aprina Arabella's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Aprina Arabella: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aprina Arabella.

Aprina Arabella had a smile on her faces and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: You okay now, Fluttershy?

Fluttershy was REALLY CRYING HARD!

Nico: Oh man.

Qin: That dirtbag Keith.

Me: What a motherfucking douchebag.

She was really crying hard as jets of tears were flowing out of her eyes.

Me: Poor Fluttershy.

Nico: Yeah.

Aprina Arabella: I saw what he did to Fluttershy and that was completely despicable and heartless.

Xenia: Yeah what a jerk.

Lola: So cruel.

Nico hugged her and so did Lincoln.

Me: Remember that nightmare she had about The Thing? Well seeing that monster Keith turned into traumatized her bad.

Xenia: Oh man.

Camie: That heartless monster. Using Fluttershy's nightmare like that.

Nico: I got an idea!

Nico went to Double D and gave him a wet willie.

But Edd whacked him on the head with a mallet before he could stick his finger in his ear!

WHAM!

Nico: OUCH!

Edd: Nico you know I'm far too intelligent to fall for such childishness.

Me: He's right. You have to get up pretty early in the morning to do something like that to Double D.

Nico: Oh you're right.

Qin: Yeah he is.

Nico: I got a better idea!

Nico started to tickle Fluttershy.

But the tickling was having no effect!?

Me: Whoa she is crying so hard that not even tickling effects her. Hmm. How about some squaredancing!?

Rainbow Dash: OH YEAH!

Pinkie Pie: Lets do it!

I put on my Cowboy hat! Nico, Pinkie, Rainbow and Yosemite Sam got ready.

Yosemite Sam: I loves me a good square dance!

Me: Let's all Square Dance! Places, all! Bow to your corner! Bow to your own!

Three hands up and round you go!

Break it up with a dosey doe.

Chicken in the bread pan, kickin' out dough.

Skip to ma Lou, my darling!

The old lady out, you pretty little thing!

Promenade around the ring!

Big foot up and little foot down!

Make that big foot jar the ground!

Lady step back and two gents in!

Back you go and forward again!

Step right up with an elbow swing!

Skip to ma Lou, my darling

Allemande left with the old left hand!

Follow through with a right-left grand!

Meet your honey with a great big smile!

Promenade Indian style!

Promenade across the floor!

Sashay right on out the door!

Out the door and into the glade,

And everybody promenade!

Step right up! You're doing fine.

I'll pull your beard! You pull mine!

Yank it again like you did before!

Break it up with a tug o'war!

Now into the brook and fish for the trout!

Dive right in and splash about!

Trout, trout, pretty little trout -

One more splash and come right out!

Shake like a hound dog! Shake again!

Wallow around in the ol' pig pen!

Wallow some more! You all know how.

Roll around like an ol' fat sow!

Allemande left with your left hand!

Follow through with a right-left grand!

Now leave your partner, the dirty ol' thing!

Follow through with an elbow swing!

Grab a fence post! Hold it tight!

Whomp your partner with all your might!

Hit him in the shin! Hit him in the head!

Hit him again! That critter ain't dead.

Whomp him low and whomp him high!

Stick your finger in his eye!

Pretty little rhythm, pretty little sound -

Bang your heads against the ground!

Promenade all around the room!

Promenade like a bride and groom!

Open up the door and step right in!

Close the door and into a spin!

Whirl, whirl, twist and twirl -

Jump all round like a flying squirrel!

Now don't you cuss and don't you swear!

Just come right out and form a square!

Now right hand over and left hand under,

Both join hands and run like thunder!

Over the hill and over the dale -

Duck your head and lift your tail!

Don't you stray and don't you roam

Turn around and promenade home

Corn in the crib pen, wheat in the sack!

Turn your partner and promenade back!

And now you're home. Bow to your partner. Bow to the gent across the hall. And that is all!

Rainbow Dash and Pinkie Pie beat up Nico and Sam as I had them dance like in the cartoon.

Nico: (Dazed) Anyone get the stupid number of that stupid car?

Maria: Is she cheered up yet?

Applejack: YEEHAW! That was great squaredancing.

Me: Thanks.

Maria: Is she cheered up yet?

Lincoln: Her crying has calmed down to a snails pace.

Fluttershy: (Sniffles) That was funny. But no amount of cheering up can help me get over what I saw that scared me.

Lincoln: Flutters that was horrible what happened.

Me: Yeah Fluttershy. Maybe some comfort from your animal friends back home can help when we're done here.

Nico: I'll call the mascots to cheer you up.

Me: Go for it.

Nico called them and then out came the mascots.

Poromon: We're here.

Manaphy: Oh Fluttershy what's wrong?

Nico: Long story.

May: Yeah it was bad.

We told them everything and it was shocking.

Jirachi: Oh man!

Tentacool: WHY THAT STUPID JERK! WHERE IS THAT JERK!?

Me: He's dead and given the black gates.

Tentacool: Aw man.

The mascots went and tried to cheer Fluttershy up.

Poromon hugged her.

Fluttershy: Oh thank you Poromon. (Sniffles)

Nico: You watched that cartoon Hillbilly Bunny didn't you?

Me: Yep. One of my favorites.

Qin: Mine too.

Lincoln: That was funny.

Laney: (LAUGHS) That was funny.

Nico: Yeah. While the mascots are trying to make Fluttershy better we got anothers to face.

Eli: Lets see who we have. (Concentrates) Whoa! We have Another Old Man Rolf, Universe 666 Eva, Heather, Anna Maria, Amy, Kat, Gmork, Phantom of Vasquez Castle and Zs'Skayr.

Me: Whoa! Universe 666 versions of the Sore Losers? Wow!

Zs'Skayr: Yes we found them after Lincoln added them into his harem and decided them would be perfect for the M.O.E.

Me: That's interesting.

Maria: Who do we call in for that?

Me: Tomoko Shiretoko and Amelia Cornflake. But the rest of them don't have archenemies yet. We haven't found any for them.

Nico: Call them in now. Figure out the rest later.

Me: Yeah I got word from Vypra that the universe 666 versions of the sore losers just joined the team so it's too soon.

Nico: Yeah and Gmork?

Me: Still thinking on him.

Nico: Okay.

Maria called them.

Amelia and Tomoko came.

Amelia Cornflake: Howdy everyone.

Tomoko: We heard what happened. Is Fluttershy okay?

Me: She's getting better slowly. It'll take some time.

Eli: I sense the Anothers minus Zs'Skayr are one person.

Me: Awesome.

Nico: There they are!

We saw Another Old Man Rolf, Universe 666 Eva, Heather, Anna Maria, Amy, Kat, Gmork and Phantom of Vasquez Castle!

Me: WHOA!

Eddy: Wow! Old Man Rolf! When I was knocked out I saw Rolf look just like that. He was a 100 year old kid.

Me: Geez!

Another Old Man Rolf: (In a girls voice) And I hate being old.

Lincoln: Fiona Felucia!? Whoa!

They merged and she reverted back and was a girl with magenta hair and purple and pink clothes and had purple eyes and she had pink angel wings and had an awesome keyblade.

Fiona Felucia: Awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Fiona Felucia, Keyblade Knight of Felucia, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Felucia, and she has intense dark powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Felucia, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of darkness.

Nico: Cool!

Me: Wow! The Keyblade Knight of the Planet Felucia. That is cool! And the plants there emit a potent hallucinogenic gas that makes people go nuts.

Fiona Felucia: That's right.

Eli: And it's also where the Battle of Felucia took place.

Fiona Felucia: Yep.

Nico: Sorry we have to do this.

Me: By the way is the Another Zs'Skayr friendly or hostile?

Fiona Felucia: Friendly and she is a really amazing one.

Me: Awesome.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers!

We fired waves of energy blasts and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Qin: Now for Another Zs'Skayr.

Nico: All we can do now is wait.

Me: We don't have to wait long!

A figure came and it was ANOTHER ZS'SKAYR! But it was cloaked.

Me: Another Zs'Skayr.

Zs'Skayr: That is my mirror image in a cloak.

Me: Ectonurites are very phobic of the Sun and like Vampires they burn in it.

Qin: Yep,

Another Zs'Skayr: (In a girls voice) Yep. That is true.

Me: That voice.

She reverted back and was a girl that had blue hair, blue eyes and blue clothes and had Albatross Wings and she had a tiara with the symbol of the Albatross Dopant on it and the same symbol on her skirt and she had a Birdcall Magisword in her hand.

Me: Aileen Albatross! Wow!

Aileen Albatross: Awesome to see you again J.D.

Me: You too. Aileen is the embodiment of the Albatross Dopant and she has amazing mastery over Albatross Birds and also is a Giant Albatross Rider. And also she has mastery over the forces of the ocean and can summon the ghosts of the seas.

Zs'Skayr: Wow! That is really something. As an Ectonurite I can make ghosts but never summon them. Never tried that.

Aileen Albatross: That is cool.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we csn grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jetman Sword.

Aileen Albatross: No he didn't. I turned myself into a ghost and possessed Swartz and made him do all kinds of crazy stuff! I made him eat buckets and buckets of chum and then I flew out of him.

Me: Whoa!

Sakura Knudson: That explains why he was projectile vomiting in the toilet for 6 days straight.

Me: Geez!

Nico: Yeah!

Me: Nice one.

Sougo: (gets out Mighty Morphin Ridewatch) Can you also summon the ghosts of those dead fish Mr. Krabs fought that one time?

Geiz: (gets out Jetman Ridewatch) That actually did happen.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor.

Lily: I remember seeing those fish from Floaters Cemetery! They were scary! And all that over a Soda Drinking hat.

Aileen Albatross: (LAUGHS) Yes I can do that.

Me: Nice.

Lincoln: Lets separate you first.

He fired a beam of light and separated her from the another.

Me: Rise and Shine!

I pulled out the Sun Gun and Fired a beam of sunlight and burned the Another all over!

Me: Sun Gun! Never leave home without it.

Nico: Nice!

Aileen fired a wave of water and drenched him.

Nico: Time for some ghost power! (ACTIVATES ZS'SKAYR AND PHANTOM OF VASQUEZ CASTLE'S RIDEWATCHES)

Nico fired waves of energy and blasted the Another.

May: This will be hairy! (ACTIVATES GOSSAMER'S RIDEWATCH)

She fired waves of energy and made the Another hairy!

May: IT'S THE CURSE OF EVIL TIM! IT HAS COME TO DISSECT OUR INTERNAL ORGANS AND FEED THEM TO THE MINIONS OF HADES!

Eddy: (LAUGHS) Stick to counting your teeth May! That's more Lumpy's department.

May: (LAUGHS) You're right. (ACTIVATES EVIL TIM'S RIDEWATCH)

She fired energy blast and blasted the Another.

Maria: You thought Jellyjam smelled bad, Mutant Dexter smells worse. (ACTIVATES MUTANT DEXTER AND BIG CHICKEN'S RIDEWATCHES)

She fired energy and stench blasts.

Rei: Take this! (ACTIVATES PHANTOM OF VASQUEZ CASTLE'S RIDEWATCH)

She fired a wave of energy and blasted the Another.

Then Evil Star, Stormy, Glut, Tahnok Kal, Zebra Brothers and Evil Princess came.

Nico: Nice team Evil Star!

Evil Star: Thanks Nico.

Stormy: This will be fun!

?: It sure will!

Flame Man came.

Me: Whoa! Flame Man!

Nico: This one is hot!

Flame Man: (In a girls voice) I'm ready to burn!

Nico: Callie Flame!? Whoa!

Callie Flame: Awesome to see you again Nico. I got this.

She fired a blast of fire and blasted the Another and I caught the Ridewatch and purified it.

Me: Awesome!

Nico: YEAH!

Me: I'm afraid to ask but…

Callie Flame: Yeah I'm naked.

Me: Uh oh. I was afraid of that.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Callie Flame: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and then she threw up fire and then fired a fireball and it went into Maria's mouth and went down her throat and then she screamed as she turned into pure water and was boiling!

Callie reverted back and she had neon orange hair and had red eyes and she had fire angel wings and had a flame symbol in the middle of her forehead.

Callie Flame: (Groans) That hurt. (GASP) Whoa Sorry Maria!

May: Yes! I didn't get his this time!

Maria then released a ball of water and then it went over to May and it popped and drenched her.

SPLASH!

May: I spoke too soon.

Callie Flame: (LAUGHS) Funny. (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her new and amazing orange clothes and she had an awesome flame barrette on.

Callie Flame: Awesome outfit!

Nico: Yep.

Maria: Sorry, May!

May: No worries.

Callie Flame: That was funny.

Rei: What's your favorite memory of Nico?

Callie Flame: When me and Nico went into a Meth Lab and incinerated it along with a bunch of notorious mobsters and killed them.

Nico: Yep. They were that dangerous.

Me: Good riddance.

Nico: Yep.

Nico and Callie hugged.

Nico: I've missed you.

Callie Flame: Same here.

We went back home.

---

Slappy was throwing a massive fit.

Slappy: (ENRAGED SCREAMING) DAMN THOSE ASSHOLES! THEY'RE RUINING EVERYTHING!

Bob Roth: All's not lost, my plans are going to work!

?: Oh, why don't you just shut up, you fat blob of flesh!

Suddenly, Bob Roth, Slappy, and the rest of Slappy's goons were suddenly confronted by Universe 666 Sebastian and the mind-controlled resurrected Universe 666 versions of The Z-Fighters' foes.

Universe 666 Sebastian Mendez: You imbeciles have already proven incompetent! You know what, I'd rather let Team Loud Phoenix Storm continue to rip you all to shreds, so that I can kill every last one of them myself! They're ruining my plan to rain death and destruction upon life on Earth and the universes beyond! And that also includes raining death and destruction upon you as well!

Universe 666 Sebastian Mendez fired blasts of poisonous darkness at Slappy, Bob Roth, and the rest of Slappy's goons. And it was also dissolving all of Slappy's plans for us.

Universe 666 Sebastian Mendez: (Demonic Deranged Grin) Have fun being ripped apart by Team Loud Phoenix Storm, and you can consider any deal you want to make with me null and void and all your plans are dead, I'd rather enjoy seeing you all squirm and cry in utter misery! (LAUGHING DEMONICALLY AND DERANGEDLY)

Universe 666 Sebastian Mendez and the mind-controlled resurrected Universe 666 versions of The Z-Fighters' foes disappeared in a tornado of infernal darkness leaving Slappy, Bob Roth, and the rest of Slappy's goons writhing in agony from the blasts of poisonous darkness he fired at them as his deranged demonic laughter echoed throughout the night.

And we're going to destroy an old enemy of Lincoln's, his name is Thomas Havelock, a mean cruel vicious monstrous asshole who terrorized Royal Woods for five years causing havoc and destruction by destroying public property, robbing banks, committing arson, and even murder, and even worse, he's tried numerous times to kill Lincoln and his Guardian Angels since he saw them as a threat to his reign of terror, but Lincoln shot that asshole right in the arm and he and his Guardian Angels took him down, and after they got him arrested, he got convicted and thrown into prison for the rest of his life.

Now, five years later, we got bad news: Slappy broke that asshole out of jail, but Thomas double-crossed him and his cohorts and slashed them in the faces and left to get revenge on Lincoln and his Guardian Angels on his own. There will be no mercy whatsoever on that asshole, Lincoln's sending him straight to The Black Gates after he gets through with thrashing him all over the place.

Me: Whoa, where on Earth are we?

Lincoln: Guys, you're in for one awesome treat, we're here in the world of the mobile game, Tom and Jerry: Chase.

Me: That mobile game that was mainly exclusive in China and Japan, but found its way to The US?!

Nico: Whoa, so this is where we are? This place is so awesome!

Lincoln: I know, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but I also found out this world has since merged with our world ever since we met Tom and Jerry years ago, and we're going to be meeting the counterparts of Tom, Jerry, and their friends.

Just then, Tom and Jerry arrived.

Jerry: That's right, and we've been wanting to introduce you guys to this world and to our friends.

Tom: It's really awesome. Shall we?

We followed Tom and Jerry, and the place truly is amazing in every word: the places here are truly amazing, the places also range from the time of Knights, Kings, and Queens to the days of The Old West and from modern day to the future, and there's even worlds based on Ancient Chinese and Japanese Myth.

Me: Whoa, this place is really incredible!

?: I am glad that you think so, James.

Suddenly, we saw a pure white-furred cat with blue eyes and dressed in a train conductor uniform, but his uniform has the theme of Heaven.

Selene Arcangela: (GASPS) Cooper, Station Master of The Heavenly Express.

Lincoln: You know him, Selene?

Cooper: They do, Lincoln Loud. I was the one who brought them to Earth the day God had sent them to help you when you fell into your depression brought on by Chase Young's evil when you were ten years old.

Me: In other words, you also helped out when Lincoln fell into that depression when he was in Third Grade.

Selene Arcangela: You could say that he's also one of The Guardians of Lincoln Loud. Cooper has the power to see through the minds of others, he's knowledgeable, a great thinker, and at the same time, he's the embodiment of knowledge itself.

Nico: That's really amazing.

Suddenly, we met Cooper's counterparts: Mystic Nature Cooper, Grand Scholar Cooper, Park Ranger Cooper, Passionate Painter Cooper, Flight Attendant Cooper, Master Astrologist Cooper, Mr. Moneybags Cooper, Scholar of the Stars Cooper, and Illusion Master Cooper.

Jimmy Neutron: Leaping Leptons!

Laney: Wow, so those are Cooper's counterparts.

Tom: His counterparts are based on the stars, the Heavens, magic, knowledge, and life.

Cooper: Each of these individuals also have helped out with my tasks in The Heavenly Express and have also gone to Earth to defend those in need.

Eli: In other words, you're a group of feline angels sent from Heaven to help those in need.

Cooper: (Chuckles) Something like that, Eli, and of course, we're also joining Team Loud Phoenix Storm as well, since Thomas and Jerry had joined years ago ever since you first dealt with Ratigan.

Nico: So, our adventures were also being watched by Heaven as well, incredible.

Selene Arcangela: We always report back to Cooper who passes on the messages to God as well of our adventures.

Me: Amazing.

We continued on, and then, we came across an awesome and sweet looking mansion.

Me: Whoa, whoever lives here in this mansion has got to be a millionaire!

?: That would be me, and FYI, I'm actually a billionaire.

Suddenly, we were met by none other than Butch, leader of The Alley Cats, once a stray living on the streets, Butch once competed with Tom for the attention of Toodles Galore. Later on, he'd become a billionaire.

Me: Butch, wait I remember, once you were a stray alley cat living on the streets, but now, you've become a billionaire.

Butch (Tom and Jerry): Yep, and Tommy boy told me and the boys about you guys and we'd seen all the fights you'd gotten into.

Lincoln: Even the fights against some of the most dangerous villains in the universe.

Tom: We made sure to tell him that too. Speaking of, where are Topsy, Lightning, and Meathead?

Butch (Tom and Jerry): I'll get them.

Butch went outside and whistled. Just then, we saw three cats head our way: it was Topsy, Lightning, and Meathead, the Alley Cats and Butch's friends.

Meathead: Hey, you brought Team Loud Phoenix Storm with you, Butch?

Lightning (Tom and Jerry): No, stupid. They came here thanks to Tom and Jerry telling them of our place.

Topsy: Nice to finally meet you.

Me: You too.

Butch (Tom and Jerry) And we also got our other guests here too.

Nico: No fooling, but it's easy to recognize them from the prime versions of Topsy, Meathead, and Lightning.

Dr. Butch Frankenstein: Not so. We also have different abilities as well as powers.

Me: Right.

Then, we continued on through town and met with Toodles Galore, Toots, Tara, Kate, and Zuri, along with their counterparts, and we had to keep Hector, Wordsworth, and Mungo from going nuts around them or they'd get in huge trouble with Tom, Butch, Lightning, Topsy, and Meathead.

Tom: Good thing they're here to keep you lot in check or you'd be in trouble with us.

Suddenly, we saw a mysterious unique calico colored cat in the very center of the city and he was holding a fang pendant.

Jerry: (GASPS) Siffy. He's the cat I saved from Tom when he was a kitten, now he's grown up.

Suddenly, Siffy heard Jerry's voice and walked up to the mouse and he held out his hand, and as Jerry walked up onto his paw, Siffy lifted him up.

Siffy: Jerry?

Jerry: Yeah, it's me.

Siffy: You… , I remember you now. You were the one who saved me from… (Glares at Tom) You.

Me: Uh oh. I remember what happened, Tom was so jealous of

Siffy, he tried to get rid of him, but Jerry stopped him and he got paddled hard.

Siffy: Yes, and in the cities, not even my own kind is trustworthy. Because of my solitude and always used to being alone and never communicated with them, I had a mysterious aura around me, and I eventually became an urban legend that is spread among cats, and many spotted me on tall buildings at the dead of night staring into the sky and immersed in thoughts.

Nico: And that pendant you have with you is a reminder of your connection with Jerry and how he'd saved you from Tom all those years ago.

Siffy: Exactly.

Tom: Now, you're going to meet some of my counterparts, and as you can guess, they're just as crazy as I am.

We headed into another part of town, and then, Tom whistled, and we were met by his counterparts: Erlang Shen Tom, Lotus and Carp Tom, King of Pop Tom, Ultimate Popstar Tom, Studious Senior Tom, Serious Scholar Tom, Cherry Blossom Charmer Tom, Lavish Nights Tom, Hip Hop Idol Tom, Merry Christmas Tom, Pumpkin Head Tom, Secret Agent Tom, Wedding Planner Tom, Philosopher Tom, Breezy Summer Tom, Professor Plaid Tom, Dog Disguise Tom, Gentleman Tom, and Rockabilly King Tom.

Nico: (Whistles)

Me: Whoa, Tom's got a lot of counterparts, so much so we can't keep count.

Jerry: Wait 'til you meet mine, but first, we should go meet my friends as well. Cousin Muscles is also here as well.

We then headed into another part of town, and we were met by Tuffy, Jerry's always hungry nephew, Jerry's second cousin, The Magician, Topo the Italian mouse Tom and Jerry met in Italy, Jerry's Uncle Pecos, Marie, Michelle and her brother, Miko, Marie, Guardsman, Nipper, Fairy Godmother, Dodo, Cherie, Mousketeer Lilli, and we also met up with Cousin Muscles.

Miko: Aha, the world famous Team Loud Phoenix Storm, I've been wanting to get an interview with all of you one of these days.

Jerry: Miko's a professional journalist and Michelle's brother, they're from a wealthy family, and he's pursued that dream of his for years, now here he is: a professional journalist who's gone all over the world and done many interviews.

Me: Awesome.

Michelle: And my brother's heard about everything with that dirty puppet, Slappy.

Miko: And my sources indicate that Slappy's got an endgame plan, and that there's 3 or 4 who aren't in Team Loud Phoenix Storm, and they're from The Goosebumps Books.

Nico: Whoa, and whatever Slappy's got planned, it's not good.

Tuffy: Which is why we need to stop them at once.

Just then, we met the counterparts of Tuffy, Jerry's always hungry nephew, Jerry's second cousin, The Magician, Topo the Italian mouse Tom and Jerry met in Italy, Jerry's Uncle Pecos, Marie, Michelle and her brother, Miko, Marie, Guardsman, Nipper, Fairy Godmother, Dodo, Cherie, Mousketeer Lilli, and Cousin Muscles Mouse, and they are literally numerous.

Lincoln: Whoa, now that's a lot of mice.

Tuffy: You ain't just whistling Dixie.

Jerry: Now, you're going to meet my counterparts and Tuffy's.

Just then, Jerry and Tuffy whistled and we met Jerry's counterparts: Detective Jerry, Robin Hood Jerry

Pirate Jerry, King Jerry, Mouseketeer Jerry, Cowboy Jerry, Devil Jerry, Angel Jerry, and Conductor Jerry and their counterparts as well.

Then, we met Tuffy's counterparts: Mouseketeer Tuffy, Devil Tuffy, Angel Tuffy, Detective Tuffy, and Robin Hood Tuffy and their counterparts as well.

Eli: Wow.

Butch (Tom and Jerry): Now, that you've met all of us and our counterparts as well, it's time we got down to business, have you guys heard of a bad guy named Thomas Havelock?

Lincoln and his Guardian Angels gasped!

Lincoln: Thomas Havelock?! That's impossible, we sent him to prison five years ago after I kicked that bastard's butt!

Nico: Whoa, this guy sounds like he's bad news.

Selene Arcangela: He sure is, and you'll really hate him, Thomas

Havelock's a mean cruel vicious monstrous asshole who's terrorized Royal Woods for five years causing havoc and destruction by destroying public property, robbing banks, committing arson, and even murder, and even worse, he's tried numerous times to kill Lincoln and all his Guardian Angels since he saw them as a threat to his reign of terror, but Lincoln shot that asshole right in the arm and he and his Guardian Angels took him down, and after they got him arrested, he got convicted and thrown into prison for the rest of his life.

Miko: I'm afraid that will be impossible, I heard from sources that Slappy broke him out of jail, but Thomas double-crossed him and his cohorts and slashed them in the faces and left to get revenge on Lincoln and his Guardian Angels on his own.

We gasped.

Lincoln: That good-for-nothing sewage eating rotten piece of termite food! There's going to be no mercy whatsoever on that asshole, I'm sending him straight to The Black Gates after I get through with thrashing him all over the place.

Suddenly, we saw seven girls head our way with long blond hair, large busts, and massive blond angel wings and sleeveless crop tops, skirts, and knee-high boots matching the colors of the rainbow, and long white sleeveless trenchcoats with elemental forces on the coattails and the Dino Rangers on the backs of the trenchcoats and holstered on their backs are massive greatswords, and with them are the fifteen girls.

Lincoln: (GASPS) Aina Marikawa, Gene-Slammer of Grimlock, Chie Marikawa, Gene-Slammer of Swoop, Etsuko Marikawa, Gene-Slammer of Slug, Hana Marikawa, Gene-Slammer of Snarl, Kaori Marikawa, Gene-Slammer of Scorn, Mika Marikawa, Gene-Slammer of Slash, and Rio Marikawa, Gene-Slammer of Sludge.

Aina Marikawa: That's right, and we got the girls away from that destructive asshole. But, we really pissed him off in a big way.

?: (ENRAGED SCREAM) LINCOLN LOUD, I'M GOING TO FUCKING KILL YOU AND EVERY LAST ONE OF YOU BITCHES

FOR THROWING ME IN PRISON!

We then saw our target, a male dressed in a red prison jumpsuit, messy black hair, extremely muscled, and red eyes full of hate: it was Thomas Havelock!

Sylvester: So, all we need to do is get rid of this wiseguy and we're done.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln fired vacuum tubes from his chest which latched onto Thomas Havelock' pecs, and then, the vacuum tubes literally began sucking the hulking bastard dry of all of his blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done, the vacuum tubes detached themselves from Thomas Havelock's chest and went back into Lincoln, Thomas Havelock was now weak and thin as a rake and completely drained of blood and dead, and then, Lincoln sent his spirit to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: I never ever want to see your ugly mug here again, Havelock. I warned you that if you were to ever get out, I'd hunt you down and kill you, now you reap what you sow! (To the Marikawa Sisters) And it's so good to see you and your sisters again, Aina.

Aina Marikawa: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Marikawa Sisters and he hugged them, and The Marikawa Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Chie Marikawa: My word, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Etsuko Marikawa: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Hana Marikawa: You said it, plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know them?

Lincoln: Indeed I do, J.D.

Selene Emperyous: And so do we, these girls are Aina Marikawa, Gene-Slammer of Grimlock, Chie Marikawa, Gene-Slammer of Swoop, Etsuko Marikawa, Gene-Slammer of Slug, Hana Marikawa, Gene-Slammer of Snarl, Kaori Marikawa, Gene-Slammer of Scorn, Mika Marikawa, Gene-Slammer of Slash, and Rio Marikawa, Gene-Slammer of Sludge A.K.A. The Marikawa Sisters: these seven girls are Lincoln's Guardian Angels from Japan and nurses at his school, and they're also the sisters of Shizuka Marikawa, and surprisingly only a few knew one fact, Shizuka and her sisters are octuplets. They are also doctors capable of healing wounds Lincoln would suffer through and they also developed medicine that can heal illnesses that would normally take days to heal through.

Nico: Whoa, I never knew about any medicines that can heal illnesses quickly. Usually, they take days to heal through.

Lincoln: Their expertise in medicine helped greatly from the wounds I'd gotten from my enemies or Lori, Lynn, Lola, Lisa, and Luan.

Michelle Emperyous: The Marikawa Sisters even Shizuka have all fallen in love in Lincoln, so much so that when they heard about what Killjoy Huggins had done, they slipped some extremely powerful laxatives in Killjoy Huggins' lunch which resulted in Killjoy Huggins suffering a powerful diarrhea that caused him to crap all over the teacher's lounge with the other teachers and Superintendent Chen in it which resulted in Killjoy Huggins getting a two year suspension. Each sister has yellow hair and the same bust as Shizuka but with different clothing: Aina has red, Chie has green, Etsuko has blue, Hana has pink, Kaori has indigo, Mika has purple, and Rio has orange.

Laney Emperyous: To show thanks for always helping him, Lincoln kissed each of the Marikawa Sisters on the lips and they hate Lewis Travolta with a blazing passion, the reason why is because he tried to scam Lincoln's school of their money. But, Lincoln and the Marikawa Sisters saw right through his trick and laced Lewis Travolta's lunch with the same laxatives that were used with Killjoy Huggins which resulted in Lewis Travolta crapping all over his own car inside and out resulting in complete humiliation.

Eli: Jeez, so any who dare to cross them wind up digesting those laxatives and it leads to diarrhea trouble.

Lincoln: Yep, that's what happens when someone tries to cross them, and now that you seven are here.

Lincoln went up to each of The Marikawa Sisters and he hugged them in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aina Marikawa: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, seven Elemental Thunderbird Necklace of Eternal Love appeared on The Marikawa Sisters' necks with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with nine white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Chie Marikawa: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marikawa Sisters.

The Marikawa Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Asuka, Fuga, Fuuma, Haruka, Hikage, Kosuzu, Miyabi, Motochika, Murakumo, Murasaki, Reika, Reki, Ryoubi, Ryouki, and Ryouna from Senran Kagura.

Lincoln: Oh wow, it's Asuka, Fuga, Fuuma, Haruka, Hikage, Kosuzu, Miyabi, Motochika, Murakumo, Murasaki, Reika, Reki, Ryoubi, Ryouki, and Ryouna from Senran Kagura.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Asuka: Yes, we're okay, thanks to you.

Then, when Asuka and the other fourteen girls saw who it was that saved them from Thomas Havelock, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Asuka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Asuka: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asuka, Fuga, Fuuma, Haruka, Hikage, Kosuzu, Miyabi, Motochika, Murakumo, Murasaki, Reika, Reki, Ryoubi, Ryouki, and Ryouna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Thomas Havelock, a mean cruel vicious monstrous asshole who terrorized Royal Woods for five years causing havoc and destruction by destroying public property, robbing banks, committing arson, and even murder, and even worse, he's tried numerous times to kill Lincoln and his Guardian

Angels since he saw them as a threat to his reign of terror, but Lincoln shot that asshole right in the arm and he and his Guardian Angels took him down, and after they got him arrested, he got convicted and thrown into prison for the rest of his life. Now, five years later, we got the bad news that Slappy broke that asshole out of jail, but Thomas double-crossed him and his cohorts and slashed them in the faces and left to get revenge on Lincoln and his Guardian Angels on his own.

But, when Lincoln showed what we did in thrashing that asshole, and Lincoln firing those vacuum tubes from his chest that latched onto Thomas Havelock and he sucked him dry of all of his blood, massive muscle mass, virility, and physical strength and sent him to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and The Marikawa Sisters have a lot of catching up to do now that they're back in town, and we recruited Tom and Jerry's friends and their counterparts to the team.

Maria: Whoa, so you guys not only met the rest of Tom and Jerry's friends and their counterparts, but you also trashed that asshole, Thomas Havelock.

Nico: And Lincoln sucked him dry of all of his blood, massive muscle mass, virility, and physical strength and sent him to The Black Gates.

Lincoln: Slappy went way too far getting my old enemies involved, now he's really going to get it.

Sebastian Mendez: He will in the future, and so will Bob Roth and all his other cohorts.

---

After meeting Tom and Jerry's friends and their counterparts and destroying Thomas Havelock for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Marikawa Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Aina Marikawa: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Chie Marikawa: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Etsuko Marikawa: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've

also gotten smarter as well.

Hana Marikawa: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Mika Marikawa: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Marikawa Sisters put up a video, and it showed Lincoln and Shizuka and The Marikawa Sisters out at Lake Huron, and Lincoln was in his swim trunks and Shizuka and The Marikawa Sisters were in colored two-piece bikinis.

Past Shizuka Marikawa: This is so awesome, a nice beautiful day at Lake Huron.

Past Lincoln: It sure is, Shizuka.

Suddenly, Lincoln caught the scent of blood in the air and his eleven massive and long white tails had gone wild.

Past Aina Marikawa: Oh, shit. Trouble?

Past Lincoln: Yep.

Suddenly, they saw a massive army of hulking muscular beach bullies heading right for Lincoln and the Ashida Sisters and they were out to kill them, and Lincoln found out it was on the orders of Lynn. Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscular beach bullies, and then, the vacuum tubes literally began sucking the hulking muscular beach bullies dry of all of their blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed along with his eleven massive and long white tails and he was growing even stronger.

When Lincoln was done, the vacuum tubes detached themselves from the chests of the bullies and went back into Lincoln who was now even larger in muscle mass and even more taller and stronger and much more imposing and his orange swim trunks have stretched out even more thanks to the sudden muscle mass increase, and the bullies were now weak and thin as a rake and completely drained of blood.

Past Chie Marikawa: Linky, are you alright?

Past Lincoln: I'm okay, Chie, this always happens whenever Lori, Lynn, Lola, Lisa, or Luan send that massive army of hulking muscular beach bullies after me.

Past Hana Marikawa: True, you always wind up getting larger in muscle mass and even more taller and stronger than ever. Of course, you know this means Lori's getting her ass kicked when we get back. (Seductively) But, first.

Suddenly, The Marikawa Sisters seductively walked up to and pounced on Lincoln, and they kissed him all over the place: his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Lincoln wrapped his massive eleven and long white wolf tails around the waists of The Marikawa Sisters and brought them closer to him as he hugged them all and not only did he kiss them, but he also bit them on their necks with his fangs as the video ended.

May: Ooh boy, you girls really pulled out the stops on the seduction and made Lincoln go crazy when you pounced on him.

Mika Marikawa: He was so cute. And after we had our passionate make-out session, and we found out from Linky that Lynn was the one who sent those bullies after us.

Luna: Yep, and needless to say, that belching farting overly aggressive gorilla got thrown in another titanium cage like the gorilla that she is! (Snickers) Plus, when we saw our bro covered in lipstick marks on his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and with an In Heaven look in his eyes and face blushing, we wanted to take a picture of it.

Lily: But, we had a lot of them in the past and I have no room for anymore photos in the albums, and Lynn went way too far that day, we even reprimanded her big time, and I went as far as to whack her cage with a mallet ten times.

Luan: You made Lynn throw up and fart big time when you did that, Lily, and thank goodness we had on gas masks.

Nico: Sheesh, so one hit to the cage Lynn was in and she winds up throwing up and farting, ew, that's disgusting.

Lincoln: That's what happens when we deal with Lynn.

We got a shower afterwards, and then, Lincoln, Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Jessica Rabbit: Wow, so, this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Jessica, and it's perfect for our first date. Shall we?

Lincoln, Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue and they hugged the girls in their abnormally massive and powerful muscular arms, and Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue are in your harem.

Kurumu: We knew Animated Flashpoint had feelings for Linky, and at least, Universe 666 Eva and Universe 666 Da Ji are much more better than the prime universe versions of them.

Me: Yeah, Eva was a rageholic, angry, bad-tempered monster and Da Ji was a conniving, lying, back-stabbing, sadistic witch, thank goodness we got rid of them both.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Animated Flashpoint, Universe 666 Eva, Universe 666 Da Ji, Simulator Jessica Rabbit, Simulator Kim Possible, Simulator Shego, Simulator Katara, Simulator Suki, Simulator Mai, and Simulator Princess Yue, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DUDE, YOU WOULDN'T DARE, YOU KNOW FLIP'S LACTOSE INTOLERANT!

Then, the the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Damn, now that was wild!

Me: Those laxatives were really powerful, damn.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Boulder Bowl Galaxy

Me: Cool! We're going to roll and smash.

Donkey Kong: Me and Thing will go.

Nico: All right! This will be fun.

They went in and the Simulator activated and they were at Boulder Bowl Galaxy!

Nico: Wow!

Thing: This is cool!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well you guys are going to face Rolladillo there right?

Nico: Yeah.

Nicole: Well I'll tell you how to face him when you get there. But for this galaxy you are going to roll and smash your way there.

Thing: All right! Love good rolling and smashing. It's Clobbering Time!

Nico: Yeah!

Donkey Kong: Time to see how Mario does it

?: I'll help too!

A girl with yellow hair and red eyes and red clothes and red angel wings came and she had Sir Ivan's Lightning Sword as well as a tiara with the symbol of the Dino Charge Rangers on it and the same symbol on her skirt.

Rhonda Kyoryuger: Rhonda Kyoryuger, Embodiment of the Dino Charge Rangers is here!

Nico: Whoa! Awesome to meet you Rhonda.

Rhonda Kyoryuger: Same here. I'll tell you more about me later.

Nico: Right lets go!

Thing: IT'S CLOBBERING TIME!

Donkey Kong: HERE COMES DONKEY KONG!

They ran and Thing rolled into a ball and smashed the Goombas all over and Donkey Kong did the same and smashed the Goombas.

Rhonda Kyoryuger: It's about to get wild!

Nico: YEAH!

She fired a blast of lightning from her sword!

Rhonda Kyoryuger: By the way I HATED ALL THAT Lovey Dovey crap going on with Sledge and Poisandra! BLECH!

Me: (GAGS) That was disgusting!

Eli: EW! Yuck!

Me: No offense ladies but I would never be like that.

Varie: None taken but yeah.

Nico: I can think of better pairings!

Me: Me too!

Rhonda Kyoryuger: I agree!

They flew and found a bunch of bowling pins.

Thing: Time to roll!

He rolled and got them all knocked down!

STEEERIKE!

Nico: Yeah!

They flew and got to a ball and out came ROLLADILLO!

Nico: Rolladillo!

Nicole: Okay you have to hit him in the butt. See that open spot in his armor?

They saw it.

Nicole: When you see that spot hit him.

Rhonda Kyoryuger: You got it!

Nico: (gets out Zs'Skayr and Gentleman Ghost's Ridewatches) Goin Ghost!

Danny Phantom: HEY! That's my line!

Nico: Sorry!

He activated them and fired waves of energy and it hit Rolladllo's butt and smashed him down!

Donkey Kong: We're literally gonna kick your ass!

He fired coconuts and they hit Rolladillo in his butt!

Then Rolladillo got steaming mad!

Me: WHOA! Now he is mad!

Thing: Lets do a combo!

Rhonda Kyoryuger: You got it!

She fired a wave of lightning and Thing rolled into a ball and they bashed Rolladillo in his butt and smashed him down and then he exploded and out came the star!

Rhonda Kyoryuger: Monster Extinct!

Nico: Yeah!

They went and got the star!

YOU GOT A STAR!

Nico: YEAH!

Rhonda Kyoryuger: That was fun!

They high five!

Donkey Kong did his howl of victory!

Thing: Tell us more about yourself

Rhonda Kyoryuger: Sure. I'm a paleontologist and Museum Tour Guide and I give awesome educational tours to the kindergartners of the schools in the area.

Nico: That's awesome. They must really love that.

Rhonda Kyoryuger: Oh they do.

Nico: Would you like to join the team?

Rhonda Kyoryuger: I would be honored.

They left and we cheered wildly for them.

Poromon: I hope Fluttershy's okay now

Me: Amy's looking out for her.

Nico: Boy Poromon I'm really impressed that your Happy Helmet gave that girl a Total and Complete 180.

Poromon: We don't deserve all the credit. Stimpy made it first.

Nico: Yeah he sure did.

Me: I'm proud of you guys.

Eli: Yeah.

Poromon: Thanks.

Me: It's probably going to be a long time before Samey can forgive Amy for everything that happened.

Nico: Yeah. But nobody can stay mad at someone forever.

Qin: Yeah.

Fluttershy was sniffling and Amy was comforting her.

Amy: It'll be okay Fluttershy.

Fluttershy: Oh Amy it was horrible.

Angel Bunny and some of Fluttershy's animal friends were helping her.

Then Cricket chirping was heard.

Me: Hey guys I hear crickets.

Nico: It's not even nighttime even though we are 528,000 feet up.

Cricket chirps were heard.

Emma: Can you guys go check it out?

Me: Yeah.

We then saw the mascots at the table and they had a cage full of crickets and the mascots were feeding them grass.

Me: Cool you have crickets.

Poliwag: Yeah.

Me: Where did you find them?

Poromon: Well…

Earlier…

Poromon: Who are you guys?

Cricket: We are the Cricket Force. I am Lady Sergeant Venra and this is my platoon.

Poromon: Awesome to meet you.

Venra: We would like to join you all to help you out.

Poromon: Okay.

They jumped into a cage.

Lily: Nice to meet you guys

Venra: Same here.

Me: Awesome having you all with us.

Cricket: Don't worry we are spinach eating crickets.

Me: I can help with that.

I pulled out a can of spinach and gave them some.

Venra: Thanks.

They ate it and then…

BOING BING!

They turned the cage into a perfect home for them.

Poliwag: Could you cheer Fluttershy up?

Venra: Sure.

They went and did so and they showed that she should not be afraid of monsters like that. It was hard to face those fears but running from them makes them stronger. But facing them makes them weaker.

Triggerhappy: What are they saying?

Me: That she should face her fears instead of running from them.

Triggerhappy: Oh.

Nico: Yeah.

Horsea: Feel better, Fluttershy?

Fluttershy: (Sniffles) A little. Thank you.

Me: She's so sensitive.

Venra: We can see that. Poor girl.

Lola: Yeah

Sureshot: Please don't cry anymore

Fluttershy: I'll try not to.

Me: Sureshot don't rush feelings like this. It takes time.

Sureshot: I know. Sorry.

Lana: No worries.

Ransack: Boss, who gets to shine today?

Nico: Hay Lin, Ed, Edd, Eddy, Onua, and Moondancer.

Hay Lin: Oh yeah!

Moondancer: This will be fun!

Ed: Yeah!

Edd: This will be intriguing.

Eddy: I'm ready!

Onua: Me too!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Dr. Fritz Fredericks, and he's come back along with the rebuilt Evil Camera, and he's causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Dr. Fritz Fredericks, and he's come back along with the rebuilt Evil Camera, and he's causing havoc once more.

We gasped.

Nico: That fucked-up mad scientist and that evil camera have come back?! SLAPPY, NOW YOU HAVE GONE TOO FUCKING FAR!

Me: You said a mouthful.

Sebastian Mendez: Slappy's already getting himself that close to dying a very painful death, but let him keep sending his minions, we'll kill every last one of them!

Lincoln: And that's one promise we're fulfilling.

Me: Yeah.

Nico: We won't stop until the Goosebumps Monsters are defeated and put down for good. Come on, gang, we got to head to Pitts Landing and help Greg Banks, Shari Walker, Michael Warner, and Doug "Bird" Arthur destroy The Evil Camera and Dr. Fritz Fredericks.

Lincoln: And when they hear that Slappy was the one who brought them back, there's going to be Hell to pay.

Me: Oh man!

I went over and got the book for Say Cheese and Die.

Me: This was a crazy one!

Maria: We defeated that one easily before. But it probably learned from its' mistakes.

Me: Maybe. And we destroyed that camera and threw that mad scientist in jail.

Qin: Yeah. I wasn't with you all when that happened though.

Lola: It was a crazy one.

Nico: Yeah.

Me: This is a list of photos.

I showed everyone what went down.

Michael Warner: Photo taken of him shows him falling down from the railing of the Coffman House basement staircase.

Mr. Banks' new Ford Taurus: Photo shows the car completely destroyed. Mr. Banks gets into a nasty accident later.

Terry Banks: Photo taken of him shows him outside with a worried expression on his face.

Douglas "Bird" Arthur: Photo taken of him laying unconscious on the baseball field after being struck head-first with a baseball, body in an uncomfortable position.

The Banks Family (Dream): Photo Greg takes of them at their backyard picnic shows Greg's mom, dad and brother Terry as skeletons.

Shari Walker: Photo taken of her doesn't show her, causing her to vanish from existence later at her birthday party. Nullified after Greg ripped the photo in half.

Greg Banks: Photo shows Greg and Shari on the playground, trembling in fear from a shadowy figure.

Dr. Fritz Fredericks Photo taken shows him dead on the floor of the Coffman House basement after Shari takes his picture, causing him to die of fright.

Joey Ferris and Mickey Ward: It's never revealed what the photo was or what befell them.

Jonathan: Photo taken of him on the ground in pain, cluching his foot after being impaled by a giant carpenter's nail.

Shari Walker: Photo taken of her comes out as a negative. This causes her to rapidly lose weight. Nuillified after Terry changed it into a positive.

Greg Banks: Photo taken of him being over 300 pounds. This causes him to rapidly gain weight. Nullified after Terry turned it into a negative

Greg Banks: Photo taken of him with scaly reptile skin. His flesh begins to fall off, being replaced by scales. Nullified after Terry turned it into a negative.

Greg and his class: It's never revealed what the photo was or what befell them.

Reena Jacobs: Photo taken of her shows her eyes red. She instantly suffers an intense burning sensation from her eyes and a redness that stays permanent until the camera is defeated.

Karla Mayer: Photo taken of her shows just her arm. She then seriously injures her arm in a basketball game.

Julie Martin: Photo taken of her gets caught in the camera mechanism, which causes her to have a sharp pain in her torso, as if she's being cut in half.

Twin Forks Middle School (dream): Photo shows the entire school as skeletons after Julie takes a picture of them.

Becka and Greta: Photo taken of them shows them with green alligator skin, which immediately befalls them.

Sammy Martin: Photo taken of him has his head replaced by a bee's head. His head immediately starts growing yellow fuzz and he can only speak in buzzing sounds.

Julie Martin: Photo taken of her shows her falling off the school diving board to her death. She manages to stop the prediction from happening. This in turn, nullified all the other photos taken by the camera.

Douglas "Bird" Arthur: Instead of Michael (due to not being in the episode adaptation), the photo is taken of Bird falling from the railing of the Coffman House basement staircase.

Mr. Banks' new car: Photo shows the car completely destroyed.

The Banks family (dream): Photo taken of them at their backyard picnic shows them as skeletons

Shari Walker: Photo doesn't show her, causing her to vanish from existence. Nullified after Greg rips the photo later on.

Dr. Fritz Fredericks: When Shari uses the camera on Fredericks it causes him to be sucked inside the camera. He screams to be released until he's eventually freed by Joey Ferris and Mickey Ward.

Unnamed man: Photo taken of him shows him unconscious. As he chases Greg, the stairs break under him, causing him to fall through the basement floor of the remains of the Coffman House, knocking him out.

Shari Walker: Photo taken of her comes out as a negative. This causes her to rapidly lose weight.

Greg Banks: Photo taken of him being over 300 pounds. This causes him to rapidly gain weight. Both Greg and Shari's photos are nullified after having Terry reverse the photos at the photo-mart.

Mr. Saur: Photo taken of him shows him bald. His hair immediately begins to fall out.

When it was done everyone was shocked!

Twilight Sparkle: That was horrible!

Me: Yep.

I went over how we faced it before in chapter 792 and it was brutal.

We I was done everyone was horrified.

Eddy: Now I see why it's me, Double D, and Ed's time to shine here! Because of our experience with the cursed phone.

Me: Yep.

Qin: Man I wasn't with you all when that happened but that was awful!

Nico: Yeah it was.

Xenia: Many people got SERIOUSLY hurt from that thing.

Camie: That camera is a torture device waiting to happen.

Nico: Who knows how many victims it's claimed this time?

Luan: THAT CAMERA HAS POISONED OUR WATER SUPPLY, BURNED OUR CROPS AND DELIVERED A PLAGUE ONTO OUR HOUSES!

All of us: It did?

Luan: NO! But are we going to sit here and wait until it does?

Me: No!

Nico: That was funny.

The previous group came.

Dr. Polaris: Can me, Anti Wanda, Rex Goodwin, Raven Branwen, Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, and Black Spider go with you guys?

Nico: Yes you guys can come with.

Laney: We're going after that camera and Dr. Fredericks next.

Dr. Polaris: Oh boy.

Snaptrap: Boss, which Gene Slammer do you think you'll meet next?

Nico: Plant Man next.

Qin: Cool!

Laney: Nature next.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than The Moon, a member of the Vampire King's court in the Adventure Time miniseries "Stakes", and she's come back to get her revenge on Marceline, Finn, and Jake. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Finn, Jake, Marceline, you three and the rest of our friends from Ooo aren't going to like it one bit: the figure and dark energy we sensed belongs to The Moon, one of the members of The Vampire King's court, and she's come back to get her revenge on you guys for killing her.

Finn: What the jug?!

Jake: Oh no, not her.

Marceline: Should've known she'd be back, and you guys don't know this, but The Vampire King, The Moon, The Empress, The

Fool, and The Hierophant are the most dangerous and powerful vampires ever to plague the Kingdom of Ooo. I defeated them and absorbed their essences and regained my powers long ago, I thought I was rid of them for good.

Tsuki Moonface: If Slappy brought them back, then, he's really toying with death now.

Cooper: He was the one who brought them back, Tsuki.

Nico: Figures, so five of the most dangerous and powerful vampires ever to plague the Kingdom of Ooo are back for revenge, this is going to be one dangerous battle, but we're ready. Alright, gang, let's go, we're heading to Pitts Landing to help Greg Banks, Shari Walker, Michael Warner, and Doug "Bird" Arthur destroy The Evil Camera and Dr. Fritz Fredericks.

Lincoln: And when they hear that Slappy was behind his return, it's not going to end well, and once we get done with Fredericks and The Evil Camera, you're next, Sister Moon.

Tsuki Moonface: Slappy went way too far bringing you and the other vampires back to cause havoc, and now, you're going to be the first one to die at our hand, Sister Moon.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Greg Banks, Shari Walker, Michael Warner, and Doug "Bird" Arthur destroy The Evil Camera and Dr. Fritz Fredericks, and once we got done with them, Tsuki Moonface and Lincoln are going to destroy Sister Moon, the first of the vampires in The Vampire King's court.

We were off to help Greg Banks and friends.

---

We arrived at Greg Banks House.

Rex Goodwin: Here we are!

Me: I hope no one got hurt.

Nico: Me too.

Xenia: Yeah.

Buzzsaw: Greg! Are you there?!

We looked around for him and then we saw Greg sitting on his porch.

Me: Greg?

Greg Banks: Hey guys!

Me: Long time no see. Are you okay?

Greg Banks: Yeah I'm fine.

Me: Are your friends okay too?

Greg Banks: Yeah they are fine.

Bonz: Where are they?

Shari Walker, Michael Warner, and Doug "Bird" Arthur Came.

Shari Walker: We just came.

Michael Warner: Glad you all came.

Doug Arthur: Yeah.

Me: Thank goodness you're all okay.

Shari Walker: That camera is nasty.

Venom: Don't we know it?

Greg: Is Fluttershy okay?

Nico: She had a rough day.

Me: Long story.

Xenia: Yeah.

Fluttershy: (Sniffles) I'll be fine.

Me: She was crying all day because of a traumatic sight on Nico's rescue.

Nergal: We've been tyring to cheer her up. But she's still sad.

Shari Walker: Fluttershy, you need to stop crying and get it together.

Greg: Yeah. Before- (sees out of control oil truck heading towards us)- something happens!

Me: UH OH!

I then punched the truck and smashed it to pieces!

The driver was safe but his truck wasn't.

Me: WHOA! That was close.

Greg Banks: Yeah thanks!

Nico: At least it didn't explode.

But then we saw a leak and then a spark flew and landed on the oil and ignited it and I threw it far and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The tank exploded in a massive and fiery explosion!

Qin: WHOA! That was even closer!

Lola: Yeah!

Flywheels: Yep. The camera is definitely putting up a fight this time!

Me: No kidding!

Laney: Yeah!

Black Spider: (sees something) Um… guys?!

We saw a group of Sea Bears charging at us.

Hay Lin: Fluttershy, now would be a good time for your Stare!

SpongeBob: I got this! Sea bears love…

He jumped on them and gave them tummy tickles.

SpongeBob: Tummy tickles!

They loved them and were calm.

Nico: Nice save SpongeBob.

Fluttershy: I'm sorry guys. I'm just so scared.

Me: It's okay Fluttershy.

Gred Banks: What was it that scared her?

Me: Well…

I showed a picture of The Thing monstrosity that scared her and Greg was REALLY FRIGHTENED!

Greg Banks: That is horrifying! No wonder she is so scared.

Commander Mars: I know, right?

Me: Fluttershy is very sensitive.

Xenia: Yeah she sure is.

Lola: Poor girl.

Ed: Good morning, tree!

Duff Killigan: (Scottish Accent) Tree?! (sees tree falling towards us)

Popeye then punched it numerous times and made a lot of firewood for the Banks family.

Popeye: How Wood you like that? (LAUGHS)

Me: Nice save Popeye!

Lola: That was funny.

Greg Banks: Thanks Popeye! Now we won't run out of wood for the winter.

Lola: Good idea.

Maria: INCOMING!

We saw a HUGE METEOR COMING IN!

I fired a laser vision blast and it hit the meteor and slowed it down and shrunk it to a basketball size and it landed in the street.

Me: Cool.

I picked it up and cooled it down.

Jinx: Is that a giant meatball rolling towards us?!

Lincoln: It sure is!

We saw a GINORMOUS MEATBALL!

Ed: I'll eat this!

He turned into Edzilla and ate it!

Ed then burped!

Ed: Excuse me.

Eddy: Nice save Lumpy!

Laney: LOOK OUT!

We saw a commercial plane with a burning engine coming at us!

Me: Oh man!

I flew up and slowed the plane down and landed it gently and opened the door and got everyone out of it.

Nico: WHOA! That was close!

Eddy: (sees a stampede of hippos) Hippos?!

Roxy Rocket: Um… Fluttershy, any time you wanna calm them down is good!

Fluttershy: Oh no!

She used her stare on them and calmed them down and I teleported them to Africa.

Nico: WHEW!

Fluttershy: Sorry guys. I'm still scared though.

Raythor: At least you're still able to use your Stare.

Fluttershy: (Sniffles) That's true.

Me: That camera has us going into overdrive!

Nico: No shit there!

Then a gang of street thugs came!

Thug: KILL THEM!

They came at us with crowbars and weapons and I punched and pulverized the gang into a mess!

Onua: Okay, what next?!

Chemistro: How about that group of gorillas charging at us?!

We saw a HUGE FAMILY OF GORILLAS!

Me: Uh oh!

Laney: I got this!

She grew a bunch of fruit and banana trees for them.

Laney: Lunch is served.

They calmed down and got bananas and fruit.

Me: Nice one Laney.

Tarzan went and talked to them and they listened to him.

Greg Banks: Boy what else is that camera going to throw at us?

I grabbed him and pulled him back as a House of Fishsticks fell onto the ground!

LIGHTHOUSE FOGHORN!

Followed by a house of pizza!

ITALIAN MUSIC!

Then a house made of healthy snacks!

FAIRY MUSIC!

Then a house of cheese wheels!

SWISS YODEL!

Then a HOUSE OF FRIED MEATS!

STEAK MUSIC!

Me: Houses of Fishsticks, pizza, healthy snacks, cheese wheels and fried meats!?

Filbert: Okay the Cheese Wheels and Fried meats houses are new.

Lola: That is crazy.

Razorclaw: Alright, that does it! We have to find that camera now!

Me: I agree! But on the plus side we're doing a good job making sure that Greg and friends aren't getting hurt.

Laney: And us too.

Double D: If we can survive the cursed phone, we can survive this.

Raven Branwen: I think the camera is more dangerous than that.

Me: I agree. We need to think on this.

We went to Greg's backyard tree and thought hard. But then we heard air whistling and got out of the way and the tree got crushed by a house in the shape of a giant boot!

Me: A giant boot house!?

Nico: Cool!

Greg Banks: Now I have my own house.

Me: Yep. That camera is not going to give us time to think.

Double D: If we can survive the cursed phone, we can survive this.

Raven Branwen: I think the camera is more dangerous than that.

Me: I agree. We need to think on this.

We went to Greg's backyard tree and thought hard. But then we heard air whistling and got out of the way and the tree got crushed by a house in the shape of a giant boot!

Me: A giant boot house!?

Nico: Cool!

Greg Banks: Now I have my own house.

Me: Yep. That camera is not going to give us time to think.

Bright Man: Let's corner it with our entrance!

Eli: Good idea. I sense it is close.

Camie: Wait there!

We saw a flashing light in the bush 100 yards to the west of us.

We saw a boulder coming!

I SMASHED IT INTO RUBBLE!

Nico: Lets go!

We went at the bush and then out came the camera and it had ARMS AND LEGS!

Then the spirits of light came and swirled around it and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and we came out!

Me: The camera has arms and legs!? WHOA That is weird!

Dr. Fredericks came too and he was laughing like a fucked up lunatic!

Me: Look who it is.

Gemini Man: Boy I hate that camera and that scientist.

Anti Wanda: Ya'll have been keeping on our toes this whole time!

Moondancer: Now, you're about to get hit with a shine laser!

She fired a laser blast and it hit Dr. Fredericks!

Me: Time to teach this fucked up fathead a lesson!

I got out a Fatheads Parking Meter club.

BLANG!

I bashed Fredericks in the face with it!

I bashed him on the head with it!

Me: How do you like that you freak!?

He went at me and I kicked him in his head and BASHED HIM in the face with the club!

KRABLANG!

BLANG BLANG BLANG!

I bashed Fredericks all over.

Hay Lin blasted the camera with wind blasts. Ed bashed it with his head!

Ed: (LAUGHS) I LIKE TO SMASH STUFF!

Edd blasted it with a laser blaster!

Eddy threw an El Mongo stink bomb at it and it exploded!

KRABBBBBBBBOOOOOOOOOOMMM! FART!

Onua and Moondancer blasted the camera with rock and lasers.

Lola: Take that!

The camera was about to take Fluttershy's picture.

But Lincoln fired a blast of lightning and burned its lens and melted it!

Lincoln: Flutters has been through enough!

Laney: YEAH!

Lincoln fired a wave of lightning and burned it all over!

Applejack: This camera will pay!

She smashed it all over with an Apple Hammer!

The camera took a picture and suddenly, an ice cream truck came at us.

Nico: Uh oh!

Nico punched it and then Ice Cream flew all over and Eli used the force and put it all in a cooler.

Nico: Nice save Eli.

Greg Banks: At least we're going to have enough frozen treats.

Lola: Yeah!

The camera then took another picture and a REPLICA CLONE OF SLAPPY CAME AT NICO!

Clone Slappy: YOU MOTHERFUCKING CUR MONKEY!

Nico: Not wasting my time with you. I'm saving my surprise for the real deal!

Nico fired an energy blast and blew it apart!

I bashed Fredericks all over!

Me: WHY THE FUCK WOULD YOU INVENT A CAMERA LIKE THIS!?

Fredericks: (LAUGHS INSANELY) BECAUSE I WANT THE WORLD TO SUFFER! I WANT EVERYONE TO SUFFER! (LAUGHS DERANGEDLY) BECAUSE I HATE EVERYTHING! (LAUGHS MANIACALLY)

Me: YOU MAKE ME FUCKING SICK!

BLANG BLANG BLANG!

Having enough of him, the camera took his picture.

Nico: Looks like you've outlived your usefulness to it.

Dr. Fredericks: What!?

I saw something coming down and I jumped and then…

KRABLAM!

A DEAD GIANT CORPSE SMASHED ONTO HIM!

Me: A dead giant!?

Nico: Let's send him to the Black Gates and then, focus on the camera!

Lincoln: Lets send them both to the Black Gates at the same time!

Nico: I'll hold the camera off! You guys have the usual battles!

BLANG!

Nico smashed the camera all over.

Then Duskmon, Scorcher, Gizmo, Bane, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, and Roquefort came.

Me: Duskmon, Scorcher, Gizmo, Bane, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, and Roquefort.

Duskmon: Reminds you of the Cursed Phone, huh?

Eddy: That's why it's me, Lumpy, and Sockhead's time to shine!

Me: Yeah no kidding there!

Scorcher: At least the Grool isn't here.

Me: Yeah!

Gizmo: Because that would be bad

Me: We gave that one the Black Gates before.

Bane: (to me) (Spanish Accent) We heard you fought Keith.

Me: We sure did. And it was gross!

Shade: Did it really turn into fusions of Ben's aliens?

Me: Yeah a bunch of really interesting and amazing combinations.

Eli: That was awesome.

Repellator came.

Me: Repellator! Up for another round I see.

Repellator: Yep I sure am.

Me: Cool cool.

Repellator: That was a waste of good ice cream.

Eli: No kidding!

Qin: Yeah it sure was.

The Moon: (DEMONIC VOICE) YOU! YOU! I WILL KILL YOU ALL!

The Moon charged right at them with uncontrollable fiery rage and wrath in her black heart, but Tsuki Moonface fired a powerful energy blast at them which hit them hard and they got knocked down, and then, Lincoln got out a stake and stabbed her in her heart as she exploded into white dust, and then, Lincoln opened his mouth and devoured her soul gaining her superhuman healing factor. Then, an energy card with The Moon's drained soul appeared in Lincoln's left hand, and Lincoln banished her to The Black Gates forever, we cheered wildly for what Tsuki Moonface and Lincoln did as they holstered their massive greatswords and powered down and Tsuki Moonface's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight black angel wings are permanent.

Tsuki Moonface: This is for all the lives of all those who fell victim to you and the other vampires nine centuries ago. Thanks for helping me destroy The Moon for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Tsuki.

Suddenly, Tsuki Moonface wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tsuki Moonface's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Moonface the Silver flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Tsuki Moonface sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and we took down the first of The Vampire King's Court: The Moon.

Marceline: And you also devoured her soul and gained her healing factor. Which means the next of the vampires is The Fool. He's a weakling but he's mischievous, so watch yourselves.

Me: They sure will. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person we're meeting tomorrow: Marianna Almaden, Queen of The Water Fairies.

Aprina Arabella: That's perfect, and you guys will love meeting her, Marianna Almaden is Lincoln's Guardian Angel and the Queen of The Water Fairies of The Waterfall Gardens, an enchanted fairy village populated by The Water Fairies. Marianna Almaden is a human sized fairy and she's a powerful and skilled fighter with incredible control over water and possess many incredible powers over water and magic. Lincoln met Aprina when he discovered a portal that led to The Waterfall Gardens in the secret garden he and his Guardian Angels know about, and he saved Aprina from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Marianna was very impressed by Lincoln's strength, bravery, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: Whoa, first Fire, and now, Water.

Lincoln: Yep, there's Fairy Queens of Water, Earth, Lightning, Light, and Darkness, and each of them are really powerful and skilled in the ways of combat, elemental forces, and magic. And as Protector of The Elemental Fairy Lands, I will not let any fairy-obsessed looks like Randal Williams bring harm to any of them.

Me: That's for sure.

Dark Laser: This is one camera that deserves to be thrown out.

Demyx: The best part is that no one died.

Roman Goodwin: Thank goodness.

Ssserpent: Our normal cameras are much better.

Roquefort: Are you okay now, Fluttershy?

Fluttershy: Oh I'll be fine. Thank you.

Qin: Good.

Me: She's doing much better.

Lola: Yep.

Nico: Great job today though everyone.

Lily: (To the viewers) Photography is fun but you got to be careful with it.

Me: Yep.

We went back home for a good rest.

---

Back with Slappy, they were recovering from the attack of Universe 666 Sebastian.

Bob Roth: I think that attack wore off.

Slappy: Considering what we just went through, I may have to consider what you have in mind.

Bob Roth: Good! But take your time in choosing which of your former slaves gets involved in your endgame.

Slappy: Good. Even though most of our plans got scrapped for that because of that monster we'll have to rely on what we got.

Bod Roth: Okay.

Lincoln and his group are heading to The Waterfall Gardens, but we got bad news: it appears the very deranged and fairy-obsessed killer Randall Williams has broken out of the nuthouse and he wants revenge on Lincoln for ruining all of his plans to kill The Elemental Fairy Queens, and even worse, it was because of Slappy's doing. There will be no mercy whatsoever on that psycho, Lincoln's sending him straight to The Black Gates after he gets through with thrashing him all over the place. Me: Gary Lutz is one of the heroes of Goosebumps we haven't covered yet.

Nico: I know. This will be awesome. He's from the book Why I'm Afraid of Bees.

Storm: That will be interesting to see.

Vinyl Scratch: It sure will be cool.

Van Fanel: I agree there too.

Moondancer: Yeah this will be interesting and cool.

Lola: It sure will.

Me: Tommy, I want to thank you, Evil Star, and your teams for coming

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a kid named Gary Lutz is being bullied.

Nico: (GASPS) Gary Lutz?! He's from the Goosebumps story, Why I'm Afraid of Bees.

Nico got out the book Why I'm Afraid of Bees.

Me: We didn't meet him before.

Nico: Nope. But this will be fun and yes we were told we were going to meet him from J.D.

Me: I know.

Qin: I hate those bullies that Gary had to deal with! They were monsters!

Xenia: Bunch of heartless jerks!

Lola: Yeah no kidding!

Me: Their parents are going to be massively pissed when we tell them what their kids were doing.

Nico: Too bad we didn't cover that one.

Just then, Sebastian Mendez appeared.

Sebastian Mendez: That's right, you didn't. My world's tiniest camera overheard Bob Roth saying that that there's 3 or 4 Goosebumps characters that you haven't met yet, and it's also overheard that the bullies have made a deal with Slappy.

We gasped.

Eli: Oh no, then this means, we've got to help Gary Lutz deal with those bullies.

Lincoln: I also called in some extra help.

Just then, Lava Carol and Sea the Sea Serpent, along with Wilma Acres, Keyblade Knight of 100 Acres, Hina Honey, Embodiment of the Honey Dopant, Cheryl Vesparina, Brianna Beevania, Honey Evenstein, Honia the Hornet, Honey B, Buzz the Honey Nut Cheerios Mascot, Bumblebee, and all those whose specialty is with bees and honey, arrived.

Lava Carol: We just got the message, and we got here as fast as possible.

Wilma Acres: So, Slappy's already causing trouble for the Goosebumps characters we haven't met yet. That dummy's going to pay.

Lincoln: Big time. (Sensed for Gary Lutz) We better hurry, I just spotted Gary Lutz, and he's being pursued by local bully Dirk Davis and his gang.

Nico: Shit, we got to hurry.

Me: Yeah!

We were powerwalking.

Nico: Boy this is gonna be awesome.

Tommy Oliver: It sure will be!

Nico: Tommy, I want to thank you, Evil Star, and your teams for coming.

Tommy Oliver: No problem Nico. It's gonna be awesome.

Doom Patrol Elastigirl: I'm looking forward to this one.

Nico: We are too.

Me: Same here.

Nico: Elastgirl, are you proud of Beast Boy?

Elastigirl: I sure am. Garfield has come a really long way. Not just with you guys but with the Teen Titans too. especially with how he and Tara are an awesome family.

Nico: We are all proud of him and Tara too.

Xenia: We sure are.

Me: And it was awesome meeting the entire Doom Patrol too.

Elastigirl: It was awesome meeting all of you guys too.

Nico: Yep.

Camie: That was awesome.

Nico: He even lead the attack on the Brotherhood the first time.

Me: He sure did.

Elastigirl: That was so awesome.

Me: And the best part is that we killed the entirety of the Brotherhood of Evil. Now they are a forgotten memory.

Qin: Now we've officially seen the last of them.

Me: Yep. I got word that a mysterious warrior killed General Immortus in prison. I don't know who it is but they did amazingly well.

Nico: Whoa! We'll have to find out who it is later on.

Lola: Yeah.

Me: Holy shit! That camera really was trying to unleash hell! It was like the Cursed Telephone of Doom on steroids.

Eddy: You said it! It put up a fight this time!

Me: Boy no kidding!

Eli: That was brutal!

Xenia: Yeah! The meteor, incoming plane, gang members and all that really packed a punch!

Me: At least I saved that entire plane from crashing and got those people out.

Camie: Thank goodness.

Laney: And the funny part was where Popeye punched that tree into firewood.

Lana: And those houses of Fishsticks, Pizza, Healthy Snacks, Cheese Wheels and Fried meats.

Laney: And that cool boot house.

Nico: Yeah! Thank goodness it wasn't a house made of fried oyster skins!

(LIGHTHOUSE FOGHORN) (SEAGULLS CALL)

Lily: (Imitating Patrick) I LOVE FRIED OYSTER SKINS!

Me: (COUGHS) Halitosis!

WE LAUGHED!

Me: Boy Patrick would love eating that one.

Lily: (LAUGHS) Yeah! Man my breath really reeks! Sorry I had Fried Oyster Skins for breakfast earlier at the Krusty Krab.

Nico: Oh no worries.

Nico: I thought those gorillas were gonna kill us.

Me: No kidding. Oh Fluttershy are you feeling okay now?

Fluttershy: Oh I sure am J.D. thank you. My animal friends and everyone cheered me up.

Me: Good good. I'm glad they did.

Nico: Hay Lin, Ed, Edd, Eddy, Onua, and Moondancer did good

Hay Lin: I thought it was fun.

Eddy: Yeah it sure was.

Edd: It sure was intriguing.

Ed: I'm the ice cream man.

Eddy: Shut up Ed.

Qin: But it was still fun.

Nico: Now we have to get to Gary and help him.

Lincoln: Yeah, we can't let him get hurt by those bullies. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out to help Gary Lutz take care of Dirk Davis and his gang of bullies.

Nico: Okay, there's no telling what those bullies are capable of, ever since they made that deal with Slappy.

Lincoln: No doubt Bob Roth's given them weapons, so we need to be ready.

We went to the school.

We headed down to see Gary Lutz cornered by Dirk Davis and the gang of bullies. Then, a swarm of bees and massive waves of honey appeared from nowhere and they fired blasts of honey that hit Dirk Davis and his gang of bullies and they got covered head to toe in honey. Then, the swarm converged and a massive tornado of honey exploded out as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Nico: Gotcha, you pieces of shit!

Lincoln: You jerks are in so much trouble.

Bully: FUCK YOU!

Me: Do you kiss your mother with that mouth you motherfucker!

Suddenly, we saw the bullies suit up in Iron Man armor suits, but they're purple and green.

Sebastian Mendez: So, that's what they got from their deal with Slappy, and no doubt this was due to Alexander DuBrow.

Me: Oh boy!

Edd: He used the information on my Iron Boy suit to make these Goosebumps-themed suits so that Slappy can give them to those willing to make a deal with him.

Me: When we face that asshole, he's going to get his head crushed like an acorn.

Lava Carol: Exactly, but first, we should deal with these creeps.

Bully: FUCK YOU, BITCH!

The bullies were about to fire, but Wilma Acres, Hina Honey, Cheryl Vesparina, Brianna Beevania, Honey Evenstein, Honia the Hornet, Honey B, Buzz the Honey Nut Cheerios Mascot, and Bumblebee fired blasts of honey and their suits got covered and were sticky with honey, and Sebastian used dark magic to stop their weapons as well.

Me: Nice.

Suddenly, Lava Carol's purple eyes turned neon purple and she was surrounded by an orange and black energy aura with stars, lava, magma, dragons, phoenixes, and angels, and as she approached the bullies, she left orange and black energy, stars, lava, magma, dragons, phoenixes, and angels with every step.

Lava Carol: You sacks of shit really make me sick, you've got some nerve picking on someone who's weaker than you, and to also find out some of the adults were also behind this as well, you all make so sick, you've left me no other choice but to give you all a vicious thrashing!

Suddenly, Lava Carol was surrounded by a massive vortex of orange and black energy with stars, lava, and magma surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the bullies: the red eyes of judgement. Then, as the vortex faded, Lava Carol emerged, but she was changed forever.

Lava Carol grew to 7'9" in height, she has gold metal bands on her biceps and thighs, and she now has eleven large orange and black orbs orbiting around her legs, she has the body of a goddess, she has orange in the bangs of her long flowing blonde hair reaching the bottom of her neck and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and an orange and black energy aura with stars, lava, magma, dragons, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix and dragon coming out of a volcano and holding the Lava Kanji emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and holding the Lava and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with orange gems on the gold lava drop links and yellow crystal links and an orange dragon-shaped Element of Harmony and below the Element of Harmony is a phoenix with orange gems for eyes and holding the Lava and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on a short-sleeved purple shirt with orange phoenix on it, purple skirt with lava waves on it, black pants with lava on the legs, black knee-high boots, and long white sleeveless trenchcoat with stars, lava, magma, dragons, phoenixes, and angels on the coattails, and on the back is a dragon and phoenix coming out of a volcano with lava surrounding them.

Suddenly, Lava Carol felt a sharp pain on her back and then, massive blonde angel wings with orange tips on the large blonde feathers grew and sprouted out of her back, she has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and she has on orange fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Lava Carol's massive greatswords and all the greatswords and swords she'd gotten began merging and they're surrounded by a kaleidoscope of orange and black energy, stars, lava, magma, dragons, phoenixes, and angels, and when it emerged, it was transformed into Lava Carol's L-Emental Eternal Volcanic Lava Draconic Phoenix Angel Greatsword of L-Emental Eternal Volcanic Lava Draconic Phoenix Angel Love, it's a brand-new massive greatsword with embedded lava gems and dragon and phoenix etched on the 7'6" massive, wide, double-edged orange blade, large black dragon heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large black dragon heads with orange gems for eyes and a large black dragon head with orange gems for eyes and orange gem in its mouth on the bottom of the black dragon heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large orange gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, large gold Belt of Elemental Bravery with large gold dragon head with orange gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below the dragon and phoenix that said, "Lava Carol, Member of The L-Ementals, Friend of Fire Lori, Archenemy of The Lava Monster, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of

We were amazed by Lava Carol's Super Angel-Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the bullies saw it, they went mad and tried to get out, but the honey made it impossible for them, and that allowed Lava Carol to fire a massive barrage of orange and black energy, stars, lava, magma, dragons, phoenixes, and angels, which hit the bullies and because it was getting superheated, they forced themselves out of the suits, but bad news, they were standing in their underwear.

WE BUSTED OUT LAUGHING LIKE A PACK OF HYENAS!

Lava Carol: (Divine Echoing Godly Voice of The L-Emental True Eternal Volcanic Lavastorm Lava Dragon Phoenix Angel and Divine Cosmic L-Emental True Eternal Volcanic Lavastorm Lava Dragon Phoenix Angel Love) Looks like DuBrow forgot to make them lava-proof and heatproof.

Sebastian Mendez: And this was due to yesterday. The camera also saw my Universe 666 counterpart showing up along with the brainwashed resurrected Universe 666 counterparts of The Z-Fighters' old foes, he knew Slappy wasn't going to keep his end of the deals he's made and he wants to see them torn apart by us, so that he can kill us himself before he moves on to destroy all life on Earth and the universes beyond, and he'd double-crossed Slappy and fired blasts of poisonous darkness at Slappy and his cohorts and made them writhe in agony before he and his minions disappeared into darkness and I heard his demonic and deranged laughter echoing.

We gasped.

Sea: So, it looks like we got ourselves an extremely dangerous and extremely deranged new enemy to deal with.

Lincoln: And it'll be for after we get rid of Slappy, but we'll be ready. I better message this to Buster and the others from Acme Acres, they're about to have the fight of their lives.

Sebastian Mendez: It's already done, I told them of what's happened, and what you guys are going to witness after we get done with getting rid of Slappy for good is a repeat of the constant times I've gone after Buster and his friends, and already, he's got The Z-Fighters involved in this too, so yeah, in the days to come after we finally get rid of Slappy are going to get ugly.

Yamato: Animal Instinct Awaken!

Takeru: Henshin!

AAAHHAAAHHAHAH!

They transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

He was ready!

Yamato: Don't underestimate this planet.

Me: Or you are not going to live to regret it!

Qin: That is for sure!

Eli pulled out a can of spinach and popped it open and ate it.

GULP! BOING BING!

He flexed his muscles and in them showed the Death Star II Blowing up!

Eli: YEAH!

Eli punched Dirk Davis all over the place!

POW POW POW POW POW POW POW POW BAM BAM BAM BAM BAM BAM BAM BAM BAM!

Eli punched and pulverized him all over!

Nico: Save some for us!

Nico punched a bully in his face and kicked him square in the crotch!

DING!

The bully screamed like a little girl!

Camie kicked a bully girl right in her face and Sea wrapped her body around her and SQUEEZED HER TIGHT! SHE SQUEEZED HER SO TIGHT UNTIL EVERY SINGLE BONE IN HER BODY WAS

REDUCED TO POWDER!

Qin: Like an Anaconda from the Amazon.

Qin punched a boy bully in the face and kicked him in the chest and she punched him in his face brutally!

Xenia fired an arrow and it skewered a bully through his legs.

Nico: Take that! And this!

Nico punched a bully in the face!

Gary Lutz: YEAH! Take that!

Iron Boy: Compared to Iron WarHawk, your suits are nothing!

He fired waves of energy and blasted them!

Me: Yeah they weren't lava proof.

Nico grabbed Dirk by his shirt.

Nico: You make me fucking sick you stupid mammas boy pissant!

Dirk: YOU DON'T SCARE ME!

Nico: Our only mistake was not helping Gary sooner!

POW!

Nico punched him square in his mouth and knocked out all of his teeth!

Nico: Here's what I say to that!

He smashed him on his head with a HUGE PIANO!

KRASMASH!

Me: My favorite note. B-Flat.

Xenia: YEAH!

He got out of the piano and Dirk had piano keys for teeth.

Tommy Oliver: It's Morphin Time!

THUNDERCLAP!

Tommy Oliver: DRAGONZORD!

He turned into the Green Mighty Morphin Ranger!

Tommy kicked a bully in his face!

Me: Sniff on this!

I shoved a bully's face into my armpit and rubbed his face in it!

FOGHORN!

Lana shoved the female bully's face into her butt and activated Stinky Butt's ridewatch.

Lana: FIRE IN THE HOLE!

LOUD EXPLOSIVE STINKY FART!

The girl bully that had been squeezed hard by Sea was HURLING HER GUTS OUT!

Tommy Oliver: Time to go Zeo!

He used his morpher and turned into the Red Zeo Ranger!

Tommy: ZEO RANGER V! RED!

He was ready!

Me: OH YEAH!

Tommy kicked a bully square in the face.

Lola: FEEL THE BURN!

She fired a blast of fire and burned them.

Lily: Sniff on this!

She blew a blast of her STINKY FRIED OYSTER SKIN BREATH into Dirk's face.

Dirk: FRIED OYSTER SKINS!?

He threw up all over!

Edzilla: ED SMASH!

He smashed the Bullies faces in!

Nico: YEAH!

Me: Dirk it's time to stop you once and for all!

Tommy: J.D.

He gave me his Brachio Staff!

Me: HYAH!

I punched Dirk in his face and slashed him all over and he kicked at me and I jumped and kicked him in the back of his head and ducked under a punch and he jumped and did a flying kick and I ducked under it and he grabbed a pole and we clashed! SPARKS FLEW ALL OVER!

Dirk: THIS IS THE END OF J.D. KNUDSON!

I elbowed him in his face and punched him down!

Nico: No, it ain't!

Nico punched him!

Me: No Dirk, this is the end OF YOU!

I punched him and slashed him all over!

I ducked under a strike from him and kicked him in his face!

Tommy Oliver: WOW! J.D. is doing amazingly well!

Sea: Yeah he is!

Me: You've got one last chance Dirk. Apologize to Gary or I'm going to kill you!

Dirk: Okay! I'm sorry! Happy now?!

Dirk: Ok! I'm sorry! Happy now?!

Me: Not buying it! I want a REAL Apology!

Nico: YEAH!

Dirk: THEN I WILL NEVER APOLOGIZE! I HATE THAT LOSER AND I WILL NEVER APOLOGIZE TO THAT LOSER KLUTZ!

Me: Then I'm sorry Dirk! But you brought all this on yourself!

I had the staff glow and I slashed him and cut him and revealed his black heart!

Nico then knocked him out.

Nico: An asshole like him isn't worth killing anyway. And his heart would taste awful

Me: Yeah you're right. Besides we've got bigger fish to fry. But that wound that reveals how black his heart is will forever be his mark of damnation.

Tommy Oliver: That is for sure. You did much better than when I fought Zeltrax.

Me: That was so awesome. It's like I lived that episode of Dino Thunder.

Nico: That was amazing.

We punched and kicked the bullies.

Suddenly, Sea's aqua blue eyes turned neon amber and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, snakes, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached the bullies, she left aqua blue energy, stars, water, ocean waves, snakes, phoenixes, and angels with every slither.

Sea: Every single word that Lava Carol said is indeed true, you lot are real pieces of garbage, and to make it worse, you jerks went and made a deal with Slappy. Now, you've got yourselves in deep shit now, we're taking you lot down and we're so going to enjoy pissing Slappy off even more.

Suddenly, Sea was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are snakes, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at the bullies: the red eyes of death. Then, as the vortex faded, Sea emerged, but she was changed forever.

Sea grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large aqua blue orbs orbiting around her legs, she has the voluptuous body of a goddess, she has blue highlights in the bangs of her long aqua blue hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon aqua blue eyes with slit pupils and an aqua blue energy aura with stars, water, ocean waves, snakes, phoenixes, and angels surrounding her and immense neon rainbow protective aura with planets swirling around it, she has a phoenix and sea serpent emblazoned on her forehead and Third Eye with blue iris, she has on snake earrings with red gems for eyes and holding the water and Eternity Kanjis in its body, she also has a sea serpent with red gems for eyes and holding the water and Eternity Kanjis on the bottom of her aqua blue sea serpent-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold water drop links and she has on a white and gold accented choker on her neck. Sea has on her blue bra to secure her breasts and silver belt-like adornment to cover her crotch and various gold and silver decorations on her midriff, arms and tail tip, and she now has legs and she has on blue knee-high boots, and long sleeveless white trenchcoat with stars, water, ocean waves, snakes, phoenixes, and angels on the coattails, and on the back is a phoenix and sea serpent surrounded by water. Suddenly, Sea felt a sharp pain on her back, and then, massive aqua blue angel wings with blue tips on the large aqua blue feathers grew and sprouted out of her back and she now has eleven massive and long aqua blue wolf tails with blue tips and blue markings along with her long blue snake tail. Sea has on her Ring of the Phoenix with large bright red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sea's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, snakes, phoenixes, and angels, and when it emerged, it transformed into Sea the Sea Serpent's Ocean Maelstrom Sea Serpent Angel Greatsword of Ocean Maelstrom Sea Serpent Angel Justice, it's a brand-new massive greatsword with embedded blue gems and a sea serpent and phoenix etched on the 7'6" massive, wide, double-edged aqua blue blade, large aqua blue snake heads for the crossguard, large white angel faces built into both sides of the hilt and large aqua blue gems embedded in the foreheads, longer midnight black handle, four large aqua blue snake heads with blue gems for eyes and large aqua blue snake head with blue gems for eyes and large blue gem in its mouth on the bottom of the aqua blue snake heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold snake head with aqua blue gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below the phoenix and sea serpent that said, "Sea the Sea Serpent, Legendary Voluptuous Sea Serpent of

We were amazed by Sea's Super Angel-Mediterranean-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Sea, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the bullies saw it, they fell into an even darker rage and ran at her to kill her, but Sea fired a massive barrage of aqua blue energy, stars, water, ocean waves, snakes, phoenixes, and angels which hit the bullies and exploded with incredible power and they got drenched, the bullies got back up, but now, they were beyond pissed off.

Sea: (Divine Echoing Godly Voice of The Ocean Maelstrom Voluptuous Mediterranean Sea Serpent Angel and Divine Cosmic Ocean Maelstrom Voluptuous Mediterranean Sea Serpent Angel Love) Now, it's high time we take you down once and for all.

Nico: And we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Lava Carol and Sea and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic

Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You bullies are done running loose, and now, we're going to see to it you never bully Gary ever again.

Lincoln, Lava Carol, Sea, and I went after the bullies, and we fired extremely powerful blasts of rainbow energy, red orange yellow green blue energy, red and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the bullies and they exploded with incredible power as they hit them.

Then, we attacked them with our massive greatswords leaving scars on them and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Lava Carol, Sea, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the bullies insane and straight to the brink of insanity.

Bully: GET THEM!

The bullies charged at us.

Nico: Damn, they still got a lot of strength to come chasing after us even after the thrashing we've given them.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let me fix that little mistake. (ECHOING VOICE) DRAINING RAIN!

Lincoln summoned a rain cloud in his hand and it unleashed a stream of water which hit the bullies and sucked out drained all of them of their strength and all their strength went into Lincoln as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done and the rain cloud disappeared, the bullies fell down to the ground all drained of strength, and then, he fired gold energy beams that wrapped them in gold energy straitjackets and he beamed the bullies to The Charon Reform School. Everyone cheered as Lincoln, Lava Carol, Sea, and I holstered our massive greatswords on our backs and powered down, and Lava Carol's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive blonde angel wings are permanent, and Sea's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long aqua blue wolf tails and longer serpent tail, and massive aqua blue angel wings and bigger phoenix wings are permanent.

Nico: That's another Goosebumps villain taken down for good, and that was really awesome that you used Ranamon's Draining Rain to suck out their strength, Lincoln.

Lincoln: They seriously had a lot of strength, even without those suits DuBrow built. Which reminds me.

Lincoln went up to the empty Goosebumps-themed Iron Boy suits and he touched them, and they glowed with blue light and they turned into data streams and were absorbed by Lincoln, and when he was done, he gained another massive power boost and he also gained the suits' weapons.

Me: Nice one.

Lincoln: DuBrow made them with a lot of efficiency, he put in a lot of weapons and he was planning on using it on the mermaids and Billy and Sheena Deep when we went after him, and it provided a lot of proof that the one who put that camera on the Iron Boy suit was DuBrow.

We gasped.

Nico: That goddamn lowlife asshole. When we do go after him, I'll let you do whatever you want to him, Lincoln, maybe you can even eat his heart.

Me: Fuck that, I say absorb the asshole with Cell's absorption technique.

Sabrina Lorelai: Boys! Lincoln can decide whatever he wants to do with DuBrow, he's a grown man after all!

That got me and Nico scared.

Rita: Nice one, Sabrina.

Sabrina Lorelai: Thanks, Mrs. Loud.

Me: Tell me that she didn't just use the Mom Voice on us.

Nico: She did, she really did.

Lily: You knew about those times Lincoln's used the Dad Voice on Lori, Lynn, Lola, Lisa, and Luan, well, now you know about the Mom Voice as well. And trust me, you do not want to get Lincoln's Guardian Angels to use the Mom Voice on you, they'll tear you apart verbally.

Eli: I'd listen to Lily, guys.

Nico: She's right, we can't do something like that again.

Me: Agreed.

Nico: Sorry you had to wait so long, Gary.

Gary Lutz: It's all right but thanks for helping me out guys.

Me: You're welcome.

Xenia: Man those bullies had it coming.

Nico: Shows how stupid people like them can be.

Applejack: That is for sure.

Xenia: Yeah.

Apple Bloom: Like how Diamond Tiara was against us. But at least she's not like that anymore.

Me: No kidding.

Gary Lutz: You guys got any honey on you?

Me: Sure. (SPINS MAGISWORD BRACELET)

BEEHIVE MAGISWORD!

I gave him a really awesome good amount of honey.

Gary Lutz: Ahh. Thanks.

Nico: You still have those bee traits?

Gary Lutz: Yeah it's part of what happened to me.

Me: Just like in the book.

Gary Lutz: Yeah and I heard you guys are going after Slappy.

Me: Yep. Nico has a really big score to settle with him.

Nico: You may like Honey now. But what about Blood and Honey?!

Gary Lutz: That horror movie of Winnie The Pooh!? NO WAY! I would never see that movie even if you paid me!

Then..

CRASH!

THE MASCOTS CAME BURSTING IN!

Poromon: WE'LL SHOW YOU JUST HOW HORRIBLE IT WAS! (SHOWS TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!

Manaphy: (shows trailer to Gary's face) YOU LOOK AT IT!

Gary: THAT IS HORRIBLE!

Me: Tell me about it!

Poliwag: (shows trailer to Gary's face) LOOK AT IT!

Gary Lutz: HORRIBLE!

Horsea: LOOK AT IT!

Jirachi: LOOK AT IT!

Tentacool: LOOK AT IT!

Mevya: LOOK AT IT!

Mascots: WE WANT ALL OF YOU TO FUCKING LOOK AT IT!

Nico: We apologize for this.

Gary Lutz: No worries but I see what you mean.

Nico: Yeah.

Gary Lutz: I saw the trial you guys had for it. And that was crazy.

Lola: It was.

Maria: You guys came all the way here?!

Poromon: We were just in the area and heard something about Blood and Honey and immediately knew.

Me: Oh. Wow your hearing is really sharp.

Nico: No kidding.

Poromon: Yeah.

Poliwag: You guys were busy.

Me: We sure were.

Qin: Yep.

Lola: Yeah.

Me: We were thrashing bullies here.

Gary Lutz: My bullies.

Qin: Yep.

Poromon: Are they in jail?

Me: Yep.

Poromon: Good.

Poliwag: (Gets out beer) Now, who wants to drink beer? I've got lots and lots of beer!

Gary Lutz: The mascots drink beer?

Me: Don't fucking ask.

Gary Lutz: No thank you though. I'm too young to drink.

Me: Luckily I got this.

I pulled out my cooler and gave him some root beer.

Gary Lutz: Thanks.

Poromon and Poliwag gave him the puppy eyes.

Me: Poromon, Poliwag you know the Puppy eyes won't work.

Gary Lutz: Yeah like I said I'm too young.

Manaphy: (shrugs) More for us then.

Me: Much as I hate to kill the mood but we have Anothers to face.

Gary Lutz: But thank you guys for helping me.

Me: No problem.

Gary Lutz: I will gladly help you guys take down Slappy.

Me: Awesome.

Eli: Lets see who we got. (Concentrates) Whoa this is funny! We have Another Boola, Bluto, Sindbad, Pierre The Pirate (Popeye), Patcheye, Brutus, Stormy and Evil Star.

Me: Whoa! All villains that Popeye knows.

Nico: (LAUGHS) That is funny!

Camie: Yeah! Those guys are awesome.

Sea: I'm already here so that's good.

Me: Yep.

Nico: Who else do we call?

Me: Brie Bespin, Anya Rodriguez, Annie Leonhart, Popeye's Nephews and Natasha.

Lincoln: Cool!

Nico: Yep.

Eli: And I sense that the Anothers minus Evil Star are one person.

Nico: Cool.

Maria called them in and in came said people. Popeye was included too.

Popeye: Hiya everyone.

Me: Hey Popeye.

Poopeye: Oh boy!

Pipeye: This is gonna be fun!

Pupeye: It sure will!

Peepeye: We're excited!

Lily: Boy we can tell.

Anya Rodriguez: Aye laddies! This will be fun.

Brie Bespin: I'm excited.

Nico: There they are!

Out came Another Boola, Bluto, Sindbad, Pierre The Pirate (Popeye), Patcheye, Brutus and Stormy!

Me: WHOA!

Nico: Boola's a 2-Headed Giant!? Whoa!

Me: I know.

Another Bluto: (In a girls voice) It sure is crazy.

Lincoln: (GASP) Janelle Jedha?! Whoa!

They merged and she reverted back and was a girl with orange hair, purple eyes, orange angel wings and orange and purple clothes and had an awesome keyblade.

Nico: WHOA!

Janelle Jedha: Awesome to see you again Lincoln and wow! You grew into an amazing young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. Guys meet Janelle Jedha, Keyblade Knight of Jedha, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Jedha, and she has intense light powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Jedha, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith, and she was infuriated with the Empire for test firing the superlaser of the Death Star on her home planet which blew 25% of the planets surface to Space Dust, and she swore to make them pay for that. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and O eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of light.

We were amazed.

Me: Whoa! The Keyblade Knight of the planet Jedha. That is awesome. But it's horrible what happened to your home planet.

Janelle Jedha: Yeah! And worse still they killed my best friend and sister figure Jyn Erso. She died on the planet Scarif.

Me: No she hasn't. I rescued her on one of my rescues. She's over in the Estate World Tree.

Nico: Yeah we saved her before the Death Star can fire.

Lola: Long story on that but it was fun.

Janelle Jedha: Thank the Force.

Me: But you don't have to worry about the Empire anymore. We destroyed it forever and brought the galaxy to peace and Harmony.

Nico: Yeah. Sorry we have to do this.

Me: By the way is the Another Evil Star friendly or hostile?

Janelle Jedha: Friendly but she can't stop crying. And she smells like onions.

All of us: EW!

Nico: Weird.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low

Down beneath the earth you go
Go holoré fast to sleep

Spring abundant holoél

She glowed and was separated from the Anothers!

Me: Lets Spinach up!

We pulled out cans of spinach and popped them open and ate them and then…

GULP! BOING DING!

We flexed our muscles and we were ready!

We went at the Anothers and pulverized them and smashed them and smashed them down and I caught the Wonder Ride Books!

Popeye: Now there's an Another Victory! (LAUGHS)

Me: YEAH!

Maria: Time for backup! (TURNS DIAL) GHOSTS OF FURY!

She summoned Zs'Skayr, Phantom of Vasquez Castle, Gossamer, Evil Tim, Mutant Dexter and Big Chicken!

Ed: IT IS THE CURSE OF EVIL TIM! IT HAS COME TO DISSECT OUR INTERNAL ORGANS AND FEED THEM TO THE MINIONS OF HADES!

Eddy: Ed SHUT UP!

Xenia: (LAUGHS) That is always funny!

Lola: Yeah!

Double D: Like old times.

Me: Yep.

But then we smelled a really foul odor.

Me: (SNIFFS) EW! NICO!

Nico: It's not me!

Me: Wait… (SNIFFS) I know this smell. It's onions. She's not that far away.

Nico: How close is she?

Me: Over there!

We saw a figure and it was Another Evil Star!

Me: Geez!

Nico: Nasty.

Evil Star: Except I never smell like onions!

Another Evil Star: (In a girls voice) (Crying) Sorry I can't help it.

Me: Oh man that voice.

She reverted back and was a girl with purple hair and purple eyes and had red clothes and red angel wings and she had a tiara with the symbol of the Onion Dopant on it and she had the same symbol on her skirt and she had an Onion Magisword in her hand and she was crying a lot.

Me: Odalia Onion. Oh man.

Nico: Are you okay?

Odalia Onion: I would be better if I could stop crying.

Me: Well Onions make you cry like that. They have some kind of chemical in them that aggravates your eyes. Also Odalia can't help it. She was born with a really nasty condition that makes her stink like onions.

Nico: Yikes.

Me: Yep. She's also the embodiment of The Onion Dopant and her smell actually is onions enhanced times 1,000. She makes people cry non-stop.

Evil Star: Oh man. Poor girl.

Me: Yeah. Also she may have a condition but she is very smart in the fields of magnetism and sciences of magnetars.

Evil Star: That's just like how I am.

Nico: Wow.

Odalia Onion: (Crying) I hate this condition of mine.

Me: I know. Odalia believe it or not the Smurfs went through the same thing.

Odalia Onion: They did?

Me: Yeah Papa Smurf once told me that the entire village was crying because of an onion that got enhanced by a formula he made. It made the entire village cry.

Nico: Whoa that is crazy.

Me: Yeah. Poor Smurfs.

Odalia Onion: (Crying) Wow that is crazy.

Me: I know.

Carol: I remember seeing that one with Vince. Those poor Smurfs.

Me: Yeah that one aired back on November 1st, 1986.

Nico: Yeah.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword and Zocks got a Kiramai sword.

Me: I think we already know what it is and that is to cure her condition.

Odalia Onion: That's right. But my smell of onions made him cry and I ran away.

Sakura Knudson: That explains why I found him crying hard for over a week back then.

Me: Geez.

Nico: Yikes.

Sougo: (gets out Dino Fury Ridewatch) We can help you with your condition.

Geiz: (gets out Kiramager Ridewatch) After all, we DO have that power.

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Me: And the technological expertise.

Odalia Onion: Oh thank you guys! I hate crying like this.

Me: I know.

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and separated the Another.

Odalia Onion: Take this!

She fired a wave of energy and then the Another bursted into tears as jets of tears bursted out of him! He was flooding the floors with tears.

Evil Star: Boy I NEVER cried that much!

Nico: Taste Magnetic lightning! (ACTIVATES EVIL STAR AND STORMY'S RIDEWATCHES)

He fired waves of lightning and stars and blasted the Another.

May: Time for this shark to burn! (ACTIVATES GLUT AND TAHNOK KAL'S RIDEWATCHES)

She fired waves of fire and energy and smashed the Another.

Maria: Taste this one! (ACTIVATES ZEBRA BROTHERS AND EVIL PRINCESS'S RIDEWATCHES)

She fired energy blasts and blasted the Another all over.

Elastigirl: This will be fun. (ACTIVATES STORMY'S RIDEWATCH)

She fired waves of lightning and blasted the Another.

Then Whiteout, Evil Rainbow Man, Vikings of Takar, Evil Aurora Woman, RTN Hinata and Octobulb came.

Nico: Nice team Whiteout!

Whiteout: Thanks Nico.

RTN Hinata: I will still kill you for killing Menma.

Nicole: You're still sore about that?

Me: Sheesh girly get a life.

Nico: Yeah.

?: I agree there.

A Plant Man came.

Me: Cool! Plant Man.

Nico: Awesome.

Plant Man: (In a girls voice) This will be awesome.

Nico: Pamela Plant!? Whoa!

She reverted back and was a girl with green hair, green clothes and had red eyes and green butterfly wings and she had a flower in the middle of her forehead and she had a barrette on shaped like the kanji for Flower.

Pamela Plant: Awesome to see you again Nico and also there are 3 others like me that can revert back at will. The rest don't and are naked.

Me: Oh so half and half.

Pamela Plant: Yep. I got this.

She fired a wave of energy and blasted Another Evil Star and I caught the Ridewatch and purified it.

Me: Nice!

May: Ha! I'm unscathed!

Me: (LAUGHS) That's right.

Pamela Plant: Yeah I heard all about what happens to May when you guys meet my fellow Robot Master gene-slammers. Sorry that happens.

May: No worries.

Elastigirl: What's your favorite memory of Nico?

Pamela Plant: When me and Nico were at my parents house and we were planting awesome new plants and fruit trees. We made all kinds of them.

Me: That is awesome.

Laney: You have an amazing green thumb.

Pamela Plant: I sure do. Just like my hero. Poison Ivy.

Me: That's awesome that you idolize Poison Ivy.

Pamela Plant: My whole family does. My name is Pamela and hers is Pamela too so they named me after her. My name is Pamela Isley Plant.

Me: Boy that's awesome.

Nico: She'll be honored to hear about that.

Me: Yeah.

Nico and Pamela hugged.

Nico: I've missed you.

Pamela Plant: Same here.

We later went back home.

There will be no mercy whatsoever on that psycho, Lincoln's sending him straight to The Black Gates after he gets through with thrashing him all over the place.

Me: Whoa, where are we?

Lincoln: I know exactly where we are, we're at The Waterfall Gardens, the home of The Water Fairies, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got bad news: it appears Randall Williams, the very deranged and fairy-obsessed killer, has broken out of the nuthouse and he wants revenge on me for ruining all of his plans to kill The Elemental Fairy Queens, and even worse, it was because of Slappy's doing.

We gasped.

Nico: Why, that piece of termite food!

Sebastian Mendez: I already sent a warning written in blood to Slappy telling him death's coming for him, and he even saw that it wasn't me who attacked them yesterday and also trashed all of Slappy's plans for us, it was my Universe 666 counterpart. But, the poisonous darkness he infected them with is still affecting them.

Me: Damn. But, he did ruin all his plans for us, so that's somewhat good, but that asshole is still out to kill us.

Andros: We'll deal with him in time, possibly after we get rid of Slappy for good. And Lincoln, this place really is amazing.

Lincoln: It sure is, Andros. Next time, we'll have to show you The Garden of Flames.

Suddenly, we saw a beautiful and super sexy girl with long aqua blue hair with aqua blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive blue butterfly wings, and she was dressed in a sleeveless aqua blue top, aqua blue skirt, aqua blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, water, ocean waves, magic, fairies, phoenixes, and angels on the coattails and on the back is a water fairy, and holstered on her back is a massive greatsword, and with her are the eight girls.

Lincoln: (GASPS) Marianna Almaden, Queen of The Water Fairies.

Marianna Almaden: That's right, Linky, and I got the girls away from that deranged madman, I can't believe Slappy busted him out.

?: LINCOLN LOUD, I WILL DESTROY YOU FOR RUINING MY PLANS TO DESTROY THE ELEMENTAL FAIRY LANDS AND KILLING ALL THE FAIRIES! FAIRIES! FAIRIES! (LAUGHING DERANGEDLY)

We then saw our target, a male dressed in a red prison jumpsuit, messy black hair, pale-skinned, and red eyes full of hatred and insanity: it was Randall Williams, the very deranged and fairy-obsessed killer, and boy was he even worse than Crocker!

Me: That's Randall Williams! He's even worse than Crackpot Crocker!

Then, Lincoln, Aprina Arabella, and Marianna Almaden fired waves of magic, fire, water, and lightning which hit Randall Williams and he exploded and he was reduced to ashes and he was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: I warned you a million times that if I ever saw your face again in The Elemental Fairy Lands, I will end you, Randall. Now, reap what you have sown. (To Marianna Almaden) And it's so good to see you again, Marianna Almaden.

Marianna Almaden: You too, Linky, it's been seven years since we last met.

Lincoln went up to Marianna Almaden and he hugged her, and Marianna Almaden is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you in seven years, and as you can see, I really grew a lot since then.

Marianna Almaden: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful water fairy?

Lincoln: Indeed I do, J.D., this is Marianna Almaden, Queen of The Water Fairies, she's my Guardian Angel and the Queen of The Water Fairies of The Waterfall Gardens, an enchanted fairy village populated by The Water Fairies. Marianna Almaden is a human sized fairy and she's a powerful and skilled fighter with incredible control over water and possess many incredible powers over water and magic. I met Marianna when I discovered a portal that led to The Waterfall Gardens in the secret garden that I and my Guardian Angels know about, and I saved Marianna from an attack caused by that very deranged fairy-obsessed killer Randall Williams, who's been a major league problem for all of the eight Elemental Fairy Lands for years. Marianna was very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like the promise I made with Lily the Mermaid and with my entire harem, I promised that when I came of age, I will marry her.

Nico: Wow.

Me: Yep.

Sabrina Lorelai: Ooh, and we also made a miscalculation: apparently, there are Eight Elemental Fairy Lands: Fire, Water, Earth, Wind, Ice, Light, Lightning, and Darkness.

Eli: I can't believe you missed Wind, that's one of the Elemental Forces as well.

Aprina Arabella: Yeah, that was really a huge miss, Sabrina, and we Eight Elemental Fairy Queens were each made the very promise by Lincoln: that he would marry us, and because of what he did in getting rid of Randall Williams years ago, at a meeting between our eight lands, we'd officially named him as Protector of The Eight Elemental Fairy Lands of Fire, Water, Earth, Wind, Ice, Light, Lightning, and Darkness.

Lincoln: And I made a solemn vow when I became Protector of The Eight Elemental Fairy Lands: any who dare to threaten the peace of The Eight Elemental Fairy Lands of Fire, Water, Earth, Wind, Ice, Light, Lightning, and Darkness will pay a heavy price for their crimes.

Nico: And that heavy price is their life.

Lincoln: Exactly, and now that you're here, Marianna.

Lincoln went up to and hugged Marianna Almaden in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marianna Almaden: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marianna Almaden's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marianna Almaden: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marianna Almaden.

Marianna Almaden had a smile on her faces and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Noemi Hayasaki, Yurine Hayasaki, Mio Hayasaki, and Naru Hayasaki from Baku Ane ~Otouto Shibocchau zo!~ and Mashiro Momotani, Miran Kiryuu, Ritsuka Takesaka, and Wakana Takesaka from Baku Ane 2 ~Otouto, Ippai Shibocchau zo!~.

Lincoln: Oh wow, it's Noemi Hayasaki, Yurine Hayasaki, Mio Hayasaki, and Naru Hayasaki from Baku Ane ~Otouto Shibocchau zo!~ and Mashiro Momotani, Miran Kiryuu, Ritsuka Takesaka, and Wakana Takesaka from Baku Ane 2 ~Otouto, Ippai Shibocchau zo!~.

Ed Cowart: Whoa, looks like you rescued eight voluptuous beauties from that psychopath.

Lincoln: Ed.

Me: Better not say anymore, dude.

Drakus: Yeah, you're getting close to getting hit on the head with a baseball bat.

Lincoln: Are you girls okay?

Noemi Hayasaki: Yes, we're okay, thanks to you.

Then, when Noemi Hayasaki and the other seven girls saw who it was that saved them from Randall Williams, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe,

Noemi Hayasaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Noemi Hayasaki: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Noemi Hayasaki, Yurine Hayasaki, Mio Hayasaki, Naru Hayasaki, Mashiro Momotani, Miran Kiryuu, Ritsuka Takesaka, and Wakana Takesaka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was none other than Lincoln's enemy: the very deranged and fairy-obsessed killer Randall Williams who has broken out of the nuthouse and wanted revenge on Lincoln for ruining all of his plans to kill The Eight Elemental Fairy Queens, and even worse, it was because of Slappy's doing.

But, when Lincoln showed what we all did in thrashing that asshole to pieces, and then, Lincoln, Aprina Arabella, and Marianna Almaden finishing him off by firing waves of magic, fire, water, and lightning that destroyed him and sent him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and Marianna Almaden have a lot of catching up to do now that she's back in town.

Maria: Aw man, you guys went to The Waterfall Gardens without me? Dang it.

Lincoln: I wouldn't worry about that.

Suddenly, we saw eight colored doors appear in The World Tree

Estate: red for Fire, blue for Water, green for Earth, sky blue for Wind, neon blue for Lightning, golden yellow for Light, and purple and black for Darkness.

Lincoln: Now, we can also access The Eight Elemental Fairy Lands as well.

Nico: Awesome!

Me: This is going to so awesome!

Eli: You said it.

---

After destroying Randall Williams and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marianna Almaden saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marianna Almaden: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Marianna, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marianna Almaden: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marianna Almaden: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Aprina, Marianna, what memories did you have with Lincoln?

Aprina Arabella and Marianna Almaden put up a video, and it showed Lincoln, Aprina Arabella, and Marianna Almaden at Lake

Superior, and Lincoln was in his orange swim trunks and Aprina Arabella and Marianna Almaden were in crimson red and aqua blue two-piece bikinis.

Past Aprina Arabella: This is so awesome, a nice beautiful day at Lake Superior.

Past Lincoln: It sure is, Aprina.

Past Marianna Almaden: The lake is looking really beautiful thanks to you and the others always cleaning it.

MONSTROUSLY LOUD BELCH!

Suddenly, Lincoln caught the stench of B.O., gym socks, and smelly feet in the air and almost threw up and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Marianna Almaden: Oh no. Trouble?

Past Lincoln: Yep. Dang it, Lynn!

Suddenly, they saw Lynn appear and she was on another rampage once again and she had a massive army of hulking muscular beach bullies with her and they were heading right for Lincoln, Aprina Arabella, and Marianna Almaden and they were out to kill them. Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscular beach bullies, and then, the vacuum tubes literally began sucking the hulking muscular beach bullies dry of all of their blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed along with his eleven massive and long white tails and he was growing even stronger.

When Lincoln was done, the vacuum tubes detached themselves from the chests of the bullies and went back into Lincoln who was now even larger in muscle mass and even more taller and stronger and much more imposing and his orange swim trunks have stretched out even more thanks to the sudden muscle mass increase, and the bullies were now weak and thin as a rake and completely drained of blood. That made Lynn and she roared with rage and ran at Lincoln, but he grabbed her by the collar of her jersey and he gave her a mega hard punch that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Aprina Arabella: Linky, are you alright?

Past Lincoln: I'm okay, Aprina, this always happens whenever Lori, Lynn, Lola, Lisa, or Luan send that massive army of hulking muscular beach bullies after me.

Past Marianna Almaden: True, you always wind up getting larger in muscle mass and even more taller and stronger than ever. Of course, you know this means Lori's getting her ass kicked when we get back. (Seductively) But, first.

Suddenly, Aprina Arabella and Marianna Almaden seductively walked up to and pounced on Lincoln, and they kissed him all over the place: his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Lincoln wrapped his massive eleven and long white wolf tails around the waists of Aprina Arabella and Marianna Almaden and brought them closer to him as he hugged them all and not only did he kiss them, but he also bit them on their necks with his fangs as the video ended.

May: Ooh boy, you girls really pulled out the stops on the seduction and made Lincoln go crazy when you pounced on him.

Aprina Arabella: He was so cute. And after we had our passionate make-out session, we went back home and we already knew that Lynn was already in her cage.

Luna: Yep, and needless to say, that belching farting overly aggressive gorilla also got grounded for eighteen weeks before she got thrown back in like the gorilla that she is! (Snickers) Plus, when we saw our bro covered in lipstick marks on his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and with an In Heaven look in his eyes and face blushing, we wanted to take a picture of it.

Lily: But, we had a lot of them in the past and I have no room for anymore photos in the albums, and Lynn went way too far that day, we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times.

Luan: You made Lynn throw up and fart big time when you did that, Lily, and thank goodness we had on 26th Century Exomasks.

Nico: Sheesh, so one hit to the cage Lynn was in and she winds up throwing up and farting, ew, that's disgusting.

Lincoln: That's what happens when we deal with Lynn.

We got a shower afterwards, and then, Lincoln, Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase are heading to Float Islands.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase all had

feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Tammy Vance: Wow, so, this is Float Islands, it sure is beautiful.

Lincoln: It sure is, Tammy, and it's perfect for our first date. Shall we?

Lincoln, Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase and they hugged the girls in their abnormally massive and powerful muscular arms, and Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase placed their hands on the massive pecs of

Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Float Islands, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase are in your harem.

Me: We knew Tammy had feelings for Lincoln ever since he saved her from Baby Dahl years ago.

Livewire: I remembered that all too well.

Volcana: Same here.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Animated Tammy Vance, Candi, Simulator Candace Flynn, Simulator Stacy Hirano, Simulator Vanessa Doofenshmirtz, Simulator Amanda Lopez, and Simulator Melissa Chase, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled

and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

---

Back at the estate we were relaxing and watching TV.

Bridgette: Let's go to the park.

Me: Good idea.

We went to the park.

---

Later we were there and we were relaxing there.

Me: Ahh! Nothing like relaxing and looking at the clouds and taking in the awesome summer air.

Nico: Yeah you said it.

Apple Bloom: Boy this is such an amazing day.

Sweetie Belle: It sure is awesome.

Scootaloo: I'll say!

Natsumi: (to the Cutie Mark Crusaders) I'll never regret meeting you girls

Apple Bloom: We won't either Natsumi.

Sweetie Belle: That was so much fun.

Scootaloo: It sure was.

Me: Boy you girls did an awesome job on both your missions and the Big Day mission.

Diamond Tiara: That was so fun and cool.

Silver Spoon: It sure was.

Rarity: I'm so proud of my little sister.

Applejack: Me too.

Rainbow Dash: We all are proud of you guys. You were awesome.

Natsumi: They sure were and their skills in law enforcement came far.

Me: You have Hitch Trailblazer to thank for that. He taught them.

Hitch Trailblazer: I sure did and it was awesome.

Me: That was awesome.

Natsumi: And you girls did great killing Lila Rossi.

Apple Bloom: That was so fun.

Sweetie Belle: It sure was.

Twilight Sparkle: (to Natsumi) Don't forget that you became a Gene Slammer,

Natsumi: I know and it's awesome.

?: YOU ROTTEN BLANKFLANKS!

Me: Uh oh!

We saw another DIAMOND TIARA AND SHE HAD PIERCING RED EYES!

Me: (GASP)

Diamond Tiara: IS THAT ME!?

Nico: WHOA MAN!

Me: That looks like a Dark version of you!

Nico: Yeah.

Natsumi: So, this is who you used to be, huh?

Diamond Tiara: Yeah. I was a horrible bully to the Cutie Mark Crusaders! I would pick on them all the time because they didn't have their cutie marks.

Me: Yeah but she's not like that anymore.

Dark Diamond Tiara: YOU STUPID BLANK FLANKS! YOU MAKE ME SICK!

AppleBloom: NOW YOU LISTEN HERE DARK DIAMOND TIARA, I'VE JUST HAD ABOUT ENOUGH OF YOU ALWAYS BULLYING US, JUST BECAUSE WE DIDN'T HAVE CUTIE MARKS! WHAT IS IT ABOUT US THAT YA'LL HAVE AGAINST US!? YOU'VE BEEN MEAN TO US, FORCED US TO PUBLISH PONIES PRIVATE LIFE'S IN THE SCHOOL PRESS AGAINST OUR WILL, TURNED MY COUSIN BABS SEED AGAINST US, PUT SCOOTALOO UNDER PRESSURE ABOUT NOT BEING ABLE TO FLY WHICH ALMOST RUINED OUR ROUTINE AND SO MANY OTHER THINGS THAT YA'LL HAVE DONE TO US. WHY CAN'T YOU JUST LEAVE US ALONE!?

Me: Yeah! What the hell is your problem!

Nico: YEAH!

Apple Bloom: And Another thing!

Scootaloo, Apple Bloom and Sweetie Belle showed their cutie marks!

Apple Bloom: We are not blank flanks anymore!

Nico: You're just a selfish dark monster!

Me: Yeah! So put an egg in your shoe and beat it!

Eli: Yeah! Make like a rocket and take off!

Dark Diamond Tiara: HOW DARE YOU! NO ONE TALKS TO ME THAT WAY!

She ran at the Cutie Mark Crusaders and then all three of them did a drop kick and then…

KRASMASH!

THEY SMASHED HER IN HER FACE WITH INTENSE FORCE THAT IT KICKED HER ENTIRE HEAD OFF!

Nico: WHOA!

Me: AWESOME!

The Dark Diamond Tiara was then banished to the Black Gates!

Me: Good riddance.

Misfire: (to Apple Bloom) Need some water after that?

Apple Bloom: Sure.

Maria gave her some.

?: Boy that was awesome!

Out came a girl with purple hair and red eyes and she had blue clothes and rainbow angel wings and she had a tiara with the symbol of the ToQgers on it and the same symbol on her skirt and she had a ToQger Rail Sword in her hands.

Sayuri Shima: Sayuri Shima, Embodiment of the ToQgers.

Me: Wow awesome to meet you Sayuri.

Sayuri Shima: Same here.

Pointblank: Tell us more about yourself.

Sayuri Shima: Sure I'm a Bullet Train engineer and I make designs for bullet trains.

Me: Cool!

Sayuri Shima: Yeah it's fun. I make all kinds of bullet train ideas and even some from far in the future.

Nico: That's amazing.

Right Suzuki: It's awesome to meet our embodiment.

Sayuri Shima: I'm glad too Right.

Nico: Would you like to join the team?

Sayuri Shima: I would be honored.

Natsumi: Nice job, Apple Bloom!

Apple Bloom: All three of us did it.

Natsumi: I'm proud of you girls.

Apple Bloom: Thanks Natsumi.

* * *

We went back home and got ready.

Drill Man: Nico, who gets to shine today?

Nico: Twilight Sparkle, Lincoln Loud, Trunks, Sunny Starscout, Taranee, and Matau.

Twilight Sparkle: All right!

Sunny Starscout: This will be awesome!

Lincoln: It sure will!

Nico: YEAH!

Me: Way to go Trunks!

Vegeta: Go get them son.

Taranee: Yeah!

Trunks: I'm going to put all my training to use Master Nico.

Me: Master Nico?

Nico: I took on both Sakura and Trunks as my students.

Me: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Clarissa, the witch from Be Careful What You Wish For, and that witch is back and she's causing more trouble again. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Clarissa, the witch from Be Careful What You Wish For, and that witch is back and she's causing more trouble again.

We gasped.

Me: Not her again!

Nico: Oh man, I knew it was going to be that witch, Clarissa, I just knew it.

Me: Same here, and there's no doubt Samantha Byrd is already in trouble thanks to that witch's mayhem.

Lincoln: No doubt about it.

Nico: Yeah. Let's head down there and help Samantha Byrd with whatever Clarissa's done and then, we get after that witch.

Lincoln: And when she hear that Slappy was the one who brought her back, there's going to be Hell to pay.

I went over and got the book for Be Careful What You Wish For.

Me: We faced Clarissa back in 2019 in Liberia and she had the Bohrak Kal with her.

King Kai: Nico, can you and the others hear me?!

Nico: King Kai, we know Clarissa is our next target. You don't need to tell us.

King Kai: (sighs) But if you let me finish, you'll know what she has planned! But you're not gonna believe it.

Nico: Try me.

Me: Nico please. Go ahead King Kai. What's the problem?

King Kai: Well it's not good! You thought Clarissa bringing back the Bohrok Kal to help her was bad, she had infected some heartless with the Virus that ravaged the world of Highschool of the Dead.

WE GASPED IN UTTER SHOCK!

Nico: OKAY THAT IS WORSE!

Sora: Beings of Darkness infused with a zombie virus?! That's very bad!

Me: That is horrible!

King Kai: Yes and she is going to unleash them on the city in 3 hours.

Me: Oh man! I got to warn everyone and tell them to stay inside!

I went to do that.

In the broadcasting room I was telling everyone.

Me: ATTENTION ALL CITIZENS OF GOTHAM ROYAL YORK! This is a Code ΘΩ Level emergency message from J.D. Knudson of Team Loud Phoenix Storm! Clarissa the evil sorceress of the Goosebumps Book Be Careful What You Wish For is back and she is coming to unleash a bunch of Heartless infused with the Zombie Virus that ravaged and decimated the world of our friends Rei Miyamoto and her friends from there. This is a dangerous situation. You all need to get inside and stay in your homes. Stay off the streets and remain there till this crisis is averted. Repeat, Get inside your homes immediately.

The people then screamed and ran inside their homes and locked everything up.

I came back.

Trunks: King Kai, I'm one of the people going to shine here. Please watch over me through all this!

King Kai: You got it Trunks. I'm always watching.

Me: Everyone is in their homes.

The previous group came.

Ssserpent: Can me, Duskmon, Scorcher, Gizmo, Bane, Shade, Dark

Laser, Demyx, Roman Goodwin, and Roquefort go with you guys?

Nico: Yes you all can come with.

Me: We're going to need all the help we can get for this one. I have the city put on lockdown for safety to avoid having people get hurt or infected.

Duskmon: We heard the message.

Nico: Good.

Duskmon: I can't believe that Clarissa is back.

Lola: I know. We faced her back in 2019.

Twilight Sparkle: What happened?

Me: Well it was like this.

I went over what happened in chapter 789 and it was awesome.

When I was done everyone was amazed.

Nico: Yep. We didn't banish her to the Black Gates though.

Me: But this time we will.

Yondu: Nico, which Gene Slammer do you think you'll meet next?

Nico: Blizzard Man next.

Qin: Cool. Cold one.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure

is none other than The Fool, the next member of the Vampire King's court in the Adventure Time miniseries "Stakes", and he's come back to get his revenge on Marceline, Finn, and Jake. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Finn, Jake, Marceline, you three and the rest of our friends from Ooo aren't going to like it one bit: the figure and dark energy we sensed belongs to The Fool.

Marceline: The next member of The Vampire King's Court, I should've known. But, he's actually weak compared to the others and he's a mischief maker, in fact, his only power is levitation.

Goldie Terrance: Pfft, so he's just a little pipsqueak who likes causing trouble, huh? Well, we'll see about that, I've got a parking meter with his name on it!

Nico: Nah, too easy, a stake to the heart is much more painful. Alright, gang, let's go, we're off to help Samantha Byrd with whatever Clarissa's done, and then, we get after that witch and make her pay.

Lincoln: Clarissa's mayhem ends here and now, and once we get done with that witch, you're next, you little mischief making vampire.

Goldie Terrance: Slappy went way too far bringing you and the other vampires back to cause havoc, and now, you're going to be the first one to die at our hand, Sister Moon.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Samantha Byrd with whatever Clarissa's done, and then, we get after that witch and make her pay, and once we got done with that witch, Goldie Terrance and Lincoln are going to destroy The Fool, the next of the vampires in The Vampire King's court.

We went down to the city to find Samantha.

---

When we got to the city we saw that it was quiet and like a ghost town. Everyone was inside their homes for safety.

Me: Boy never saw the city this quiet before.

Nico: I know.

Laney: It's as quiet as a graveyard.

Lola: Yeah.

Nico: We haven't seen the city this quiet since the time Rotwood and his gang spiked Lynn's Table's food with botulism.

Qin: Yeah.

Rotwood: Looking back I completely regret that.

Laney: Yeah.

Poromon: Let me try something.

Poromon got out a neon sign that said "SAMANTHA BYRD! WHERE ARE YOU?"

Duskmon: A neon sign.

Tobias: (laughs) Me and him discussed that was a good idea!

Me: That is funny. Better than last time when you yelled for her.

Camie: Yeah.

Poromon: Yeah we went for the neon sign approach.

?: Psst!

We heard something.

We saw a figure.

Figure: Guys! Over here!

We saw Samantha Byrd.

Me: There you are.

Samantha Byrd: Thank goodness you found me.

Me: We're glad you're okay. I take it you heard about Clarissa.

Samantha Byrd: Yeah I sure did.

Retrax: Did you see Poromon's sign?

Poromon: I made it before we left.

Samantha Byrd: I sure did. That was awesome.

Me: I have the city in Lockdown.

Samantha Byrd: I know. I got your message and came to help you all out.

Xenia: Good.

Samantha Byrd: At least we're not in Liberia.

Nico: No kidding.

Brittney: We got to be ready for anything.

Samantha Byrd: I know you told everyone to stay inside. But I couldn't just do nothing. This is my problem too!

Gizmo: We know. That barfbrain fucked with you first.

Me: Yeah. And I knew you were going to help either way.

Nico: Yeah.

Samantha Byrd: My mother is going to kill me when I get home but it'll be worth the risk.

Me: Yeah. But we'll tell her everything.

Camie: Rest assured she will understand.

Nico was thinking about something.

Leanbow: Something on your mind, Nico?

Nico: I've been wondering who was the first to be infected with the virus.

Takashi: Now that I think about it, me and my friends never did learn about who patient zero was. All we know is that we saw it first happen when that man approached the gate.

Me: That question has been on my mind too. That virus had to have originated from somewhere. Viruses usually don't appear out of the blue. They have to start from somewhere. There has to be a point of origin.

Nico: That's right.

Shade: You're right about that.

Deadpool: Well, we'll never know. You know why? Because the creator, Daisuke Satō, passed away from heart disease!

Me: (GASP) Oh no!

Qin: That's terrible!

Jamesdean5842: He's right. He died back in 2017 of Heart Disease at age 52.

Nico: That sucks!

Deadpool: It sure does!

Nico: But we'll have to find out ourselves about the virus.

Me: That's a big mystery. It might have been a lab rat that was infected with it and then it escaped from the lab and then infected that man.

Nico: Hmm.

Sea Clamp: It probably bit other rats to spread the disease. But how did it spread across the world then?

Me: Hmm. I'm no Biological Warfare Expert but it's possible that it spread through the birds too.

Nico: That might be. A rat bit a bird.

Demyx: Should we plan to find the first rat in the future?

Twilight: That could be on the to do list.

Me: Good idea. But trying to find a rat like that is gonna be like trying to find a needle in a haystack.

Nico: Yeah in a world like that it could anywhere.

Me: Well if it came from Tokyo then that's where we got to look.

Nico: Yep. Right now lets find Clarissa and end this with her.

Xenia: Yeah.

Ace: Has it been 3 hours yet?

I looked at my watch.

Me: Yes it has.

Nico: Uh oh!

Then out came A Soldier Heartless and it was dripping green slime and I slashed it and destroyed it.

Nico: That's it?

Me: No there's bound to be more.

Lincoln: Get ready!

Roquefort: Cheese Ninjas assemble!

He summoned a bunch of cheese ninjas!

Then a massive army of infected Heartless appeared!

Nico: ATTACK!

WE FIRED WAVES OF ENERGY AND BLEW THE INFECTED HEARTLESS APART AND DESTROYED THEM!

Agony: Can someone use a rainbow crystal?!

Rarity: I got one!

She formed a rainbow crystal and blasted them with light and blew them apart!

Xenia: That did it!

Camie: YEAH!

We fired numerous beams of light and blew them apart!

We destroyed the Infected Heartless.

Roman Goodwin: Wait. Is that an Infected Darkside?!

Trunks: Figures there would be a large Infected!

Me: Uh oh.

Trunks: I got this! (DID RAPID MOVES AND A SIGN) BURNING ATTACK!

He fired an energy blast and it hit the Infected Darkside and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It destroyed it in an instant!

Xenia: Nice shot!

Nuova Shenron: Nice job!

Qin: YEAH!

Trunks: Thanks.

Me: Not done yet.

Eli: I sense that we're rid of the Infected Heartless.

Nico: Yep. Now for Clarissa.

Dark Laser: Flipsy, go sniff for her.

Flipsy barked and flipped.

Nico: That won't be necessary.

Eli: I sense her up ahead at 87 klicks to the southeast.

Nico: All right then.

Eye Five: Why did you want Flipsy to sniff her?

Sunny Starscout: Because dogs are good at sniffing people out?

Dark Laser: That's right.

Me: That's a good reason.

Nico: Yep. Lets go! Entrance time!

We went to face Clarissa.

Clarissa was in a field fuming mad and she was enraged. Then the spirits of crystals appeared and swirled around her and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and then we landed.

Me: Long time no see Clarissa.

Taranee: Got a lot of nerve mixing Heartless with zombies!

Bane: (Spanish Accent) Especially THOSE kinds of zombies!

Clarissa: YOU HAVE ANY IDEA THE KIND OF HELL I WENT THROUGH!? You made a fool out of me!

Me: You brought all that on yourself you bitch!

I fired a wave of energy and it hit her and exploded! BLASTING A HOLE IN HER CHEST THAT REVEALED HER BLACK HEART!

Snarler: More where that came from!

Me: Yeah!

Qin fired waves of fire and blasted Clarissa all over.

Scorcher: Let's turn up the heat!

Matau: With a touch of wind!

They fired a powerful firestorm and blasted her down.

Xenia: Yeah!

Nico: Take that!

Samantha Byrd: You ruined everything for me Clarissa! And I'm going to return the favor!

Twilight Sparkle fired a beam of magic and blasted her.

Trunks: BUSTER CANNON!

He fired a powerful energy blast and blasted Clarissa in a powerful explosion!

Sunny Starscout fired a massive wave of energy and blasted her.

Taranee fired a blast of fire and burned her and Matau fired a wave of wind and blasted her!

Takashi: Heartless is one thing. But the virus from our world?! That's too far!

Saya Takagi: I agree!

They fired waves of energy and blasted her.

Rei Miyamoto: Do you even know the kind of hell we went through because of that virus and those zombies!?

Saeko: It was a nightmare!

They fired more energy blasts and blasted her all over!

Nico: And Shido is responsible for making it and letting it spread like a plague!

Clarissa: It was so interesting I had to try it out myself!

Me: Well you don't understand the horrors that were unleashed by it. COUNTLESS people died because of it!

Takashi: And now, you'll pay for trying to make history repeat itself!

Me: Times INFINITY!

I fired waves of lightning and electrocuted her.

Then Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Red X, Unicorn, and Kite Man came.

Nico: Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Red X, Unicorn, and Kite Man.

Robo Blaze: I had some Tronics keep the other Heartless zombies distracted.

Whiger: And several Rinshi too.

Griffin: It was a smart choice.

Me: Good idea.

Beetle: (To Nico) We heard you fought Gary's bullies.

Nico: Yep.

Whiplash: Did you give them a beating?

Me: Oh we sure did! And it was awesome!

Lola: Yep.

Somnibot came.

Me: Somnibot. Back for another round?

Somnibot: Yep I sure am.

Me: Cool cool.

Somnibot: Zombie Heartless? What's next? Zombie Grimm?

Ruby Rose: Fuck no!

Me: That would be a fucking goddamn nightmare!

Qin: Yeah!

Xenia: No kidding!

Lord Drakkon: What's that?

Me: How did this virus originate and was allowed to spread like the plague? There has to be patient zero somewhere. You know like a carrier. A creature, host or anything that has the virus that might have the antidote.

Lord Drakkon: Hmm. That is a good question.

Me: Hmm. It might have been a lab rat that escaped from the lab it was in and it infected a person and then the rest is history.

Riley Anderson: That is a VERY STRONG possibility. If we find that lab rat we might make the antidote.

Me: It's a longshot but it will work. But finding that rat is not going to be easy.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, you little mischief maker, or we will force you out.

A figure came out, and it was none other than The Fool, one of the five vampires in The Vampire King's Court.

Marceline: Should've known you'd come back as well.

The Fool: You ain't staking me this time, and now, I'm gonna get you back for what you did to me long ago.

Goldie Terrance: Fat chance, you're getting a stake driven into your heart and you'll be turned to ashes.

Suddenly, Goldie Terrance's golden yellow eyes turned neon golden yellow, and she was surrounded by a golden yellow energy aura with stars, light, gold, suns, phoenixes, and angels, she unholstered her massive Golden Homunculus-themed greatsword from her back, and as she approached The Moon, she left golden yellow energy, stars, light, gold, suns, phoenixes, and angels with every step.

Goldie Terrance: You really make me sick to my stomach, you little mischief maker, all you are is a bloodthirsty vampire who's wrought terror and mayhem through The Kingdom of Ooo for more than nine hundred years, I thought the land was rid of you, but to find out Slappy brought you back, now that puppet's gone too far, we'll deal with him soon, but you, you will be dealt with here and now.

Suddenly, Goldie Terrance was surrounded by a massive vortex of golden yellow energy with stars, light, gold, and suns, there are phoenixes, angels, and Golden Homunculus flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at The Fool: the red eyes of death. Then, as the vortex faded, Goldie Terrance emerged, but she was changed forever.

Goldie Terrance grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large golden yellow orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long golden yellow hair and gold yellow hairband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon golden yellow eyes and a golden yellow energy aura with stars, light, gold, suns, phoenixes, and angels surrounding her, she has Golden Homunculus with the alchemical symbol of gold emblazoned on her forehead and Third Eye with golden yellow iris, she has on phoenix earrings with gold gems for eyes and holding the Star, Light, Gold, and Eternity Kanjis in its claws, she also has Golden Homunculus with gold gems for eyes and holding the Star, Light, Gold, and Eternity Kanjis in its hands for the second pendant on the bottom of her golden yellow sun-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with golden yellow crystal links from her merged Crystal Necklace of the Buddha and golden yellow gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Goldie Terrance felt a sharp pain on her back, and then, her massive golden yellow angel wings with yellow tips on the large golden yellow feathers grew much bigger for her new body and she also now has eleven massive and long golden yellow wolf tails with yellow tips and yellow markings, Goldie Terrance has on her Ring of the Phoenix with large golden yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Goldie Terrance's massive Golden Homunculus-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and purple energy, stars, light, gold, suns, phoenixes, and angels, and when it emerged, it was transformed into Goldie Terrance's Eternal Alchemical Alchemy Beast Light Golden Homunculus Alchemy Angel Light Phoenix Angel Greatsword of Eternal Alchemical Alchemy Beast Light Golden Homunculus Alchemy Angel Light Phoenix Angel Justice, it's a brand-new massive greatsword with embedded golden yellow gems and Golden Homunculus etched on the 7'6" massive, wide, double-edged golden yellow blade, large golden yellow phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large golden yellow gems embedded in their foreheads, longer midnight black handle, four large golden yellow phoenix heads with golden yellow gems for eyes and on the bottom of the large golden yellow phoenix heads is a large golden yellow phoenix head with golden yellow gems for eyes and golden yellow gem in its mouth for the pommel, Goldie Terrance has on her large gold Bracers of The Champions of The Universe with golden yellow gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Golden Homunculus' head with golden yellow gems for eyes and large golden yellow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and

Suddenly, Goldie Terrance's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Goldie Terrance has transformed into SUPER ANGEL-GOLDEN HOMUNCULUS-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ALCHEMICAL SOLAR LIGHT GOLDEN HOMUNCULUS PHOENIX ANGEL OF DIVINE COSMIC ALCHEMICAL SOLAR LIGHT GOLDEN HOMUNCULUS PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ALCHEMICAL SOLAR LIGHT GOLDEN HOMUNCULUS PHOENIX ANGEL LOVE!

We were really amazed by Goldie Terrance's Super Angel-Golden Homunculus-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Fool saw it, he flew at her to kill her, but Goldie Terrance fired a massive barrage of golden yellow energy, stars, light, gold, suns, phoenixes, and angels, which hit The Fool and exploded and he was knocked down, he got back up, but he also got burned.

Natalie Cherikova: WHOA!

Rosa Laurence: That's amazing, now Goldie Terrance has become the last of The Seven Alchemy Beasts Gene-Slammers to transform.

Lincoln: That's right, Goldie Terrance has transformed into her Super Angel-Golden Homunculus-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we deal with the second of The Vampire King's Court.

Goldie Terrance: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Light Alchemical Light Golden Homunculus Phoenix Angel and Divine Cosmic Eternal Light Alchemical Light Golden Homunculus Phoenix Angel Love) He will pay for everything that he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super

Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Goldie Terrance.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, you little mischief maker, now you're about to suffer the same fate as The Moon.

Goldie Terrance and Lincoln went after The Fool, and they fired extremely powerful blasts of rainbow energy, golden yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Fool and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Goldie Terrance also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving The Fool even more madder with rage.

The Fool: (DEMONIC VOICE) YOU! YOU! I WILL KILL YOU ALL!

The Fool charged right at them with uncontrollable fiery rage and wrath in his black heart, but Goldie Terrance fired a powerful energy blast at them which hit him hard and he got knocked down, and then, Lincoln got out a stake and stabbed him in his heart as he exploded into white dust, and then, Lincoln opened his mouth and devoured his soul gaining his levitation. Then, an energy card with The Fool's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Goldie Terrance and Lincoln did as they holstered their massive greatswords and powered down and Goldie Terrance's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive golden yellow angel wings are permanent.

Goldie Terrance: This is for all the lives of all those who fell victim to you and the other vampires nine centuries ago. Thanks for helping me destroy The Fool for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Goldie.

Suddenly, Goldie Terrance wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Goldie Terrance's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Golden Homunculus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light behind them and we cheered wildly. Then, Lincoln and Goldie Terrance sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and we took down the second of The Vampire King's Court: The Fool.

Marceline: And you also devoured his soul and gained his levitation. Which means the next of the vampires is The Hierophant, watch yourselves though, he can shapeshift into animals and turn his fingers into deadly blades.

Me: They sure will. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person we're meeting tomorrow: Gaia Blaize, Queen of The Earth Fairies.

Aprina Arabella: That's perfect, and you guys will love meeting her, Gaia Blaize is Lincoln's Guardian Angel and the Queen of The Earth Fairies of The Grotto of Nature, an enchanted fairy village populated by The Earth Fairies. Gaia Blaize is a human sized fairy and she's a powerful and skilled fighter with incredible control over water and possess many incredible powers over earth, nature, and magic. Lincoln met Gaia when he discovered a portal that led to The Grotto of Nature in the secret garden he and his Guardian Angels know about, and he saved Gaia from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Gaia was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: Whoa, first Fire, then, Water, and now, Earth.

Lincoln: Yep. I wonder how Slappy and his cohorts are doing, now that Sebastian put the curse that amplified the poisonous darkness his Universe 666 counterpart inflicted them with.

Drakkon: Wishing her to get the Black Gates, huh?

Samantha Byrd: It was only fitting she would cause her own end.

Vulture: By you wishing it.

Me: Very clever.

Red X: Her need to grant wishes was her downfall.

Qin: Yep.

Unicorn: And now, there are no more Heartless zombies.

Me: Her magic was undone.

Kite Man: Think we should tell everyone the good news?

Me: Good idea.

I gave the all clear and everyone was allowed to come back out.

Nico: Awesome. Great job today everyone.

Twilight Sparkle: (To the viewers) This was awesome and fun.

Me: It sure was.

We went back home, and back at Slappy's house, Lincoln was right: Slappy and his cohorts were now suffering a really bad curse that Sebastian put on them: a lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them with and they had purple glowing veins and it was a sign of the curse and the poisonous darkness of his evil Universe 666 counterpart, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Bob Roth: OH MAN! I'M ITCHING BAD!

Slappy: We might be in a bit of pickle right now! But the crusade's still continuing!

Ahmed: Indeed it won't. (smirks) I have a very unpleasant surprise for young Gabe.

UH OH!

# GOOSEBUMPS HORROR PART 18

## THE CURSE OF THE MUMMY'S TOMB

---

In the sewers of Tokyo in the world of High School of The Dead was me, Eli, Lisa Loud and Zipp Storm and we were dressed in HAZMAT SUITS.

Eli: This is so disgusting.

Me: Yeah no kidding. But at least these HAZMAT suits are protecting us.

Lisa Loud: Indeed.

I had my biological pathogen analysis infrared vision on.

Me: So far all the rats in here have the Bubonic Plague on them. Some of them even have the Hantavirus.

Lisa Loud: That is correct.

We looked around more.

Me: Wait!

I saw a rat that had a different virus and it was a rat that carried the virus that caused the zombie outbreak!

Me: There it is! That rat there!

Lisa Loud: I see it!

Zipp Storm: That white mouse there with the ugly purple spots?

Me: Yep!

Eli: That's it! I sense it!

Zipp Storm: I got it!

ZOOM!

She ran and opened a cage and caught it.

Zipp Storm: There's our carrier.

Me: Whoa! Ugly little guy. This was easier than we thought.

Eli: Yeah.

Me: Lets get this little guy to the lab before Nico finds out and he kills me.

We went back home.

Back at home we came in and Nico had a VERY STERN LOOK on his face.

Me: Uh oh.

Nico: Where were you guys!?

Me: We went out.

Nico: What did I tell you about doing stuff behind my back!?

Me: It was for a good reason.

I showed the cage with the rat in it.

Nico: (GASP) You guys found Patient Zero?

Me: Yep. He was a white lab mouse with ugly purple spots on him.

Nico: Geez! And he was hiding in the sewers?

Me: Hence why we had HAZMAT suits on.

Nico: Well lets get this little guy to the lab. I was disappointed but not anymore. Well done guys.

We went to the lab and got it there.

Karolina: I'm still in school. I have to live 2 lives. My normal every day life in school and a superheroes life. It's hard work.

Me: We know the feeling ourselves Karolina. When we started out we had to finish school and do every day stuff as well.

Lola: Yeah it's not easy. Most of us are still in school.

Lucy Loud: It's true.

Laney: But it's both fun and cool.

Karolina Dean: I know how that feels.

Nico: Even the mascots go to school.

Miku Yuuki: Did you really!?

Me: We sure did.

Eli: Little white lab rat with purple spots on it and it was really patient zero.

Lisa Loud: We captured it and put the little research subject in a special containment vessel in our lab.

Saya Takagi: And you couldn't have waited to bring at least me and my friends along?! It came from OUR world, after all!

Me: Nico, a little help?

Nico: Oh no. You got yourself into this. So you get yourself out.

Me: Okay okay. But girls I didn't want you to go back to that world because of everything you went through.

Miku Yuuki: I appreciate you looking out for us J.D.

Me: You're welcome Miku. I'm sorry guys but I just had a lot brewing in my mind and I wanted to help get patient zero to the lab ASAP regardless.

Nico: He does have a point.

Eli: Yeah.

Me: Also Deadpool did raise a good point. The Cause of the virus was never fully determined so my hunch had to have been a patient zero somewhere.

Qin: Yeah.

Nico: You're right. But either way at least we have patient zero.

Me: Now we can figure out what that virus was originally intended for and see if it was to be used as either a weapon or a cure.

Nico: Yeah.

Laney: That is gonna be interesting.

Nico: Twilight Sparkle, Lincoln Loud, Trunks, Sunny Starscout, Taranee, and Matau did a good job anyway

Twilight Sparkle: We sure did and that was so fun.

Trunks: It sure was awesome.

Sunny Starscout: That was a fun and awesome adventure.

Taranee: It was fun.

We arrived at the school.

Nico: Everything's quiet so far.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a clone of Tantrum is here, and he's causing havoc.

We gasped.

Maria: Oh no. This isn't good, then, this means Edzilla's about to go after him and it's going to lead to another fierce battle.

Nico: This isn't good.

Me: And there's no doubt Slappy was behind this.

Maria: That goddamn piece of termite food. But, either way, we got to help Edzilla deal with that clone of Tantrum at once.

Lincoln: Right. (Sensed for Tantrum Clone) AHA! Gotcha! I just spotted the Tantrum Clone, he's 20 yards away and he's already getting into a fight with Edzilla. We better get there immediately before they trash the city even more.

Nico: Right. We can't let this go on any further.

Lincoln: Then, we'll fix the damage that was done by them. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out to help Edzilla deal with the Tantrum Clone.

We arrived to see that those two have caused mondo damage in their brawl.

Me: Oh damn, look at this place.

Nico: It's like a disaster zone. Damn that Slappy.

Me: That fucking toothpick! I can't wait to throw him into a woodchipper!

Lincoln: Now, he's just getting desperate, ever since Universe 666 Sebastian melted all of his plans and attacked them in that brutal double-cross, he has to work with what he's got. Too bad those sorts of plans are about to end here and now.

Then we heard smashing and we saw Edzilla and the Tantrum Clone were really going at it. Suddenly, massive waves of energy and heavy dumbbells appeared from nowhere and they hit the Tantrum Clone and sent him flying into a brick wall that appeared out of nowhere Then, the energy waves converged and a massive tornado of colorful energy exploded out as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Edzilla threw a car at Tantrum!

SMASH!

He smashed Tantrum!

Nico: Got you right where we want you, Tantrum!

Lincoln: Even though you're just a clone of the real one, you're still as dangerous as ever.

The Tantrum clone roared and charged at Lincoln and raised his left fist to punch him, but Lincoln held out his left hand and grabbed Tantrum's left fist in his palm and he squeezed his hand and really crushed Tantrum's hand, and then, he lifted him up into the air and tossed Tantrum into another wall Lincoln summoned.

My jaw and Nico's jaw dropped to the floor!

CLANG!

Eli closed our jaws.

Me: WHAT THE?! NICO, DID YOU JUST SEE?!

Nico: I did, Lincoln literally crushed that clone's hand in his left hand, then he lifted him up into the air and tossed him into another brick wall. Not even the biggest, strongest, and meanest brutes and thugs would want to mess with him.

Aurora Haiku: And now, we must end this rampaging beast.

I then transformed and teleported and punched Tantrum in the face and smashed him into the street!

Edzilla: ED SMASH PURPLE MAN! (Throws oil truck at him)

It hit him and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted and burned in a massive and powerful fiery explosion!

Xenia: WHOA!

Eddy: Nice move Lumpy!

Edzilla threw him through several buildings.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Edzilla teleported and smashed him into the street and I kicked Tantrum and smashed him on his stomach and smashed him all over!

I kicked him in the face and he belched up a massive amount of blood.

Tantrum and Edzilla ran at each other and punched each other repeatedly

SMASH WHAM BLAM SMASH WHOMP BLAM BAM KROW CRASH WHOMP SMASH!

IT WAS REALLY BRUTAL!

SMASH WHAM KROW!

Nico: YEAH!

Tantrum roared and Edzilla bit him on his arm and ripped it clear off!

RIP!

TANTRUM ROARED IN PAIN!

Tantrum then tackled Edzilla into a lake

SPLASH!

Nico: WHOA!

Qin: GEEZ!

They exploded out and came back and I teleported and smashed him into the ground.

Tantrum then threw Edzilla into a highway!

Edzilla flew back and smashed him down!

Qin fired balls of fire and blasted Tantrum!

Nico: YEAH!

Tommy Oliver: It's Morphin Time!

THUNDERCLAP!

Tommy Oliver: TIGERZORD!

He turned into the White Tiger Ranger!

He punched Tantrum!

SMASH!

Tommy: Say hello to Saba!

He went and slashed Tantrum all over!

Xenia: And this!

She fired arrows and blasted him all over.

Laney fired poisonous barbs and skewered Tantrum all over.

Tommy: Time for Zeo power!

He turned into the Red Zeo Ranger!

Nico: Oh yeah!

Tommy fired energy blasts and blasted Tantrum all over.

Edzilla tail whipped him!

SMASH!

He smashed him down.

Eli: Take this!

He fired waves of Force Lightning and blasted him all over!

Edzilla threw an ice cream truck.

KRASMASH!

That ice cream truck was the Jolly Olly Man's truck!

Qin: HA!

Tantrum was getting madder and madder by the second!

Suddenly, Aurora Haiku's eyes turned neon purple and she was surrounded by an aurora energy aura with stars, aurora, aurora lights, phoenixes, and angels, and as she approached the Tantrum Clone, she left aurora energy, stars, aurora, aurora lights, phoenixes, and angels with every step.

Aurora Haiku: There are indeed no words to describe you. You are nothing more than a rampaging construct of Tantrum created by Slappy, and for what he's done, his punishment will be severe, but you, there is only one punishment meant for you: death.

Suddenly, Aurora Haiku was surrounded by a massive vortex of aurora energy with stars, aurora, and aurora lights surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a black phoenix with red eyes glaring at the Tantrum Clone: the red eyes of death. AURORA BOREALIS AURORA PHOENIX ANGEL LOVE!

We were amazed by Aurora Haiku's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the Tantrum Clone saw it, he roared with rage and ran at her to smash her, but Aurora Haiku fired a massive barrage of aurora energy, stars, aurora, aurora lights, phoenixes, and angels and they exploded with incredible power as they hit him, he got back up, but he was even angrier than ever, and we saw him get even taller and bigger and even stronger.

Aurora Haiku: (Divine Echoing Godly Voice of The L-Emental True Eternal Aurora Star Aurora Borealis Phoenix Angel and Divine Cosmic L-Emental True Eternal Aurora Star Aurora Borealis Phoenix Angel Love) So, Slappy gave him the power to get taller, bigger, and stronger the angrier he gets.

Lincoln: That dirty puppet. But, this'll make things much easier for me to absorb him. If we can get him angry enough, he'll be blinded by so much anger, he won't see me coming.

Lala: So, we just need to keep getting him angrier and angrier until he's so blinded with rage, he'll be unable to attack us.

Suddenly, Lala's yellow eyes turned neon yellow and she was surrounded by a dark blue energy aura with stars, darkness, shadows, skulls, demons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached the Tantrum Clone, she left dark blue energy, stars, darkness, shadows, skulls, demons, phoenixes, and angels with every step.

Lala: Every single word that Aurora Haiku said is true, you're nothing more than a rampaging beast with a penchant and desire for destruction. Now, you've got yourself in deep shit now, we're taking you down and we're so going to enjoy pissing Slappy off even more.

Suddenly, Lala was surrounded by a massive vortex of dark blue energy with stars, darkness, and shadows surrounding the vortex, there are skulls, demons, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the Tantrum Clone: the red eyes of death. Then, as the vortex faded, Lala emerged, but she was changed forever.

Lala grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large dark blue orbs orbiting around her legs, she has the voluptuous body of a goddess, she has blue highlights in the bangs of her long white hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon yellow eyes and a dark blue energy aura with dark blue energy aura with stars, darkness, shadows, skulls, demons, phoenixes, and angels surrounding her and immense neon rainbow protective aura with planets swirling around it, she has a phoenix and the Dullahan emblazoned on her forehead and Third Eye with yellow iris, she has on ghoul earrings with dark blue gems for eyes and holding the Death, Dark, and Eternity Kanjis in its hands, she also has a Dullahan with dark blue gems for eyes and holding the Death, Dark, and Eternity Kanjis on the bottom of her purple Dullahan-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold crescent moon links and she has on a white and gold accented choker on her neck. Lala has on her white thigh-length dress with black long coat and worn over the dress and the coat is a black-lacquered western-style armored corset with matching bicep-length armored gloves and thigh-high armored heeled boots and wrapped around her neck was her long black scarf, and long sleeveless white trenchcoat with stars, darkness, shadows, skulls, demons, phoenixes, and angels on the coattails, and on the back is a phoenix and Dullahan surrounded by water. Suddenly, Lala felt a sharp pain on her back, and then, massive white angel wings with dark blue tips on the large white feathers grew and sprouted out of her back and she now has eleven massive and long white wolf tails with dark blue tips and dark blue markings. Lala has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lala's scythe, massive greatsword, and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of dark blue energy, stars, darkness, shadows, skulls, demons, phoenixes, and angels, and when it emerged, it transformed into Lala the Dullahan's Darkness Demonic Dullahan Angel Scythe of Darkness Demonic Dullahan Angel Justice, it's a brand-new massive scythe with embedded purple gems and a Dullahan and phoenix etched on the 7'6" massive, wide, black curved sickle-shaped blade, large black skull on the end of the sickle-shaped blade, large white angel faces built into both sides of the scythe and large dark blue gems embedded in the foreheads on one end of the longer midnight black handle and on the other end are four large dark blue skulls with dark blue gems for eyes and large dark blue skull with dark blue gems for eyes and large dark blue gem in its mouth on the bottom of the dark blue skulls for the pommel, she has on her large gold Bracers of The Champions of The Universe with dark blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold skull with dark blue gems for eyes and large dark blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Lala's Super Angel-Irish Dullahan-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Lala, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Tantrum Clone saw it, he fell into an even more darker rage and ran at her to kill her, but Lala fired a massive barrage of dark blue energy, stars, darkness, shadows, skulls, demons, phoenixes, and angels which hit the Tantrum Clone and exploded with incredible power, he got back up, but now, he was beyond pissed off and he grew even larger, bigger, and stronger.

Lala: (Divine Echoing Godly Voice of The Demonic Darkness Shadow Voluptuous Irish Dullahan Angel and Divine Cosmic Demonic Darkness Shadow Voluptuous Irish Dullahan Angel Love) Now, it's high time we put you down once and for all.

Nico: And we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Aurora Haiku and Lala and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done going on your rampage, Tantrum, now we're ending your life for good, you despicable construct of Slappy.

Maria: Even though you're just a clone, I've always wanted to say this, you've been a huge problem for everyone in Dakota City, Tantrum! You've caused enough damage for the last time, you rampaging beast!

Lincoln, Aurora Haiku, Lala, and I went after the Tantrum Clone, and we fired extremely powerful blasts of rainbow energy, aurora energy, dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Tantrum Clone and they exploded with incredible power as they hit him.

Then, we attacked him with our massive greatswords and scythe leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and I left many more with my claws, and he, Aurora Haiku, Lala, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Tantrum Clone insane and straight to the brink of insanity, and we saw him grow to the size of a massive giant, and he grew even more muscular and even stronger than ever.

The Tantrum clone was about to run at us, but because of the size of his muscles, it only slowed him down, and that was the signal.

Nico: NOW, LINCOLN!

Lincoln teleported behind the Tantrum Clone and he used his eleven massive and long white tails to trip him and he fell to the ground back first. Then, Lincoln landed on the behemoth Tantrum clone's chest, and he fired vacuum tubes from his chest which latched onto his chest, and then, the vacuum tubes literally began sucking the Tantrum clone dry of all his extremely massive muscle mass, virility, blood, and extremely massive physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged out even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his eleven massive and long white wolf tails and he was growing even stronger.

And we were also seeing the Tantrum Clone shrinking in both size and muscle as well as having all of its extremely massive muscle mass, virility, blood, and extremely massive physical strength sucked out of him. When Lincoln was done, the vacuum tubes detached themselves from the chest of the Tantrum Clone and went back into Lincoln, and the Tantrum Clone was dead from blood loss and also the muscle loss made him look as thin as a rake and Lincoln let out a huge roar of dominance. Then, he grabbed the now dead Tantrum Clone and set him on fire, and he banished him to The Black Gates forever. Everyone cheered as Lincoln, Aurora Haiku, Lala, and I holstered our massive greatswords on our backs and powered down, and Aurora Haiku's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive black angel wings are permanent, and Lala's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long white wolf tails, and massive white angel wings are permanent.

Nico: That's another of Slappy's attempts put down for good, and Lincoln, your plan worked.

Me: Yeah, he had no chance when we made him that angry and we avoided his attacks.

Lincoln: He should've known better than to sic a clone of Tantrum at us, we fought him before and we won.

Girl Jordan: Exactly. Plus, you've also gotten even more bigger in muscle mass when you drained that Tantrum Clone, Linky, and you've also gotten even more stronger.

Lincoln: Yeah, I sure have. (Smirks) In fact.

Lincoln snapped his fingers and summoned Flip who was chained up and hanging like a punching bag and Lincoln began punching him super hard with his really excessive brute superhuman strength and Flip was screaming in agony as tons of gold, jewels, gems, and other currencies exploded out of him like a waterfall.

Me: WHOA!

Nico: OH, SHIT! MAN, THAT'S JUST BRUTAL!

Lily: This is only a prelude to what'll happen to him in December.

Luna: Big time.

Then, when Lincoln was done, Lincoln's hands were covered in Flip's blood and Flip was really really really mangled with black eyes, his big nose was broken, his arms and legs were broken, and Lincoln also destroyed Flip's skeletal system, and he had reduced that mutant into a boneless blob.

Nico: HOLY SHIT!

Me: Man, now that was brutal.

Lincoln snapped his fingers and sent Flip back to his prison cell at Lynn's Table and chained back to the wall of his cell, and he was ranting and screaming in rage at us.

Eli: HAH! SERVES YOU RIGHT, MUTANT!

Then, Lincoln made two balls of water that covered his hands and washed that mutant's blood off.

Edzilla: ED IS STRONGEST THERE IS! (Roars to the sky in victory)

Nico: YEAH!

Qin: OH YEAH!

Lola: YEAH!

Me: (GODZILLA ROAR 2014)

Nico: YEAH!

Ed returned to normal.

Eddy: Ed, look around and tell me what you see?

Ed: (GASP) Everything trashed!

I snapped my fingers and fixed everything.

Eddy: YOU BLITHERING IDIOT!

He jumped Ed and bashed and pulverized Ed all over!

Me: Pardon me you two but I must discipline the nannygoats!

I grabbed them and bashed their heads together!

BLANG!

Eddy and Ed: OUCH!

Qin: Ouch.

Eddy: But I'm still proud of you though

Ed: Aw thanks Eddy.

Maria: Defeating Tantrum is no small feat.

Me: No he was like Hulk.

Qin: Yeah no kidding.

Lola: Yeah he was tough and brutal!

Xenia: Static had a really hard time with him before.

Nico: Yeah he sure did. Lets head to the school and make sure everyone is okay there.

We went and did so.

We got in and saw everyone fine and safe.

Me: Thank goodness.

May: You could've at least waited for us to get us to another planet

Ed: Sorry.

Qin: It's all right.

We went to the Gym and saw everyone was safe.

Nico: Thank goodness.

Me: Now we can fight the anothers here.

Nico: And said Anothers are?

Eli: Lets see. (CONCENTRATES) WHOA! We have Universe 666 Jared Nomak, Baron O Beef Dip, Universe 666 Zero Wolf, Hannibal Roy Bean, Violence Dopant, Heffalumps & Woozles, Evil Rainbow Man and Whiteout.

We gasped!

Me: WHOA!

Eli: This will be crazy!

Me: Yeah!

Nico: Who do we call?

Me: Diana Dynamite, Gallie Geonosis, Storm Crow Xiuhcoatl, Gia Guts, Varya Violence, and Wilma Acres.

Qin: Cool!

Lola: This will be fun.

Camie: Yep.

Maria called them in and in swirls of energy, explosions and elements they came.

Gallie Geonosis: Hey guys.

Gia Guts: We saw the whole battle! Man that was rough!

Me: It sure was.

Ed: Yeah it was!

Strange Voice: "Hey, you."

[Ed looks everywhere, eventually turning to a table.]

Ed: "Me?"

Strange Voice: "Yeah, you. Approach me, mortal, for I am the great Baron O'Beefdip."

It was from the Another Baron O'Beefdip!

[Ed cowers. We see that a walkie-talkie is taped to the back of a toy monster.]

Ed: [confused, approaching the table] "Baron O'Beefdip?"

Another Baron O'Beefdip: "Do not perplex me. Obey my commands!"

Ed: "Commands?"

Another Baron O'Beefdip: "Is there an echo in here? Quick, bend over!" [Ed does as commanded and hits his head on the table.] "Pull up your feet!" [Ed pulls his feet up, falls and lands on his butt.] "Now, eat your mattress."

Ed: "Yum!"

[Ed rushes over to eat it.]

Lincoln: GOOD LORD ED!

ED SHOVED THE WHOLE THING DOWN HIS THROAT

Ed: [finishing his mattress] "That hit the spot."

Me: ED WHAT THE FUCK IS WRONG WITH YOU!?

Nico: Okay, can you please tell us who you are?!

Eddy: (LAUGHS) WHAT AN IDIOT!

Ed: "I must obey my master, Baron O'Beefdip."

Another Baron O'Beefdip: "Don't let him touch me!" [Nico pulls his hand back.] "Obey me, mortal! Wolf down the nonbeliever!"

Eli: And the Anothers minus Whiteout are one person.

Me: Wow.

Then the Anothers came and we saw Another Universe 666 Jared Nomak, Universe 666 Zero Wolf, Hannibal Roy Bean, Violence Dopant, Heffalumps & Woozles and Evil Rainbow Man!

Me: WHOA!

Another Baron O Beef Dip: (In a girls voice) (LAUGHS) THAT WAS FUNNY!

Lincoln: Sena Scarif! I knew it!

They merged and she reverted back and was a girl with blue hair, green eyes, blue wings, blue and green clothes and she had a keyblade that was powerful.

Sena Scarif: Awesome to see you again Lincoln and that was funny.

Me: Awesome prank.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Sena Scarif, Keyblade Knight of Scarif, she's one of my Guardian Angels from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Scarif, and she has intense water powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the planet, Scarif, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith, and she's a close friend of Jyn. She came to Royal Woods long ago, and she really trained,e a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of water.

We were amazed!

Me: Wow! The Keyblade knight of the planet Scarif! That was where Jyn sent the plans for the Death Star for the Rebels to destroy it.

Nico: Yeah!

Luan: (LAUGHS) Hey that was a really funny prank there.

Sena Scarif: Thanks Luan.

Laney: (LAUGHS) That was funny though.

Sena Scarif: (LAUGHS) Yeah that was funny. I have a bit of a mischievous side to me.

Me: You sure do. By the way is the Another Whiteout friendly or hostile?

Sena Scarif: Friendly and she is one that is really out of sight.

Me: Wow.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Spring abundant holoél

She glowed and was separated from the Anothers!

Me: Lets get them!

We fired energy blasts and blasted some of the Anothers and then Diana jumped skewered ANOTHER UNIVERSE 666 JARED NOMAK WITH A SPEAR!

He screamed and she kicked him into the wall and smashed him into it.

He screamed and pulled the spear out!

Me: Jeez! THAT'S GONNA HURT!

Nico: YEAH!

Then Another Nomak roared and Diana roared and they went at each other and then they started punching and pulverizing each other at a ferocious and vicious rate!

POW! BLAM!

Diana punched him in his face and he punched at her and she dodged him and she kicked him in the stomach and he punched her and punched her in her face and she ducked under a punch and kicked him and punched him and kicked him and blood dripped all over and she kicked him into a wall! Nomak got up and dealt a deadly sucker punch and sent her flying and she crashed into a wall!

SMASH!

Me: OH MAN! THAT HAS TO LEAVE A MARK! BUT THIS ONE IS PUTTING UP ONE HELLUVA FIGHT!

Nico: This is usually the part where they all go down!

Me: But not this one! This guy haas more fight in him!

Another Universe 666 Nomak grabbed her in a hold and she elbowed him in his head and he smashed her down and then kicked her into a wall!

He then grabbed her!

Another Nomak: (Speaking in Slavic Language) It's not over yet.

He threw her and jumped and dealt her DEADLY PILE DRIVING MOVES! She belched up huge amounts of blood and he jumped and she got out of the way as he was about to smash her head it! Nomak then grabbed her and broke some of her bones and then she grabbed his eyes and punched him and flipped him down down and smashed his arm and then he got up and regrew his arm back and grabbed her and elbowed her face! She then ducked under him and kicked him! Then he grabbed her and smashed her RIGHT INTO THE WALL AND SENT HER FLYING AND SHE CRASHED ONTO THE GROUND!

She belched up a huge amount of blood!

Nico: Come on! Go for a headshot!

She rolled out of the way as he was about to jump on her. Then he went over to her and she saw her spear.

Another Nomak: If I can't have anymore vampires then I will have you!

She got picked up!

Then he looked at her. He opened his ugly reaper mouth and just as he was about to bite her she grabbed his mouth and closed it and headbutt him and then twisted him and then…

STAB!

She stabbed him in the side and skewered his weak spot!

He fell to the ground and Diana went over to us in a brutally mangled up!

Another Nomak went over to a wall and he was in a lot of pain!

Another Nomak: It's… Strange. It hurts. It hurts no more.

Then he stabbed himself and let out an excruciatingly earshattering scream from his mouth and then he bursted into blue flames and he was incinerated in seconds as a pile of ashes.

Nico: He is toast.

Eli: That is an understatement.

Me: HOLY FUCKING SHIT!

Xenia: That motherfucking sack of shit really did a number on Diana!

Nico: Geez!

I went over and got the Wonder Ride Book from his incinerated corpse.

Me: Holy shit that was brutal.

Varie looked over Diana.

Varie: She took a really nasty beating.

Me: Boy no shit!

Diana belched up a huge amount of blood.

Diana Dynamite: (Coughs) (Groans) What a fight!

Whiteout: Holy fucking shit! Everyone at M.O.E. HQ is not going to believe this.

Lola: Diana took one nasty beating.

Xenia: Blade really took one just as bad against that guy.

Me: I've had one worse against Trakeena. She beat me up really bad.

Sena Scarif: Boy that is one another that had a huge amount of fight in him.

Lola: Yeah.

Nico: And now, we wait.

Qin: First we got to get Diana to the infirmary.

Varie: I have the medivac on its way.

Diana Dynamite: Thanks guys.

Me: You did great Diana. You did really great.

Nico: You should be proud.

Diana Dynamite: I am.

The medical unit came in with a gurney and they got her on it and loaded her into the ambulance and took her to the estate infirmary.

Varie: Boy that Another put up a really brutal fight this time.

Xenia: No shit there.

Camie: That was rough.

Midnight: It sure was.

Lincoln: She'll be all right though.

Nico: I hope that's the case.

Me: She's strong and will be fine.

Xenia: Yeah.

Qin: Yeah she will be fine.

Camie: Good.

Nico: I hope Ratchet can heal her.

Qin: He will. Ratchet is awesome.

Me: Yeah he is.

Nico: Yeah.

Me: Now we wait for the next Another.

Nico: Yep.

Me: Well we don't have to wait long!

A figure came in and it was Another Whiteout!

Me: Whoa!

Whiteout: Wow! Another me! I look cool!

Another Whiteout: It's awesome though!

Me: That voice!

She reverted back and was a girl with purple hair, blue clothes, purple angel wings, purple eyes and had a tiara with the symbol of the Mirage Dopant on it and the same symbol on her skirt and she had a mirage sword in her hand.

Me: Mirai Mirage! Awesome to see you again.

Mirai Mirage: You too J.D.

Me: Mirai is the Embodiment of the Mirage Dopant and she is a master of illusions and even mirages of the desert.

Nico: WHOA!

Whiteout: Wow! I can create illusions sometimes with my powers. I have light powers that act like that.

Me: That is true.

Mirai Mirage: Yeah. I saw the fight and man that was brutal! Is Diana going to be okay?

Me: She will be.

Mirai Mirage: Good.

Kaito: (gets Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

Kaito got an In Space blaster and Zocks got a Lost Galaxy sword.

Mirai Mirage: No he didn't promise me anything. I used my illusion powers and made him see himself on a beach with smoking hot girls in revealing bikinis and he was in paradise. I used that to escape.

Sakura Knudson: That explains why he was in that euphoric state like that.

Nico: That is funny.

Nicole: (LAUGHS) Swartz had a really nasty pervy side to him.

Sakura Knudson: (LAUGHS) Yeah he sure did.

Sougo: (gets out In Space Ridewatch): You think Diana's battle was rough?

Geiz: (gets out Lost Galaxy Ridewatch): You should've seen Edzilla's.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Mirai Mirage: I saw that and man was it intense! Thank goodness no one got hurt or killed.

Qin: Yeah.

Lincoln: Lets separate you first.

He fired a wave of light and separated the another.

Mirai Mirage: Oh yeah!

She slashed Another Whiteout with her sword and smashed her all over.

Nico: Taste this! (ACTIVATES WHITEOUT AND EVIL RAINBOW MAN'S RIDEWATCHES)

He fired rainbow rays and blasted the Another down.

May: Taste these! (ACTIVATES VIKINGS OF TAKAR AND EVIL AURORA WOMAN'S RIDEWATCHES)

May fired waves of energy and aurora and blasted the Another.

Maria: If I saw my self in clothes like RTN Hinata's I would have to kick my own fucking ass. (ACTIVATES RTN HINATA AND OCTOBULB'S RIDEWATCHES)

She fired energy blasts and blasted the Another all over.

Karolina Dean: Taste this!

She fired waves of light and blasted the Another.

Karolina Dean: And this! (ACTIVATES EVIL RAINBOW MAN'S RIDEWATCH)

She fired a rainbow blast and smashed the Another down.

Then Titanium Toenail, Rambling Ghost, Hades, Leprechaun, Mary Francis and Hamsterviel came.

Nico: Nice team Titanium Toenail!

Titanium Toenail: Thanks Nico.

?: Boy that is cool!

Blizzard Man came!

Me: Cool! Blizzard Man.

Eli: Yeah!

Blizzard Man: (In a girls voice) I'll freeze this one.

Nico: Becky Blizzard! Wow!

Becky Blizzard: Yep.

She fired ice blasts and smashed the Another down and I caught the Ridewatch and purified it.

Me: Awesome!

Maria: You're naked, aren't you?

Becky Blizzard: Yes I am.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Becky Blizzard: I know.

Me: Okay. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she threw up and fired a blast of ice and it hit May and froze her in a block of ice.

She reverted back and was a girl with aqua blue hair and blue eyes and had blue angel wings and had the kanji for Blizzard in the middle of her forehead.

Becky Blizzard: (GROANS) That was rough. (GASP) OH MAN! Sorry May!

Maria used a chisel and smashed her out of the ice.

May: What?! But I have ice power!

Nico: That's crazy huh?

May: It sure is.

Becky Blizzard: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade gave her awesome aqua blue clothes and she had a barrette in the shape of a snowflake on.

Becky Blizzard: Wow I look awesome.

Nico: You sure do.

Karolina Dean: What's your favorite memory of Nico?

Becky Blizzard: When me and Nico found a gang of bullies and froze them. We sent them to a really strict school for psychotic jerks.

Me: Nice.

Nico: Yep.

Becky and Nico hugged.

Nico: I've missed you.

Becky Blizzard: Same here.

We went back home.

Morrigan Nightshade's evil brother, Malachi Nightshade, The Dark Lord of The Demons and a dangerous Dark Demon Goth, has escaped from the blackest depths of The Netherworld, and he's come seeking revenge on Morrigan and Lincoln for banishing him to The Netherworld's black depths six years ago, this time, they're going to thrash him and make him so mad that he'll be consumed by so much hatred, Lincoln and Morrigan will feed on all his hatred, and then, send him straight to The Black Gates once he's been drained of all his hatred and dark powers.

Me: Whoa, where are we?

Lincoln: I know exactly where we are, we're at The Grotto of Nature, the home of The Earth Fairies, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we got bad news.

Morrigan Nightshade: And that bad news is that my evil hate-filled little brother, Malachi Nightshade, The Dark Lord of The Demons and a dangerous Dark Demon Goth, has escaped from the blackest depths of The Netherworld, and he's come seeking revenge on me and Lincoln for banishing him to The Netherworld's black depths six years ago.

Nico: Whoa, so we got another Dark Demon Goth out for revenge on you guys.

Lincoln: Yep, Malachi Nightshade is a very dangerous Dark Demon Goth, but unlike Morrigan who got her powers since the day she was born, Malachi got his powers when he made a deal with The Devil which was done by killing one of Morrigan's friends in a Satanic Ritual sacrifice in New York.

We gasped.

Me: That mongrel, he's playing with forces beyond his comprehension!

Morrigan Nightshade: That's right, this time, there's going to be no mercy, we're going to thrash him and make him so mad that he'll be consumed by so much hatred, Lincoln and I will feed on all his hatred, and then, we'll send him straight to The Black Gates once he's been drained of all his hatred and dark powers.

Lincoln: Exactly, Morrigan, and I want to show this to you guys.

Suddenly, Lincoln's long neck-length wild snow white hair turned midnight black except for the aurora highlights in his bangs, his deep sapphire eyes turned dark blue, the rainbow iris of his Third Eye had turned dark blue, the orange straps of his chest harness turned dark blue, his large royal blue pants had turned midnight black, his loincloth turned dark blue, his massive white angel wings and eleven massive and long white wolf tails turned midnight black except for the aurora and orange tips on the feathers and rainbow tips and rainbow markings on the tails, and his large gold halo with four large orbiting gold rings behind his head turned dark blue: Lincoln Loud has transformed into LINCOLN LOUD, WINDIGO KING OF DARKNESS AND MASTER OF COLD HATRED!

Roxy: Whoa, what is that?!

Lincoln: This is the form I unlocked when I also became a Windigo Master, in this form, I'm known as Lincoln Loud, Windigo King of Darkness and Master of Cold Hatred.

Nico: That is seriously awesome.

Suddenly, we saw a beautiful and super sexy girl with long brown hair with green hairband, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive green butterfly wings, and she was dressed in a sleeveless green top, green skirt, green knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, earth, leaves, plants, animals, magic, fairies, phoenixes, and angels on the coattails and on the back is an earth fairy, and holstered on her back is a massive greatsword, and with her are the nine girls.

Lincoln: (GASPS) Gaia Blaize, Queen of The Earth Fairies.

Marianna Almaden: That's right, Linky, and I got the girls away from that demonic Dark Goth, and I really angered him this time.

?: LINCOLN LOUD, YOU AND THAT BITCH WILL PAY FOR BANISHING ME TO THE NETHERWORLD, YOU WILL ALL PERISH IN THE NAME OF SATAN!

We then saw our target: a male dressed in black clothes, messy black hair, pale-skinned, and red eyes full of hatred and insanity: it was Malachi Nightshade, Morrigan Nightshade's despicable evil Satan-worshipping little brother.

Me: That's Malachi Nightshade. He's just like Damian Alaister in every way!

Sylvester: One thing I can't stand.

Ice Dragon Musk Ox Hope, and Me, Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after Malachi Nightshade, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

This was really really making Malachi Nightshade so mad, he went full-on hatred mode as his hatred rose through the roof and consumed him. That was the signal Lincoln and Morrigan were waiting for as they fired blasts of black and dark blue energy, and they hit Malachi Nightshade, and their dark blue eyes glowed and their energy auras flared up extremely as they began feeding on all of his hatred, and in the process, they were also sucking out all his dark powers and life force. When they were done feeding on all of his hatred and sucking out all his dark powers and life force, Malachi Nightshade was reduced to a lifeless corpse and was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: I never thought I'd have to deal with you again, Malachi, but you reap what you have sown.

Me: You said it, and Lincoln, that was so awesome!

Nico: You really showed that dark goth what happens when he faced a true master of darkness and cold hatred.

Trunks: He never stood a chance, and he had no idea that if his hatred rises up to that certain point, it would mean feeding time for you and Morrigan, and it's been a while since you took on your Dark Windigo King form.

Lincoln: It sure has.

Lincoln changed back.

Lincoln: But, it was good to use that form again. (To Gaia Blaize) And it's so good to see you again, Gaia Blaize.

Gaia Blaize: You too, Linky, it's been seven years since we last met.

Lincoln went up to Gaia Blaize and he hugged her, and Gaia Blaize is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you in seven years, and as you can see, I really grew a lot since then.

Gaia Blaize: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man,

but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful earth fairy?

Lincoln: Indeed I do, J.D., this is Gaia Blaize, Queen of The Earth Fairies, she's my Guardian Angel and the Queen of The Earth Fairies of The Grotto of Nature, an enchanted fairy village populated by The Earth Fairies. Gaia Blaize is a human sized fairy and she's a powerful and skilled fighter with incredible control over earth and possess many incredible powers over earth, nature, and magic. I met Gaia when he discovered a portal that led to The Grotto of Nature in the secret garden that only me and my Guardian Angels know about, and I saved Gaia from an attack that was caused by the very deranged fairy-obsessed killer named Randall Williams. Gaia was also very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like the promise I made with Lily the Mermaid and with my entire harem, I promised that when I came of age, I will marry her.

Gaia Blaize: That's true, and you're already eighteen, so we'll wait until you reach twenty years old for you to marry all of us.

Fluttershy: You have the very same powers as me and Applejack, I have the powers over nature and animals.

Applejack: And I have the powers of earth, so you're like a combination of us.

Lincoln: I was about to point it out, A.J., but you're both right about that.

Laney: I've always wanted to see The Grotto of Earth, but of course, you swore to keep it a secret ever since the whole incident with our five mean sisters.

Lori: Mainly Lisa.

Laney: Yeah, it was because of that, we didn't get a chance to go to The Eight Elemental Fairy Lands, honestly, Lisa, your Dark Side was a repulsive, cold-hearted brat!

Lincoln: It's okay, Laney. Besides, Lisa had already been punished that day after that tracking chip she put on me to track me down and kill me was removed, and now that you're here, Gaia.

Lincoln went up to and hugged Gaia Blaize in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Gaia Blaize: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Gaia Blaize's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Gaia Blaize: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Gaia Blaize.

Gaia Blaize had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the nine girls, and when Lincoln saw them, he immediately recognized them. The nine girls are Aiko Katsuragi, Izumi Shinohara, Shiori Nakamura, Motoko Tamura, Chiaki Yukimi, Maki Katsuragi, Suzuko Yamazaki, Tomomi Yamanaka, and Natsuko Hayasaka from Rinkan Club.

Lincoln: Oh wow, it's Aiko Katsuragi, Izumi Shinohara, Shiori Nakamura, Motoko Tamura, Chiaki Yukimi, Maki Katsuragi, Suzuko Yamazaki, Tomomi Yamanaka, and Natsuko Hayasaka from Rinkan Club.

Ed Cowart: Whoa, looks like you rescued eight voluptuous beauties from that psychopath.

Lincoln: Ed.

Me: Better not say anymore, dude.

Drakus: Yeah, you're getting close to getting hit on the head with a baseball bat.

Lincoln: Are you girls okay?

Aiko Katsuragi: Yes, we're okay, thanks to you.

Then, when Aiko Katsuragi and the other eight girls saw who it was that saved them from Malachi Nightshade, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Aiko Katsuragi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each

corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Aiko Katsuragi: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aiko Katsuragi, Izumi Shinohara, Shiori Nakamura, Motoko Tamura, Chiaki Yukimi, Maki Katsuragi, Suzuko Yamazaki, Tomomi Yamanaka, and Natsuko Hayasaka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was none other than Lincoln's enemy: Morrigan Nightshade's evil brother, Malachi Nightshade, The Dark Lord of The Demons and a dangerous Dark Demon Goth, has escaped from the blackest depths of The Netherworld, and he's come seeking revenge on Morrigan and Lincoln for banishing him to The Netherworld's black depths six years ago.

But, when Lincoln showed what we did in thrashing that asshole and that drove him extremely insane with hatred absolute and he went on a hate rant of epic proportions and Lincoln and Morrigan fired blasts of black and dark blue energy blasts that hit Malachi and they sucked out all of his hatred, dark powers, and life force and then sent him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and Gaia Blaize have a lot of catching up to do now that she's back in town.

Maria: Damn, so you guys sucked out all that demon Dark Goth's hatred, dark powers, and life force?

Nico: They sure did.

Lincoln: Yeah, no one messes with us, not unless they want us to piss them off so much, and that will result in us feeding on their hatred draining them of their life forces.

Me: You two and Brittney really are deadly forces of cold hatred.

Brittney: That's right, Dad, and I really trained them well.

Nicole: You trained them too well, Brittney, they mastered everything from you.

---

After destroying Malachi Nightshade and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gaia Blaize saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Gaia Blaize: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Gaia, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Gaia Blaize: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Gaia Blaize: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Gaia, what memories did you have with Lincoln?

Gaia Blaize put up a video, and it showed Lincoln and Gaia Blaize at a beautiful garden with a beautiful waterfall in a nearby forest in Royal Woods, and Lincoln's in his orange swim trunks and Gaia Blaize was in a green two-piece bikini.

Past Gaia Blaize: This is so awesome.

Past Lincoln: It sure is, Gaia, and I can't believe there is a beautiful garden with a waterfall here in a nearby forest in Royal Woods.

Past Gaia Blaize: It's a lot like what we saw in The Secret Gardens.

LOUC BANSHEE SHRIEK!

Suddenly, Lincoln caught the scent of perfume in the air and almost threw up and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Gaia Blaize: Oh no. Trouble?

Past Lincoln: Yep, it's Lola!

Suddenly, they saw Lola appear and she was on another rampage once again and she had a massive army of hulking muscular thugs with her and they were heading right for Lincoln and Gaia Blaize and they were out to kill them. Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscular thugs, and then, the vacuum tubes literally began sucking the hulking muscular thugs dry of all of their blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed along with his eleven massive and long white tails and he was growing even stronger.

When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln who was now even larger in muscle mass and even more taller and stronger and much more imposing and his orange swim trunks have stretched out even more thanks to the sudden muscle mass increase, and the thugs were dead and weak and thin as a rake and completely drained of blood. That made Lola and she roared with rage and ran at Lincoln, but he grabbed her by the collar of her dress and gave her a mega hard punch that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Gaia Blaize: Linky, are you alright?

Past Lincoln: I'm okay, Gaia, this always happens whenever Lori, Lynn, Lola, Lisa, or Luan send that massive army of hulking muscular thugs after me.

Past Gaia Blaize: True, you always wind up getting larger in muscle mass and even more taller and stronger than ever. Of course, you know this means Lola's getting her ass kicked when we get back. (Seductively) But, first.

Suddenly, Gaia Blaize seductively walked up to and hugged Lincoln, and he hugged her back as he wrapped his arms around her waist and they kissed him, but Lincoln fell onto the ground on his back and he was kissedall over the place: his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Lincoln then tumbled and now he was on top of Gai Blaize, and he continued resuming his make out session with Gaia Blaize, but he also slowly bit her on her neck with his fangs as the video ended.

May: Ooh boy, looks like Lincoln turned the tables on you.

Gaia Blaize: He sure did, and I had no idea of just how romantic and passionate he can get, but now, I knew. And after we had our passionate make-out session, we went back home and we already knew that Lola was already in her cage.

Luna: Yep, and needless to say, that rampaging pageant demon also got grounded for eighteen weeks before she got thrown back in like the wild beast that she is! (Snickers) Plus, when we saw our bro covered in lipstick marks on his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and with an In Heaven look in his eyes and face blushing, we wanted to take a picture of it.

Lily: But, we had a lot of them in the past and I have no room for anymore photos in the albums, and Lynn went way too far that day, we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times.

Luan: You made Lola throw up big time, Lily, and we had to get you away from there, Lola was about to bite your fingers off!

Nico: (GASPS) WHOA!

Lincoln: Yeah, when you make Lola mad, she turns into a wild animal, and she bites.

We got a shower afterwards, and then, Lincoln, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart are heading to Treasure Trove Cove.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Alyx: Wow, so, this is Treasure Trove Cove, it sure is beautiful.

Lincoln: It sure is, Alyx, and it's perfect for our first date. Shall we?

Lincoln, Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart and they hugged the girls in their abnormally massive and powerful muscular arms, and Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Treasure Trove Cove, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart are in your harem.

Ruby Rose: You can thank us for introducing Alyx, Dark Jade, and Tessa to Linky.

Miko: And you can also thank Russell for introducing Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, and Rust Dust to him.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Pyra Magna, Dust Up, Jumpstream, Stormclash, Skyburst, Rust Dust, Alyx, Dark Jade, and Tessa Emberheart, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

* * *

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Cosmic Cove Galaxy is next.

Maria: Awesome! I'm going swimming!

Lola: Cool!

Maria: Me and Volcana will go with you.

Nico: All right then.

They went in and the simulator activated and they found themselves at Cosmic Cove Galaxy!

Nico: Wow!

Maria: So beautiful!

Volcana: It sure is.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one doesn't have a boss here so the only fun one is to get to the top of those waterfalls up there.

Nico: I see them.

Maria: This is gonna be fun.

Volcana: It sure will.

?: Let me help too.

A girl with red hair, blue eyes and red angel wings and red clothes and she had a tiara with the symbol of the Ninja Steel Rangers on it and the same symbol on her skirt.

Natalia Ninninger: Natalia Ninninger, Embodiment of the Ninja Steel Rangers is here.

Nico: Awesome to meet you Natalia.

Natalia Ninninger: I'll tell you guys more about me later.

Nico: Okay. Lets go get the star.

They were off.

Volcana: Gringills up ahead!

Nico: Lets get them!

Volcana: You got it!

She fired waves of fire and blasted them.

Nico: (gets out Whiteout and Evil Star's Ridewatches) Have some of this!

Nico activated them and fired light blasts and magnetic blasts and they blasted the Gringills.

Maria: Now these creatures will see why I was called Aquamaria!

She fired waves of water and blasted them!

Nico: Oh yeah!

Maria: Take that!

Nico: Nice, sis!

Maria: Thanks!

Natalia fired blades of energy and slashed the creatures!

Nico: YEAH!

They flew up and got the star!

YOU GOT A STAR!

Nico: Yeah!

Natalia Ninninger: That was cool!

They high five.

Volcana: Tell us more about yourself.

Natalia Ninninger: Well I'm a Ninja as you saw and also I work for the Black Swan Dojo. I learned all my skills there.

Nico: Cool!

Natalia Ninninger: Yep. Also I work as a pasta chef.

Nico: Neat! Would you like to join the team?

Natalia Ninninger: I would be honored.

They left the simulator and we cheered wildly.

Later we were watching TV. Erza came in.

Erza: Nico, you might want to take a look at is,

Nico: What is it?

We then saw the mascots and they were DRESSED AS GOTHS! They had all black on and everything!

TO THESE WORDS I BEHELD NO TONGUE BY THEATRE OF TRAGEDY PLAYS

Me: Oh my.

Brittney: So you guys decided to embrace the darkness.

Poromon: (Monotonously) Darkness is our only friend.

Daring Do: Why are you guys wearing that?!

Manaphy: Because we hate everything.

Horsea: We wanted to see what it's like being a goth.

Poliwag: And we're going to join the Goths of Darkness.

Brittney: I have a feeling it's only temporary. But okay we'll give you guys a shot.

Vortex: (to Nico, May, and Maria) If you guys want to freak out, feel free to do so.

Nico: (Gasping)

May: (Gasping)

Maria: (Gasping)

Me: Nico, May, Maria? Are you guys okay?

Eli: Yeah.

Ink Rose: Besides it will give them a chance to see what it's like to be one of us.

Crosshairs: Ok. What do the 4 of you want to eat?

Mascots: Blood and Blood Sausages.

Lucy Loud: That we can do.

Brittney: Thought they were going to say beer there for a second. Okay then.

Brittney went and got them blood and blood sausages.

Top Man: Nico, who gets to shine today?

Nico: Princess Celestia, Leni Loud, Ren & Stimpy, Eli, Onewa, and Halinor

Stimpy: Oh joy! This is gonna be fun.

Ren Hoek: This is gonna be fun!

Eli: Looking forward to it!

Leni: O.M. Gosh you guys! This will be fun!

Halinor: Yeah!

Princess Celestia: I'm really looking forward to this.

Eddy: Okay, the 4 of you are probably weirding even Lucy and the others out on how gloomy you're being

Poromon: We hate everything.

Lucy Loud: Even I am not that gloomy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Ahmed, the murderous bastard from The Curse of The Mummy's Tomb, and he's come back to Egypt and is now causing trouble for Gabe and Sari trouble once again, and even worse, he's brought back Priestess Khala. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Ahmed, the murderous bastard from The Curse of The Mummy's Tomb, and he's come back to Egypt and is now causing trouble for Gabe and Sari trouble once again, and even worse, he's brought back Priestess Khala.

We gasped.

Me: Oh Man!

Nico: That son of a bitch! Let's head on over to Alexandra at once.

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Me: Shit, so that was the lethal curse you put on Slappy and his cohorts.

Nico: Which means, we'll see those same glowing purple veins on Ahmed. So, what'll happen if we do more damage to him?

Sebastian Mendez: Oh, then, he'll explode like a water balloon of blood and guts.

Me: Nasty.

Eli: Nice!

Lincoln: Really nasty, but this should be good.

I went and brought the book for The Curse of The Mummy's Tomb.

Me: We faced Ahmed before and he tried to kill Gabe before.

Horsea: Why does it matter if we go after him? We're all doomed to die anyway.

Brittney: Horsea we are not going to die that easily.

Horsea: Sorry my empress.

Even the mascots were calling Brittney Empress?

Xenia: Wow. That is total respect for darkness.

Me: We faced Ahmed before and it was awesome and sent his butt far.

I went over what happened in chapter 783 and it was awesome.

When I was done everyone was amazed.

Camie: Whoa!

Lola: Yep.

Poromon: But he'll probably kill us with new tricks and a new evil plan.

Me: It'll take more that to kill us.

Laney: Yeah.

Me: Poromon you need some beer.

Poromon looked like he about to drink some but fought it.

Poromon: No. Not right now.

WE GASPED!

Me: Poromon not drinking beer!?

Xenia: Has the world gone crazy!?

Mevya: Well, if you won't have any, I will!

Nico: Mevya not now. We got work to do.

The previous group came.

Red X: Can me, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Unicorn, and Kite Man go with you guys?

Manaphy: What difference does it make? We'll probably end up dead or injured in this mission.

Red X: And why are the mascots wearing all black?

Me: They are gothic now. It's only temporary.

Red X: Wow.

Nico: And yes you all can come with.

Red X: Nice.

Slobber Trap: Nico, which Gene Slammer do you think you'll meet next?

Poliwag: Is it a girl one with the darkness?

Nico: Actually it's one for Yamato Man.

Poliwag: Close.

Nico: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than The Hierophant, the next member of the Vampire King's court in the Adventure Time miniseries "Stakes", and he's come back to get his revenge on Marceline, Finn, and Jake. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Finn, Jake, Marceline, you three and the rest of our friends from Ooo aren't going to like it one bit: the figure and dark energy we sensed belongs to The Hierophant.

Marceline: The next member of The Vampire King's Court, I should've known. But, like I told you guys yesterday, don't underestimate him, he can turn into animals and turn his fingers into blades.

Morrigan Nightshade: So, he's a shapeshifter, huh. I think I know a lot of ways to deal with someone like him.

Lincoln: One that'll end with me sucking out his soul.

Nico: Just like what you've done to many other villains. Alright, gang, let's go, we're heading off to Alexandria to help Gabe and Sari get rid of Ahmed and Princess Khana for good.

Lincoln: Those two are not getting out of this, they will pay for what they've done, and once we get done with Ahmed and Princess Khana, you're next, Hierophant.

Morrigan Nightshade: You think that you can just come back from the dead to get revenge and kill our friends, fat chance! You're getting a stake driven right through your undead heart after we get through with those two assholes!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Egypt to help Gabe and Sari get rid of Ahmed and Princess Khana for good, and once we got rid of Ahmed and Princess Khana for good, Morrigan Nightshade and Lincoln are going to destroy The Hierophant, the next of the vampires in The Vampire King's court.

We were off on Egypt.

---

We arrived in Egypt.

Whiger: Here we are!

Me: Egypt is always cool.

Camie: It sure is.

Lola: It sure is.

Blitzwing: Hey, Gabe! Funny that we saw each other only recently ago.

Gabe: I know guys!

Me: Yeah this is awesome.

Camie: Yep.

Gabe: Why are the mascots dressed in black?

Me: New style.

Gabe: Nice day we're having, huh?

Poromon: Nice day? More like an average day of our hopeless lives. Sigh.

Beetle: We apologize for this.

Me: See? They are goths.

Brittney: Yeah they wanted to embrace the darkness.

Lola: Yeah.

Dirge: Gabe, we have reason to believe that Ahmed is back!

Gabe: I know! I overheard him talking to Slappy and he is coming to kill me and sacrifice me to the mummy.

WE GASPED!

Me: That motherfucking coward.

Qin: What a jerk!

Lord Drakkon: Slappy just gives us good reasons for us to end him when the time comes!

Poliwag: ALL of us are destined to die at some point in life. It's just that Slappy is going to die much earlier.

Me: Poliwag we are not going to die. Slappy will be the one that does. So will Ahmed.

Nico: Yeah he sure will.

Camie: Slappy just keeps finding ways to piss us off even more.

Kabuto: Please tell me that's not the worst of it.

Gabe: Well, my Uncle Ben went missing an hour ago. That can't be a coincidence.

Me: Hmm. I have a feeling he's going to do something to him.

Eli: I have that feeling too. We better find him.

Tayuya: And fucking fast.

Shadow Noir: I'll get him out.

Manaphy: Why bother? Ahmed probably sacrificed him already by now.

Princess Celestia: We don't know that for sure.

Kite Man: You know what, Gloom and Doom buddies? I'll use my Kite to fly and search for him to prove he's still alive!

Me: Okay.

Shadow Noir vanished into the darkness.

Kite Man flew off.

Me: (In my head) The darkness the mascots are going to bring is going to weigh us down.

Wood Man: Ok, the Goths of Darkness are all about gloom and doom. No argument there. But the mascots are taking it to overdrive!

Nico: I agree.

Camie: Guys this is getting too far. You are not gothic.

Horsea: All we're doing is being realistic.

Leni: Well, it's really starting to get us concerned.

Unicorn: And weirding us out!

Me: Yeah. You like beer. And you like to torment people with this.

I showed them the trailer for Blood and Honey.

Patrick: YEAH! WHAT IS WRONG WITH YOU MASCOTS!? AFRAID TO SEE WHAT A TRUE MONSTER IS!? WELL (SHOWS TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!? (SHOWS IT TO POROMON) YOU LOOK AT IT! (SHOWS IT TO POLIWAG) YOU LOOK AT IT! (SHOWS IT TO MANAPHY) LOOK AT IT! LOOK AT IT! LOOK AT IT! LOOK AT IT! I WANT ALL FOUR OF YOU TO LOOK AT IT!

Lily snickered.

Suzumebachi: Okay, if that didn't bring them back to normal, nothing will!

Mascots: (SCREAMS)

Poromon: WHAT THE FUCK! WHAT HAVE WE BECOME!

They wiped off all the black and makeup and were back to normal.

Horsea: THAT WAS CRAZY!

Manaphy: WE WERE SO DARK!

Vulture: You know, I was JUST about to suggest we do that.

Ren: Great minds think alike?

Poromon: Guys we are sorry. We were stupid!

Me: Welcome back guys.

I gave them beer.

Poromon drank it.

Poromon: Oh sweet beer!

Azula: What made you guys decide to be goth anyway?

Manaphy: We wanted to see what it's like.

Brittney: Being a goth isn't want it's cracked up to be. It's dark and depressing. I was made a goth because I wanted to become a master of darkness and dark magic. Sure I hate everything but I love my family and all that.

Xenia: That is a true reason.

Eli: There. All's right in the world.

Whiplash: Except Gabe's uncle is still kidnapped.

Shadow Noir came back and with her was Gabe's uncle.

Shadow Noir: Found him. Ahmed was preparing to sacrifice him to the mummy.

Gabe: Uncle!

They went and hugged.

Overkill: You okay?

Gabe's Uncle: That monster Ahmed was going to kill me!

Me: Now Ahmed is going too far! I will find that monster and rip his fucking head off!

Xenia: Yeah!

Kite Man came back.

Kite Man: Found Ahmed! And man is he pissed! He's over there.

He pointed to a pyramid that wasn't there before.

Me: That pyramid is new.

Griffin: Is that his headquarters?

Me: It might be.

Qin: I agree.

Nico: Lets go get him guys.

Lola: Yeah.

Onewa: (to the mascots) It's good to have you guys back.

Poromon: (BARNEY BELCH) Thanks.

Me: Now what did we learn today?

Manaphy: To never be something you're not.

Me: Good.

Xenia: Yeah.

Nico: Lets go guys.

Blast Off: Entrance time!

We flew at the pyramid.

Ahmed was REALLY INFURIATED! He was stomping hard. But then the spirits of Egypt came and they swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out.

Me: Ahmed!

Ahmed: (Arabic Accent) YOU!

Me: Yes! ME!

Halinor: We know you brought Princess Khana back too.

Robo Blaze: Where is she?!

We saw the mummy!

Me: There!

I fired a blast of energy and it hit the mummy and blasted the head off!

Nico: Nice shot.

Ahmed: (to the mascots) So, you all think everyone dies, eh? (gets out knife) How about we start with you 4?!

Poromon: Ha! Do your worst! (ECHOING) LIGHTNING JAVELIN!

He fired a wave of lightning and electrocuted him! The knife melted from it.

Nico teleported and punched him in the face and the stomach!

POW BLAM!

Xenia fired an arrow through Ahmed's leg.

Xenia: How do you like that!

Sandman: Here's amy Sand Sword!

He formed a sword of sand and slashed him all over.

Princess Celestia: I will banish you to the Moon!

She fired a beam of magic and blasted him!

Leni Loud: You totes are a terrible freak!

SHE PUNCHED HIM HARD in his face and knocked out some of his teeth!

Ren: YOU'RE A FREAKING EEDIOT!

KRABLANG!

He bashed him hard with a shovel and laughed like a fucked up lunatic!

Stimpy: Taste this! (VOMITS)

He fired a wave of hairballs! YUCK!

Eli fired a wave of Force Lightning and electrocuted him!

Onewa fired massive piles of rocks and Halinor fired fire blasts and burned him.

Nico: Take that!

Poromon began drinking beer bottles.

And he smashed them on Ahmed's head!

SMASH SMASH SMASH SMASH SMASH!

Poliwag slapped Ahmed all over with his tail!

Horsea squirted ink in Ahmed's eyes!

Ahmed: Why you little!?

Ahmed tried to slap Horsea but she dodged it.

Horsea: Missed me! Missed me! Now you got to kiss me!

She kissed him full on the mouth and Ahmed spit and gagged.

Poromon got drunk from drinking beer.

Poromon: (SLURRED SPEECH) Hey you stupid bitch! Why can't you shut up when we make love?

Me: Poromon!

Nico: (laughs) THIS is the Poromon I grew up with!

Me: YEAH!

Manaphy: My turn!

She fired an energy blast and smashed him down.

Ahmed: (GROWLS) I HATE ALL OF YOU SO MUCH!

Our auras flared up intensely!

Gabe punched Ahmed in the face

KRAPOW!

He smashed his eyes out with an intensely powerful punch!

Ahmed screamed in excruciating pain.

Laney: Nice one!

Hsi Wu: That's good.

Me: Yeah.

Grumblemon: It was very out of character for them.

Me: It was.

Electrocutioner: (to Nico) We heard you fought a Tantrum clone.

Nico: We sure did.

Hydrax: Edzilla fighting him was bound to happen!

Me: Metallasaurus. Up for another round?

Metallasaurus: I sure am.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Hierophant, or we will force you out.

A figure came out, and it was none other than The Hierophant, one of the five vampires in The Vampire King's Court.

Marceline: Should've known you'd come back as well, Hierophant.

The Hierophant: You ain't staking me this time, and now, I'm gonna make you and your friends pay for what you did to me long ago.

Morrigan Nightshade: As if, the only thing you're going to get is a stake driven through your black heart.

Suddenly, Morrigan Nightshade's dark blue eyes turned neon dark blue and she was surrounded by a black and dark blue energy aura with stars, darkness, snow, ice, snowflakes, ice crystals, shadows, dark magic, black magic, Satanic Magic, Windigos, demons, creatures of the night, phoenixes, and angels, she unholstered her massive dark greatsword from her back, and as she approached

Morrigan Nightshade: You really make me sick to my stomach, Hierophant, you are nothing more than a bloodthirsty vampire who's wrought terror and mayhem through The Kingdom of Ooo for more than nine hundred years, I thought the land was rid of you, but to find out Slappy brought you back, now that puppet's gone too far, we'll deal with him soon, but you, you will be dealt with here and now.

Morrigan Nightshade has transformed into SUPER ANGEL-WINDIGO QUEEN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL DARK GOTHIC WINTER COLD HATRED DARKNESS WINDIGO PHOENIX ANGEL OF DIVINE COSMIC ETERNAL DARK GOTHIC WINTER COLD HATRED DARKNESS WINDIGO PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL DARK GOTHIC WINTER COLD HATRED DARKNESS WINDIGO PHOENIX ANGEL LOVE!

We were really amazed by Morrigan Nightshade's Super Angel-Windigo Queen-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Hierophant saw it, he turned his fingers into blades and ran at her to kill her, but Morrigan Nightshade fired a massive barrage of black and dark blue energy, stars, darkness, snow, ice, snowflakes, ice crystals, shadows, dark magic, black magic, Satanic Magic, demons, creatures of the night, Windigos, phoenixes, and angels, which hit The Hierophant and exploded and he was knocked down, he got back up, but he was now pissed off.

Brittney: Whoa!

Me: Man, that sure is cold!

Lincoln: That's right, Morrigan Nightshade has transformed into her Super Angel-Windigo Queen-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we deal with the third of The Vampire King's Court.

Morrigan Nightshade: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Dark Gothic Winter Cold Hatred Darkness Windigo Phoenix Angel and Divine Cosmic Eternal Dark Gothic Winter Cold Hatred Darkness Windigo Phoenix Angel Love) He will pay for everything that he's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Morrigan Nightshade.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Hierophant, now you're about to suffer the same fate as your two buddies.

Morrigan Nightshade and Lincoln went after The Hierophant, and they fired extremely powerful blasts of rainbow energy, black and dark blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Hierophant and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and he and Morrigan Nightshade also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving The Hierophant even more madder with rage.

The Hierophant: (DEMONIC VOICE) YOU! YOU! I WILL KILL YOU ALL!

The Hierophant charged right at them with uncontrollable fiery rage and wrath in his black heart, but Morrigan Nightshade fired a powerful black and dark blue energy blast at them which hit him hard and he got knocked down, and then, Lincoln got out a stake and stabbed him in his heart as he exploded into white dust, and then, Lincoln opened his mouth and devoured his soul gaining his shapeshifting. Then, an energy card with The Hierophant's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Morrigan Nightshade and Lincoln did as they holstered their massive greatswords and powered down and Morrigan Nightshade's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight black angel wings are permanent.

Morrigan Nightshade: This is for all the lives of all those who fell victim to you and the other vampires nine centuries ago. Thanks for helping me destroy The Hierophant for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Morrigan.

Suddenly, Morrigan Nightshade wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Morrigan Nightshade's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Windigo flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and snow behind them and we cheered wildly. Then, Lincoln and Morrigan Nightshade sucked in and absorbed the elemental forces and darkness and snow and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and we took down the third of The Vampire King's Court: The Hierophant.

Marceline: And you also devoured his soul and gained his shapeshifting. Which means the next of the vampires is The Empress, watch yourselves though, she can hypnotize people with her eyes.

Me: They sure will, even though we're immune to hypnosis. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person we're meeting tomorrow: Crystal Blanchard, Queen of The Ice Fairies.

Aprina Arabella: That's perfect, and you guys will love meeting her, Crystal Blanchard is Lincoln's Guardian Angel and the Queen of The Ice Fairies of The Blizzard Kingdom, an enchanted fairy village populated by The Ice Fairies. Crystal Blanchard is a human sized fairy and she's a powerful and skilled fighter with incredible control over ice and possess many incredible powers over ice and magic. Lincoln met Crystal when he discovered a portal that led to The Blizzard Kingdom in the secret garden he and his Guardian Angels know about, and he saved Crystal from an attack caused by that very deranged fairy-obsessed killer Randall Williams. Crystal was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: Wow.

Lincoln: She's an incredible master of ice and magic, and anyone who tried to attack her would wind up getting frozen in a block of ice.

Comic Book Guy: Worst. Goosebumps. Villain. Ever.

Juggernaut: One of the worst, anyway.

Larxene: Prime Slappy is the worst one of them all.

Me: Yep.

Multiplex: Either way, Ahmed is dead.

Poromon: Now, let's celebrate with beer!

Tchang Zu: (laughs) Good ol Poromon!

Nico: Glad to have the mascots back to their old selves.

Camie: Yeah.

Gabe: And now we've seen the last of my enemies.

Camie: Thank goodness.

Nico: Yep. Great job everyone.

Daring Do: (To the viewers) An awesome adventure worth remembering.

We went back home.

Back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Slappy was mad!

Bob Roth: I'd like to see them get past Horrorland!

Slappy: In the meantime, I'll be sending a different kind of monster to start off the day!

Bob Roth: (confused) What are you talking about?

Slappy: Oh you'll see.

UH OH!

For tomorrow, the matchup is for Brunhilde Ildsverd, Gene-Slammer of Shiranui Sunsaga, and she and Lincoln are going to destroy The Empress, the next member of the Vampire King's court in the Adventure Time miniseries "Stakes"

For Lincoln's rescue tomorrow, we are in for one haunting adventure. We're heading to Lansing, Michigan, and we're going to be hearing an old legend that was told over a hundred years ago, and we're also going to end the centuries old curse tied to this legend. And we're going to meet Crystal Blanchard, Queen of The Ice Fairies, she's Lincoln's Guardian Angel and the Queen of The Ice Fairies of The Blizzard Kingdom, an enchanted fairy village populated by The Ice Fairies. Crystal Blanchard is a human sized fairy and she's a powerful and skilled fighter with incredible control over ice and possess many incredible powers over ice and magic. Lincoln met Crystal when he discovered a portal that led to The Blizzard Kingdom in the secret garden he and his Guardian Angels know about, and he saved Crystal from an attack caused by the very deranged fairy-obsessed killer Randall Williams. Crystal was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Along with Allie Calavera, Lansing's Queen of Gothic Darkness, she's Lincoln's Guardian Angel from Lansing, Michigan, she's a very powerful Dark Goth Angel with immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and she was also born with massive black angel wings, but she has a dark family history that began over a hundred years ago with a boy that was born in 1910, that boy was her ancestor, Miguel Calavera, like Allie Calavera, he was born with incredible dark powers, but he was forbidden to even show them to anyone for fear of being accused of being a witch because of his parents' strict religious upbringing. However, everyone did look at him strangely, his eyes were black as coal and he was always dressed in dark clothes. One of the people said that they'd seen him talking to someone that wasn't there, and that really frightened them, but it didn't stop there: late at night, children began waking up from bad nightmares and the ghostly phenomenon also started at night as well, and they also saw animal corpses, and the townspeople put all that together, and discover they have a witch in their midst and it was Miguel. Then, he drove a huge wedge in his family when someone saw him doing fortune telling which was forbidden at that time. Soon enough, he was brought before the people accused of witchcraft, and as a result, he was shunned forever and he was forever cut off from everyone including his own parents. But, they would be in very huge trouble, in his defiance, Miguel hurled a curse on the entire community saying that God's vengeance will strike them down and Lansing will suffer his revenge, whether the people are sleeping in their beds or sitting in their chairs, everyone will suffer. Among the shocked population were those who had sought his counsel, they fear that the curse will haunt them for generations to come. But, one evening, on December 21st, The Winter Solstice, delirious from hunger and driven mad from isolation and loneliness, Miguel wandered in search of food, but he fell into nearby Lake Lansing and drowned. His body was brought to shore days later, some believe he was murdered, others believe it to be God's work, but the very problems were far from over. Hoping to preserve his eternal soul, his parents recover his body and dig him a grave in a secret late night burial, and an oak tree was planted on his grave to keep his dark soul from escaping. But, the evil was only kept at bay for as long as the tree stood strong, and each year on December 21st, the anniversary of his death, a devastating storm strikes Lansing, knocks the tree down, and releases Miguel's evil spirit upon the city.

Next up is where we Return to Horrorland rebuilt by Slappy and named Horrorland 2.0.

See you next time.

Me: I hope no monster is trashing the city like last time.

Xenia: Yeah no kidding.

Stimpy: Oh joy! I'm really excited for this.

Ren Hoek: Me too pal.

Qin: Yeah this will be fun and awesome.

Leeli: Especially with all of my siblings with me.

Girl Jordan: This will be awesome.

Camie: It sure will be fun.

Chazz: I'm excited for this too.

Nico: Chazz, I want to thank you, Titanium Toenail, and your teams for coming

Chazz: No problem Nico. I'm looking forward to this.

Gusty the Great: I am looking forward to it too.

Nico: Gusty, what do you like to do in your free time?

Gusty the Great: Well I teach everyone my life story in history classes and how I became a great hero.

Sunset Shimmer: Like when you swiped Grogar's bell and sealed it into Mount Everhoof.

Gusty the Great: That's right.

Me: That is really cool.

Nico: It sure is. Being a history teacher is fun.

Camie: It sure is.

Varie: I agree. It's a perfect way to teach everyone what you went through eons ago.

Me: Yep. And the best part is that bell is destroyed and Grogar is gone for good.

Nico: That was clever of you to do that

Gusty the Great: It was. And it was really brave and amazing.

Nico: That is for sure. By the way J.D. did you like the mascots dressed as goths?

Me: I sure did. And they were really good goths.

Brittney: A little too well.

Camie: Yeah. They were just totally out of character.

Nico: They even declined drinking beer!

Qin: Yeah! TOTALLY Out of character!

Xenia: I know!

Me: But thanks to showing the Blood and Honey trailer they came back.

Lola: Patrick did that too.

Nico: (LAUGHS) Yeah. That is for sure. But also we helped Gabe and kill Ahmed.

Xenia: Yeah that monster got what he deserved.

Nico: And now, Gabe has no enemies left out to kill him

Daring Do: Thank goodness.

Qin: Yeah he is free.

Lola: Good.

Nico: Yep.

Varie: And we got rid of the mummy too.

Camie: Yep we sure did.

Rainbow Dash: That was all awesome.

Nico: Princess Celestia, Leni Loud, Ren & Stimpy, Eli, Onewa, and Halinor did good.

Princess Celestia: We sure did.

Leni: It sure was totes fun.

Ren: Boy we had a great time there.

Stimpy: Oh joy! We sure did.

Eddy: We were gonna show the mascots the trailer to snap them out of it anyway

Me: Looks like I was one step ahead of you guys on that one.

Eddy: You sure were J.D.

Nico: Yep.

Camie: Yeah that was cool.

Nico: Hey what's this.

We saw a toy store poster.

Nico: (reads poster) "Free Annihilator 5000 Toys. Really work!" That sounds familiar.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that The Annihilator 3000 is here and it's causing havoc.

We gasped.

Nico: The Annihilator 3000?! That's from the Give Yourself Goosebumps story, Toy Terror: Batteries Included.

Nico got out the book.

Me: That means Slappy sent it after us.

Lincoln: That dummy really enjoys pissing us off to no end. Well, then, since we got a dangerous toy robot to deal with, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Diamond Sam: We got here as fast as we could.

Yamiga: We're ready for The Annihilator 3000, and ready to piss Slappy off even more.

Lincoln: This should be good. (Sensed for The Annihilator 3000) AHA! Gotcha! I just spotted that destructive robot, he's 20 yards away and he's already wrecking the place. We better get there immediately before it trashes the city even more.

Nico: Right. We can't let this go on any further.

Lincoln: Then, we'll fix the damage. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out on The Annihilator 3000.

We arrived to see that The Annihilator 3000 has caused mondo damage in its rampage.

Me: Oh damn, look at this place.

Eli: What a mess!

Nico: It's like a disaster zone. Damn that Slappy.

Lincoln: We've never faced off against The Annihilator 3000 before, but he sure is one very dangerous robot.

Nico: That he is, Lincoln. This is also a perfect opportunity for you to test out your weapons that you had gotten from absorbing tons of machines and robots.

Me: Yeah.

The Annihilator 3000 was destroying everything in sight. Suddenly, massive waves of energy, gears, and lightning appeared from nowhere and they hit the The Annihilator 3000 and sent him flying into a brick wall that appeared out of nowhere Then, the energy waves converged and a massive tornado of colorful energy exploded out as a Thunderbird Screech and Phoenix Cry was heard, and we appeared.

Nico: Hold it right there, you walking piece of scrap metal!

Me: YEAH!

Lincoln: Should've known Slappy would pull something like this!

Annihilator 3000: (Robotic Voice) MUST DESTROY ALL LIFEFORMS!

Me: That robot is acting like Ultron!

Iron Man: Yeah it sure is!

The Annihilator 3000 fired laser blasts at us, but Lincoln made a massive indestructible diamond barrier that protected all of us from the laser blasts.

Diamond Sam: This has gone on long enough.

I took the fight to the planet Glaren.

Me: That's better.

Nico: Good thinking.

Nico: Wait. What are those?

More Annihilator 5000 Toy Robots came!

Me: It's like dealing with the Commando Elite all over again!

Xenia: YEAH!

Nico: Lets get them!

I pulled out my Noisy Cricket.

Me: Here we go.

I had it chirp and then…

BOOM!

I fired and it blew a bunch of them apart and then I was blown back by the intense recoil and I crashed into Nico and Eli.

Me: WHOA!

Nico: WHOA! That is one intensely powerful recoil there.

Me: Sorry about that guys.

I got up.

Brody: Ninja Spin!

Shinnosuke: Henshin!

They transformed and were ready!

Nico: OH YEAH!

Xenia: Awesome!

Brody and Shinnosuke fired energy blasts and blew many of the Annihilators to dust!

Me: YEAH! How about this too!

I formed a Suicide Fruit Rasengun!

Me: DARKNESS STYLE NINJA ART: SUICIDE FRUIT RASENGUN!

I fired it from a finger gun and it hit the Annihilators and exploded and then a bloodcurdling scream was heard!

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHH!

It blew them apart!

Nico: That is terrifying!

Lola: Yeah!

Nico: I got an idea! Let's program 10 of them to work for us!

Lisa Loud: An excellent idea!

Lisa ran and brought some of them over and deactivated them.

Me: We'll take those to the lab later on.

Xenia: Okay.

We blasted them all over.

Juran: Can't believe these small things would cause so much damage!

Iron Man: I know. It's like what happened when we battled Ultron.

Hulk: Hulk remember that!

Black Widow: That was a really rough battle.

Scarlet Witch: It sure was.

Me: That was still epic though.

I fired waves of energy and blasted the Annihilators all over.

Annilihator 5000s: We come in peace! We come in peace!

Me: Peace my ass!

Qin: Yeah you just want to destroy!

Xenia: Yeah!

Nico stepped on one.

CRUNCH!

Nico: Whoops!

Me: Man they just keep on coming!

Eli fired waves of Force Lightning and blasted them down.

Ahsoka slashed and destroyed many of them with her Lightsabers.

Ahsoka: Yeah!

Maria: Batteries not included!

Nico: Nope!

We fired energy waves and blasted them all over.

Chazz: I summon Ojama King!

He summoned the Ojamas and Ojama King!

Ojama Yellow: We're ready and willing boss!

Chazz: This is gonna be good!

Me: Good idea Chazz! I summon NINE HEADED DRAGON!

I summoned Nine-Headed Dragon!

Camie: COOL!

Me: ATTACK! ELEMENTAL MAYHEM BURST!

Nine-Headed Dragon fired waves of the Nine Elements and the blasts all hit the Annihilators and blasted them to dust!

Ojamas: OJAMA DELTA HURRICANE!

They spun and smashed the Annihilators all over the place!

Ojama Green: And I thought Chucky was bad!

Chazz: Tell me about it!

Lincoln: Sam, Clover and Alex told me about some toys that ran amok that they faced a while back.

Me: I remember hearing about that! That was crazy!

I fired waves of energy and blasted the Annihilators and blew them apart!

Catherine Lancaster: (British Accent) That must've been awful! RAINBOW REFRACTION!

She fired a powerful Rainbow Blast and it hit a bunch of Annihilators and blasted them all over the place.

Nico: We should fight him in the future.

Lincoln: Actually that's not needed. Seth was guilty and remorseful about what he did. He stole chips that made them come to life and realized the error of his ways. Jerry gave him community service.

Me: He's right.

Nico: Oh. That's okay then.

Me: At least he felt guilty about it and saved the girls lives from what I heard.

Nico: Yeah.

I fired waves of energy and blasted the Annihilators.

Nico: Nice one!

May: But good try though.

Me: It was.

Nico: Thanks. Where is Seth now?

Me: Jerry told me that he is working to help clean up around Los Angeles park.

Nico: Ah.

I fired waves of energy and blasted the Annihilators.

Eddy fired his blaster.

Eddy: YEAH!

Eddy blasted the Annihilators apart.

Edzilla: ED SMASH BAD TOYS!

He smashed and destroyed the Annihilators.

Edd blasted them all over.

Lola: YEAH!

Lola fired waves of fire and blasted the Annihilators.

Xenia fired energy arrows and blew them apart.

Iron Boy fired his missiles.

He blasted the Annihilators all over.

Qin: Take this!

She fired waves of energy and fire and blasted them.

We blasted the Annihilators until the big Annihilator was next.

Suddenly, Diamond Sam's teal eyes turned neon teal and she was surrounded by a teal and white energy aura with stars, light, diamonds, phoenixes, and angels, and as she approached The Annihilator 3000, she left teal and white energy, stars, light, diamonds, phoenixes, and angels with every step.

Diamond Sam: If there's one thing I can't forgive, it's an overgrown piece of scrap metal like you and now to find out you're doing this on the orders of that stupid dummy! Now, you've really gone and done it, you're going to be turned into scrap metal for this!

Suddenly, Diamond Sam was surrounded by a massive vortex of teal and white energy with stars, light, and diamonds surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a teal phoenix with red eyes glaring at The Annihilator 3000: the red eyes of death. Then, as the vortex faded, Diamond Sam emerged, but she was changed forever.

Diamond Sam grew to 7'9" in height, she has gold metal bands on her biceps and thighs, and she now has eleven large teal orbs orbiting around her legs, she has the body of a goddess, she has teal highlights in the bangs of her long flowing blonde hair reaching the bottom of her neck and teal streak and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon teal eyes and a teal and white energy aura with stars, light, diamonds, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix holding a diamond in its claws emblazoned on her forehead and Third Eye with teal iris, she has on phoenix earrings with teal gems for eyes and holding the Diamond and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with teal gems on the gold star links and diamond crystal links and teal phoenix-shaped Element of Harmony and below the Element of Harmony is a phoenix with teal gems for eyes and holding the Diamond and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on the same outfit as Sam, but hers is more diamond themed, and long white sleeveless trenchcoat with stars, light, diamonds, phoenixes, and angels on the coattails, and on the back is a phoenix with diamonds and lights surrounding it. Suddenly, Diamond Sam felt a sharp pain on her back and then, massive blonde angel wings with teal tips on the large blonde feathers grew and sprouted out of her back, she has on a Ring of The Phoenix with teal gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and she has on teal fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Diamond Sam's massive greatswords and all the greatswords and swords she'd gotten began merging and they're surrounded by a kaleidoscope of teal energy, stars, lights, diamonds, phoenixes, and angels, and when it emerged, it was transformed into Diamond Sam's L-Emental Solar Light Shining Diamond Phoenix Angel Greatsword of L-Emental Eternal Solar Light Shining Diamond Phoenix Angel Love, it's a brand-new massive greatsword with embedded diamonds and phoenix etched on the 7'6" massive, wide, double-edged yellow blade, large teal phoenix heads for the crossguard, large white angel faces built into both sides of the hilt with large diamonds embedded in the foreheads, longer midnight black handle, four large teal phoenix heads with diamonds for eyes and a large teal phoenix head with diamonds for eyes and diamond in its mouth on the bottom of the teal phoenix heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large tea gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, large gold Belt of Elemental Bravery with large gold phoenix head with diamonds for eyes and large teal gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Diamond Sam's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when The Annihilator 3000 saw it, he ran at her to smash her, but Diamond Sam fired a massive barrage of teal energy, stars, lights, diamonds, phoenixes, and angels and they exploded with incredible power as they hit him, he got back up, but he was even angrier than ever.

Diamond Sam: (Divine Echoing Godly Voice of The L-Emental True Eternal Solar Light Shining Diamond Phoenix Angel and Divine Cosmic L-Emental True Eternal Solar Light Shining Diamond Phoenix Angel Love) Looks like I've gone and really made him angry.

Yamiga: It won't matter though, he'll soon be dead.

Lincoln: And he'll never ever come back.

Suddenly, something appeared at Lincoln's left side, it's a massive black greatsword with embedded blood red gems and blood phoenix etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black upward curved ram horns for the crossguard, large blood red demon eyes built into both sides of the hilt, longer midnight black and red handle, and large blood red demon eye gem for the pommel.

Then, something else appeared, this time, at Lincoln's right side: it's a massive white greatsword with embedded blue gems and gold phoenix etched on the 7'6" massive, wide, double-edged white blade, large white angel wings for the crossguard, large white angel faces built into both sides of the hilt with large blue gems embedded in the foreheads, longer midnight black handle, and large blue gem for the pommel.

Nico: Whoa, what on earth are those two greatswords?

Sabrina Lorelai: (GASPS) I recognize the black greatsword from anywhere: that's The Greatsword of The Demonic Princes of Hell. According to legend, if any person pure of heart and overcame all the darkness that he's had to face, this dark greatsword will be gifted to said wielder.

Selene Arcangela: And I'd recognize the white greatsword from anywhere: that's The Greatsword of The Archangels of God. According to legend, this angelic greatsword will only be gifted to this person if he's not only strong and brave of heart, but also, has conquered the darkness that he's had to face.

Luna: Namely what Chase Young did in sending his life to Hell with what he did to Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins.

Lincoln: And what happened to me because of that bitch, Audrey Madison, and many others.

Me: Now, you have the legendary greatswords of Heaven and Hell as some added new weapons to your arsenal, so awesome!

Nico: This should be really awesome to see.

Suddenly, Yamiga's red eyes turned neon red and she was surrounded by a black and blood red energy aura with stars, darkness, shadows, cursed swords, demons, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached The Annihilator 3000, she left black and blood red energy, stars, darkness, shadows, cursed swords, demons, phoenixes, and angels with every step.

Yamiga: Every single word that Diamond Sam said is true, you're nothing more than a rampaging heap of scrap metal with a penchant and desire for destruction. Now, you've got yourself in deep shit now, we're taking you down and we're so going to enjoy pissing Slappy off even more.

Suddenly, Yamiga was surrounded by a massive vortex of black and blood red energy with stars, darkness, and shadows surrounding the vortex, there are cursed swords, demons, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at The Annihilator 3000: the red eyes of death. Then, as the vortex faded, Yamiga emerged, but she was changed forever.

Yamiga grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large black and blood red orbs orbiting around her legs, she has the voluptuous body of a goddess, she has blood red highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blood red eyes and a black and blood red energy aura with stars, darkness, shadows, cursed swords, demons, phoenixes, and angels surrounding her and immense neon rainbow protective aura with planets swirling around it, she has a phoenix and the Cursed Sword emblazoned on her forehead and Third Eye with yellow iris, she has on devil earrings with red gems for eyes and holding the Cursed Sword, Dark, and Eternity Kanjis in its hands, she also has a devil with red gems for eyes and holding the Cursed Sword, Dark, and Eternity Kanjis in its hands on the bottom of her red devil-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the black crescent moon links and she has on a white and gold accented choker on her neck along with her demonic choker. Yamiga has on a midnight black sleeveless dress with her demonic armor, and long sleeveless white trenchcoat with stars, darkness, shadows, cursed swords, demons, phoenixes, and angels on the coattails, and on the back is a phoenix and Cursed Sword surrounded by water. Suddenly, Yamiga felt a sharp pain on her back, and then, massive midnight black angel wings with blood red tips on the large midnight black feathers grew and sprouted out of her back and she now has eleven massive and long midnight black wolf tails with blood red tips and blood red markings. Yamiga has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Yamiga's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of black and blood red energy, stars, darkness, shadows, cursed swords, demons, phoenixes, and angels, and when it emerged, it transformed into Yamiga the Cursed Sword's Darkness Demonic Cursed Sword Angel Greatsword of Darkness Demonic Cursed Sword Angel Justice, it's a brand-new massive greatsword with embedded blood red gems and a Cursed Sword and phoenix etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black devil heads for the crossguard, large white angel faces built into both sides of the hilt with large blood red gems embedded in the foreheads, longer midnight black handle, four large midnight black devil heads with blood red gems for eyes and on the bottom of the devil heads is a large midnight black devil head with blood red gems for eyes and large blood red gem in its mouth for the pommel, she has on her large gold Bracers of The Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold devil head with blood red gems for eyes and large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blood red kanji below the phoenix and Cursed Sword that said, "Yamiga The Cursed Sword, Legendary Voluptuous Cursed Sword of Myth, Friend of Many Monster Girls, Future Wife of James Dean Knudson, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Shadows, Cursed Swords, Demons, Phoenixes, and Angels"

We were amazed by Yamiga's Super Angel-Cursed Sword-Devil-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Yamiga, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Annihilator 3000 saw it, he fell into an even more darker rage and ran at her to kill her, but Yamiga fired a massive barrage of black and blood red energy, stars, darkness, shadows, cursed swords, demons, phoenixes, and angels which hit The Annihilator 3000 and exploded with incredible power, he got back up, but now, he was beyond pissed off.

Yamiga: (Divine Echoing Godly Voice of The Demonic Deathly Bloody Darkness Shadow Voluptuous Cursed Sword Devil Angel and Divine Cosmic Demonic Deathly Bloody Darkness Shadow Voluptuous Cursed Sword Devil Angel Love) Now, it's high time we reduce you to scrap metal.

Nico: And we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Diamond Sam and Yamiga and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done going on your rampage, you walking piece of scrap metal, and now, you're going to the scrap heap.

Lincoln, Diamond Sam, Yamiga, and I went after The Annihilator 3000, and we fired extremely powerful blasts of rainbow energy, teal energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Annihilator 3000 and they exploded with incredible power as they hit him.

Then, we attacked him with our massive greatswords leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and his two new massive greatswords and I also left many more with my claws, and he, Diamond Sam, Yamiga, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Annihilator 3000 insane and straight to the brink of insanity.

The Annihilator 3000 stomped towards us and it was literally in a fit of rage.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's see what these new greatswords are capable of.

Suddenly, Lincoln's massive Greatsword of The Archangels of God fired beams of holy white light at The Annihilator 3000 and his massive Greatsword of The Demonic Princes fired beams of demonic darkness at The Annihilator 3000 and exploded with incredible power, and they also went at it and they unleashed a powerful storm of holy and demonic energy slashes which destroyed it and they'd returned to their master's side, and then, Lincoln banished it to The Black Gates forever. Everyone cheered as Lincoln, Diamond Sam, Yamiga, and I holstered our massive greatswords on our backs and powered down, and Diamond Sam's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive blonde angel wings are permanent, and Yamiga's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Nico: That's another of Slappy's attempts put down for good, and those brand new greatswords of yours really did some awesome damage to The Annihilator 3000, Lincoln.

Lincoln: It's like I was wielding the powers of Heaven and Hell at my side.

Then, Lincoln's massive Greatsword of The Archangels of God and Greatsword of The Demonic Princes transformed themselves into sword pendants for his Elemental Thunderbird Choker of Eternal Love.

Me: Wow, so they transformed into pendants for your Elemental Thunderbird Choker of Eternal Love.

Lincoln: That's whenever I'm not going to get into any fights, J.D., but whenever trouble rises, then, the swords will appear by my side once again.

Nico: Cool.

Qin: Yep.

Nico: Looks like 10 we reprogrammed are left.

Me: Yep.

Nico: This will be interesting and cool.

Me: Yep.

Lisa Loud: I'll reprogram them when we're done here.

Nico: Okay.

Eddy: Let's give each of them a new color.

Laney: Awesome idea Eddy.

Luan: Yeah. Good idea.

Me: That way we can tell them apart.

Ojama Yellow: That's a good idea. Wouldn't you agree boss?

Chazz: I agree too there.

Ojama Black: They should stand out more. Plus, the silver's too plain.

Nico: I agree there.

Chazz: Same here. Silver is too boring. And Rarity can coat them in jewels that match their colors.

Rarity: That is an excellent idea there.

Me: Yeah.

Lisa finished reprogramming them.

Annilator 5000s: We come in peace! We come in peace!

Nico: Yep. You sure do.

Me: Yep.

Qin: This will be awesome.

Me: Now we have the Anothers to face.

Eli: Lets see who we got. (CONCENTRATES) WHOA! We got Another Ice Cream Org, Whale Nezilar, Music Box Org, Barad Dur - The Tower of Sauron, White Blood Cell Weirdo, Cactus Phantom, Tsumiki Phantom, Rambling Ghost and Titanium Toenail.

WE GASPED!

Qin: The Tower of Sauron Barad Dur!?

Titanium Toenail: Yeah we built that for the Universe 666 Version of Sauron and it serves as the lookout for us to watch for intruders.

Nico: Whoa! That is an everwatchful eye there.

Lola: Yeah.

Nico: Who do we call?

Me: Monarch, Gaia Blaize - Queen of The Earth Fairies, Marianna Almaden - Queen of the Water Fairies, Aprina Arabella - Queen of the Fire Fairies, Princess Kelpie, Kendall Perkins and Yamiga the Cursed Sword.

Nico: Cool!

Yamiga: And I'm already here. So that's cool.

Me: And Monarch just joined the team. I found her on a planet of ice and she would make a great addition to the team.

Nico: Nice.

Me: And also Kendall has had one amazing growth spurt.

Nico: Really?

Me: Yep.

Maria: I'll call them.

Maria did so and out came said people.

Kendall had grown into an amazing woman. She had a green and pink plaid tank top leotard and she had black boots, black fingerless gloves and had a hatchet in her hands.

Kendall Perkins: Hey guys.

Nico: Glad you could come and wow Kick, Kendall is one smoking babe.

Kick: Yeah she sure is.

Monarch: Looks like the fun has started.

Me: Yes it has.

But then there was a rumble and then out of the ground arose ANOTHER TOWER OF SAURON!

WE GASPED!

We were amazed to see how tall it is!

Me: WOW!

Qin: WOW! Seeing it up close is like seeing the real thing in Mordor!

Xenia: Yeah!

Melody Meteor: Wow! Just like in the books and in the movies! That is awesome!

Maria: (to Kendall) When exactly did you get a growth spurt?

Kendall: Oh I've been getting stronger and more powerful and I was getting taller and taller.

Nico: That explains it.

Qin: Yeah.

Kendall: Also ever since I joined you guys and I learned a lot over the years I got taller as I entered high school.

Nico: Cool.

Eli: Also I sense the anothers minus Titanium Toenail are one person.

Me: Ooh.

We then saw the rest of the Anothers on the tower.

Nico: There they are!

We saw Another Ice Cream Org, Whale Nezilar, Music Box Org, White Blood Cell Weirdo, Cactus Phantom, Tsumiki Phantom and Rambling Ghost!

Me: Whoa!

Nico: This will be big.

Another Eye of Sauron: (In a girls voice) This will be awesome.

Lincoln: Jenna Jakku!? Whoa!

They merged and she reverted back and was a girl with blond hair, purple eyes, purple clothes, orange angel wings and she had an awesome keyblade.

Jenna Jakku: Awesome to see you again Lincoln and wow you grew into an amazing young man.

Lincoln: I sure did.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. Meet Jenna Jakku, Keyblade Knight of Jakku, she's my's Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the desert planet, Jakku, and she has intense light, fire, and heat powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the desert planet, Jakku, and she witnessed the Jedi Knights' battles against The Sith, and she'd helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of fire, heat, and light.

We were amazed.

Me: Wow! The Keyblade Knight of the planet Jakku.

Rey Skywalker: (British Accent) You're from my home planet. That is really amazing.

Jenna Jakku: It sure is and thank goodness you're okay Rey.

Nico: I WANT ICE CREAM!

Me: Nico calm down.

Nico: Sorry.

Jenna Jakku: He sure likes ice cream.

Me: Yep he sure does.

Nico: I WANT ICE CREAM NOW!

Me: NICO CALM DOWN! Jenna is the Another Titanium Toenail friendly or hostile?

Jenna Jakku: Friendly and she is a powerful force.

Me: Whoa.

May: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: GIVE ME ICE CREAM NOW!

Nico ran like McWolf from Tex Avery and jumped on Another Ice Cream Org and licked him all over!

We then blasted the Anothers and I caught the Wonder Ride Books. Nico then patted his belly and then burped up the Wonder Ride

Book!

Me: Boy Nico sure licked him clean!

Maria: Better call in backup. (TURNS DIAL) WHITEOUT FURY 6!

She summoned Whiteout, Evil Rainbow Man, Vikings of Takar, Evil Aurora Woman, RTN Hinata and Octobulb!

Nico: YEAH! (BURPS)

But then…

Nico: Uh oh! AGH! BRAIN FREEZE!

Me: OOH! Geez! I hate it when that happens!

Lola: Yikes!

May and Maria hugged Nico.

Jenna Jakku: That's what happens when you eat ice cream way too fast.

Me: Yeah no kidding.

Whiteout: Nico ate Another Ice Cream Org really fast?

Me: Yep. At least his head isn't turning into a block of ice.

Nico: I just love ice cream!

Lola: We know Nico.

Me: It could have been worse. Like the time when Peter Griffin's head exploded when he ate half a fudgesicle in one bite.

CUTAWAY

Peter Griffin: Oh boy a fudgesicle!

He ate half of it in one bite and then got A NASTY BRAIN FREEZE!

He cringed and then screamed and then…

SQUELCH!

HIS ENTIRE HEAD EXPLODED! SPLATTERING BRAIN MATTER AND BLOOD AND GUTS ALL OVER THE PLACE!

END CUTAWAY

Nico: Ouch!

Me: Yeah. No shit.

Stewie: That was a funny cutaway J.D.

Me: Thanks Stewie. Now for Another Titanium Toenail.

Nico: Yep.

SLASH!

I got cut by something in my face.

Me: OUCH!

I got cut on my face by a giant titanium toenail!

Blood dripped down my face.

Me: OUCH! Where did that come from?

Nico: No idea!

Eli: From her!

We saw Another Titanium Toenail!

Me: Whoa!

Titanium Toenail: Who is that good looking guy?

Me: Another you.

Another Titanium Toenail: (In a girls voice) Oh man! Sorry J.D.

Me: (GASP) That voice.

She reverted back and was a girl with light blue hair, a bow in her hair, blue eyes, blue clothes and blue wings and she had a tiara with the symbol of a different version of the Moon Dopant and she had the same symbol on her skirt and had a moon sword in her hands.

Me: (GASP) Serenity Moon!

Serenity Moon: Awesome to see you again J.D.

Me: You too. Serenity is the Embodiment of a different version of the Moon Dopant and she has moon powers and also is a master of the night.

Serenity Moon: It's true. Also I know how to fire energy blades too.

Titanium Toenail: That's cool! Except mine are metal.

Serenity Moon: Close enough.

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead

Kaito got a Mighty Morphin Sword and Zocks got a Jetman Sword.

Serenity Moon: No he didn't promise me anything. I used the cover of the moonlight at night to escape.

Me: Very crafty.

Nico: Nice.

Sougo: (gets out Mighty Morphin Ridewatch) Are you related to Sailor Moon?

Geiz: (gets out Jetman Ridewatch) If not, it's okay.

Sougo got TyrannoMightyMorphinArmor while Geiz got RedHawkArmor.

Serenity Moon: (LAUGHS) That's funny. Everyone asks that but no we aren't related.

Me: That's alright.

Lincoln: Lets separate you first.

He fired a beam of light and separated her.

Serenity Moon: Awesome.

She slashed Another Titanium Toenail all over.

Nico: Time for some blade power! (ACTIVATES TITANIUM TOENAIL AND RAMBLING GHOST'S RIDEWATCHES)

He fired blades of energy and smashed the Another all over.

May: Taste the dead. (ACTIVATES HADES (Clash of The Titans) And TTG LEPRECHAUN'S RIDEWATCHES)

She fired skulls and rainbows and blasted the Another.

Maria: Mary Francis, I don't know why people hate you but I don't. (ACTIVATES MARY FRANCIS AND HAMSTERVIEL'S RIDEWATCHES)

She fired magic and energy blasts and blasted the Another.

Gusty the Great: This will be good. (ACTIVATES RAMBLING GHOST'S RIDEWATCH)

She fired magic blasts and blasted the Another down.

Then Titanum Titan, Megalon, Gabatt Kababacci, Wood Ninja, Tap Tap and Stoica came.

Nico: Nice team Titanium Titan!

Titanium Titan: (Spanish Accent) Gracias Nico.

Me: Boy this will be fun.

Stoica: Aw, you had ice cream without us?

Nico: MINE!

Me: Nico you already ate all that.

Nico: Oh right.

?: Geez Nico always loved ice cream.

Yamato Man came.

Me: Yamato Man! Wow!

Yamato Man: (In a girls voice) This will be fun and cool.

Nico: Suki Yamato!? Whoa!

She reverted back and was a girl with purple hair and purple clothes and purple angel wings and she had a spear in her hands and she had a symbol of Mount Fuji on the middle of her forehead.

Suki Yamato: Awesome to see you again Nico. I got this.

She fired a blast of energy and blasted the Another down and I caught the ridewatch and purified it.

Me: Awesome.

Nico: That was fun.

Gusty the Great: What's your favorite memory of Nico?

Suki Yamato: When me and Nico raided a Yakuza hideout and we killed them all.

Nico: That was fun.

Me: That is cool.

Laney: Yep.

Nico and Suki hugged.

Nico: I've missed you.

Suki Yamato: Same here.

We went back home

Lincoln: Ah, we're here in Lansing, Michigan, and I know what we're going to do here, not only am I going to rescue the four girls and Ed Cowart is going to rescue the thirty-six girls here, but we're going to be hearing of an old legend that was told over a hundred years ago, and we're also going to end the century old curse tied to this legend.

Nico: A legend? What kind of legend?

Suddenly, we saw a beautiful and super sexy girl with long midnight black hair with red hairband, pink eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive and beautiful midnight black angel wings, and she was dressed in a short-sleeved midnight black blouse, midnight black short-sleeved frilly shirt, white cravat, long midnight black frilly skirt with jewels around the waist, midnight black knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, shadows, demons, creatures of the night, phoenixes, and angels on the coattails and on the back are the creatures of the night, and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Allie Calavera, Lansing's Queen of Darkness and Crystal Blanchard, Queen of The Ice Fairies.

Allie Calavera: That's right, and it's awesome to see you again, and we know why you're here. Follow us.

We headed deeper into Lansing, and we came across a grave with an oak tree above the grave.

Allie Calavera: This is the gravesite of one of the most notorious witches ever to haunt Lansing, and the story you're going to hear isn't for the faint of heart.

We listened closely to Allie's tale.

Allie Calavera: My grandfather told me this story when I was a child, and I remembered it all too well. It started over a hundred years ago in 1910, there was a boy who was born here, his name is Miguel Calavera, and according to my grandfather, he's my great-great-great-great grandfather. Like me, he was born with incredible dark powers, but he was forbidden by his parents to show them to anyone for fear of being accused of being a witch because of the fear of witches. However, everyone did look at him strangely, his eyes were black as coal and he was always dressed in dark clothes. One of the people said that they'd seen him talking to someone that wasn't there, and that frightened them, but it didn't stop there: children began waking up from nightmares late at night and the people reported seeing a figure at their windows, a sign of ghostly phenomenon, and they also saw animal corpses and the milk was sour: those were signs of witchcraft, and to the townspeople at the time, it made a lot of sense. Soon enough, they put all the signs together, and discovered they have a witch in their midst and it was most likely Miguel.

We gasped.

Allie Calavera: But, it didn't end there, Miguel drove a huge wedge in his family when someone saw him doing fortune telling which was forbidden at that time. Soon enough, he was brought before the people accused of witchcraft, and as a result, he was shunned forever, banned from Lansing, and was forever cut off from everyone including his own parents. But, they would be in very huge trouble, in his anger, Miguel hurled a curse on the entire community saying that the people of Lansing will suffer his revenge, whether they're sleeping in their beds or sitting in their chairs, everyone will suffer his revenge.

Me: Oh no! He's laid a curse on Lansing.

Allie Calavera: Exactly, and among the shocked population were those who had sought his counsel, they fear that the curse will haunt them for generations to come. But, one evening, on December 21st, The Winter Solstice, delirious from hunger and driven mad from isolation and loneliness, Miguel wandered in search of food, but one morning, a farmer doing his early chores discovered something in rags, and he saw who it was: Miguel Calavera, he perished from starvation and froze to death, but the problems were far from over. Hoping to preserve his eternal soul, his parents recovered his body and dig him a grave in a secret late night burial, but as soon as the people found out, they ordered that an oak tree was planted on his grave to keep his dark soul from escaping.

Kaiba: An oak tree planted above a grave? That's rather unusual.

Lincoln: Not exactly, it was said in local folklore that the oak tree placed on the grave of a suspected witch will bind their body and spirit to the Earth, its roots and the grace of God will keep the witch from escaping and getting revenge, but it will never fully destroy the witch, it instead absorbs the dark spirits.

Allie Calavera: But, the evil was only kept at bay for as long as the tree stood strong, and as the dark activity ceased and the decades passed, his story passed on to legend.

Lincoln: But, the fear of what happened over a hundred years ago would eventually be reborn into the modern day world. On December 21st, 2010, it was The Winter Solstice once again and it was the 100-year anniversary of Miguel Calavera's death when the slumbering evil awakened. A devastating winter storm blew into Lansing: and it spooked the nearby animals and something evil possessed the children living there into attacking the animals or were suffering from convulsive attacks as well.

Eli: Okay, now that was really dark.

Allie Calavera: It sure was. Then, after the storm was over, one of the locals remembered the story of Miguel Calavera. He went to check on Miguel's grave, and he saw the mighty oak tree was destroyed in the storm. Since the oak tree was destroyed, Miguel's dark spirit was unleashed and free to cause havoc on the people, and by seeing how the children were badly attacked and/or possessed and how the animals reacted, there was no mistaking it.

Me: Oh God, now that's dark.

Lincoln: Eventually, a new oak tree was planted on top of Miguel's grave to contain his evil spirit once more and the old oak tree was burned. But, even planting a new oak tree wouldn't last long because each year on December 21st, the anniversary of Miguel's death, a fierce winter storm blows into the city, destroys the oak tree, and releases Miguel's evil spirit once more. No one in Lansing is safe from Miguel's wrath: the evil blackens the skies with dark clouds and shadows in their homes, destroys their property, spooks their animals, and possesses their children, and the only way for the citizens of Lansing to protect everyone from Miguel's revenge is to continue planting another oak tree and pray that he doesn't escape.

Lucy Loud: It was the only way for the people of Lansing to be safe, but now, we felt it: the curse of Miguel Calavera is festering, it won't be long before The Winter Solstice arrives, and the witch's curse is unleashed once more.

Lincoln: Exactly, Lucy. So, our plan is this: we're going to perform an exorcism on the tree, and then, once Miguel Calavera is brought back from the grave, we strike him down and send him straight to The Black Gates and end the witch's curse. Let's get to work.

The Goths of Darkness made a massive circle of salt surrounding the tree and they also made some arcane symbols as well. Suddenly, the salt circle began glowing: the sign that the exorcism is about to start, but then, we heard an unearthly and ungodly growl coming from the tree: Miguel Calavera isn't going to go without a fight, but Lincoln stood his ground as he recited The Lord's Prayer and we suddenly heard the tree let out one last unearthly and ungodly roar as it unleashed a black and red mist of darkness, and it took on the form of a male black-haired teen dressed in black clothes from 1910: it was Miguel Calavera, accused vengeful witch who laid the curse on the town.

Allie Calavera: It's him.

Lincoln: Miguel Calavera, your ancestor and the one who put the curse on Lansing a century ago.

Sylvester: Now, all we have to do is end him and the curse is over.

Then, Lincoln fired waves of energy slashes from his massive greatsword and The Greatsword of The Archangels of God and Greatsword of The Demonic Princes and they tore Miguel Calavera apart and Lincoln not only sucked out all of Miguel Calavera's dark powers, but he was sent to The Black Gates for good as the menacing aura surrounding the tree over his grave fades away for good. We cheered as we holstered our weapons and powered down.

Lincoln: And so ends the century old curse of Miguel Calavera. (To Allie Calavera and Crystal Blanchard) And it's so good to see you both again, Allie Calavera and Crystal Blanchard.

Allie Calavera: You too, Lincoln, it's been seven years since we last met.

Crystal Blanchard: And I knew you'd be here for the very reason to end Miguel Calavera's curse.

Lincoln went up to Crystal Blanchard and he hugged her, and Crystal Blanchard is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire

Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Crystal Blanchard: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Allie Calavera: You've really really grown a lot and became a man,

but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful ice fairy and goth girl?

Lincoln: Indeed I do, J.D., the ice fairy is Crystal Blanchard, Queen of The Ice Fairies, she's my Guardian Angel and the Queen of The Ice Fairies of The Blizzard Kingdom, an enchanted fairy village populated by The Ice Fairies. Crystal Blanchard is a human sized fairy and powerful and skilled fighter with incredible control over ice and possess many incredible powers over ice and magic. I met Crystal when I discovered a portal that led to The Blizzard Kingdom in the secret garden my Guardian Angels and I know about, and I saved Crystal from an attack caused by the very deranged fairy-obsessed killer Randall Williams. Crystal was very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with my entire harem, I promised that when I came of age, I will marry her.

Me: We were hoping to meet her at her kingdom, but you had an emergency here in Lansing.

Lincoln: Exactly, and this is Allie Calavera, Lansing's Queen of Gothic Darkness, she's my Guardian Angel from Lansing, Michigan, she's a very powerful Dark Goth Angel with immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and she was also born with massive black angel wings, but she has a dark family history that began over a hundred years ago with a boy that was born in 1910, that boy was her ancestor, Miguel Calavera, like Allie Calavera, he was born with incredible dark powers, but he was forbidden to even show them to anyone for fear of being accused of being a witch because of his parents' strict religious upbringing. However, everyone did look at him strangely, his eyes were black as coal and he was always dressed in dark clothes. One of the people said that they'd seen him talking to someone that wasn't there, and that really frightened them, but it didn't stop there: late at night, children began waking up from bad nightmares and the ghostly phenomenon also started at night as well, and they also saw animal corpses, and the townspeople put all that together, and discover they have a witch in their midst and it was Miguel. Then, he drove a huge wedge in his family when someone saw him doing fortune telling which was forbidden at that time. Soon enough, he was brought before the people accused of witchcraft, and as a result, he was shunned forever and he was forever cut off from everyone including his own parents. But, they would be in very huge trouble, in his defiance, Miguel hurled a curse on the entire community saying that God's vengeance will strike them down and Lansing will suffer his revenge, whether the people are sleeping in their beds or sitting in their chairs, everyone will suffer. Among the shocked population were those who had sought his counsel, they fear that the curse will haunt them for generations to come. But, one evening, on December 21st, The Winter Solstice, delirious from hunger and driven mad from isolation and loneliness, Miguel wandered in search of food, but he fell into nearby Lake Michigan and drowned. His body was brought to shore days later, some believe he was murdered, others believe it to be God's work, but the very problems were far from over. Hoping to preserve his eternal soul, his parents recover his body and dig him a grave in a secret late night burial, and an oak tree was planted on his grave to keep his dark soul from escaping. But, the evil was only kept at bay for as long as the tree stood strong, and each year on December 21st, the anniversary of his death, a devastating storm strikes Lansing, knocks the tree down, and releases Miguel's evil spirit upon the city.

Nico: Just like what we heard. So, she called you here to Lansing for one reason.

Allie Calavera: To put an end my ancestor's century-old curse, I knew we couldn't keep planting oak trees forever because each year on December 21st, The Winter Solstice and the anniversary of his death, a devastating winter storm he conjures destroys the tree and releases his spirit on the city once again.

Lincoln: That's right, and it's best that we ended Miguel's curse before December 21st or there was going to be another repeat of what happened in the years before that, and now that you two are here.

Lincoln went up to and hugged Crystal Blanchard in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Crystal Blanchard: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Crystal Blanchard's neck with ice blue gems on the gold lightning bolts and ice blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck, and an Elemental Thunderbird Necklace of Eternal Love appeared on Allie Calavera's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Crystal Blanchard : (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Crystal Blanchard and Allie Calavera.

Crystal Blanchard and Allie Calavera had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around their waists and he leaned down to their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the four girls Lincoln was to rescue and the thirty-six girls Ed Cowart was to rescue, and when Lincoln saw the four girls, he immediately recognized them. The four girls are Tamane Ichijiyou, Futaba Suzukiri, Mari Mitsubishi, Shiki Getsukoin, and Mika Housenjiru from Office True Love.

Tamane Ichijiyou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each

corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tamane Ichijiyou: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tamane Ichijiyou, Futaba Suzukiri, Mari Mitsubishi, Shiki Getsukoin, and Mika Housenjiru with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Miguel Calavera, a century-old witch from Lansing who died in 1928 after he was shunned forever after being accused of witchcraft, but not before placing a curse on Lansing that promised that he would have his revenge.

But, when Lincoln showed what he did in using the exorcism prayer to draw out Miguel Calavera's evil spirit from his grave, and then, what we all did in thrashing him, and Lincoln finishing him off by firing energy slashes from his massive greatsword and his new greatswords that he acquired which killed Miguel Calavera and sent him to The Black Gates forever and ending the century-old witch's curse for good, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln, Allie Calavera, and Crystal Blanchard have a lot of catching up to do now that she's back in town.

Maria: Whoa, so that explains those ungodly roars we heard from Lansing, you guys were there to get rid of Miguel Calavera for good.

Lincoln: That's right.

Nico: And we heard the story of him from Allie Calavera, and it was really really dark.

Me: And we finally brought an end to the century-old curse of Miguel Calavera for good, now Lansing is safe from the threat of the supernatural.

Lincoln: Yep. No more vengeful spirits of century-old witches and no more dark curses will haunt the city of Lansing ever again.

* * *

After ending the century-old curse of Miguel Calavera that was cast on Lansing a century ago, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Crystal Blanchard and Allie Calavera saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Crystal Blanchard: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Allie Calavera: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Crystal and Allie, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Crystal Blanchard: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Allie Calavera: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Crystal, Allie, what memories did you have with Lincoln?

Crystal Blanchard and Allie Calavera put up a video, and it showed Lincoln, Crystal Blanchard, and Allie Calavera during winter time in Royal Woods and they were dressed in their snow clothes and they were having fun in the snow.

Past Crystal Blanchard: This is so awesome.

Past Lincoln: It sure is, Crystal.

Past Allie Calavera: Winter in Royal Woods is like a winter wonderland.

LOUD MONSTROUS BELCH!

Suddenly, Lincoln caught the stench of B.O., limburger cheese, chum, and feet in the air and almost threw up and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Crystal Blanchard: Oh no. Trouble?

Past Lincoln: Yep, it's Lynn, and it's… (GULPS)

Past Allie Calavera: (ECHOING VOICE) PACKING DAY!

Suddenly, they saw Lynn appear and she was on another Packing Day rampage once again, but then, they saw a massive army of hulking muscular thugs heading right for Lincoln, Crystal Blanchard, and Allie Calavera and they were out to kill them, no doubt sent by that mutant, Flip. Suddenly, Lincoln fired vacuum tubes from his chest which latched onto the chests of the massive army of hulking muscular thugs, and then, the vacuum tubes literally began sucking the hulking muscular thugs dry of all of their blood, massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed along with his eleven massive and long white tails and he was growing even stronger.

When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln who was now even larger in muscle mass and even more taller and stronger and much more imposing and his orange swim trunks have stretched out even more thanks to the sudden muscle mass increase, and the thugs were dead and weak and thin as a rake and completely drained of blood. Then, he turned his attention to Lynn and she roared and threw snowballs at them, but Lincoln fired blasts of fire which melted them, and then, he ran at Lynn and gave her a mega hard punch with his excessively massive brute superhuman strength that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Crystal Blanchard: Linky, are you alright?

Past Lincoln: I'm okay, Crystal, this always happens whenever that mutant send his massive army of hulking muscular thugs after me.

Past Allie Calavera: True, you always wind up getting larger in muscle mass and even more taller and stronger than ever, and you really kicked Lynn's smelly butt, you know this means she's getting her ass kicked when we get back. (Seductively) But, first.

Suddenly, Crystal Blanchard and Allie Calavera seductively walked up to and hugged Lincoln, and he hugged her back as he wrapped his arms around their waists and they kissed him, but Lincoln was then kissed all over the place: his face, his massive arms and biceps, his massive pecs, eight-pack abs, and legs, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Then, snow continued to fall on them, and it was truly a romantic sight as the video ended.

May: Sheesh, so Lynn was out on another Packing Day rampage, and that mutant tried to kill you three again?!

Allie Calavera: Exactly. And after we had our passionate make-out session, we went back home and we already knew that Lynn was already in her cage.

Luna: Yep, and needless to say, that belching farting overly-aggressive wild animal also got grounded for eighteen weeks before she got thrown back in like the gorilla that she is. Plus, when we heard that mutant tried to also kill them, I wanted nothing more than to hit him on the head.

Lily: Same here, and we knew Lynn would go way too far again since it was Packing Day, we thought we were rid of Dark Lynn, but we were wrong, and we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times, and that of course also caused her to let out a ton of gasses again. Thank goodness we had those 25th Exomasks on.

Nico: Chase Young no doubt had a hand in this, he caused Dark Lynn to return and he did the same thing like he did to Sebastian.

Lincoln: You know, I was about to point that out, Nico.

We got a shower afterwards, and then, Lincoln, Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan are heading to Beach Bowl Galaxy.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Evelyn: Wow, so, this is Beach Bowl Galaxy, it sure is beautiful.

Lincoln: It sure is, Evelyn, and it's perfect for our first date. Shall we?

Lincoln, Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan and they hugged the girls in their abnormally massive and powerful muscular arms, and Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Beach Bowl Galaxy, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan are in your harem.

May: Yeah, I knew they'd be good matches for his harem, since the real Evelyn, Nita, Dana, and Morgan already have love interests.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Evelyn, Simulator Nita, Simulator Dana, and Simulator Morgan, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

---

Later we were at the park relaxing. But then we smelled something really foul!

Sailor Moon: What's that smell?

Me: (Sniffs) OH GOOD GOD! Nico are you lactose intolerant!?

Nico: NO IT'S NOT ME! Also no I'm not lactose intolerant.

Poromon: Hey guys! Like my socks?

We saw Poromon wearing sweaty stinky socks!

Me: (Sniffs) OH GOOD GOD! THOSE STINK REALLY BAD!

Ikki: Kita, me and Vice will never regret meeting you.

Kira: I won't either. It was so awesome.

Vice: It sure was.

Lizzy Morris: Good Lord!

Bulk Biceps: Those are my socks that I never washed for 6 years!

WE WERE SUPER GROSSED OUT!

Me: THAT IS SO GROSS! (VOMITS ON NICO)

Nico: OH SICK!

Lincoln: That is so wrong Bulk!

LINCOLN THREW UP ON NICO TOO!

But the smell was so UNBEARABLE THAT EVERYONE INUNDATED NICO IN THROWUP!

EVERYONE THREW UP ALL OVER NICO!

Luna: PUKE STORM!

FWOMP!

Luna fainted.

Vice: Remember when you guys met me on Mustafar?

Kita: That was so fun and cool.

Vice: Boy that was cool.

Ikki: It sure was.

Sakura Igarashi: It sure was awesome.

Blackout: You mean you never washed your clothes in so many years?!

Bulk Biceps: Yeah it's because I work out a lot and it's fun.

Fluttershy even got sick and threw up on Nico.

Nico: AW MAN!

Fluttershy: OH NO! I'm sorry Nico.

Rainbow Dash: Believe me guys I know. The smell is horrible. I wore that sock during a soccer game.

Me: (THROWS UP ON NICO) OH YUCK!

Ikki: Don't forget that you guys helped reunite me and Vice

Kita: That is for sure.

Vice: Yeah that was cool.

Ikki: Yep.

Kita: Yeah it was cool.

Deadpool: Not to mention many people say that me and Vice are alike

Ikki: Yeah you and Vice have so much in common Wade.

Then they saw us throwing up all over Nico!

They heard us saying things about a foul odor!

Ikki: Uh oh.

Kita pulled out a nose plug and gave a couple to Deadpool and Ikki.

Vice: Good thing I don't have a nose.

Kita: Good gravy what happened!?

I pointed to Poromon wearing Bulk Biceps socks.

Kita: Whose socks are those?

Poromon: Bulk Biceps. He hasn't washed these in 6 years.

Kita: Okay that is wrong!

?: Boy no kidding!

A girl flew in and she had red hair, red eyes, red clothes and red angel wings and she had Cheetah Ears and a Cheetah Tail and had a tiara with the symbol of the Zyuohgers on it and the same symbol on her skirt.

Zinnia Zyuohger: Zinnia Zyouhger, Embodiment of the Zyuohgers and Avatar of the Zyumans.

Kita: Awesome to meet you Zinnia.

Zinnia Zyuohger: Same here.

Yamato: Wow it's an honor to meet our embodiment.

Zinnia Zyuohger: Same here. I heard you guys killed Ginis.

Me: That was awesome and cool.

Tusk: It sure was.

Leo: Yeah I'll say.

Hardhead: Tell us more about yourself

Zinnia Zyuohger: Well I'm actually a Zyuman hybrid. I'm half human half Zyuman. My mother was the Cheetah Zyuman.

Nico: Cool!

Zinnia Zyuohger: Yeah. I am a track runner and I won my school every championship there is and I also help people out by reading stories to kids in the hospital.

Seia: That's amazing.

Me: It sure is.

Zinnia Zyuohger: Yeah.

Nico: Would you like to join the team?

Zinnia Zyuohger: I would be honoed.

Me: Awesome. Lets get you cleaned up Nico and Bulk I think it's time you washed those socks.

Bulk Biceps: You're right. It has been a while.

Drag Strip: Boss, who gets to shine today?

Nico: Georgina, Luna Loud, Sam S.L., Xenia the Xerneas, Irma, and Kadma.

Me: Awesome.

Camie: Yeah!

Me: First lets get Nico cleaned up before we talk about more.

Nico: Good idea.

Maria fired a wave of water and cleaned him up.

Maria: There.

Nico: Thanks sis.

I teleported the socks to the wash and snapped my fingers to clean them up in the washer.

We later went back home and got ready.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Horrorland 2.0., a rebuilt version of Horrorland, and Lizzy Morris and the others are in serious trouble. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Horrorland 2.0., a rebuilt version of Horrorland, and Lizzy Morris and the others are going to be in serious trouble.

We gasped.

Me: That good-for-nothing piece of termite food, he's rebuilt Horrorland!

Nico: No kidding, and Lincoln, you found out who our next target is: Return to Horrorland.

Nico got out the book.

Lori: Whatever Slappy's got planned in Horrorland 2.0., we need to hurry and help Lizzy and the others.

Nico: You're right, Lori. Let's head down to Horrorland 2.0. and help Lizzy and the others.

Me: And blow that Horrorland 2.0. into dust.

Lincoln: Slappy went way too far rebuilding Horrorland, this time, we'll reduce it to ashes!

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Nico: I never get tired of you making the curse even worse for Slappy and his cohorts and making things even worse for Bob Roth and Alexander DuBrow.

I went over and got the book One Day in Horrorland.

Me: We went to Horrorland back in 2019 and it was a terrible place.

Lizzy Morris: Guys, I'm actually with you right here. But the rest of my family isn't!

Me: We know you're here with us. But We got to get over there.

Nico: Yeah.

Camie: You guys went there before right?

Me: Yeah we sure did. And it was an absolute nightmare.

I went over what happened in chapter 771 and it was crazy.

When I was finished everyone that hadn't heard about it was horrified!

Maria: Some of the Horrors actually changed their ways. This Horrorland 2.0 must be including the Horrors that remained evil.

Nico: If that's the case then we we're going to give them the black gates.

Me: And no doubt Madison Storm is back too.

Nico: But he was given the black gates.

Me: Not if it was a clone.

Lola: Yeah.

Nico: Good point.

The previous group came.

Hydrax: Can me, Pyro, Hsi Wu, Grumblemon, Electrocutioner, Comic Book Guy, Juggernaut, Larxene, Multiplex, and Tchang Zu go with you guys?

Nico: Yes you all can come with.

Xenia: We're going to Horrorland next.

Pyro: What!? I thought you guys blew that place to kingdom come?

Me: We did but Slappy rebuilt it and now calls it Horrorland 2.0.

Pyro: That rotten toothpick!

Camie: Yeah!

Inque: Nico, which Gene Slammer do you think you'll meet next?

Nico: Wind Man next.

Me: Ooh that one will blow away the fun.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure

is none other than The Empress, the next member of the Vampire King's court in the Adventure Time miniseries "Stakes", and she's come back to get his revenge on Marceline, Finn, and Jake. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Finn, Jake, Marceline, you three and the rest of our friends from Ooo aren't going to like it one bit: the figure and dark energy we sensed belongs to The Empress.

Marceline: The next member of The Vampire King's Court, I should've known. But, like I told you guys yesterday, don't underestimate her, she has the power of hypnosis.

Me: We know, but hypnosis doesn't work on us because of our powers.

Brunhilde Ildsverd: (Norwegian Accent) True, but we can't underestimate her though, but she will be slain by our hand.

Lincoln: And then, it's the turn of The Vampire King.

Nico: Slappy's already losing his mind because of what we've been doing to them. Alright, gang, let's go, we're off to Horrorland 2.0. to rescue Lizzy and the others.

Lincoln: And blow that evil amusement park of horrors to dust, and once we get done with that, you're next, Empress.

Brunhilde Ildsverd: (Norwegian Accent) You think that you can just come back from the dead to get revenge and kill our friends, fat chance! You're getting a stake driven right through your undead heart after we rescue our friends from Slappy's rebuilt Horrorland 2.0.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Horrorland 2.0. to rescue Lizzy and the others and blow that evil amusement park of horrors to dust, and once we get done with that, Brunhilde Ildsverd and Lincoln are going to destroy The Empress, the next of The Vampire King's Court.

We were off to Horrorland 2.0

---

We arrived at the sight of where the original Horrorland used to be in Oregon and it was now a horrifying place. It looked like a scary version of Glove Universe times 100.

Nico: WHOA!

Me: Horrorland 2.0.

Lola: Horrible.

We saw a sign.

Me: Welcome to Horrorland 2.0, The Scariest Place on Earth. Enjoy it for it will be your last day alive.

Eli: (Sarcastically) Oh that is very inviting.

We went up to the gate.

Horror: Can I see your tickets, please? (gets shot by Dead End)

Pyro: Didn't you do that before?

Dead End: What can I say? I found it enjoyable before.

Me: You sure did and I remember that.

We went in and it was HORRIFYING.

Me: Whoa.

The whole place was scarier than the last time.

Lola: Scary.

Me: Look there!

We saw Lizzy's brothers in Stocks.

We went over!

Me: Are you guys okay?

Luke Morris: (sarcastically) Oh, we're just hanging around.

Threatpack: We can see that.

They were locked and I slashed the lock and broke them out.

Me: Let me guess, Slappy took you all here to lure us here as bait.

Luke Morris: Yeah he did! For him!

We saw a clone of MICHAEL MYERS!

(MICHAEL MYERS THEME PLAYS)

Me: Michael Myers!?

Nico: He has clones of the Slashers of horror too!?

I slashed the clone and banished it to the Black Gates!

Mokunaii XI: I wonder if they'll notice a Mummy like me around here.

Grumblemon: Trust me. You'll blend right in.

Me: But it'll be perfect for you guys.

Miia: That makes us feel right at home.

Nico: Yeah.

Laney: Boy this place has a lot of bad memories.

Xenia: Yeah it sure does.

Me: But we did find out one good thing. We found out that the Paradigm Brothers made Air Animal Gene-slammers.

Nico: Yeah they sure did.

Horror: Would you like some ice cream?

Nico: Sure! (rips heart out of him) And I'll see how it tastes when it covers your heart!

Edward: Gruesome but interesting.

I fired an energy blast and blew the Horror apart.

Nico put some on it and then ate it.

Me: OH YUCK! Nico don't make me throw up on you again.

Laney: How did it taste?

Juggernaut: Tell me it tastes delicious!

Nico: BLECH! That was disgusting! That heart tasted like raw sewage, bat guano and toxic waste!

Me: YUCK!

Camie: That is disgusting.

I gave him some mouthwash and he drank and gargled it and spit it out.

Nico: Thanks.

Me: No problem.

Birdbrain: How about tasting that ice cream alone?

Nico: The Ice cream is scarab and cockroach flavor.

Lana: I'll eat that.

Lana went and did so.

Me: (LAUGHS) Lana.

Nico: Yeah.

Then we saw a sign.

Me: That's new. Visit The Cave of The Thing!? Oh dear god!

Nico: Slappy what the fuck are you even thinking using The Thing like this!?

Dreadwind: (to Multiplex and Georgina) So? How was the Doom Slide?

Georgina: Not as scary as last time.

Nico: At least that's one thing that remains the same.

Then a clone of Jason Voorhees appeared and I fired an energy blast and blew the clone back to the Black Gates.

Me: Jason Voorhees clone.

We then went and checked out the Cave of The Thing.

Lincoln: Fluttershy you stay with me.

Fluttershy: (Shivering in fright) Okay Linky.

We went in.

(THE THING THEME PLAYS)

We walked on and stayed close.

We looked around and heard the roars of numerous creatures all at once.

We then saw a monster that looked like the Juliette Thing!

Me: What the fucking hell!?

Lola: Scary!

Horror: Step right up and see the Thing in its' glory! (to us) What do you think of our star attraction?

Tchang Zu: Here's what I think.

He grabbed the Horror and then tossed it to the Thing's cage.

Luna Loud: Have fun!

The creature ripped him to shreds!

I fired a wave of fire and incinerated the creature!

Then we saw a bunch of Thing Monsters and I fired waves of fire and incinerated them into nothing.

Nico: Nice one.

Lincoln: It's okay Fluttershy. It's okay.

Nico: Horrible.

We got out of the attraction.

Me: I have a feeling that there's more coming.

Weirdwolf: Speaking as a fellow wolf, why don't we investigate Werewolf Village?

Nico: Good idea.

Me: That's where we saw the werewolf as an Another.

Nico: Yeah we sure did.

Tchang Zu: We got that one in as a way to show appreciation to this place.

Me: Nice.

We went to Werewolf Village.

We arrived and it was a scary place.

Lizzy Morris: I remember this place and how scary it was.

Me: Yeah. No kidding.

We saw a werewolf coming!

Lizzy Morris: Oh no you don't!

She fired a wave of yellow lightning and electrocuted it!

Nico: Nice one.

Sam Sharp Loud: More incoming!

Larxene: Here's some lightning of my own!

She fired waves of lightning and electrocuted them.

Nico: Yeah! Wait look!

We saw some aliens! But these were the Aliens from the movie Battle Los Angeles!

Me: WHOA! The aliens from Battle Los Angeles!

Shanan: Oh dear god! Those are Terquenaquans! They are evil biomechanical aliens from the planet Terquenas and they are nasty and dangerous aliens.

Nico: Geez! So that's what they were!

Me: Whoa!

I fired waves of energy and blasted the aliens apart!

Barricade: Did we face those before?

Nico: No. But now we know what they are.

Me: We'll blow up their planet with the superlaser later.

Nico: Agreed.

We blasted more horrors coming!

Me: Awesome.

Comic Book Guy: Worst. Theme park. Ever.

Xenia: You said it!

Me: I agree there!

Qin: Yeah no kidding!

Me: Now we got to go after Madison Storm.

Nico: I know he will be ready for us.

Lola: Yep.

Slugslinger: We're gonna have to plant a bomb here to blow this place up.

Me: Good idea. I blew this whole place up with a Kamehameha Wave before.

Camie: That is cool.

Lola: Yep. It sure was.

Nico: Yeah.

Eli: I sense the clone for Madison Storm. He's in that house there.

We saw a castle that was scary.

Me: Whoa. Just like before.

Irma: Let's also scan this place in case more things need to be added to Phoenix Land.

Electrocutioner: Good idea.

Me: I was just about to suggest that.

Nico: Yeah.

I had the satellites scan the park for anything.

Nico: Awesome.

Lola: Entrance time?

Sour Sweet: Entrance time!

Poromon: I got something planned for when we bust in!

Me: Ooh.

Nico: Okay.

Ben: I got just the alien to take him down like before.

Ben turned into Juryrigg.

Ben: JURYRIGG!

We went at the castle.

Dr. Storm clone: FUCK THAT TEAM LOUD PHOENIX STORM! THEY RUINED EVERYTHING!

Then the spirits of horror appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the ceiling and a phoenix cry was heard and we landed in front of him.

Me: Surprised to see us again?

POW!

I punched him in the face and knocked out some of his teeth.

He got up and he had blood dripping from his mouth and nose.

Dr. Storm Clone: You motherfucker! You broke my nose!

Me: I'm about to break a whole lot more than that you fuckhead! I'm going to kill you.

I punch him in the stomach and we stood in stances.

Dr. Storm Clone: You scared shithead? Well you should be. Because this-

Suddenly, he stopped his sentence as he smelled something.

Dr. Storm Clone: What's that disgusting smell?!

Kadma: Oh, don't tell me.

We saw Poromon wearing yet another pair of Bulk Biceps' socks!

Hsi Wu: I thought we put those in the wash!

Bulk Biceps: Oh, I forgot to tell you. I always have an extra pair.

Me: YUCK! But that was clever!

Nico: Nice!

Dr. Stone Clone was throwing up!

POW!

I punched him in the chest.

Then all the horrors came.

Everyone else attacked the horrors and destroyed them with everything we got and we were killing them all. Juryrigg was tearing apart all the machines all over the place and destroying them. I punched the Dr. Storm Clone in the face and kicked him in the stomach. I fired an energy blast at him and it hit him and exploded and blasted his whole right arm clear off! He screamed in excruciating pain as he was clutching the stub of his missing arm.

Me: Had enough?

Dr. Storm Clone: (ENRAGED GROWL) FUCK YOU ASSHOLE!

Me: Fuck YOU asshole.

I punched him in the face again.

Me: (sighs) OK. The reference was cut off. But we can work with this.

Taro: Does it matter if there's a reference or not as long as it gets the job done?

Me: No matter. I said it before. But it was cool.

I teleported and blasted and pulverized the clone.

Georgina smashed the Madison Storm clone with rock fists.

Luna and Sam bashed and pulverized the Storm Clone all over and blasted him with lava and water.

Xenia fired arrows and blasted the Storm Clone.

Irma and Kadma fired waves of water and earth and blasted the Madison Storm all over.

Me: Take that!

Poromon: Smell the stinky socks! SMELL THEM!

He shoved them in his face.

Nico: Take that!

I fired waves of energy and blasted the Madison Storm Clone and smashed them all over.

Poromon began drinking beer bottles.

He threw them and smashed them on the clones head.

Nico: NICE!

Upon being overwhelmed and defeated by Andros and T.J., Darkliptor is forcibly split back into the two villains. Darkonda then grabs hold of Ecliptor, fusing with him again as they're grown by the Satellasers. At the climax of this battle, when faced with the Astro Delta Megazord's final attack, Darkonda split the fused form apart and held Ecliptor in front of him to take the brunt of the blow.

In "Astronema Thinks Twice", Darkonda again forces Ecliptor to merge with him, but this time Ecliptor manages to force them apart, much to Darkonda's surprise and anger. This marked the last appearance of the form.

Allie Calavera: My grandfather told me this story when I was a child, and I remembered it all too well. It started over a hundred years ago in 1910, there was a boy who was born here, his name is Miguel Calavera, and according to my grandfather, he's my great-great-great-great grandfather. Like me, he was born with incredible dark powers, but he was forbidden by his parents to show them to anyone for fear of being accused of being a witch because of the fear of witches. However, everyone did look at him strangely, his eyes were black as coal and he was always dressed in dark clothes. One of the people said that they'd seen him talking to someone that wasn't there, and that frightened them, but it didn't stop there: children began waking up from nightmares late at night and the people reported seeing a figure at their windows, a sign of ghostly phenomenon, and they also saw animal corpses and the milk was sour: those were signs of witchcraft, and to the townspeople at the time, it made a lot of sense. Soon enough, they put all the signs together, and discovered they have a witch in their midst and it was most likely Miguel.

We gasped.

Allie Calavera: But, it didn't end there, Miguel drove a huge wedge in his family when someone saw him doing fortune telling which was forbidden at that time. Soon enough, he was brought before the people accused of witchcraft, and as a result, he was shunned forever, banned from Lansing, and was forever cut off from everyone including his own parents. But, they would be in very huge trouble, in his anger, Miguel hurled a curse on the entire community saying that the people of Lansing will suffer his revenge, whether they're sleeping in their beds or sitting in their chairs, everyone will suffer his revenge.

Me: Oh no! He's laid a curse on Lansing.

Allie Calavera: Exactly, and among the shocked population were those who had sought his counsel, they fear that the curse will haunt them for generations to come. But, one evening, on December 21st, The Winter Solstice, delirious from hunger and driven mad from isolation and loneliness, Miguel wandered in search of food, but one morning, a farmer doing his early chores discovered something in rags, and he saw who it was: Miguel Calavera, he perished from starvation and froze to death, but the problems were far from over. Hoping to preserve his eternal soul, his parents recovered his body and dig him a grave in a secret late night burial, but as soon as the people found out, they ordered that an oak tree was planted on his grave to keep his dark soul from escaping.

FLASHBACK ENDS.

El Oso: Ay caramba! That is a scary legend!

Sunburn: It sure would.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Empress, or we will force you out.

A figure came out, and it was none other than The Empress, one of the five vampires in The Vampire King's Court.

Marceline: Should've known you'd come back as well, Empress.

The Empress: You ain't staking me this time, and now, I'm gonna make you and your friends pay for what you did to me long ago.

Brunhilde Ildsverd: (Norwegian Accent) As if, the only thing you're going to get is a stake driven through your black heart.

Suddenly, Brunhilde Ildsverd's blue eyes turned neon blue and she was surrounded by a sky blue energy aura with stars, snow, ice, snowflakes, ice crystals, fire, flames, phoenixes, and angels, she unholstered her massive Shiranui Sunsaga-themed greatsword from her back, and as she approached The Empress, she left sky blue energy, stars, snow, ice, snowflakes, ice crystals, fire, flames, phoenixes, and angels with every step.

Brunhilde Ildsverd: (Norwegian Accent) You really make me sick to my stomach, Hierophant, you are nothing more than a bloodthirsty vampire who's wrought terror and mayhem through The Kingdom of Ooo for more than nine hundred years, I thought the land was rid of you, but to find out Slappy brought you back, now that puppet's gone too far, we'll deal with him soon, but you, you will be dealt with here and now.

Suddenly, Brunhilde Ildsverd was surrounded by a massive vortex of sky blue energy with stars, snow, ice, snowflakes, ice crystals, fire, and flames surrounding the vortex, there are phoenixes, angels, and Shiranui Sunsaga flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at The Empress: the red eyes of death. Then, as the vortex faded, Brunhilde Ildsverd emerged, but she was changed forever.

Suddenly, Brunhilde Ildsverd's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Brunhilde Ildsverd has transformed into SUPER ANGEL-SHIRANUI SUNSAGA-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL ARCTIC NORWEGIAN FIRE SNOWSTORM SHIRANUI SUNSAGA PHOENIX ANGEL OF DIVINE COSMIC ETERNAL ARCTIC NORWEGIAN FIRE SNOWSTORM SHIRANUI SUNSAGA PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL ARCTIC NORWEGIAN FIRE SNOWSTORM SHIRANUI SUNSAGA PHOENIX ANGEL LOVE!

We were really amazed by Brunhilde Ildsverd's Super Angel-Shiranui Sunsaga-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Empress saw it, she used her hypnosis to hypnotize her, but it didn't work as she was immune, and Brunhilde Ildsverd fired a massive barrage of sky blue energy, stars, snow, ice, snowflakes, ice crystals, fire, flames, phoenixes, and angels, which hit The Empress and exploded and she was knocked down, she got back up, but she was now pissed off.

Girl Jordan: (GASPS) Oh, whoa!

Mollie: No way, did Brunhilde…?!

Sophia Presley: She did.

Lincoln: That's right, Brunhilde Ildsverd has transformed into her Super Angel-Shiranui Sunsaga-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we deal with the fourth of The Vampire King's Court.

Brunhilde Ildsverd: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Arctic Norwegian Snow Firestorm Shiranui Sunsaga Phoenix Angel and Divine Cosmic Eternal Arctic Norwegian Snow Firestorm Shiranui Sunsaga Phoenix Angel Love) (Norwegian

Accent) She will pay for everything that she's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Brunhilde Ildsverd.

Brunhilde Ildsverd and Lincoln went after The Empress, and they fired extremely powerful blasts of rainbow energy, sky blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and

Mermaids at The Empress and they exploded with incredible power as they hit her.

Then, they attacked him with their massive greatswords leaving scars on her, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and massive angelic and demonic greatswords at his side and he and Brunhilde Ildsverd also attacked her with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving The Empress even more madder with rage.

The Empress: (DEMONIC VOICE) YOU! YOU! I WILL KILL YOU ALL!

The Empress charged right at them with uncontrollable rage and wrath in her black heart, but Brunhilde Ildsverd fired a powerful sky blue energy blast at them which hit her hard and she got knocked down, and then, Lincoln got out a stake and stabbed her in her heart as she exploded into white dust, and then, Lincoln opened his mouth and devoured her soul gaining her hypnosis. Then, an energy card with The Empress' drained soul appeared in Lincoln's left hand, and Lincoln banished her to The Black Gates forever, we cheered wildly for what Brunhilde Ildsverd and Lincoln did as they holstered their massive greatswords and powered down and Brunhilde Ildsverd's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive sky blue angel wings are permanent.

Brunhilde Ildsverd: (Norwegian Accent) This is for all the lives of all those who fell victim to you and the other vampires nine centuries ago. Thanks for helping me destroy The Empress for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Brunhilde.

Suddenly, Brunhilde Ildsverd wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Brunhilde Ildsverd's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Shiranui Sunsaga flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and snow falling down around them and flames raging behind them and we cheered wildly. Then, Lincoln and Brunhilde Ildsverd sucked in and absorbed the elemental forces and fire and snow and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and we took down the fourth of The Vampire King's Court: The Empress.

Marceline: And you also devoured her soul and gained her hypnosis. Which means the last one of the vampires that you guys have to get rid of is.

Lincoln: The Vampire King.

Me: No doubt he'll be a really tough challenge tomorrow, but we've dealt with powerful vampires like him in the past, so you'll be ready for him. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just the person we're meeting tomorrow: Misty Zephyr, Queen of The Wind Fairies.

Aprina Arabella: That's perfect, and you guys will love meeting her, Misty Zephyr is Lincoln's Guardian Angel and the Queen of The Wind Fairies of Zephyr Cove, an enchanted fairy village populated by The Wind Fairies. Misty Zephyr is a human sized fairy and she's a powerful and skilled fighter with incredible control over ice and possess many incredible powers over wind and magic. Lincoln met Misty Zephyr when he discovered a portal that led to Zephyr Cove in the secret garden he and his Guardian Angels know about, and he saved Misty from an attack caused by that very deranged fairy-obsessed killer Randall Williams. Crystal was very impressed by

Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: Wow.

Lincoln: She's an incredible master of wind and magic, and anyone who tried to attack her would wind up getting blown away and carried off by the winds.

Nico: Wait. Is that the food from there?!

DC Enchantress: Well, we couldn't let good food go to waste.

Tar Pit: Especially the ice cream.

Piledriver: That's a good point.

Bulldozer: Either way, Horrorland is a forgotten memory.

Turtle: Now just one last thing.

Poromon: What's that?

Speed Demon: Put those spare socks in the wash!

Me: I agree!

Poromon: Okay okay!

Qin: Good.

Nico: Yep. Great job everyone.

Lizzy Morris: (To the viewers) Horrorland is gone for good.

Me: Yep.

We went back home, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Slappy: Tell me you have control over that Mask Shop Owner!

Haunted Mask: He hasn't fought back ever since this started. So yeah. I have him under control.

Bob Roth: What exactly are you planning?

Haunted Mask: (smirks evilly) I'm actually reusing my previous plan.

UH OH!

TO BE CONTINUED!

Lincoln met Misty Zephyr when he discovered a portal that led to Zephyr Cove in the secret garden he and his Guardian Angels know about, and he saved Misty from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Misty was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Next up is The Haunted Mask.

Me: (Imitating Patrick) Oooh. Scary dark cave.

Xenia: Very creepy.

Lola: Yeah no kidding there.

Qin: This cave is scary.

Sam Manson: It sure is a creepy place.

Varie: We never saw this one before.

Lola: We sure haven't.

Nuju: Yeah it sure is creepy.

Nico: Nuju, I want to thank you, Titanium Titan, and your teams for coming.

Nuju: No problem Nico. This will be good.

Sam Manson: I love a good cave hunt.

Nico: Sam, when do you expect you and Danny to have a baby?

Sam Manson: (Blushes) Uhh. We haven't thought of that.

Me: Nico it's too early for that yet.

Camie: Yeah give it some time.

Nico: Sorry.

Sam Manson: No worries. But we're still planning for it.

Nico: Oh.

Juran: I can see it now. Your kid having ghost powers

Sam Manson: (LAUGHS) That would be so cool.

Me: The Legacy of Danny Phantom.

Lincoln: Ooh I like the sound of that.

Sam Manson: Me too.

Me: I never expected to go back to Horrorland like that.

Xenia: Me neither.

Camie: That was scary.

Fluttershy: It sure was.

Nico: And the mascots were wearing Bulk Biceps stinky socks and thanks a lot for hurling all over me guys!

Me: Sorry dude! The smell was really unbearable!

Nico: At least they made the Storm clone puke.

Me: They sure did. And we blew the entirety of Horrorland 2.0 to kingdom come and banished it all to the Black Gates.

Qin: Good riddance.

Laney: Yeah that was a nightmare.

Lana: The ice cream and food was good though.

We laughed!

Lana: (LOUD BELCH!) (ECHOING)

Nico: A Horror's heart doesn't taste good. At all

Qin: No it doesn't.

Me: BLECH! That is disgusting.

Camie: Yeah no kidding.

Varie: But at least Lizzy and her brothers will never experience Horrorland ever again.

Eli: Thank goodness.

Carol: And now the world is forever safe from it.

Little did we know that as we were walking through the cave, something was watching us and Piercing red Eyes were looking at us from the shadows and it was seeing our circulatory systems and growling ferociously.

We continued on. Oblivious to the watching eyes from the shadows.

Nico: Georgina, Luna Loud, Sam S.L., Xenia the Xerneas, Irma, and Kadma did good

Me: They sure did

Georgina: It sure was fun.

Qin: Yeah it was great.

Sam S.L.: That was so fun guys.

Camie: It sure was.

Varie: Yeah.

Lola: Guys I don't want to sound like I'm scared but I can't help but get this feeling that we're being watched.

Nico: (laughs) C'mon, Lola. Don't tell me you're getting cold feet.

Lola: No I'm serious Nico. I have this feeling we're being watched.

Eli: Wait she's right. I sense it too.

Nico: Weird.

Me: This is so unu.. WHOA!

I tripped over something and then I saw that I tripped over a girl and she was in pain! She had black hair and had yellow clothes and had blue shoes.

Me: (GASP) Oh man!

Nico: Oh man! What happened to her!

I checked her.

Me: Her pulse is weak.

I looked at her neck and saw BITE WOUNDS ON IT!

Me: (GASP) She was bitten!

Natasha Hernandez: Vampire Bite! Not good!

Nico: But who is she?

Brynja: (Icelandic Accent) Oh my god! Johanna!

Nico: You know her Brynja?

Brynja: I sure do. Her name is Johanna Sveinsdóttir and she is my friend from Reykjavik. She comes from a family of Geologists.

Me: Oh man. She must have come here for some reason.

Laney: Yeah.

Nico: So a vampire did this to her?

Natasha Hernandez: Yeah those bite marks are unmistakable.

She was waking up.

Johanna: (Groans) (Icelandic Accent) Brynja?

Brynja: Johanna. You need to get help.

Me: Yeah.

Johanna: (GASP) I was attacked by a dog. It bit my neck.

Me: A dog? A dog did this to you?

Nico: But those are vampire marks

Me: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that Fifi The Vampire Poodle is here, and she's causing havoc here in this cave.

WE GASPED!

Me: Oh man! A Vampire Poodle!?

Nico: From the Give Yourself Goosebumps story, Please Don't Feed The Vampire! Oh man, I knew it was going to be that vampire poodle, I just knew it.

Nico took out the book.

Me: Same here. That means Slappy sent it after us.

Nico: Not good.

Natasha Hernandez: This poodle is dangerous. But maybe I can help it. After all I am a vampire myself.

Lincoln: That dummy really enjoys pissing us off to no end. Well, then, since we got a dangerous Vampire Poodle to deal with, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Sand Girl Jordan: We got here as fast as we could.

Selia: We're ready for Fifi the Vampire Poodle, and ready to piss Slappy off even more.

Lincoln: This should be good. (Sensed for Fifi the Vampire Poodle) AHA! Gotcha! I just spotted that vampire poodle, she's 20 yards away and she's already prowling this cave we're in. We better head down into the cave further immediately before that monster causes any more trouble.

Nico: Right. We can't let this go on any further.

Lincoln: Exactly.

I got out my vampire hunting stuff.

Johanna: But if it bit me then that means I'm going to become a vampire!

Natasha Hernandez: Johanna listen. I know what it's like to be a vampire.

Johanna: You do?

Natasha Hernandez: I sure do. I am one myself. Being phobic of the sun, silver, garlic, crucifixes, holy water, and always having an endless thirst for blood, it's not fun. But I can help you overcome those weaknesses. Being a vampire is not that bad.

Johanna: How?

Natasha Hernandez: I'll tell you how along the way.

Johanna: How will I know when the changes are coming?

Natasha Hernandez: Your teeth will turn into fangs and you'll feel this rush of power.

Johanna: (GULP)

Juran: Time to get the stakes and get ready to kill ourselves a dog!

Me: Yeah!

Natasha Hernandez: After we separate its dark side. I got a plan.

Nico: Lets listen to Natasha. She is a vampire herself.

Zocks: Seperate it? Why can't we kill it right away? No one will know.

Natasha Hernandez: Because as a vampire myself and knowing how it feels I can turn this vampire poodle into a friendly dog and have it join the M.O.E. and the Redemption Squad. Trust me on this.

Nico: Okay.

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out on Fifi the Vampire Poodle.

We arrived at a huge room clearing and it was where that vampire poodle was located at.

Nico: Okay, we made it. Now, everyone, keep your eyes peeled. There's no telling what that vampire poodle's capable of.

Me: Wow this is a big room.

Nico: Amazing.

Me: It seems quiet, too quiet.

Lincoln: She's here alright. (Sniffs) I can smell it, the stench of blood in the air.

Me: Yeah I smell it too.

Nico: Oh God, let's hope she hasn't attacked anyone here.

Suddenly, we saw a white poodle walk in front of us.

Camie: Aw, what a cute little…

Suddenly, the poodle roared as its eyes turned blood red and it had fangs: IT WAS FIFI THE VAMPIRE POODLE!

Camie: (SCREAMS AND HUGGED ME TIGHT)

Fluttershy: Goodness!

Nico: Yep, that's right.

Me: That's FiFi all right!

Laney held FiFi in place with vines!

Me: Nice one Laney!

Natasha went over to FiFi.

Fifi spat in her face.

Maria: Well, looks like this is goodbye! (gets out knife)

FiFi roared and then…

Natasha Hernandez: (HISSES!)

She bare her fangs and revealed piercing red eyes!

FiFi barked and licked her face.

Me: Aww.

Natasha Hernandez: See guys? She is a friendly dog to vampires. Such a good dog.

Lucy pet her too.

Lucy Loud: And I'm a vampire too. So we're cool too.

Maria: (to FiFi) Umm… I'm about to stab you with a knife. The least you can do is pretend to act terrified.

Me: Maria calm down and think this through.

Maria: Okay okay. Sorry.

Natasha Hernandez: Now let me work my magic here.

She chanted an incantation and separated FiFi's dark side from her and her light vampire half is a good dog and can go out in the sun and all that. Her dark half is a black poodle!

Me: There we go! This dog obviously does not know WHO IT IS FUCKING WITH!

Evil Fifi broke out and growled at us.

Carter: Lightspeed Rescue!

Shoichi: Henshin!

They transformed!

Nico: YEAH!

Sand Girl Jordan: Okay, you seriously need to be taught a huge lesson, you bloodsucking mutt!

Lola: That is for sure!

Johanna then started breathing heavily!

Me: Uh oh!

Brynja: Johanna! Are you okay?

Johanna: I don't feel so good!

Then felt these JOLTS OF POWER! HER TEETH WERE TURNING INTO FANGS!

Evil Fifi tackled her to the ground and was about to bite her throat off!

Laney then formed vines and they held her in place.

I fired a sunlight flashlight and burned Evil FiFi all over.

Johanna: HELP ME!

Natasha Hernandez helped her.

Natasha Hernandez: Don't give into the thirst Johanna! You control this power. It doesn't control you!

She then got piercing red eyes and her canine teeth were fangs.

She got up and held her head and she reigned in the vampire power!

Johanna: Wow! I feel amazing.

Nico: Johanna how do you feel?

Johanna: I feel incredible.

Evil Fifi growled and roared.

I fired an ultraviolet blast and burned her.

Me: Nice.

Brynja: Wow! My best friend is a vampire.

Lola: Yeah that is cool.

Johanna: I hope my reflection shows up.

Nico: Is that what you're concerned about?!

Me: Nico! Lets let her have this test.

Nico: Okay fine.

Leni gave her a mirror and too Johanna's surprise her reflection was there.

Johanna: Wow! My reflection is here.

She saw her fangs.

Johanna: Whoa scary. But I look good.

Natasha: I'll help you overcome the phobia of sunlight.

She used a powerful spell on her and gave her full immunity to the vampires weaknesses and ended the thirst.

Johanna: Wow! That was cool!

Nico: Yep.

Johanna: Now we can destroy this bad dog!

Evil Fifi growled and tried to bite her face off.

But Johanna dodged and Brittney fired a blast of darkness and smashed her down.

Me: This vampire dog does not know WHO IT IS FUCKING WITH!

I activated an ultraviolet flashbang bomb and then in a massive flash of ultraviolet light it sent Evil FiFi flying and smashing her into a wall in the cave!

Xenia: NICE!

Nico: I wonder what we can make her corpse into

Me: I don't think we can do anything with it. It'll be nothing but ashes by the time we're done.

Nico: Good point.

Suddenly, Sand Girl Jordan's brown eyes turned neon brown and she was surrounded by a sandy brown energy aura with stars, sand, fire, flames, phoenixes, and angels, and as she approached Fifi the Vampire Poodle, she left sandy brown energy, stars, sand, fire, flames, phoenixes, and angels with every step.

Sand Girl Jordan: I always knew Slappy would one day send you here to attack us, you bloodsucking mutt, you give all dogs and the vampires we know a bad name, and for that, it's high-time we put you down for good.

Suddenly, Sand Girl Jordan was surrounded by a massive vortex of sandy brown energy with stars, sand, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a teal phoenix with red eyes glaring at Fifi the Vampire Poodle: the red eyes of death. Then, as the vortex faded, Sand Girl Jordan emerged, but she was changed forever.

Sand Girl Jordan grew to 7'9" in height, she has gold metal bands on her biceps and thighs, and she now has eleven large sandy brown orbs orbiting around her legs, she has the body of a goddess, she has sand-colored highlights in the bangs of her long flowing brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon sandy brown eyes and a sandy brown energy aura with stars, sand, fire, flames, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix holding an hourglass full of sand in its claws emblazoned on her forehead and Third Eye with sandy brown iris, she has on phoenix earrings with brown gems for eyes and holding the Sand, Fire, and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with sandy brown gems on the gold flame links and sandy brown crystal links and sandy brown phoenix-shaped Element of Harmony and below the Element of Harmony is a phoenix with sandy brown gems for eyes and holding the Sand, Fire, and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on the same outfit as Girl Jordan, but hers is more sand themed, and long white sleeveless trenchcoat with stars, sand, fire, flames, phoenixes, and angels on the coattails, and on the back is a phoenix with sand dunes surrounding it. Suddenly, Sand Girl Jordan's massive greatswords and all the greatswords and swords she'd gotten began merging and they're surrounded by a kaleidoscope of sandy brown energy, stars, sand, fire, flames, phoenixes, and angels, and when it emerged, it was transformed into Sand Girl Jordan's L-Emental Egyptian Sand Dune Firestorm Phoenix Angel Greatsword of L-Emental Eternal Egyptian Sand Dune Firestorm Phoenix Angel Love, it's a brand-new massive greatsword with embedded sand-colored gems and phoenix etched on the 7'6" massive, wide, double-edged sandy brown blade, large sandy brown phoenix heads for the crossguard, large white angel faces built into both sides of the hilt with large sand-colored gems embedded in the foreheads, longer midnight black handle, four large sandy brown phoenix heads with diamonds for eyes and a large sand-colored phoenix head with sand-colored gems for eyes and sand-colored gem in its mouth on the bottom of the sand-colored phoenix heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large sand-colored gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, large gold Belt of Elemental Bravery with large gold phoenix head with sand-colored gems for eyes and large sand-colored gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Sand Girl Jordan's Super Angel-Phoenix-

Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Air Lincoln saw her, he had an atomic blush on his face, hearts in his eyes, and his nose was bleeding.

Lincoln: Yep, he's me alright.

Luna: Yeah, there's no mistaking that love-crazy look in those eyes anywhere.

But, when Evil Fifi the Vampire Poodle saw it, she ran at her to drain her blood, but Sand Girl Jordan fired a massive barrage of sandy brown energy, stars, sand, fire, flames, phoenixes, and angels and they exploded with incredible power as they hit Fifi and she got blown out of the house and we followed out, she got back up, but she was even angrier than ever.

Sand Girl Jordan: (Divine Echoing Godly Voice of The L-Emental True Eternal Desert Sand Storm Fire Phoenix Angel and Divine Cosmic L-Emental True Eternal Desert Sand Storm Fire Phoenix Angel Love) Looks like I've gone and really made her mad.

Nico: Big time, now she's really mad.

Selia: Well, we'll just make her even madder.

Lincoln: I agree, there's no way we're letting this vampire poodle run loose.

Suddenly, Selia's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, selkies, seals, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Fifi the Vampire Poodle, she left aqua blue energy, stars, water, ocean waves, selkies, seals, phoenixes, and angels with every step.

Selia: Every single word Sand Girl Jordan said is true, you're a bad vampire dog who has no sense of respect for anyone and desires only to feed on the blood of innocent people. Now, you've got yourself in deep shit now, we're taking you down and we're so going to enjoy pissing Slappy off even more.

Suddenly, Selia was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are selkies, seals, phoenixes, and angels flying around the vortex, and in the vortex is a blonde phoenix with red eyes glaring at Fifi the Vampire Poodle: the red eyes of death. Then, as the vortex faded, Selia emerged, but she was changed forever.

Selia grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large aqua blue orbs orbiting around her legs, she has the voluptuous body of a goddess, she has aqua blue highlights in the bangs of her long blonde hair with seal cap on her head and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon aqua blue eyes and an aqua blue energy aura with stars, water, ocean waves, selkies, seals, phoenixes, and angels surrounding her and immense neon rainbow protective aura with planets swirling around it, she has a phoenix and Selkie emblazoned on her forehead and Third Eye with aqua blue iris, she has on selkie earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands, she also has a Selkie with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands on the bottom of her aqua blue selkie-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the black crescent moon links and she has on a white and gold accented choker on her neck. Selia has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Selia's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, selkies, seals, phoenixes, and angels, and when it emerged, it transformed into Selia the Selkie's Aquatic Maelstrom Selkie Angel Greatsword of Aquatic Maelstrom Selkie Angel Justice, it's a brand-new massive greatsword with embedded blue gems and a Selkie and phoenix etched on the 7'6" massive, wide, double-edged aqua blue blade, large aqua blue seal heads for the crossguard, large white angel faces built into both sides of the hilt with large aqua blue gems embedded in the foreheads, longer midnight black handle, four large aqua blue seal heads with blue gems for eyes and on the bottom of the aqua blue seal heads is a large aqua blue seal head with blue gems for eyes and large blue red gem in its mouth for the pommel, she has on her large gold Bracers of The Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold seal head with aqua blue gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Selia's Super Angel-Celtic Selkie-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Selia, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Fifi the Vampire Poodle saw it, she roared with rage and ran at her to drain her blood, but Selia fired a massive barrage of aqua blue energy, stars, water, ocean waves, selkies, seals, phoenixes, and angels which hit Evil Fifi the Vampire Poodle and exploded with incredible power, she got back up, but now, she was beyond pissed off.

Selia: (Divine Echoing Godly Voice of The Celtic Aquatic Maelstrom Voluptuous Water Selkie Seal Angel and Divine Cosmic Celtic Aquatic Maelstrom Voluptuous Water Selkie Seal Angel Love) You're not feasting our blood, you ravenous vampire poodle.

Nico: Our blood's poison to all evildoers and evil monsters, immortals, and gods, and we're also going to piss Slappy off even more.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Sand Girl Jordan and Selia and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Evil Fifi, now it's high-time we put you down for good.

Lincoln, Sand Girl Jordan, Selia, and I went after The Annihilator 3000, and we fired extremely powerful blasts of rainbow energy, sandy brown energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Fifi the Vampire Poodle and they exploded with incredible power as they hit her.

Then, we attacked her with our massive greatswords leaving scars on her and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-plated claws and his two new massive greatswords and I also left many more with my claws, and he, Sand Girl Jordan, Selia, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Fifi the Vampire Poodle insane and straight to the brink of insanity.

Evil Fifi the Vampire Poodle towards us and it was literally in a fit of rage. But, Lincoln sprouted out a black tentacle from his back and it grabbed Fifi the Vampire Poodle by the neck.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for me to feed.

Suddenly, Lincoln turned the tip of one of his eleven massive and long white wolf tails into a needle and he plunged it into Evil Fifi's chest and he began sucking out the vampire poodle's blood as it flowed into Lincoln's body and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the needle tip removed itself from Fifi's chest and changed back, and the vampire poodle was literally drained of all blood. Then, Lincoln drove a stake into its heart and it burst into flames as it was sent to The Black Gates forever. Everyone cheered as Lincoln, Sand Girl Jordan, Selia, and I holstered our massive greatswords on our backs and powered down, and Sand Girl Jordan's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive brown angel wings are permanent, and Selia's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

May: Bye bye bad doggy! See you in Hell!

Me: I guess not ALL DOGS go to heaven.

Nico: Yep.

Laney: Yeah.

Nico: That's another of Slappy's attempts put down for good, and from what we heard, the family who lives here were out of town for today.

Lincoln: That poodle was waiting inside for them to come back, so she can drain them dry of blood and turn them into vampires, and then, she'd move on to the next.

Me: Thus starting a vampire infection. Thank God we stopped her.

Nico: Big time.

Lincoln: When the time comes to finally go after Slappy, we're putting the city on high alert.

Nico: Good idea, Lincoln. That dummy's gone way too far in his attempts to destroy us and he's done a shit ton of crimes that've made him the most dangerous criminal to The Human World and The Spirit World.

Me: When we finally face him, Judgement Day will finally come for his wretched soul.

Lincoln: And we'll be rid of that dummy forever. Now that we've taken care of Evil Fifi the Vampire Poodle, now we can take care of Swartz' Anothers.

Nico: Yep.

Qin: And we have an awesome new Poodle friend for us.

Laney: Yay another pet.

Me: Yep. A Good pet.

Good FiFi barked.

Gaon: Look at the doggy!

Me: Yeah. She's cute.

Natasha Hernandez: She sure is.

Lola: I think so too.

Varie: Yeah.

Me: Now we have to face the Anothers.

Eli: Lets see who we got.

Eli concentrated.

Eli: Whoa! We got Another Sneeky, Cat O' 9 Tails, Necky, Zinger, Gnawty, Boo Barrel, Toothberry, Megalon and Titanium Titan.

We gasped!

Me: Wow! Mostly enemies of Donkey Kong.

Donkey Kong: Brings back memories with those.

Lola: Yeah.

Nicole: That is awesome.

Maria: Who do we call?

Me: Zinnia Zyuohger, Misty Zephyr, Jenna Jetman, Liv Choujyu, Darcy Minjarra, Allie Calavera, Ginormica and B.O.B.

Nico: Cool!

Lincoln: Uhh Misty Zephyr hasn't joined the team yet.

Me: You can fill in for her Lincoln.

Lola: Yeah.

Ginormica: This will be awesome and cool.

Nico: Yep.

Eli: and I sense that the Anothers minus Titanium Titan are one person.

Me: Nice.

Maria: I'll call them.

Me: Everyone is already here Maria. This was an all hands on deck situation.

Maria: Oh right.

Lincoln: And we'll meet Misty Zephyr on my rescue.

Nico: Yeah.

B.O.B.: But this is gonna be so fun and cool.

Rainbow Dash: It sure will.

Nico: There they are!

Out came Another Sneeky, Cat O' 9 Tails, Necky, Zinger, Gnawty, Boo Barrel, Toothberry and Megalon!

Me: WHOA!

Megalon: Wow! I looked really good back then.

Me: You never checked yourself out Megalon?

Megalon: Well when you're over 250 feet tall it's practically impossible.

Me: Oh.

Another Sneeky: (In a girls voice) That is crazy and awesome.

Lincoln: Yulia Urth!? Whoa!

They merged and she reverted back and was a girl with aqua blue hair and green eyes and had aqua blue clothes and fire angel wings and she had a red keyblade.

Yulia Urth: Awesome to see you again Lincoln and wow! You grew into an amazing young man.

Lincoln: Thanks.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Yulia Urth, Keyblade Knight and Avatar of Urth from the world of Primal Rage, she's my Guardian Angel from Michigan and she's not only The Keyblade Knight of Urth, but she's also the Avatar of Urth, and she has the powers of all The Gods of Urth: Sauron's Hunger & Immortality, Talon's Speed, Hunt Prowess, and Slashing Power, Blizzard's Ice and Strength, Armadon's Spines and Lightning and Concentration, Chaos' Decay, Redemption and Disgusting Power, Vertigo's Poison and Insanity and Transmogrification, and Diablo's Fire and Power over the Forces of the Inferno. She is a very deadly and ferocious powerful force that no one should ever trifle with, or else, it would be the end of them. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by

Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, She also helped me with mastering my survival skills in the rainforests of the Amazon and I proved to be a very skilled survivalist and master of the environment and nature itself.

Me: Wow!

Nico: That is cool!

Me: Wow! The Keyblade Knight of the Planet Urth from Primal Rage! That is really cool!

Nicole: Yeah we went there long ago and it was horrible what happened there.

Nico: Yeah.

Yulia: Lincoln would you like to have some of my blood?

Lincoln: Sure.

Lincoln went up to and hugged Yulia Urth in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her: gain all The Gods of Urth: Sauron's Hunger & Immortality, Talon's Speed, Hunt Prowess, and Slashing Power, Blizzard's Ice and Strength, Armadon's Spines and Lightning and Concentration, Chaos' Decay, Redemption and Disgusting Power, Vertigo's Poison and Insanity and Transmogrification, and Diablo's Fire and Power over the Forces of the Inferno., and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Yulia Urth: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Yulia Urth's neck with sky blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Yulia Urth: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Yulia Urth.

Yulia Urth had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them,

Me: Aww.

Nico: So awesome.

Me: You're one of the first of many Video Game world Keyblade Knights.

Yulia Urth: I know. And I heard you guys were on Urth before.

Me: We sure were. It was awful what happened there.

Xenia: Yeah.

Nico: Sorry we have to do this

Me: By the way is the Another Titanium Titan friendly or hostile?

Yulia Urth: Friendly and you're going to be surprised at what she can do.

Me: Awesome.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired coconuts and energy blasts and smashed the Anothers and I caught the Wonder Ride Books!

Me: Oh yeah!

Lola: Yeah!

Nico: Now, we wait.

Then we heard roaring and then we saw BRUTUS AND NERO, MADAME MEDUSA'S PET CROCODILES!?

Me: Whoa! Brutus and Nero!?

Nico: What are they doing here!?

Another Titanium Titan came out!

Me: Whoa!

Another Titanium Titan: (In a girls voice) (Australian Accent) Sorry about the scare mates. They are with me.

Me: (GASP) That voice!

She reverted back and was a girl with green hair, blue eyes and had green clothes and green angel wings and had an Australian hat on and she had a tiara with the symbol of the Crocodile Dopant on it and the same symbol on her shorts.

Me: (GASP) Sobek Caesar Crocodile.

Sobek Caesar Crocodile: Great to see you again J.D. mate. Last time we saw each other was back when I was a wee nipper.

Me: Boy that was awesome. We were wrestling with poachers going after rare kangaroos.

Nico: You know each other?

Me: Yep. Sobek is my friend from Australia and she is also the Embodiment of the Crocodile Dopant. She is also known as the Crocodile Tamer and she can tame Crocodiles. And she can LITERALLY rip through metal with her teeth. She has the strength and power of 100 crocodiles.

Titanium Titan: Wow! That is amazing and impressive amigo.

Sobek Caesar Crocodile: That is true mate.

Eli: Your name is for the Egyptian God of the Military and Fertility, Sobek.

Sobek Caesar Crocodile: That's right mate.

Kairi: How did you get Madame Medusa's pet crocodiles?

Sobek Caesar Crocodile: I found them in New Orleans and they were wandering the streets. I tamed them and they became my friends.

Me: That is cool.

Penny: Those crocodiles have been my trouble ever since I got to the Louisiana Bayou.

Sobek Caesar Crocodile: That's all right little mate. They said they are sorry to you.

Me: Good. Sobek can understand the language of Crocodiles.

Fluttershy: That is really amazing.

Kaito: (gets out Liveman gear) Did Swartz promise you anything?

Zocks: (gets out Maskman gear) Because we can grant it instead.

Kaito got a Live Sword and Zocks got a Mask Sword.

Sobek Caesar Crocodile: No he didn't because when he turned me into an Another I grabbed him in a really deadly Melbourne Style Wrestling beatdown.

Me: WHOA! Now that would have been fun to see. When you wrestle with a skilled Crocodile Wrestler like Sobek, you're going to wish you were never born.

Sobek Caesar Crocodile: (LAUGHS) That's right mate. I broke every bone in his body.

Sakura Knudson: GEEZ! That explains why I found him all mangled up and in knots.

Me: That is awesome.

Camie: (LAUGHS) That is funny too. Wish we could have seen that when we killed him last year.

Sougo: (gets out Liveman Ridewatch) You'll get along with Killer Croc and Gator Ghoul.

Geiz: (Gets out Maskman Ridewatch) But we're gonna have to come up with archenemies for Brutus and Nero.

Sougo got RedFalconArmor while Geiz got RedMaskArmor.

Sobek Caesar Crocodile: Good idea mate.

Laney: Yeah. But they are still your friends and that makes them mascots.

Nico: It sure does.

Lincoln: Lets separate you first.

He fired a wave of light and separated her from the Another.

Sobek Caesar Crocodile: Now you mates will see why I am not someone to be messed with!

She grabbed Another Titanium Titan and smashed him left and right!

SMASH SMASH!

She then grabbed him in a hold.

Sobek Caesar Crocodile: I learned this one on television!

She spun around and smashed him into the floor and shattered him to pieces!

KRASMASH!

Me: Nice one!

Nico: Take this! (ACTIVATES TITANIUM TITAN AND MEGALON'S RIDEWATCHES)

He fired waves of energy, lightning and fire bombs and blasted the Another all over in powerful fiery explosions!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM
KRABBBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOMMMM!

Me: YEAH!

May: Time to brush some Titanium Teeth! (ACTIVATES GABATT KABABACCI AND WOOD NINJA'S RIDEWATCHES)

She fired waves of energy and blasted the Another all over!

Maria: Watch this one! (ACTIVATES TAP TAP AND STOICA'S RIDEWATCHES)

She fired waves of spines and energy and smashed the Another all over.

Sam Manson: I'm ready for this! (ACTIVATES MEGALON'S RIDEWATCH)

She fired lightning and fire bombs and blasted the Another all over in powerful fiery explosions!

KRABBBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOMMMM!

Me: Whoa! That is powerful!

Then Gator Ghoul, Yost Pyro, Volt Kraken, Kat, Big Daddy Boo and Lord Fear came.

Nico: Nice team Gator Ghoul!

Gator Ghoul: Thanks Nico!

Kat then really started beating up Coop!

Coop B.: YOU LITTLE FILTHY KAT!

Yost Pyro: Should we help him?

Nico: (smirks) After the next Gene Slammer shows up.

Camie: GEEZ! That cat really hates Coop doesn't he?

Me: You have NO IDEA.

?: That cat needs to be put on a leash! A tough one!

Wind Man came.

Me: Whoa! Wind Man!

Nico: Wow!

Wind Man: (In a girls voice) I'm ready for this.

Nico: Winona Wind!? Whoa!

Winona Wind: Yep. I got this.

She fired waves of wind and blasted down the Another and I caught the Ridewatch and purified it.

Me: Nice!

Nico: Now for Coop and Kat.

Nico put an electric collar on Kat.

Nico: The control to this is yours, Coop

Nico gave a remote to Coop.

Coop B.: Thanks Nico.

Kat came at Coop and then he pushed a button and then…

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP

Me: WHOA!

Nico: My new Electric Shock Restrainment Collar. It will keep Kat from trying to kill Coop.

Me: Nice.

Nico: Also, it comes with a charger for the batteries.

Me: Cool!

Eli: That is awesome!

Varie: Yeah.

Kat was really pissed.

Me: Let this be a lesson to you Kat. You get anywhere near Coop, you better have a static electricity ray with you.

Nico: Yeah.

Winona Wind: That is for sure.

Nico: Don't worry. It won't actually kill you. Just shock you.

Me: Yep.

Kat grumbled in fury.

Winona Wind: Good.

Me: Lets get you back to normal.

I put on my blind man glasses.

Winona Wind: Okay. But I'm naked.

The boys covered their eyes.

Me: It's going to hurt.

Winona Wind: I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she threw up and then she fired a wave of wind and blew May into a cave wall and then…

KRASMASH!

She smashed into it and then a huge pile of rocks crashed onto her!

SMASH!

May: (Groans)

Winona was back to normal and was a girl with green hair, orange eyes, green angel wings and had the kanji for Wind in the middle of her forehead.

Winona Wind: (GROANS) That was rough. (GASP) Oh my god! Sorry May!

May: I'm okay!

Me: Ouch!

Winona Wind: (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The Fashion brigade gave her new green clothes and she looked awesome and she had a barrette that looked like the kanji for Wind on it.

Winona Wind: Wow! I look awesome.

Me: You sure do.

Sam Manson: What's your favorite memory of Nico?

Winona Wind: When me and Nico blew a bunch of Criminals trying to destroy a farm into a tornado and blew them high into the sky and smashed them into the ground.

Me: Ouch.

Nico: Yep.

Laney: Awesome.

Nico and Winona hugged.

Nico: I've missed you.

Winona Wind: Same here.

We went back home.

Luna: (GASPS) Oh, I knew it was going to be her. Sifa Grent is an evil Planeswalker who steals the youth of young girls for herself, she's a greedy evil monster, so you know what that means?

Lincoln: She's kidnapped the girls here, so she can steal their youth. That's it, I'm draining her of her youth and her powers when we fight her.

Me: With what you've done to many villains by sucking out their powers and/or absorbing them, she's in a lot of trouble.

Kopaka: I hope we're not too late.

Suddenly, we saw a beautiful and super sexy girl with long sky blue hair with dark blue hairband, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive blue butterfly wings, and she was dressed in a sleeveless sky blue top, sky blue skirt, sky blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, winds, magic, fairies, phoenixes, and angels on the coattails and on the back is a wind fairy, and holstered on her back is a massive greatsword, and with her are the eight girls Lincoln is to rescue and the five girls that Ets is to rescue.

Misty Zephyr: That's right, and I managed to get the girls away from that youth stealing Planeswalker before she could steal their youth.

?: YOU GODDAMN BITCH! HOW DARE YOU INTERRUPT MY DINNER!

We then saw our target, the evil youth stealing Planeswalker, Sifa Grent, and she was pissed off at Misty for stopping her from stealing the girls' youth.

Sylvester: Your days of stealing the youth of young girls ends here.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln grabbed her by the neck with his left hand and his gold-plated claws fired red energy into her body and Lincoln sucked out all her youth and her powers and made her powers his own, and he reduced her to an old hag, set her ablaze, and sent her to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Your youth-stealing days are over, you heartless Planeswalker. (To Misty Zephyr) And it's so good to see you again, Misty Zephyr.

Misty Zephyr: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Misty Zephyr and he hugged her, and Misty Zephyr is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Misty Zephyr: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful wind fairy?

Lincoln: Indeed I do, J.D., this is Misty Zephyr, Queen of The Wind Fairies, she's my Guardian Angel and the Queen of The Wind Fairies of Zephyr Cove, an enchanted fairy village populated by The Wind Fairies. Misty Zephyr is a human sized fairy and she's a powerful and skilled fighter with incredible control over ice and possess many incredible powers over wind and magic. I met Misty Zephyr when I discovered a portal that led to Zephyr Cove in the secret garden my Guardian Angels and I know about, and I saved Misty from an attack caused by Randall Williams. Misty was very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like the promise I made with Lily the Mermaid and with my entire harem, I promised that when I came of age, I will marry her.

Nico: Whoa.

Selene Arcangela: And she's also the most beautiful Wind Fairy Queen, which made her a target for perverts. But, Lincoln being the pervert hater that he is brutally thrashed them and made them cry like babies.

Nicole: He's just as much as a pervert hater as I am, but he's much more violent when he gets into a violent fight with them since he's been beaten up numerous times by his mean sisters and enemies before he got his powers and went through tons of intense training.

Eli: (GULPS) Yeah, and we know how much damage Lincoln can do when he gets angry.

Lincoln: Get me angry, and I wind up unleashing a massive typhoon of fury on their hides, and now that you're here, Misty.

Lincoln went up to and hugged Misty Zephyr in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Misty Zephyr: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Misty Zephyr's neck with sky blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Misty Zephyr: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Misty Zephyr.

Misty Zephyr had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eight girls Lincoln was to rescue and the five girls Ets was to rescue, and when Lincoln saw the eight girls, he immediately recognized them. The eight girls are Ryouko Shirakawa, Mai Mizutani, Rin Midou, and Sayaka Sumeragi from Nurse ni Omakase and Maki Takahara, Risa Kayama, Shizue Hidaka, and Tomomi Miura from Big Nurse.

And when Ets saw the five girls, he immediately recognized them, the five girls are Dispenser Lady A.K.A. Dispenelope, DispenserBot, Senthia, and the Teleporter Twins, Entela and Exodus from Team Fortress 2.

Lincoln: Oh wow, it's Ryouko Shirakawa, Mai Mizutani, Rin Midou, and Sayaka Sumeragi from Nurse ni Omakase and Maki Takahara, Risa Kayama, Shizue Hidaka, and Tomomi Miura from Big Nurse.

Ets: And Dispenser Lady A.K.A. Dispenelope, DispenserBot, Senthia, and the Teleporter Twins, Entela and Exodus from Team Fortress 2.

When Dispenser Lady and the four girls saw who it was that saved them from Sifa Grent, they jumped on Ets and kissed him all over the place, he has kissy marks on his face, massive and muscular body, and eight-pack abs.

Lincoln: It's been a while since you've rescued some girls for your harem, Ets. Are you girls okay?

Ryouko Shirakawa: Yes, we're okay, thanks to you.

Then, when Ryouko Shirakawa and the other seven girls saw who it was that saved them from Sifa Grent, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of

Ryouko Shirakawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ryouko Shirakawa: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ryouko Shirakawa, Mai Mizutani, Rin Midou, Sayaka Sumeragi, Maki Takahara, Risa Kayama, Shizue Hidaka, and Tomomi Miura with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was the evil Planeswalker, Sifa Grent.

But, when Lincoln showed what we all did in thrashing her and Lincoln finishing her off by grabbing her by her neck with his left hand and his gold-plated claws fired red energy that penetrated her and he sucked out all her powers and youth, set her on fire, and banished her to The Black Gates for good, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln and Misty Zephyr have a lot of catching up to do now that she's back in town.

Maria: Whoa, so you guys went after that youth stealing Planeswalker, Sifa Grent.

Lincoln: We did, and we made her pay for what she's done, serves her right for stealing the youth of young girls for herself.

Me: And in the end, she was erased from existence for good.

Nico: And we got rid of another villain from the world of Magic the Gathering as well, awesome.

---

After putting an end to Sifa Grent, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Misty Zephyr saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Misty Zephyr: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect

us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Misty, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Misty Zephyr: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Misty Zephyr: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Misty, what memories did you have with Lincoln?

Misty Zephyr put up a video as it played on the big screen, and it showed Lincoln and Misty Zephyr flying in the air in Royal Woods and they were having fun in the air.

Past Misty Zephyr: This is so awesome.

Past Lincoln: It sure is, Misty.

LOUD BANSHEE SHRIEK!

Suddenly, Lincoln caught the smell of perfume in the air and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Misty Zephyr: Oh no. Trouble?

Past Lincoln: Yep, and there's no mistaking that shriek. DANG IT, LORI!

Suddenly, they saw Lori flying towards them and she was really out for Lincoln's blood again, he ran at Lori and gave her a mega hard punch with his excessively massive brute superhuman strength that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Misty Zephyr: Linky, are you alright?

Past Lincoln: I'm okay, Misty, I can handle Lori whenever she goes crazy.

Suddenly, Misty Zephyr up to and hugged Lincoln, and he hugged her back as he wrapped his arms around her waist and she kissed him, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Then, the sun continued to shine upon them, and it was truly a romantic sight as the video ended.

Nico: Shit, so Lori was on another rampage again?!

Misty Zephyr: That's right. And after we had our passionate make-out session, we went back home and we already knew that Lori was already in her cage.

Luna: Yep, and needless to say, that insane control freak Alpha Bitch also got grounded for eighteen weeks before she got thrown back in like the gorilla that she is.

Lily: Same here, and we knew Lori went way too far again, and we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times, and that of course also caused her to vomit.

Lincoln: And Lori got so mad, she tried to grab you and try to kill you until I whacked her hand with a mallet.

Rita: She was violently out of control, and we warned Lori many times that if she doesn't stop this, we would have no choice but to disown her and send her straight to prison.

Leni: If that happens, Lori's whole future would be ruined forever and she would forever be marked as a criminal.

Lincoln: And it would lead her further down into darkness and she'd do anything to get revenge on me and kill everyone in her path, which is why I'm glad we got rid of Dark Lori for good.

Me: Same here, I hated that control freak.

Varie: She was such a bitch.

Selene Arcangela: She was an Alpha Bitch to the infinite power, any who don't see it her way, she gets physical and she threatens their lives, she was so disgusting and such a diva! Ugh, that's why we always hated her with a blazing passion.

We got a shower afterwards, and then, Lincoln, Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Cara: Wow, so, this is Coral Capers, it sure is beautiful.

Lincoln: It sure is, Cara, and it's perfect for our first date. Shall we?

Lincoln, Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt and they hugged the girls in their abnormally massive and powerful muscular arms, and Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt are in your harem.

Simulator Miia: Amazing, and I knew he marked you girls, I just knew it!

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Cara, Simulator Cathyl, Simulator Cream, Simulator Mil, and Simulator Urt, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still

refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember

when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Wild Glide Galaxy is next.

Me: Awesome!

Xenia: That is a cool one.

Lola: Yeah!

Me: Me, Mandee, Jackie, Mizore and Lucky will go.

Lucky: LUCKY! This is gonna be so fun!

Me: It sure will.

Nico: Okay.

We went into the simulator and it activated and we were at WILD GLIDE GALAXY!

Me: Wow!

Lucky: This is amazing!

Mandee: It sure is!

Mizore: I'm really excited about this.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well this one you just have to glide down to the end at the best time with Fluzzard. He's a really cool glider.

Nico: Cool!

Me: Awesome!

Mandee: This will be fun.

Jackie: There are a few Goombas guarding him.

Me: Then lets go.

Lucky: Yeah!

SEIZA CHANGE!

Lucky: STAR CHANGE!

He transformed and was ready!

Lucky: SUPER STAR! SHISHI RED!

Me: OH YEAH!

Nico: This will be good!

Lucky: Time to test those Goombas Luck.

But then I winced!

Me: Ahh!

My birthmark for Phoenix the Firebird glowed.

?: Now that is something we can do!

A girl with purple hair and purple clothes and purple angel wings and had the symbols of the Kyutamas on her wings and she had the a tiara with the symbol of the Kyurangers on it and the same symbol on her skirt.

Star Kyuranger: Star Kyuranger, Embodiment of the Kyurangers is here.

Me: Awesome to meet you Star.

Star Kyuranger: Same to you. I'll tell you more about me later.

We were off.

Nico: (gets out Titanium Titan and Titanium Toenail's Ridewatches) Titanium Power!

Nico activated the Ridewatches and fired energy blasts and blades and slashed them.

Me and Mizore fired waves of ice and fire and blasted the Goombas.

Mandee and Jackie fired waves of fire and blasted the Goombas.

Lucky and Star fired waves of fire and blasted the Goombas.

Me: YEAH

Nico: Alright, Fluzzard! Let's fly!

Fluzzard: Lets go!

We had him fly with us.

We flew and fired blasts of energy and elements and blasted the Goombas all over.

Nico held onto Fluzzard as he was flying

Nico: YEAH! WOOHOO!

Me: Awesome!

We blasted the Goombas all over!

Then we crossed the finish line!

Me: YEAH!

We then got the star!

YOU GOT A STAR!

Me: OH YEAH!

Nico: Awesome!

Lucky: LUCKY! That was fun!

Star Kyuranger: Yean it was!

We high five.

ackie: Tell us more about yourself.

Star Kyuranger: I'm an astronomer and I have all the powers of the 88 constellations and I have all the powers of the stars. Also I love showing everyone what the powers of the stars can do.

Me: That is amazing.

Mizore: Boy it sure is.

Nico: Would you like to join the team?

Star Kyuranger: I would be honored.

We left the simulator and everyone cheered wildly for us.

* * *

Later we were watching TV.

Ahsoka: Has anyone seen Poromon and Poliwag today?

Her answer came as Poromon kicked down the door dressed up like a pirate. Poliwag came in dressed up like a pirate as well. Also coming in were a Apple Bloom, Crabrawler, a Krabby, a Corpish, a Carvanha, Aligned Octopunch, Hammerstrike, Captain Mutiny, Ship Org, Captain Hardrock, and Redbeard's Ghost.

Poromon: AHA! There's me wench.

Nico: Poromon!? Poliwag!? Apple Bloom!? Wow! You guys look awesome as Pirates.

Me: WOW! You sure do!

Manaphy: Poromon, what the hell are you doing?

Poromon That's Captain Black Blood Poromon to you, porthole!

The 13 of them laugh!

Poliwag: I'm First Mate Blue Fin Poliwag!

Apple Bloom: And I'm Wing Blade Apple Bloom!

All: HAR HAR HAR HAR HAR!

Me: Cool Pirate Names.

Apple Bloom: Thanks J.D. I've always been wanting to see what it's like to be a pirate.

Me: Ye be in for a very swashbuckling adventure me hardies!

All: HAR HAR HAR HAR HAR!

Mr. Krabs: (LAUGHS) That's fine pirate talk lads!

Me: AYE!

Poromon: Fetch me 6 tankards of ale and legs of mutton for me mateys.

Me: I see you have some Crabrawler, a Krabby, a Corpish, a Carvanha, Aligned Octopunch, Hammerstrike, Captain Mutiny, Ship Org, Captain Hardrock, and Redbeard's Ghost with ya.

Ship Org: Yes been many moons since we fought.

Captain Mutiny: Aye lad.

Redbeard's Ghost: (LAUGHS) Good times!

Me: Aye laddies! You guys smell like awesome pirates!

Poliwag used his tail to slap Horsea on the ass.

Horsea: Stop acting like this! You guys stink!

Poliwag: We stink of good cheer, Horsea. Ha-ha. (pirate crew laughs)

Me: ARGH LADS!

Poromon: After we've had our fill of bread and wine, we shall tell tales of other times we had our fill of bread and wine.

Jack Sparrow: Boy that is good pirating lads!

Poromon: Ye will like our ship.

We went to the garage and we saw the ship they had and it was an awesome version of the Skyship from Super Megaforce.

Poromon: This be our vessel. The Bermuda Dragons Revenge!

Me: Awesome name fit for a pirate!

Xenia: I like it!

Nico: Awesome ship guys.

Troy: Love how you based it off the Skyzord.

Camie: It's awesome.

---

Moe was running his bar.

Then Poromon and crew blasted in!

Moe: Hey, Poromon. What brings you here?

Poromon: That's Captain Black Blood Poromon to you, scallywag! We're here to plunder your place of all your beer! (fires gun at Moe's feet)

Moe: HAVE YOU LOST YOUR FUCKING MIND?!

Sabrina Mason: (sees this) Oh, this isn't gonna end well.

They tied him up and took all the beer that Homer doesn't like!

Moe: Well at least it's all the beer I never sold and Homer never drank.

We later came.

Sunstorm: You okay, Moe?

Moe: I'm about to call the cops!

Me: Moe the Mascots want to be pirates. They told me the needed beer to supply for their quest.

Moe: Wow! I wish them luck. Where are they going?

Me: To go after criminal organizations all over the world and kill them and steel their loot.

Nico: Nice! WAIT WHAT!?

Moe: Oh boy.

Me: What did they take from you?

Moe: Beer Homer doesn't like and stuff I never sold.

Me: Your Russian Stout beer? Whoa.

Over the next couple of hours, Poromon and crew were robbing and pillaging from criminals all over the city and they stole jewels like crazy! They busted them and roughed them up really bad and even killed them and sometimes they brought them over to the police! They piled up a massive and huge treasure of incredibly awesome size. They busted over 100,000,000 criminals and killed 500,000,000 of them too. In less than 6 hours they became the greatest Dread Pirate Vigilantes of all time!

Later they came back and were in the park.

Poliwag: Now to find treasure in the park!

Chromedome: Treasure?

Poromon: Aye! Follow us.

We did so and went to a hidden clearing and then they dug and brought out a treasure.

Nicole gasped!

They opened it. And in it was NUMEROUS JEWELS!

Nicole: OH WOW! Jewel Treasure of Captain Thunderbeard the Terror who was lost in Lake Huron during the Great Storm of 1829. I was trying to find that treasure for years!

Nico: Wow! What a treasure!

Misfire: Boss, who gets to shine this time?

Nico: Bloom, Cayenne, Courage, Oceanus Shenron, Will Vandom, and Cadance.

Me: Cool!

Cadance: This will be so fun.

Camie: Yeah!

Courage: Oh yeah!

Cayenne: I'm excited for this.

Will Vandom: This will be cool!

We went back home and got ready.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Haunted Mask, he has returned from the dead and he's not only causing havoc, but he's resumed his previous plan of taking over the people where Carly

Beth lives at including the store owner who made the mask in the first place. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Haunted Mask, he has returned from the dead and he's not only causing havoc, but he's resumed his previous plan of taking over the people where Carly Beth lives at including the store owner who made the mask in the first place.

We gasped in horror.

Me: Oh God, not again.

Nico: I knew it would be The Haunted Mask again, I just knew it.

Sabrina Mason: We got to head down there now, I hope Carly's alright.

Me: Same here, Sabrina.

Lincoln: We got to be very careful now, The Haunted Mask will no doubt have other tricks.

Nico: Other than just taking over people, you're right about that. Alright, gang, let's head down to Carly Beth's home and take that Haunted Mask down, and this time, we'll make sure that he stays dead and gone forever.

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Nico: I never get tired of you making the curse even worse for Slappy and his cohorts and making things even worse for Bob Roth and Alexander DuBrow.

I showed the book for The Haunted Mask.

Me: This was a crazy one. And back then we were stupid and harsh because we put Carly Beth's bullies in prison. Which was overkill.

Maria: While you and Zarya were… on break back in 2021, we made amends with Chuck and Steve while the Haunted Mask made a plan to copy itself and attach itself to everyone on the planet.

Me: I heard all about that and that was horrible! But I'm proud of you guys for making amends with them. But that is crazy that happened with the mask.

Nico: Yeah! No kidding!

Camie: It sure is.

May: It might be trying to repeat that plan.

Eli: She's right! I sense it. It's going to try the same thing again.

Camie: Uh oh.

Varie: Oh boy.

Maria: Does it have a host right now?

Nico: We'll find out when we corner it.

The previous group came.

Wrecker: Can me, my boys, Bronze Kneecap, Ebon, El Oso, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Turtle, and Speed Demon go with you guys?

Thunderball: And are Poromon and Poliwag dressed up as pirates right now?!

Nico: In order yes you can come with us. And yes the mascots are pirates.

Camie: They did a lot of pirate work earlier.

Piledriver: That is cool!

Catilla: Nico, which Gene Slammer do you think you'll meet next?

Bulldozer: That's what I want to know.

Nico: I'm hoping to meet one for Centaur Man next.

Me: Cool!

Qin: That one is going to be a centaur no doubt.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than The Vampire King, the last member of his court in the Adventure Time miniseries "Stakes", and he's coming to get his revenge on Marceline, Finn, and Jake. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Finn, Jake, Marceline, you three and the rest of our friends from Ooo aren't going to like it one bit: the figure and dark energy we sensed belongs to The Vampire King.

Marceline: I knew it, we got rid of The Moon, The Fool, The Hierophant, and The Empress, now all that's left is to destroy The Vampire King for good.

Melanie Adonicia: I've also got some candy that I made for this occasion, I used my usual recipes for making candy, but for this one, I added 400 cloves of garlic: powerful enough for a powerful vampire like him.

Nico: Whew, nice one. But, this is one candy I wouldn't eat, not unless I'd want to have permanent garlic breath, blech! Alright, gang, let's go, we're heading down to Carly Beth's home and take that Haunted Mask down, and this time, we'll make sure that he stays dead and gone forever.

Lincoln: Our Goosebumps Adventure first began when we first fought The Haunted Mask, now our fight against him will end here and now, and once we get done with The Haunted Mask, you're next, Vampire King.

Melanie Adonicia: You knew this day was coming, Vampire King. You thought that you can just come back from the dead to get revenge and kill our friends, fat chance! You're getting a stake driven right through your undead heart and you'll be joining your minions in Hell after we rescue Carly Beth and everyone in town from The Haunted Mask.

Poromon: We be taking our ship!

Bronze Kneecap: Okay then.

Piledriver: (laughs) I knew you were gonna say that!

Apple Bloom: Aye!

We were off.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Carly Beth's home and take that Haunted Mask down, and this time, we'll make sure that he stays dead and gone forever, and once we got done with The Haunted Mask and this time forever, Melanie Adonicia and Lincoln are going to destroy The Vampire King, and end his immortal life and nine centuries of terror he'd wrought on The Kingdom of Ooo.

We were off to help Carly Beth.

---

We were flying with the Mascots ship with us.

Wrecker: Boy the Mascots have a really cool ship!

Troy Burrows: They sure do.

Rubanoid: How long is the pirate thing gonna last?

Sid Arkale: My guess? Until the end of the day.

Me: Yeah.

Applejack: Apple Bloom makes a really fine pirate though.

Nico: She sure does and they did an amazing job destroying numerous bad guys.

Then lasers from the tree was firing all over defeating numerous bad guys coming for revenge.

Juran: Are we getting close?

Me: We're already here.

We landed and we were in front of Carly Beth's house on the eastern side of town.

Nico: That was pretty close.

Lola: Yep.

Carly Beth: Hey guys!

Poromon: Ahoy, Carly Beth!

El Oso: (Spanish Accent) We apologize for this.

Carly Beth: The mascots look awesome as pirates.

Me: They sure do. Awesome to see you again Carly Beth.

Carly Beth: Thank goodness you all came.

Me: The Haunted Mask is back and is going to do the same thing it did before right?

Carly Beth: How did you know?

Lincoln: I told them and Sebastian here told us everything.

Sabrina Mason: Hey, Carly Beth.

Carly Beth: (bitterly) Oh, so you remember who I am now? I thought you would've forgotten now that you're part of the Core 310.

Supernova Zap: This just got awkward.

Sabrina: Carly Beth I never forgot about you. It's just that I am ALWAYS so busy saving the world.

Me: Yeah.

Carly Beth: You're right on that.

They hugged.

Carly Beth: I've missed you bestie.

Sabrina: Me too C.B.

Me: Chuck and Steve are working at Applejack's farm now as part of their community service.

Overdrive: You guys call them here. I'll find some vehicles to use.

He went and did so and I called Steve and Chuck.

Steve and Chuck later arrived and Carly Beth was NOT HAPPY ONE BIT to see them! Especially after how they humiliated her and more.

Me: Uh oh. Maybe calling them here was a bad idea.

Carly Beth: Okay. I know you're trying to make up for what you did. But I'm still keeping an eye on you two.

Steve: We understand, But honestly, we've learned our lesson.

Me: We went overboard with them back then. The reason is because we weren't thinking straight because of dark orb contamination.

Carly Beth: Dark Orb Contamination?

Me: We were being poisoned by Dark Orbs inside us. Complicated story.

Carly Beth: I think I understand what you mean.

Chuck: Are those Poromon and Poliwag as Pirates?

Poromon: Ahoy, mateys!

Me: Yep they sure are dressed like pirates.

Nico: Yep.

Chuck: (LAUGHS) They look cute. So does Apple Bloom.

Me: They call themselves the Bermuda Dragon Pirates.

Luffy: (LAUGHS) That's a great name for them.

Steve: I'm surprised no one's called the cops on them yet.

Moe: Oh, I was actually close to doing that.

Cutthroat: And we apologize for that.

Moe: Ah no worries. It was only beer I didn't need.

Homer: I don't even like that beer anyway.

Moe: See what I mean?

Me: Yeah we do.

Poromon: Aye but we love it mateys.

Lola: (LAUGHS) Yeah.

Bloom: (hears a knock) Someone's at the door.

Turtle: I'll get it.

Turtle opened the door to see a mask. It tried to attach itself to Poromon's face but his beak got in the way.

I slashed the Mask and killed it.

Me: Ugly freak.

Nico: Yeah.

Brontes: How come it couldn't take him over?

Volt Luster: Because his beak got in the way.

Brontes: Oh.

Qin: Those masks are ugly.

Carly Beth: Yeah they are trying to take over everyone.

Me: I had a feeling they were.

Eli: Is your brother still giving you squat?

?: How about you ask me yourself.

We saw Carly Beth's brother with a mask on!

Nico: Oh no!

Me: TASTE HORRIBLE MUSIC YOU FREAK!

I played I Wrote This By Patrick Star!

Twinkle, twinkle, Patrick Star!

I made myself a sandwich,

My mommy named it Fred.

It tastes like beans and bacon

And smells like it's been dead.

Writing stuff is hard so I use a pointy pencil,

Pointy pointy pointy, pointy pointy point!

PU, what's that horrible smell?!

Drum solo!

[drum solo]

I have a head, it ends in a point,

Pointy pointy pointy, pointy pointy point.

This song is over, except for this line,

You win this round, broccoli!

[instrumental break]

It tastes like beans and bacon

And smells like it's been dead.

Writing stuff is hard so I use a pointy pencil,

Pointy pointy pointy, pointy pointy point!

PU, what's that horrible smell?!

Drum solo!

[drum solo]

I have a head, it ends in a point,

Pointy pointy pointy, pointy pointy point.

This song is over, except for this line,

You win this round, broccoli!

The mask exploded!

BOOM!

Carly Beth's brother fell to the ground and was knocked out.

Cayenne: What was that song?!

Speed Demon: While you guys discuss that, I'll use my super speed to find whoever has masks on.

Me: Okay.

ZOOM!

He ran.

Me: That was a song Patrick wrote.

Lily: Yeah Patrick wanted to make a poem into a song so me and SpongeBob helped him out. But turns out the song did more harm than good.

Me: It was funny! But it makes the masks explode. Just like those martians.

Roxas: He's going to be okay.

Poromon: That only be the start, mateys!

Me: There's bound to be hundreds of them.

Qin: Yeah.

Nico: But this song is perfect for us to kill the masks in one fell swoop.

Xenia: Yep.

Me: If Slim Whitman's Indian Love Call can kill Martians by making their heads explode then this song can make masks explode.

Hammerstrike: No. Save that for the main one.

Winter Soldier: (gets out gun) Don't worry. I'm only aiming for the masks.

Me: Good.

We went outside and saw THOUSANDS OF MASKS COVERING PEOPLE!

Me: Okay you masked losers, TASTE THIS!

I played the song!

Twinkle, twinkle, Patrick Star!

I made myself a sandwich,

My mommy named it Fred.

It tastes like beans and bacon

And smells like it's been dead.

Writing stuff is hard so I use a pointy pencil,

Pointy pointy pointy, pointy pointy point!

You win this round, broccoli!

THE MASKS SCREAMED AND THEY POPPED OFF OF EVERYONE!

Winter Soldier blasted the masks all over!

I fired lasers and energy blasts and blasted the masks.

They were all being destroyed and banished to the Black Gates.

DC Enchantress: More incoming!

Poromon: Load the cannon!

Oceanus Shenron: Already on it!

Nico: Keep the music playing!

I fired waves of energy and elements and blasted the masks all over the place!

KRABLAM!

Poromon fired cannons and blasted the masks all over!

Poromon: (in a pirate voice) Shoot it again!

Quake Woman: What? I didn't understand that.

Poromon: I said, "shoot it again," but I said it pirate-like.

Quake Woman: Oh!

KRABLAM!

They fired again and blasted more masks into oblivion and we blasted the masks all over.

Xenia: Take this!

She fired arrows and blasted the masks all over! The masks were were exploding left and right.

Will Vandom: Quintessence!

Count Vertigo: Time to make you dizzy!

She fired a blast of lightning and blasted the Masks all over. Count Vertigo fired a Vertigo blast and made the masks dizzy really bad. They exploded all over the place.

The masks were destroyed.

Me: Awesome!

Poromon: We be finding their boss now!

Carly Beth: And that one must be at the mask store.

Camie: Yeah it must be.

Me: Yep.

Nico: Lets go.

We were off to the mask store.

We arrived.

Poliwag: We be here.

Me: Just as creepy as ever.

Nico: Yep.

Laney: This is gonna be good.

Onslaught: Entrance time!

Poromon: Prepare to be boarded!

We went at the mask store.

The owner was looking around and then the spirits of the Masks of the World came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted the roof off and blew half the store apart and then a phoenix cry was heard and we came.

Me: Okay you dumb… (GASP)!

We saw the Haunted Mask like on the book covering his face!

Ebon: It's taken over the Shop Owner!

Cadance: Not good!

Poliwag: (Gets out sword) Time to walk the plank!

Haunted Mask: (laughs evilly) You've been drinking too much beer.

Me: Let him go you ugly monstrosity!

Haunted Mask: NEVER!

I teleported and got on his shoulders and pulled hard!

Me: LET GO! (STRAINING)

But the mask was stuck REALLY TIGHT!

Hammerstrike and Aligned Octopunch got out swords too.

Me: LET HIM GO!

I pulled hard.

Poromon: Fire the Holy Laser!

He fired and the blast hit the mask and it screamed.

Me: Nice one!

They slashed the mask all over.

Camie: This monster makes me sick!

Nico: We're gonna have to weaken the mask first.

Me: Good idea.

I jumped off and fired waves of lightning and blasted the mask all over.

Xenia: Yeah!

Bloom fired waves of fire.

Cayenne fired waves of fire.

Courage released an ear shattering scream!

Oceanus Shenron: WHIRLWIND SPIN!

She formed a sign and fired waves of energy wind!

Will: QUINTESSENCE!

She fired waves of lightning.

Cadance fired a wave of energy and blasted the mask!

Nico: Take that!

Poromon swung his pirate sword.

that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Vampire King, or we will force you out.

A figure came out, and it was none other than The Vampire King, the last of the five vampires in The Vampire King's Court and the most powerful vampire in The Kingdom of Ooo.

Marceline: Should've known you'd come back as well, Vampire King.

Vampire King: You ain't staking me this time, Marceline, and now, I'm gonna make you and your friends pay for what you did to me long ago.

Melanie Adonicia: As if, the only thing you're going to get is a stake driven through your black heart.

Suddenly, Melanie Adonicia's purple eyes turned neon purple and she was surrounded by a pink energy aura with stars, candy, sugar, light, phoenixes, and angels, she unholstered her massive gold greatsword from her back, and as she approached The Vampire King, she left pink energy, stars, candy, sugar, light, phoenixes, and angels with every step.

Melanie Adonicia: I always knew that you'd be the last of the five vampires that we have to face Vampire King, you truly are nothing more than a bloodthirsty vampire who's wrought terror and mayhem through The Kingdom of Ooo for more than nine hundred years, I thought the land was rid of you, but to find out Slappy brought you back, now that puppet's gone too far, we'll deal with him soon, but you, you will be dealt with here and now, this is the end for you and your centuries-long reign of terror over The Kingdom of Ooo.

Suddenly, Melanie Adonicia was surrounded by a massive vortex of pink energy with stars, candy, and sugar surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at The Vampire King: the red eyes of death. Then, as the vortex faded, Melanie Adonicia emerged, but she was changed forever.

Melanie Adonicia has transformed into SUPER ANGEL-CANDY MASTER-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL SOLAR LIGHT SWEET CANDY MASTER CANDY LIGHT PHOENIX ANGEL OF DIVINE COSMIC ETERNAL SOLAR LIGHT SWEET CANDY MASTER CANDY LIGHT PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL SOLAR LIGHT SWEET CANDY MASTER CANDY LIGHT PHOENIX ANGEL LOVE!

We were really amazed by Melanie Adonicia's Super Angel-Candy

Master-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when The Vampire King saw it, he ran at her to kill her, and Melanie Adonicia fired a massive barrage of pink energy, stars, candy, sugar, light, phoenixes, and angels, which hit The Vampire King and exploded and he was knocked down, he got back up, but he was now pissed off.

Mary Knudson: (GASPS) Oh, whoa!

Luna: No way, did Melanie…?!

Leni: She totes did.

Lincoln: That's right, Melanie Adonicia has transformed into her Super Angel-Candy Master-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we deal with The Vampire King and end him for good.

Melanie Adonicia: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Solar Light Sweet Candy Master Phoenix Angel and Divine Cosmic Eternal Solar Light Sweet Candy Master Phoenix Angel Love) He will pay for everything that she's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Melanie Adonicia.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic

Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Vampire King, you've lived for far too long and caused enough pain and suffering, now it's time for you to join your minions in Oblivion!

Melanie Adonicia and Lincoln went after The Vampire King, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Vampire King and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws and firing energy slashes from his claws and massive angelic and demonic greatswords at his side and he and Melanie Adonicia also attacked him with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving The Vampire King even more madder with rage.

The Vampire King: (DEMONIC VOICE) YOU! YOU! I WILL KILL YOU ALL!

The Vampire King charged right at them with uncontrollable rage and wrath in his black heart, but Melanie Adonicia fired a powerful pink energy blast at them which hit her hard and he got knocked down, and then, Lincoln threw Melanie's special garlic candy that she made into his mouth, and then, he began convulsing and he suddenly swelled up and exploded into blood and guts. Then, as soon as his spirit appeared, Lincoln banished him to The Black Gates forever, we cheered wildly for what Melanie Adonicia and Lincoln did as they holstered their massive greatswords and powered down and Melanie Adonicia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive rainbow angel wings are permanent.

Melanie Adonicia: This is for all the lives of all those who fell victim to you and your minions nine centuries ago. Thanks for helping me destroy The Vampire King for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Melanie.

Suddenly, Melanie Adonicia wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Adonicia's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Windigo flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and candy falling down around them and lights shining down on them and we cheered wildly. Then, Lincoln and Melanie Adonicia sucked in and absorbed the elemental forces and light and collected the candy and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and we took down The Vampire King for good, and Melanie's garlic candy caused him to explode.

Me: That was really lethal, next time, we should use it on any vampire hunting missions in the future that'll really cause trouble for them. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've got just two people we're meeting tomorrow: one of them is Electra Tempest, Queen of The Lightning Fairies.

Me: Whoa, electrifying!

Aprina Arabella: She sure is, and that's perfect, and you guys will love meeting her, Electra Tempest is Lincoln's Guardian Angel and the Queen of The Lightning Fairies of Lightning Storm Cove, an enchanted fairy village populated by The Lightning Fairies. Electra Tempest is a human sized fairy and she's a powerful and skilled fighter with incredible control over lightning and possess many incredible powers over lightning and magic. Lincoln met Electra Tempest when he discovered a portal that led to Lightning Storm Cove in the secret garden he and his Guardian Angels know about, and he saved Electra from an attack caused by that very deranged fairy-obsessed killer Randall Williams. Electra was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: Damn, any who mess with her are going to get electrocuted. And who's the second person that we're meeting tomorrow as well?

Lincoln: This is someone who I've been wanting to introduce you guys to for a long time, her name is Adrienne Midnight, Avatar of The Goosebumps Monsters and The Leader of The Goosebumps Monster Busters.

We gasped and my jaw and Nico's dropped.

CLANG!

Eli put our jaws back in.

Nico: HOLY SHIT! THE AVATAR OF ALL THE GOOSEBUMPS MONSTERS?!

Me: HOLY CRAP!

Selene Arcangela: I knew that'd get your attention and it also fits in perfectly with our Goosebumps Horror adventure, and you guys will love meeting her, Adrienne Midnight is Lincoln's Guardian Angel from Royal Woods, she's a very powerful Dark Goth Angel with immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and she was also born with massive black angel wings, but she also has another secret only Lincoln knows about along with The Goosebumps characters, she's The Avatar of All The Goosebumps Monsters and she has all of their powers and abilities. She's read all the Goosebumps books, and she knew that some of them have really tragic lives so she feels sympathy for them and the good ones she gets along with them, but the rest of them are nothing more than pure evil, and she really really hates them with a blazing passion. She helped the main characters of The Goosebumps stories and R.L. Stine deal with these twisted monsters as she used her dark powers to beat the evil Goosebumps monsters into pulp and she had also heard of what Dr. Strange did in banishing Slappy to The Dark Dimension.

Nico: Whoa.

Sabrina Mason: And that's how she became the leader of The Goosebumps Monster Busters, her skills in combat, dark magic, and darkness helped us greatly against the Goosebumps Monsters.

Selene Arcangela: Exactly, Sabrina, and when she heard of Slappy's return from The Dark Dimension along with Bob Roth joining forces with that dummy, she was literally so enraged, she threatened to call down the forces of darkness down upon Slappy's head and send him and his cohorts straight to the blackest depths of Hell. But, she's already heard of what we've been doing to the Goosebumps monsters and villains for the past few days now, and she knows we don't mess around. But, it's not just The Goosebumps Monsters that she's been going after, she's also coming over to warn us about the monsters of another of R.L. Stine's book series, The Nightmare Room, a series of books that are based on the fears that children have, such as ghosts and monsters, which normally ended with comments by the narrator whose final words always ended with the words, "The Nightmare Room", and we'll be going after them in Lincoln's rescue in October.

Nico: Oh man, The Nightmare Room. There's no doubt we'll be helping those who've been doomed to the tragic fates that befell them and doomed to live forever in The Nightmare Room.

Lincoln: Yep.

Jet: That's the end of the Haunted Mask.

Poromon: You said it.

Waffle Woman: And you guys are talking normally.

Poliwag: The pirate thing was fun while it lasted.

Rojo: We're just glad you guys had fun.

Apple Bloom: That was so fun!

Carmen Dillo: How should we celebrate?

Poromon: With some beer!

Box Ghost: (laughs) I knew it!

Nico: Yep. But great job everyone.

Sabrina: (To the viewers) Now we've seen the last of the Haunted Mask for good.

Me: Yep.

We went back home, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Slappy: Looks like I'll have to send in the big guns. Time to release the Monster Blood!

Bob Roth: How about that Blob too?

Slappy: Good idea. Send him too.

UH OH!

Me: I have a feeling this food planet will have a lot of things good.

Camie: I have that feeling too.

Lincoln: All the food planets we went too have awesome food.

Nico: They sure do.

Me: Yeah they always have stuff that's good.

Qin: I agree there.

Bulla: This will be so fun though.

Becca Chang: I'm really looking forward to this one.

Nico: Becca, I want to thank you, Gator Ghoul, and your teams for coming.

Becca: No problem Nico. This is gonna be so fun and cool.

Kameo: Yeah I'm really looking forward to this one.

Elizabeth Swann: I am too.

Nico: Elizabeth, did you expect Davy Jones to have killed Athena?

Elizabeth Swann: Not at all Nico. What he did to her was absolutely horrible.

Me: That octopus-faced monster! He really tore all of Atlantica apart! And he devastated King Triton!

Nico: Yeah no kidding!

Eli: I'm glad he is gone for good now.

Camie: So is all of us.

Varie: Yeah I hated that monster!

Lana: Me too!

Lola: He was pure evil!

Elizabeth Swann: He sure was. He was a truly ruthless pirate.

Me: So were the British there.

Nico: Yeah no kidding.

Maria: I agree.

Me: What Davy Jones did was completely unforgivable.

Eli: Yeah no kidding! He tore apart my sisters family.

Nico: Big time!

Me: But before you joined us Nico, I resurrected Athena and gave Ariel back her mother and even had Melody be with her Grandmother too.

Nico: I remember hearing about that. That was so cool.

Eli: It sure was!

Nico: I bet Ariel was so happy

Me: She was! And so was King Triton. A piece of his soul was returned to him and healed in him.

Nico: That is cool!

Me: Yeah it sure is.

Elizabeth Swann: That is great she is back.

Me: Yeah if we ever do a future rescue to the world of Pirates of The Caribbean, I want to see the look on Davy Jones' fishy face when he sees Athena back from the dead.

Nico: OOH! Heh heh heh heh heh! I like it.

Me: Yep. When he killed Athena he made an immortal enemy of not just Eli but EVERYONE in Atlantica too.

Eli: You got that right bro.

Nico: Yeah.

Me: Speaking of pirates, I thought it was really awesome that the Mascots made their own pirate crew and went on awesome Swashbuckling adventures.

Maria: Poliwag slapped Horsea on the ass! And Moe was close to calling the police!

Gator Ghoul: (LAUGHS) Long John Peter told us that he did the same thing back then. That was awesome.

Yost Pyro: (LAUGHS) Yeah we heard all about that yesterday and we couldn't stop laughing back then.

Me: (LAUGHS) That was so fun. Poromon and Poliwag were awesome pirates and so were Apple Bloom and everyone.

Maria: That was funny.

Nico: Yeah that was awesome though. But come on Maria it was fun and they built an awesome version of the Skyship Zord which I thought was really cool.

Gator Ghoul: What was it called?

Me: The Bermuda Dragons Revenge.

Gator Ghoul: Ooh! I like that.

Laney: They built it in our garage and it was awesome.

Xenia: Yeah it sure was.

Me: And in just a few hours they rose to becoming the Terrors to Criminals Everywhere Across the Seven Seas and they became the Greatest Dread Pirates of all time.

Nico: Wow! That is awesome.

Apple Bloom: Being a pirate was so fun and cool!

Applejack: (LAUGHS) That's my swashbuckling sister.

Me: That was cool that Ship Org, Captain Mutiny, The Ghost of Redbeard and a bunch of Pokemon were part of the mix.

Nico: It sure was.

May: The Haunted Mask didn't see it coming

Me: No it didn't. But the funniest part was finding out that the masks exploded when they heard Patrick's song.

Lily: (LAUGHS) That was hilarious!

Nico: Remind me again. Why was that song made?

Lily: Patrick wanted to make a song from a Poem so he had it done. But the song was so terrible that it killed all four members of the band that made it! After we had everyone listen to the song in Bikini Bottom, which completely burned the whole town, everyone REALLY HATED that song. Then everyone pelted SpongeBob and Patrick with Dodgeballs.

WE GASPED!

Nico: That is crazy!

Girl Jordan: Ouch!

Me: But using a bad song like that was really genius.

Nico: It sure was!

Xenia: Yeah!

Camie: That song was really funny though.

Varie: I liked it.

Luan: (LAUGHS) Yeah it was really funny!

Eddy: (LAUGHS) That was a song from Hell.

Me: Yeah!

Laney: But in the end we destroyed the Haunted Mask and Carly Beth, Sabrina, Chuck and Steve are now free of a bad night

Me: Thank goodness.

Nico: Is Carly Beth okay this time?

Laney: She is doing much better now that her demons are destroyed.

Nico: Thank goodness. And Bloom, Cayenne, Courage, Oceanus Shenron, Will Vandom, and Cadance all did good on that one.

Me: They sure did.

Courage: Mm-hmm.

Bloom: That was so fun.

Oceanus Shenron: It sure was awesome.

Sakura Knudson: That was the coolest one ever.

Me: Well Slappy is REALLY on edge now. But we're going to be ready for him.

Maria: We're here!

We arrived at the planet and it was a white and green planet.

Me: From up here it looks like a snowy forest planet.

Nico: Cool.

We went down to the planet and we smelled something fishy. Literally.

We then landed and saw that it was a planet made of SUSHI!

Me: Whoa! It's a planet made of Sushi!

Samurai Jack: This is my kind of planet.

Lola: Wow! Look at this!

Nico: Let me have a taste

Nico had a taste of the sushi and he had a crab roll and it was awesome.

Nico: Yummy!

Me: Boy this is amazing.

I got a bunch of sushi and ate some and it was good.

Me: Mmm! Boy this is awesome.

Samurai Jack was eating a lot of sushi.

Nico: (Eating) Mmm! So good.

May ate some.

May: (Eating) Mmm! Boy this is amazing!

Me: It sure is!

Eli: (Eating) Boy it sure is awesome.

Laney: Boy this is awesome and cool.

Lincoln: At least I'm not putting maple syrup on mine this time.

Laney: UCH That was so gross!

Me: YUCK! I remember that.

Nico: What happened?

Me: Lincoln was worried that he was becoming too predictable. So he decided to mix it up by wearing different costumes and eating different foods and all kinds of stuff.

FLASHBACK - In between the Events of Chapters 186 and 187

[The next day is a rainy day, Lincoln walks up to the table wearing a Shakespearean outfit and carrying a plate of sake sushi.]

Laney: You're eating sushi for breakfast?

Lincoln: Yep. Pretty wild, huh?

Lisa: Meh, not in Japan.

Me: That's cool that you want to try that.

Lincoln: [Grabs the maple syrup off the table.] How about, covered in syrup?

Me: OH YUCK!

[Lincoln daringly drizzles the syrup on the fish. Lynn, Laney Lola, Luan, and Lisa turn green at the sight of this and leave to throw up.]

Me: That is going to taste like PUKE!

[Lincoln grabs his chopsticks, and nervously attempts to eat it. He takes a bite and turns even greener than his sisters did, and runs to throw up, too.]

Me: YUCK!

I took a fork and tried some.

Me: Hm. Not bad.

FLASHBACK ENDS

Lana: That's cool that you like Sushi topped with syrup J.D.

Me: It was gross at first but I liked it.

Lincoln: Weird but awesome.

Nico: You're not THAT predictable.

Lincoln: Yeah looking back I don't know what I was thinking. Also the costumes Laney let me try on were cool.

Nico: What did Lincoln dress as?

Me: He looked like a business executive, Shakespearean Man from the 16th Century, A French Mime, Half a Horse Costume, Deep Sea Diving Gear, Gothic Attire, Cheese Princess, everyone called him Unpredictable Loud.

Lincoln: (LAUGHS) I liked that. And it was cool.

Laney: Yeah and I let him wear all those costumes. My closet is full of them.

Camie: That is awesome.

Rarity: Your costumes are absolutely amazing Laney darling.

Laney: Thanks Rarity.

Izzy Moonbow: Oh that is so amazing there. I would love to dress up like all of those!

Pinkie Pie: Me too! That would be so fun!

Camie: Yeah it sure would!

Maria ate some sushi.

Maria: (EATING) Mmm! So yummy.

Me: Boy it sure is.

I ate a piece of sushi but then I tasted something REALLY FOUL and spit it out!

Me: (SPITS) BLECH! OH YUCK! That one tasted like blood and raw sewage!

Nico: Weird. Maybe something got mixed in with it.

Me: Yeah.

I saw that it was purple slime.

Me: Purple slime?

I picked it up and it was gross.

Me: Ew. This is gross. Hmm.

It was really sticky and it smelled really bad.

Me: (Sniffs) Yuck! Smells like blood and ashes from a Carnage Corpse.

Girl Jordan: It's not symbiote goo I know that. And Carnage is red. This one is purple.

Qin: Unusual.

Nico: Let me have a taste

Nico tasted it and then he spit it out too.

Nico: BLECH! That is disgusting! Tastes like raw sewage and chum!

Me: Yuck!

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Zackie Beauchamp and Adam Levin that The Blob Monster is back, along with the cursed typewriter, and it's causing havoc again.

We gasped.

Me: I thought I tasted something gross!

Nico: Oh shit, I knew it was going to be The Blob Monster and the cursed typewriter again, I just knew it.

Me: Same here, and during that adventure, we also met The Jungle Fury Rangers as well, and there's no doubt Slappy brought back the cursed typewriter and brought back The Blob Monster, damn that walking toothpick!

Lincoln: That dummy really enjoys pissing us off to no end. Well, then, since we got a dangerous toy robot to deal with, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Ink Stella: We got here as fast as we could.

Pelea: We're ready for The Blob Monster, and ready to piss Slappy off even more.

Lincoln: This should be good.

Yugito Nii: Wow! A planet made of sushi! This world makes me feel right at home!

Cat: Sush! Sush shi shi shi! (SNIFFS) FISHY FISHY FISH!

He and Yugito Nii ate the sushi!

Me: Looks like Yugito and Cat love this planet and so does Shizuka Nekonome.

Nico: Yeah!

Lincoln: (Sensed for The Blob Monster) AHA! Gotcha! I just spotted The Blob Monster, he's 20 yards away and he's already causing havoc and I just picked up on Zackie and Adam. We better get there immediately and get those two out of the way before that monster causes any more trouble.

Nico: Right. We can't let this go on any further.

Lincoln: Exactly.

Gatomon: SUSHI!

Kari: (LAUGHS) Looks like Gatomon loves this planet too.

She was eating sushi.

Nico: Looks like the cat members of the team love this planet.

Me: They feel right at home.

Xenia: They sure do.

Yugito Nii: This is amazing that there is a planet like this!

Xenia: It sure is awesome.

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out to rescue Zackie Beauchamp and Adam Levin from The Blob Monster.

We were flying and then, we saw Zackie Beauchamp and Adam Levin, and we also saw The Blob Monster heading right for them.

Lincoln: There they are!

Camie: That is one DISGUSTING PILE OF VOMIT!

Lily: It reminds me of The Blob from 1956 and 88.

Xenia: Yeah.

Nico: Alright, team, let's get him!

We fired ice blasts that hit The Blob Monster and he screamed in pure agony and we landed in front of Zackie Beauchamp and Adam Levin.

Zackie Beauchamp: Guys, oh thank goodness you made it. That Blob Monster's back and… !

Lincoln: We already know, Zackie, the cursed typewriter's come back and that it was Slappy who did this.

Adam Levin: We managed to grab the typewriter after Zackie kicked Slappy in the face and we ran away from The Blob Monster.

Adam Levin showed the cursed typewriter.

Nico: Nice one, and you did awesome kicking Slappy in the face.

Zackie Beauchamp: He made me mad, and when the time comes to face him, I'll put his head in a woodchipper!

Nico: I already called dibs on putting that rotten toothpick in a woodchipper.

Maria: The Blob Monster's looking a lot like its' book version now.

Nico: It sure is an UGLY FREAK of nature!

Qin: Yeah!

I fired a wave of ice and it hit the blob and hurt it bad!

Me: Just like in The Blob movies. That one didn't like ice either.

Nico: Nice!

Leo Corbett: Go Galactic!

Eiji: Henshin!

They transformed and were ready!

Qin: Oh yeah!

They fired waves of energy and blasted the Blob all over.

Me: You are a disgusting pile of slop!

I fired a blast of ice and it hit the blob and it roared in pain!

Nico: And you taste bad!

Me: YEAH!

Brittney: Time to unleash darkness! (CONDOR OF THE VIOLET FLAME POWER!)

She flared up a Purple Condor Aura!

(TOURNIQUET BY EVANESCENCE PLAYS)

Brittney: (SINGING DIVINELY AS SHE FLOATS AND DARKNESS AND VIOLET FIRE SWIRLED AROUND HER)

I tried to kill the pain

But only brought more (so much more)

I lay dying

And I'm pouring crimson regret and betrayal

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

Do you remember me?

Lost for so long

Will you be on the other side?

Or will you forget me?

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

I want to die

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

My wounds cry for the grave

My soul cries for deliverance

Will I be denied Christ?

Tourniquet

My suicide

Return to me salvation

Return to me salvation

She fired waves of darkness and fire and blasted the blob all over!

Nico: WHOA! Nice one Brittney!

Lola: YEAH!

Lana: Here's one from me! YETI POWER!

She flared up an Ice Yeti Aura!

(I'M A BELIEVER BY SMASH MOUTH PLAYS)

Lana: (SINGING DIVINELY AS ICE SWIRLED AROUND HER)

I thought love was only true in fairy tales

Meant for someone else, but not for me

Love was out to get me

That's the way it seemed

Disappointment haunted all my dreams

And then I saw her face, now I'm a believer

And not a trace, of doubt in my mind

I'm in love, I'm a believer

I couldn't leave her if I tried

I thought love was more or less a givin' thing

The more I gave, the less I got, oh yeah

What's the use in tryin'

All you get is pain

When I wanted sunshine, I got rain

And then I saw her face, now I'm a believer

And not a trace, of doubt in my mind

I'm in love, I'm a believer

I couldn't leave her if I tried

What's the use of trying

All you get is pain

When I wanted sunshine, I got rain

And then I saw her face, now I'm a believer

And not a trace, of doubt in my mind

But I'm in love, I'm a believer

I couldn't leave her if I tried

Then I saw her face, now I'm a believer

Not a trace, of doubt in my mind

Now I'm a believer, yeah, yeah, yeah, yeah, yeah, yeah

Now I'm a believer

Then I saw her face

Now I'm a believer

Not a trace

Of doubt in my mind

I'm a believer

She fired waves of ice and blasted the blob all over the place and it roared in pain!

Me: OH YEAH!

Xenia: YEAH!

Shrek: Now my other song!

Lola: Allow me! PHOENIX FIRE POWER!

She flared up a Phoenix Fire Aura!

(ALL STAR BY SMASH MOUTH PLAYS)

Lola: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Somebody once told me

The world is gonna roll me

I ain't the sharpest tool in the shed

She was looking kind of dumb

With her finger and her thumb

In the shape of an "L" on her forehead

Well, the years start coming

And they don't stop coming

Fed to the rules and I hit the ground running

Didn't make sense not to live for fun

Your brain gets smart, but your head gets dumb

So much to do, so much to see

So what's wrong with taking the back streets?

You'll never know if you don't go

You'll never shine if you don't glow

Hey now, you're an all star

Get your game on, go play

Hey now, you're a rock star

Get the show on, get paid

And all that glitters is gold

Only shooting stars break the mold

It's a cool place and they say it gets colder

You're bundled up now, wait 'til you get older

But the meteor men beg to differ

Judging by the hole in the satellite picture

The ice we skate is getting pretty thin

The water's getting warm so you might as well swim

My world's on fire, how about yours?

That's the way I like it and I never get bored

Hey now, you're an all star

Get your game on, go play

Hey now, you're a rock star

Get the show on, get paid

All that glitters is gold

Only shooting stars break the mold

Hey now, you're an all star

Get your game on, go play

Hey now, you're a rock star

Get the show on, get paid

And all that glitters is gold

Only shooting stars

Somebody once asked

"Could I spare some change for gas?

I need to get myself away from this place"

I said, "Yep, what a concept

I could use a little fuel myself"

And we could all use a little change

Well, the years start coming

And they don't stop coming

Fed to the rules and I hit the ground running

Didn't make sense not to live for fun

Your brain gets smart, but your head gets dumb

So much to do, so much to see

So what's wrong with taking the back streets?

You'll never know if you don't go (go!)

You'll never shine if you don't glow

Hey now, you're an all star

Get your game on, go play

Hey now, you're a rock star

Get the show on, get paid

And all that glitters is gold

Only shooting stars break the mold

And all that glitters is gold

Only shooting stars break the mold

She fired fireballs and blasted the blob all over the place!

Lori: (SINGING DIVINELY AS FIRE AND WIND SWIRLED AROUND HER)

Where have all the good men gone
And where are all the gods?
Where's the streetwise Hercules
To fight the rising odds?
Isn't there a white knight upon a fiery steed
Late at night, I toss and I turn
And I dream of what I need
I need a hero
I'm holding out for a hero 'til the end of the night
He's gotta be strong, and he's gotta be fast
And he's gotta be fresh from the fight
I need a hero
I'm holding out for a hero 'til the morning light
He's gotta be sure, and it's gotta be soon
And he's gotta be larger than life
Larger than life
Somewhere after midnight
In my wildest fantasy
Somewhere, just beyond my reach
There's someone reaching back for me
Racing on the thunder
And rising with the heat

It's gonna take a Superman to sweep me off my feet, yeah

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

Up where the mountains meet the heavens above

Out where the lightning splits the sea

I could swear there is someone, somewhere watching me

Through the wind and the chill and the rain

And the storm and the flood

I can feel his approach like a fire in my blood

(Like a fire in my blood, like a fire in my blood

Like a fire in my blood, like a fire in my blood, blood)

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

Knew my heart could not be free

Have to hold you in my arms now

There can never be another for me

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the heat of passion?

Can you taste our love's sweet wine

Join the dance and let it happen

Put tomorrow's cares right out of your mind

As the music drives you closer

And you fall under my spell

I will catch you in my arms now

Where the night will take us no one can tell

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Gotta have this feeling forever

Gotta live this moment together

Nothing else matters just you and the night

Follow on the wings of desire

Now the rhythm's taking you higher

No one can stop us from having it all

Sakura Knudson: That was awesome doing that.

Me: You sang it really well.

Sakura Knudson: Thanks. It was my first time doing that one.

Me: You did really well.

Suddenly, Ink Stella's black eyes turned neon black and she was surrounded by an ink black energy aura with stars, ink, phoenixes, and angels, and as she approached The Blob Monster, she left ink black energy, stars, sand, ink, phoenixes, and angels with every step.

Ink Stella: I always knew Slappy would one day send you here to attack us, you blob of slime, and now, it's high-time we put you down for good.

Suddenly, Ink Stella was surrounded by a massive vortex of sandy brown energy with stars and ink surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a ink black phoenix with red eyes glaring at The Blob Monster: the red eyes of death. Then, as the vortex faded, Ink Stella emerged, but she was changed forever.

Ink Stella grew to 7'9" in height, she has gold metal bands on her biceps and thighs, and she now has eleven large ink black orbs orbiting around her legs, she has the body of a goddess, she has sand-colored highlights in the bangs of her long flowing brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon ink black eyes and an ink black energy aura with stars, ink, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix holding a drop of ink in its claws emblazoned on her forehead and Third Eye with ink black iris, she has on phoenix earrings with onyx gems for eyes and holding the Sand, Ink, and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with onyx gems on the gold flame links and onyx crystal links and onyx black phoenix-shaped Element of Harmony and below the Element of Harmony is a phoenix with onyx black gems for eyes and holding the Sand, Ink, and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on the same outfit as Stella, but hers is more ink themed, and long white sleeveless trenchcoat with stars, ink, phoenixes, and angels on the coattails, and on the back is a phoenix with inkwells surrounding it. Suddenly, Ink Stella felt a sharp pain on her back and then, massive black angel wings with white tips on the large black feathers grew and sprouted out of her back, she has on a Ring of The Phoenix with onyx black gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and she has on black fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

We were amazed by Ink Stella's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Air Lincoln saw her, he had an atomic blush on his face, hearts in his eyes, and his nose was bleeding.

Lincoln: Yep, he's me alright.

Luna: Yeah, there's no mistaking that love-crazy look in those eyes anywhere.

But, when The Blob Monster saw it, he ran at her to eat her, but Ink Stella fired a massive barrage of ink black energy, stars, ink, phoenixes, and angels and they exploded with incredible power as they hit The Blob Monster, he got back up, but he was even angrier than ever.

Ink Stella: (Divine Echoing Godly Voice of The L-Emental True Eternal Inkwell Ink Blob Ink Phoenix Angel and Divine Cosmic L-Emental True Eternal Inkwell Ink Blob Ink Phoenix Angel Love)

Looks like I've gone and really made him mad.

Nico: Big time, now he's really mad you just ruined his appetite.

Pelea: Well, we'll just make him even madder.

Lincoln: I agree, there's no way we're letting this garbage disposal run loose, and I've got a few new surprises in store for him.

Suddenly, Pelea's orange eyes turned neon orange and she was surrounded by an orange and black energy aura with stars, lava, magma, fire, flames, golems, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached The Blob Monster, she left orange and black energy, stars, lava, magma, fire, flames, golems, phoenixes, and angels with every step.

Pelea: Every single word Ink Stella said is true, you're just a carnivorous overgrown blob who just causes nothing but destruction to slake your hunger. Now, you've got yourself in deep shit now, we're taking you down and we're so going to enjoy pissing Slappy off even more.

Suddenly, Pelea was surrounded by a massive vortex of orange and black energy with stars, lava, magma, fire, and flames surrounding the vortex, there are golems, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at The Blob Monster: the red eyes of death. Then, as the vortex faded, Pelea emerged, but she was changed forever.

Pelea grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large orange and black orbs orbiting around her legs, she has the voluptuous body of a goddess, she has aqua blue highlights in the bangs of her long white hair and gold horns on her head and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange and black energy aura with stars, lava, magma, fire, flames, golems, phoenixes, and angels surrounding her and immense neon rainbow protective aura with planets swirling around it, she has a phoenix and Selkie emblazoned on her forehead and Third Eye with orange iris, she has on lava golem earrings with orange gems for eyes and holding the Lava, Fire, and Eternity Kanjis in its hands, she also has a lava golem with orange gems for eyes and holding the Lava, Fire, and Eternity Kanjis in its hands on the bottom of her aqua blue selkie-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lava drop links and she has on a white and gold accented choker on her neck. Pelea has on a lava-proof orange midriff sleeveless top, orange skirt, and long sleeveless white trenchcoat with stars, lava, magma, fire, flames, golems, phoenixes, and angels on the coattails, and on the back is a phoenix and lava golem surrounded by lava. Suddenly, Pelea felt a sharp pain on her back, and then, massive white angel wings with orange tips on the large white feathers grew and sprouted out of her back and she now has eleven massive and long white wolf tails with orange tips and orange markings. Pelea has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Pelea's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of orange and black energy, stars, lava, magma, fire, flames, golems, phoenixes, and angels, and when it emerged, it transformed into Pelea the Lava Golem's Volcanic Magma Lava Golem Angel Greatsword of Volcanic Magma Lava Golem Justice, it's a brand-new massive greatsword with embedded orange gems and a lava golem and phoenix etched on the 7'6" massive, wide, double-edged black and orange blade, large orange golem heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large orange golem heads with orange gems for eyes and on the bottom of the orange golem heads is a large orange golem head with orange gems for eyes and large orange gem in its mouth for the pommel, she has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold lava golem head with orange gems for eyes and large orange gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Pelea's Super Angel-Lava Golem-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Pelea, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when The Blob Monster saw it, he roared with rage and ran at her to eat her, but Pelea fired a massive barrage of orange and black energy, stars, lava, magma, fire, flames, golems, phoenixes, and angels which hit The Blob Monster and exploded with incredible power, now he was beyond pissed off.

Pelea: (Divine Echoing Godly Voice of The Volcanic Lava Voluptuous Lava Golem Angel and Divine Cosmic Volcanic Lava Voluptuous Lava Golem Angel Love) You've eaten your last meal, you blob of slime!

Nico: We're so going to piss Slappy off even more by beating your blobby butt into the ground.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D.

Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Ink Stella and Pelea and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, you overgrown blob, now we're putting you down for good.

Lincoln, Ink Stella, Pelea, and I went after The Blob Monster, and we fired extremely powerful blasts of rainbow energy, ink black energy, orange and black energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Blob Monster and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Ink Stella, Pelea, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving The Blob Monster insane and straight to the brink of insanity.

The Blob Monster ran towards us and it was literally in a fit of rage. But, Lincoln suddenly turned into an orange slime and he fired a blast of orange slime from his left hand that grabbed The Blob Monster and it was engulfed in the orange slime and Lincoln absorbed him and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, he changed back, and we then saw the magic typewrite explode and it was sent to The Black Gates forever. Everyone cheered as Lincoln, Ink Stella, Pelea, and I holstered our massive greatswords on our backs and powered down, and Ink Stella's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive black angel wings are permanent, and Pelea's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long white wolf tails, and massive white angel wings are permanent.

Nico: Hah, take that, you gelatinous carnivore. And Lincoln, that was so awesome, you literally turned yourself into an orange slime version of yourself and you absorbed The Blob Monster.

Lincoln: This was due to feeding on Melona and the Simulator versions of the slime girls J.D. has in his harem, and because of that, I also gained their powers and abilities along with using Majin Buu's absorption ability.

Me: That is so awesome.

Luna: So, next time if there are any large villains, you'll absorb them by turning into your slime form.

Lincoln: Yep, or I'll send a pile of goo that I'll shed and send it after the target.

Suddenly, a pile of goo fell off of Lincoln and it went at a surviving thug of Flip and he was engulfed in the goo and Lincoln called it back and it went onto his stomach and it merged back with him as he'd absorbed the thug and sent his spirit to The Black Gates.

Eli: So, one survived. Flip!

Lincoln: They knew of my reputation of draining muscular thugs of their blood, muscle mass, virility, and strength, so they're trying to avoid me at all costs. But, it won't work.

Me: No way, no how.

Nico: Let's keep the typewriter.

Lincoln: That's a good idea.

Qin: Yeah.

Me: I agree there.

Xenia: Yeah.

Hannah Fairchild: I think the next rescue should be for me next.

Me: You know Hannah that's not a bad idea.

Nico: I agree there.

Poliwag: I'm sorry for slapping your ass, Horsea

Horsea: Aw it's all right Poliwag. But I will say this. You and Poromon looked really cool as Pirates.

Nico: They sure did.

Me: Yeah. That was still awesome though.

Lincoln: And I know Slappy is watching this. So I got a little song that will hurt him bad. This is not just for the girls in my harem but also to show that love conquers evil. THUNDERBIRD OF LOVE POWER!

He flared up a thunderbird aura with a heart of love and light and Slappy saw it!

HE GASPED!

Lincoln's harem formed a circle around him and they held hands.

(CAN YOU FEEL THE LOVE TONIGHT BY ELTON JOHN PLAYS)

Lincoln: (SINGING DIVINELY AS LIGHT AND LIGHTNING SWIRLED AROUND HIM!)

There's a calm surrender

To the rush of day

When the heat of a rolling wind

Can be turned away

An enchanted moment

And it sees me through

It's enough for this restless warrior

Just to be with you

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

That we got this far

And can you feel the love tonight

How it's laid to rest?

It's enough to make kings and vagabonds

Believe the very best

There's a time for everyone

If they only learn

That the twisting kaleidoscope

Moves us all in turn

There's a rhyme and reason

To the wild outdoors

When the heart of this star-crossed voyager

Beats in time with yours

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

That we got this far

And can you feel the love tonight

How it's laid to rest?

It's enough to make kings and vagabonds

Believe the very best

It's enough to make kings and vagabonds

Believe the very best

We were in sheer awe and amazement! They glowed and the power of their love was so strong that it was unbelievable!

SLAPPY WAS SCREAMING IN EXCRUCIATING PAIN AS HE WAS BURNING FROM THE POWER OF LOVE! HE WAS REALLY IN PAIN FROM THE FORCE OF LOVE! LIKE THE DEVIL HE HATES ALL GOOD!

When the song was done Slappy was badly hurt and weakened and stripped of all his powers and he was now just a powerless walking dummy.

I had tears stream down my face for Lincoln and the girls.

Me: (Sniffles) That was beautiful.

Lola: It sure was.

Nico: It was awesome.

Eli: Whoa! I sense that Slappy's power took an incredible nosedive.

Xenia: Wow!

Nico: Now he'll be much more vulnerable for all of us.

Lola: Yep.

Lincoln: Awesome.

Nico: Now, he only has the powers he has from the original books. And the possession his spirit can do. But I have a plan to counter it.

Me: We'll have to see what it is.

Nico: But that was so awesome.

Me: Now we should get started with the Anothers.

Nico: Good idea.

Eli: Lets see who we have. (CONCENTRATES) Whoa! We have more of Donkey Kong's Enemies. We have Another Captain K. Rool, Kutlass, Klobber, Klinger, Krash, Bleak, Brash Bear, Lockjaw, Snapjaw, Yost Pyro and Gator Ghoul.

WE GASPED!

Qin: Whoa!

Me: I remember all those guys! And that Brash Bear, I remember he got really pissed when Dixie and Kiddy beat his record.

Nicole: Whoa yeah! He was mad! REALLY MAD!

Lola: Yeah no kidding!

Nicole: Yeah and Snapjaw was one tough fish! He couldn't be taken out in that water.

Lola: Yeah!

Nico: And I remember Captain K. Rool from Donkey Kong Country 2. That was awesome.

Donkey Kong: Yeah. I'm going to pound his scaly butt for kidnapping me in that game!

Nico: All of us are here

Me: Yep we sure are.

Maria: Who will face the Anothers?

Me: I haven't decided on who will face them yet.

Nico: You'll think of it soon.

Me: Yep.

Eli: I sense that the anothers minus Gator Ghoul are one person.

Me: Wow.

ROAR!

Then we saw a Cholganna Nexu come!

Me: WHOA! A Cholganna Nexu!

Qin: GEEZ!

It roared!

Nico: Nice creature.

Lincoln: I feel like I know this Nexu.

Me: I think it's with them!

We saw Another Captain K. Rool, Kutlass, Klobber, Klinger, Krash, Bleak, Brash Bear, Lockjaw, Snapjaw and Yost Pyro!

Nico: WHOA!

Qin: Awesome!

Another Kutlass: (In a girls voice) Looks like Cholby found you guys.

Lincoln: (GASP) Cholia Cholganna! Wow!

They merged and she reverted back and was a girl with aqua green hair, blue eyes, aqua green clothes and green angel wings and she had an awesome keyblade.

Cholia Cholganna: Awesome to see you again Lincoln and I heard you sing and that was an awesome song.

Lincoln: Thanks.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Cholia Cholganna, Keyblade Knight of Cholganna, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the jungle planet, Cholganna, and she has intense nature powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the jungle planet, Cholganna, and she witnessed the Jedi Knights' battles against The Sith, and she and her Nexu friend, Cholby, have helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and he eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of the jungle.

Me: Whoa! The Keyblade Knight of the planet Cholganna. That is so cool!

Nico: It sure is. And that is amazing that you have a Nexu friend.

Cholia Cholganna: It sure is.

Qin: Wow!

Anakin Skywalker: We fought one of those in the Petrinaki Arena on Geonosis and that was tough.

Cholia Cholganna: I heard about all that Master Anakin. I'm sorry you and Master Obi Wan had to go through all that.

Anakin: It's all right but we made it out.

Me: By the way is the Another Gator Ghoul friendly or hostile?

Cholia Cholganna: Friendly and she is a powerful force of the moon.

Me: Wow! This will be interesting.

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

Donkey Kong: Here Comes Donkey Kong!

He went and bashed Another Captain K. Rool in his face and we fired energy blasts and blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Maria: Time for Backup. (TURNS DIAL) TITANIUM FURY 6!

She summoned Titanium Titan, Megalon, Gabatt Kababacci, Wood Ninja, Tap Tap and Stoica!

Me: YEAH!

Nico: Awesome.

Qin: Yeah!

Nico: Now we wait.

We then heard a wolf howl.

We gasped.

Me: Whoa! Hear that?

Nico: Sounds like a wolf.

Gator Ghoul: But the Another me isn't a wolf. I'm an alligator.

Me: Unless the Another is the Embodiment of a Dopant.

Lola: Wow.

Camie: Yeah.

Nico: Keep your eyes peeled.

We looked around.

Me: THERE!

We saw a figure and it was ANOTHER GATOR GHOUL!

Me: Whoa! Another Gator Ghoul!

Gator Ghoul: Who is that handsome guy?

Me: Another you.

Another Gator Ghoul: (In a girls voice) And being an alligator is not for me.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair, yellow eyes, fanged teeth, blue clothes and green and yellow angel wings and she had blue wolf ears and a blue tail and she had a tiara with the symbol of a different version of the Wolf Dopant on it and she had the same symbol on her skirt and she had a wolf sword.

Me: (GASP) January Moonwolf!

Zarya Moonwolf: What the!? She has the same last name as me!

January Moonwolf: That is coincidental.

Me: It sure is. January was actually born on the Night of The Wolf Moon and she became half wolf as a result and she is also the embodiment of the Wolf Dopant, another version of it, and she has amazing wolf powers, is a powerful master of the night and is a great hunter. Also she worked at the showboat where Ma and Pa Skillet work at and she loves their funky fritters.

January Moonwolf: (LAUGHS) Yeah those are awesome.

Gator Ghoul: That's also the spot where I haunted there and tried to get the formula for their soda there.

January Moonwolf: I remember that.

Me: That is awesome.

Shaggy: Like that is awesome that you love Ma and Pa Skillet's funky fritters.

January Moonwolf: It sure is. And those are the best ever and I heard you made a spicier version of it. That was awesome.

Me: She loves nuclear hot spicy food Shaggy.

Shaggy: Like that is awesome.

We laughed!

Me: That is for sure.

Shaggy: Like how are Ma and Pa Skillet doing?

January Moonwolf: They are doing really good and they made lots of varieties of their super spicy funky fritters.

Scooby Doo: Roh boy!

Shaggy: Like this we'll have to see soon.

Me: I think Shaggy is going to be in heaven.

WE LAUGHED!

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (Gets out Kyuranger gear) Because we can grant it instead.

Chloe: (gets out Lupinranger gear) Zocks, I'm joining in as well.

Zocks: Okay.

Kaito and Chloe got PatRangers and LupinRangers swords and Zocks got a Kyurangers Sword.

January Moonwolf: No he didn't actually. I used my powers of the wolf and scared him really bad to the point where he fainted.

Me: Awesome.

Nico: That was clever.

Camie: Yeah.

Sougo: (gets out Patranger Ridewatch) You're not the only one with wolf powers

Geiz: (Gets out Kyuranger Ridewatch) Zarya has wolf powers too

Tsukuyomi: (gets out Lupinranger Ridewatch) And so does J.D.

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor

Me: It's true.

Zarya Moonwolf: Yep.

January Moonwolf: That is awesome and cool.

Me: Yep.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Me: Oh yeah!

January Moonwolf: This will be fun!

She fired waves of darkness and moonlight and blasted Another Gator Ghoul all over.

Nico: Time to fear the Fire and the Gator! (ACTIVATES GATOR GHOUL AND YOST PYRO'S RIDEWATCHES)

He fired waves of energy and fire and blasted the Another Gator Ghoul down.

May: This will shock! (ACTIVATES VOLK KRAKEN AND KAT'S RIDEWATCHES)

She fired lightning blasts and blasted the Another.

Maria: And this! ACTIVATES BIG DADDY BOO AND LORD FEAR'S RIDEWATCHES)

She fired waves of darkness and smashed the Another.

Elizabeth Swann: This will hurt! (ACTIVATES YOST PYRO'S RIDEWATCH)

She fired a blast of fire and blasted the Another down.

Then Killer Croc, The Ghost of Dr. Coffin, Noodle World, Frost Giant, Tormes the Centaur and Kaitouki came.

Nico: Nice team Killer Croc!

Killer Croc: Thanks Nico.

Me: Awesome!

?: I'll say!

Centaur Man came!

Me: Whoa! Centaur Man!

Laney: Cool!

Centaur Man: (In a girls voice) I'm ready for this.

Qin: Serrea!? Whoa!

Nico: Awesome!

Serrea: That's right. I got this.

She fired a wave of energy and blasted the Another down and I caught the Ridewatch and purified it.

Me: Oh yeah!

Serrea reverted back and was a girl with green hair, green eyes, had a green horn in the middle of her forehead had a green shirt, and she had a green horse body with green wings and her cutie mark looked like that of a Centaur.

Me: Cool!

Camie: Wow! A Centaur Man that is an Alicorn Centaur. That is cool.

Me: It sure is.

May: No being naked?

Serrea: No. I don't think you would want to see that.

May: Oh.

Elizabeth Swann: What's your favorite memory of Nico?

Serrea: When I took him to an enchanted meadow and we found a bunch of trolls invading it and we blasted them.

Nico: That was fun.

Me: That is cool.

Serrea: Yep.

Nico and Serrea hugged.

Nico: I've missed you.

Serrea: Same here Nico.

We went back home.

The place was literally on high alert as soon as we arrived.

Lincoln: Oh man, we're back on Universe 666 Earth, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to destroy the Universe 666 versions of The Avengers who were brought back by Universe 666 Sebastian to cause havoc once again.

Nico: No wonder the place is on high alert.

Sebastian Mendez: My Universe 666 counterpart has already grown bored of watching us succeed, so he's causing havoc once more to see us all die. I know him better than anyone, instead of relying on any plans or strategies, he resorts to the one thing he knows best: unleashing sheer bloody violence and madness untold.

Me: And since we're facing The Universe 666 Avengers, I already called Edzilla to fight Universe 666 Hulk.

Sebastian Mendez: YOU WHAT?! Oh God, we have to hurry, Edzilla will probably throw Universe 666 Hulk through an oil truck, and you know what happens when oil is lit on fire, right?

Syd: Yeah, let's head on over there.

We rushed there as fast as we could, and we're just in time to see Edzilla and Universe 666 Hulk fighting like crazy, and it was a mess. Sebastian got out a fish and was about to hit Edzilla on the head with it, but Eli grabbed him and tied him up in ropes and whacked him on the head. Then, we saw Edzilla grab Universe 666 Hulk and was about to throw him through an oil truck, when Lincoln snapped his fingers and we were now on Glaren.

Then, Edzilla threw Universe 666 Hulk into a mountain and he crashed into it. He got out of there and he roared angrily and we saw him grow even taller, larger, and stronger. Then, Lincoln turned the tips of his eleven massive and long white tails into Cell's stinger and he stabbed them into Universe 666 Hulk and he began absorbing him and assimilating his Super-Genius Intelligence, Master Physicist, Leadership, Master Combatant, Self-Restraint, and Multilingualism along with his Transformation, Supernatural Strength, Supernatural Durability, Supernatural Leaping, Supernatural Stamina, Supernatural Agility, Supernatural Speed, Supernatural Endurance, Anger Empowerment, High-Level Regeneration, Retroactive Immortality, Reactive Adaption, Aquatic Adaptation, Vacuum Adaptation, Disease Immunity, Telepathic Resistance, and Extrasensory Perception: Astral Form Perception, Homing Ability, Gamma Radiation Manipulation, Ergokinesis, Energy Emission, Accelerated Healing, Self-Regeneration Manipulation, and Zenith his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When he was done, nothing was left of Universe 666 Hulk except for his tattered pants.

Lincoln: That's one down, and a lot more to go.

Suddenly, we saw a beautiful and super sexy girl with long neon purple hair with neon purple hairband, neon purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive purple butterfly wings, and she was dressed in a sleeveless neon purple crop top, neon purple skirt, neon purple knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, lightning, magic, fairies, phoenixes, and angels on the coattails and on the back is a lightning fairy, and holstered on her back is a massive greatsword.

Along with a beautiful and super sexy girl with long midnight black hair with purple hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive and beautiful midnight black angel wings, and she was dressed in a short-sleeved midnight black blouse, midnight black short-sleeved frilly shirt, white cravat, midnight black skirt, midnight black knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic Magic, shadows, demons, creatures of the night, phoenixes, and angels on the coattails and on the back are the creatures of the night and the symbol of The Goosebumps Monster Busters, and holstered on her back is a massive greatsword, and with them are the six girls.

Lincoln: (GASPS) Electra Tempest, Queen of The Lightning Fairies and Adrienne Midnight, Avatar of The Goosebumps Monsters and Leader of The Goosebumps Monster Busters.

Electra Tempest: That's right.

Adrienne Midnight: And we got the girls away from the Universe 666 Avengers, I almost blamed that dummy, Slappy, for bringing them back, but when I saw Universe 666 Sebastian do the deed before he disappeared, that's when I knew he was behind it.

Suddenly, we saw the other Universe 666 Avengers coming for us, and they were out for blood.

Sylvester: Okay, smart alecks, you asked for it!

Then, Lincoln stabbed his stingers into the remaining Universe 666 Avengers and he began absorbing them and assimilating all their powers as well and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. Then, energy cards with The Universe 666 Avengers' drained souls appeared, and Lincoln sent them to The Black Gates, we cheered as we holstered our weapons and powered down.

We teleported back to Universe 666 Earth and Lincoln snapped his fingers and the damage done in the fight Edzilla and Universe 666 Hulk had was fixed.

Lincoln: Thank goodness we took care of that mess, but Universe 666 Sebastian's not stopping even for a second, so we need to watch out for anymore of his dirty tricks. (To Electra Tempest and

Adrienne Midnight) And it's so good to see you both again, Electra Tempest and Adrienne Midnight.

Electra Tempest: You too, Lincoln, it's been seven years since we last met.

Adrienne Midnight: But, it's so good to see you again.

Lincoln went up to Electra Tempest and he hugged her, and Electra Tempest is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Then, Lincoln went up to Adrienne Midnight and he hugged her, and Adrienne Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Misty Zephyr: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Adrienne Midnight: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful lightning fairy and this dark goth angel?

Lincoln: Indeed I do, J.D., the lightning fairy is Electra Tempest, Queen of The Lightning Fairies, she's my Guardian Angel and the

Queen of The Lightning Fairies of Lightning Storm Cove, an enchanted fairy village populated by The Lightning Fairies. Electra Tempest is a human sized fairy and she's a powerful and skilled fighter with incredible control over lightning and possess many incredible powers over lightning and magic. I met Electra Tempest when I discovered a portal that led to Lightning Storm Cove in the secret garden he and his Guardian Angels know about, and I saved Electra from an attack caused by that very deranged fairy-obsessed killer Randall Williams. Electra was very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like the promise I made with Lily the Mermaid and my entire harem, I promised that when he came of age, I will marry her.

Nico: Now, that's electrifying.

Lincoln: You got that right, and the gothic dark angel is Adrienne Midnight, Avatar of The Goosebumps Monsters and The Leader of The Goosebumps Monster Busters, she's my Guardian Angel from Royal Woods, she's a very powerful Dark Goth Angel with immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and she was also born with massive black angel wings, but she also has another secret that only I knew about, she's The Avatar of All The Goosebumps Monsters and she has all of their powers and abilities. She's read all the Goosebumps books, and she knew that some of them have tragic lives so she feels sympathy for them and the good ones she gets along with them, but the rest of them are really nothing more than pure evil, and she really hates them with a blazing passion. She'd helped the main characters of The Goosebumps stories and R.L. Stine deal with these twisted monsters as she used her dark powers to beat the evil Goosebumps monsters into pulp and she also heard of what Dr. Strange did in banishing Slappy to The Dark Dimension. But, when she heard of Slappy's return along with Bob Roth joining forces with that dummy, she was literally so enraged, she threatened to call down the forces of darkness down upon Slappy's head and send him straight to the blackest depths of Hell. But, she's already heard of what we've been doing to the Goosebumps monsters and villains for the past few days now, and she knows we don't mess around.

Me: Whoa.

Adrienne Midnight: You got that right. But, it's not just The Goosebumps Monsters that I've been going after, I've come over to warn us about the monsters of another of R.L. Stine's book series, The Nightmare Room, a series of books that are based on the fears that children have, such as ghosts and monsters, which normally ended with comments by the narrator whose final words always ended with the words, "The Nightmare Room", and we'll be going after them on Lincoln's rescue in October.

We gasped.

Nico: So, when October comes, there's no doubt we'll be helping those who've been doomed to the tragic fates that befell them in the books and doomed to live forever in The Nightmare Room.

Lincoln: Exactly, Nico, and now that you two are here.

Lincoln went up to and hugged Electra Tempest in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Adrienne Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Electra Tempest: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Electra Tempest's neck with neon purple gems on the gold lightning bolts and neon purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and an Elemental Thunderbird Necklace of Eternal Love appeared on Adrienne Midnight's neck with dark purple gems on the gold lightning bolts and dark purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Adrienne Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Electra Tempest and Adrienne Midnight.

Electra Tempest and Adrienne Midnight had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw the eight girls, he immediately recognized them. The six girls are the Simulator version of Akane Fujita from Great Teacher Onizuka and Misaki Kaga, Satomi Fujino, Yua Sakurai, Yuna Nakamura, and Ayumi Inoue from Busty Wife Warriors PURE MAIDEN.

Lincoln: Oh wow, it's the Simulator version of Akane Fujita from

Great Teacher Onizuka and Misaki Kaga, Satomi Fujino, Yua Sakurai, Yuna Nakamura, and Ayumi Inoue from Busty Wife Warriors PURE MAIDEN.

Nicole: That lunatic dragged them here to have them killed by the Universe 666 Avengers, now he's really gone too far.

Lincoln: He sure has. Are you girls okay?

Misaki Kaga: Yes, we're okay, thanks to you.

Then, when Misaki Kaga and the other five girls saw who it was that saved them from the Universe 666 Avengers, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The

Misaki Kaga: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Misaki Kaga: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator version of Akane Fujita, Misaki Kaga, Satomi Fujino, Yua Sakurai, Yuna Nakamura, and Ayumi Inoue with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villains we went after were the Universe 666 versions of The Avengers who were brought back by Universe 666 Sebastian to cause havoc once again.

But, when Lincoln showed what we all did to them and what he did in absorbing the Universe 666 Avengers and assimilating all their powers and abilities and sending them to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln, Electra Tempest, and Adrienne Midnight have a lot of catching up to do now that they're back in town.

Maria: I can't believe what that fucked-up lunatic did in bringing the Universe 666 Avengers back!

Lincoln: This means Universe 666 Sebastian is already launching his attack on us.

Buster Bunny: And way too early! We still got Slappy to deal with.

Lincoln: Not a problem, Buster.

Lincoln concentrated and found the hideout of Universe 666 Sebastian and the resurrected mind-controlled Universe 666 versions of the Z-Fighters' enemies, and he placed the same seal that he used on The Church of Necrom's castle and imprisoned them in there until we get rid of Slappy for good.

---

After putting an end to the Universe 666 Avengers, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Electra Tempest and Adrienne Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Electra Tempest: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Adrienne Midnight: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Electra Tempest: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Adrienne Midnight: I knew it was only a matter of time before he told

everyone that story.

Nico: Yep. So, Electra, Adrienne, what memories did you have with Lincoln?

Electra Tempest put up a video as it played on the big screen, and it showed Lincoln, Electra Tempest, and Adrienne Midnight flying home after an awesome day at Gus' Games and Grub.

Past Electra Tempest: That was truly an amazing fun day we had at Gus' Games and Grub.

Past Lincoln: It sure was Electra.

Past Adrienne Midnight: And we really had a lot of fun.

LOUD MONSTROUS BELCH!

Suddenly, Lincoln caught the stench of B.O., limburger cheese, chum, and feet in the air and he almost barfed and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Electra Tempest: Oh no. Trouble?

Past Lincoln: Yep, and there's no mistaking that belch nor the stench of sweaty armpits. DANG IT, LYNN!

Suddenly, they saw Lynn flying towards them and she was really out for Lincoln's blood again, Electra Tempest fired a blast of lightning which electrocuted her badly, and Adrienne Midnight fired blasts of darkness at her.

Suddenly, Woody Woodpecker appeared as he dodged Lynn's wild attacks in his usual crazy fashion and he tied Lynn up.

Past Woody Woodpecker: Now, Lincoln! Send that pig crashing into her cage!

Woody Woodpecker flew back to The Loud House, and then, Lincoln ran at Lynn and gave her a mega hard punch with his excessively massive brute superhuman strength that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Electra Tempest: Linky, are you alright?

Past Lincoln: I'm okay, Electra, I can handle that belching farting gorilla whenever she goes crazy.

Suddenly, Electra Tempest and Adrienne Midnight went up to and hugged Lincoln, and he hugged them back as he wrapped his arms around their waists and they kissed him, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Then, the sun continued to shine upon them, and it was truly a romantic sight as the video ended.

Nico: Shit, so Lynn went on another animalistic rampage again?! What got her gym shorts bunched up her ass that time?!

Lincoln: Lynn lost another baseball game and decided to kill me again, and she knew Adrienne and Electra were with me, so she decided to also kill them as well to slake her bloodlust.

Adrienne Midnight: That's right. And after we had our passionate make-out session, we went back home and we already knew that Lynn was already in her cage.

Luna: Yep, Woody reported back to us about that and needless to say, that belching farting overly-aggressive, psychotic stupid ape also got grounded for eighteen weeks before she got thrown back in like the gorilla that she is.

Lily: Same here, and we knew Lynn went way too far again, and we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times again, and that of course also caused her to vomit.

Lincoln: And we also cleared the room before Lynn let out her lethal farts again. But, Lucy had to sleep with Luna and Luan that night and we had to air out the room for three weeks.

Rita: She was violently out of control, and we warned Lynn many times that if she doesn't stop this, we would have no choice but to disown her and send her straight to prison.

Leni: If that happens, Lynn's whole future would be ruined forever and she would forever be marked as a criminal.

Lincoln: And it would lead her further down into darkness and she'd do anything to get revenge on me and kill everyone in her path, which is why I'm glad we got rid of Dark Lynn for good. She was a wild animal on steroids!

Me: Same here, I hated that four-legged monstrosity.

Varie: She was such a bitch.

Selene Arcangela: She was an out-of-control rabid dog, and any who don't see it her way, she gets physical, she was a totally disgusting pig! Ugh, that's why we always hated her with a blazing passion and that's why she was on the "Always Treat Aggressively" list because of that.

We got a shower afterwards, and then, Lincoln, Simulator Byleth, Simulator Celica, Jessie, and Cassidy are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Byleth, Simulator Celica, Jessie, and Cassidy are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Byleth, Simulator Celica, Jessie, and Cassidy all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Byleth: Wow, so, this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Byleth, and it's perfect for our first date. Shall we?

Lincoln, Simulator Byleth, Simulator Celica, Jessie, and Cassidy dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Byleth, Simulator Celica, Jessie, and Cassidy got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Byleth, Simulator Celica, Jessie, and Cassidy and they hugged the girls in their abnormally massive and powerful muscular arms, and Simulator Byleth, Simulator Celica, Jessie, and Cassidy placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Byleth, Simulator Celica, Jessie, and Cassidy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Byleth, Simulator Celica, Jessie, and Cassidy are in your harem.

Woody Woodpecker: Hmm, the Simulator versions of Byleth and Celica and Jessie I can trust, but her (Points to Cassidy) Don't know.

Nico: Relax, Woody. Besides, she's behaved herself.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Byleth, Simulator Celica, Jessie, and Cassidy, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy

McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

---

We were at the park and the Cutie Mark Crusaders were eating bowls and bowls of baked beans!

Me: Come on Girls!

They had eaten 55 bowls of baked beans!

Twilight Sparkle: Geez! That's a lot of beans!

Apple Bloom, Sweetie Belle and Scootaloo were really piling on the beanss.

Pinkie Pie: This is gonna be so amazing!

Nico: Boy they are going to be feeling that!

Cutie Mark Crusaders: Bowl 75!

We were amazed!

Me: Oh boy.

Samus Aran: Geez! What kind of contest are they having?

Me: A Baked Bean eating contest.

Nico: Boy that's a lot of beans for them!

Kairi: And they aren't full?!

Me: Boy they are going to really pack it in.

They were eating all those beans.

Nico: Geez!

Samus: I really expected the mascots to do something like this

Poromon: We decided it was best for the Cutie Mark Crusaders to have a shot.

Me: Oh.

Lola: Boy look at them eat.

Then…

Cutie Mark Crusaders: BOWL 100!

Me: HOLY CRAP!

Nico: 100 Bowls!?

Me: They are REALLY GOING to be feeling that.

Qin: We're flat out of beans!

Me: I would say this is a tie! All three of you win!

They won!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS BEAN CONTEST VICTORY! YAY!

Me: (LAUGHS) You girls did great!

Apple Bloom: We're going to really let loose the gas soon.

Me: You girls are probably going to fart like me and Garby.

LOUD FART TOOT!

Me: Oh pardon me!

WE LAUGHED!

Garby: (LAUGHS) That is gonna be funny!

LOUD FART TOOT!

Garby: Whoops! (LAUGHS) Sorry!

Guyhawk: Great. All full then?

Apple Bloom: Yep!

But then..

LOUD FART!

The Cutie Mark Crusaders farted as loud as Pumbaa!

Jun: Vinyl, I'll never regret meeting you.

Vinyl Scratch: Me neither Jun.

Jun: What lead you to want to get into the D.J. Work?

Vinyl Scratch: It's just something I love and I love rave music and all that. I went to my first rave concert and knew instantly that's what I love.

Jun: Wow!

Vinyl Scratch: Yep.

G1 Brainstorm: When we first met you, you weren't in a good place

Me: Yeah that was awful.

Jun: It was. But now that you have I'm all better now.

Me: Yes you sure are.

LOUD FART!

Cutie Mark Crusaders: Sorry!

Apple Bloom: But yeah that was awesome.

Lola: It was.

Nico: And we helped you fight DevilBeasts

Jun: That was awesome. And it was awesome.

Laney: That was cool.

Jun: That was a scary adventure for me.

Jun: And you were mute before, right?

Vinyl Scratch: Yes I was. I drank a shot glass of Ghost Pepper hot sauce and it burned my voice box and I could never talk again. But Lisa made this Voice Box Choker for me.

Lisa Loud: And it was helping her speak ever since.

Me: Yep. Worked really well for her. She had to use sign language before.

Vinyl Scratch: It's true.

Jun: Wow!

Me: Yep.

Clawful: Nico, who gets to shine today?

Nico: Vakama, Camie, Himiko, Tsuyu, Elyon, and Matt.

Me: Cool!

Xenia: Awesome!

Himiko: Awesome! And this will be cool!

Tsuyu: I'm excited for this!

Camie: Yeah! Me too!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than The Monster Blood, and it's returned once more and is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than The Monster Blood, and it's returned once more and is causing havoc.

We gasped.

Adrienne Midnight: The Monster Blood?! Then, that must also mean Sarabeth's back as well?! That heartless murderous witch, I ought to… !

Lincoln: Easy, Adrienne, easy. We already took care of her.

Nico: Yeah, Luna Anderson transformed and she and Lincoln destroyed her and sent her straight to The Black Gates forever.

Carly Beth: Sabrina told me about that, and it was awesome.

Adrienne Midnight: Aw man, you guys should've told me about it, I was looking forward to letting that witch have it!

Me: That's okay, but if it makes you feel any better, we're gonna destroy The Monster Blood by freezing it and sending it to The Sun. But, he might have a Sarabeth clone there, so you can feel free to thrash that ugly thing.

Adrienne Midnight: Oh, okay.

Nico: Sorry if that's the only thing we can offer, but if Luna Anderson and Lincoln hadn't killed her, she would've gotten her revenge. Alright, let's head down and tell Evan Ross and Andrea of the Monster Blood's return.

Lincoln: Yeah, we can't let The Monster Blood keep running loose.

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Nico: I never get tired of you making the curse even worse for Slappy and his cohorts and making things even worse for Bob Roth and Alexander DuBrow.

Me: Nice.

I went over and brought the 3 books for Monster Blood over.

Me: We killed Sarabeth and threw the Monster Blood into the Sun and it was crazy.

Juran: I think Monster Blood is the more dangerous out of the two.

Me: Me too. But Sarabeth made it. Also it made Evan's dog Trigger grow huge.

Nico: Yeah no kidding.

Xenia: Yeah.

Matt Daniels: I've also had a run in with Monster Blood.

Me: I remember that Matt.

Nico: Yeah. And it made the class hamster grow huge.

Lola: It sure did! That was scary.

Nico: Yeah.

The previous group came.

Carmen Dillo: Can me, Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, and Box Ghost go with you guys?

Nico: Yes you guys can come with.

Me: Next is Monster Blood and we're going to be in for a wild ride.

Lola: Yeah.

Carmen Dillo: (GULP) Oh boy.

RD Luna: Nico, which Gene Slammer do you think you'lll meet next?

Me: And by that she means which Robot Master Gene-slammer.

Nico: I know. Tomahawk Man next.

Me: Cool! So we're going to meet someone of Native American origin for that one.

Nico: Yep it's possible.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Nicol Bolas, an Elder Dragon and one of the oldest Planeswalkers, one of the only six Elder Dragons to survive the Dragon War, and one of the major antagonists of the fantasy card game Magic: The Gathering, and he's come for revenge for what happened to his servant, Sifa Grent. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is one person we're not going to like one bit: the figure I saw and the dark energy I sensed belongs to Nicol Bolas, an Elder Dragon and one of the oldest Planeswalkers, one of the only six Elder Dragons to survive the Dragon War, and one of the major antagonists of the fantasy card game Magic: The Gathering, and he's come for revenge for what happened to his servant, Sifa Grent.

We gasped.

Luna: One of The Six Elder Dragons and the oldest Planeswalker is here?! Oh man, that's not good.

Me: Yeah, not good at all.

Darcy Minjarra: (Australian Accent) If that overgrown dragon thinks he can come here to cause pain and suffering, he's got another thing coming! (Green Eyes turn Blood Red)

We felt the air turn really really hot like the depths of Hell.

Ty: (Australian Accent) Struth, she's really mad now!

Sly: (Australian Accent) And when she gets this mad, all Hell's about to break loose.

Nico: Yikes, now I know why she's that feared by the demons and Boss Cass and his crew, man she's scary when she gets mad. Alright, gang, let's go, we're heading off to tell Evan Ross and Andrea of the Monster Blood's return and we're going to destroy it.

Lincoln: That blob of magical goo has caused enough trouble for the last time, this is where we put an end to it once and for all, and once we get done with The Monster Blood, you're next, Nicol Bolas.

Darcy Minjarra: (Australian Accent) There's absolutely no way I'm letting an overgrown powerhungry dragon like you get away with this, Nicol Bolas, you will suffer the bloody wrath of The Crimson Demon Knight of Burramudgee and The Southern Rivers!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to tell Evan Ross and Andrea of the

Monster Blood's return and we're going to destroy it, and once we got done with the Monster Blood, Darcy Minjarra and Lincoln are going to destroy Nicol Bolas.

We were off.

---

We arrived at Evan's house.

Dirty Bubble: Here we are!

Me: Looks normal.

But then we saw A HUGE SHETLAND SHEEPDOG COME!

Me: WHOA!

Nico: Is that Trigger!?

Trigger came and licked me all over.

Fluttershy: Aww you're such a cute dog.

She pet him all over and got him calm and I cleaned myself.

Fluttershy: Who's a cute giant dog.

Me: Aww.

Nico: Yeah.

Weather Vane: Damn! Monster Blood got to him!

Me: It sure did but to Fluttershy no matter how big a dog, she will always love them.

Camie: You got that right.

Applejack: Yeah Fluttershy did that to Cerberus from Tartarus.

Nico: That is cool.

Me: I was amazed that Equestria had access to Tartarus, the Greek Underworld.

Nico: Me too.

Evan came.

Evan Ross: Thank goodness you all came! I see you guys saw what happened to Trigger.

Me: We sure did Evan. Thank goodness you're okay.

Swordsman: We need to shrink him down!

Then Trigger coughed.

Me: Uh oh.

He then coughed up the Monster Blood!

Me: EW!

I grabbed the blood with a vacuum and put it in a beaker.

He then shrunk down.

Me: That did the trick.

Nico: Nice.

Me: Now we can run some tests on this blood and see what it's made of.

Merrick: To do that, we need a lab.

I pulled out my Portable Lab.

Merrick: Oh cool.

We got to work on the sample we got on it.

We analyzed it all over.

Onyx: What do we have so far?

Me: Well it appears that the blood is a mixture of all kids of monsters combined with magical energy.

Nico: Whoa!

Me: It's DARK Magical energy.

Evan Ross: Definitely Sarabeth's work.

Airi: I still think Monster Blood is the main target.

Me: I agree. But Sarabeth is still the creator of this horrible crime against nature.

Evan Ross: I agree with J.D.

Airi: This is gonna be a rough one. But we'll handle it.

Nico: We'll destroy both of them at the same time.

Camie: And they will pay for it.

Himiko: Big time.

Waffle Woman: Or we could kill Sarabeth before the usual battles.

Vakama: That's a good idea.

Me: Hmm. That works! She doesn't know how powerful we got over the years.

Luna Anderson: And we grew in numbers a lot too.

Evan Ross: I was gonna say! You guys really have grown in numbers a lot.

Me: Well we've been really busy saving the world and we went to many places all over.

Arixam: Where's Andrea?

Andrea: Over here guys.

We saw her.

Me: Hey Andrea.

Nico: You doing okay?

Andrea: Yeah but have you…

Me: Heard the news about the Monster Blood and Sarabeth back? Yeah we know.

Eli: You have Slappy to blame for that.

Box Ghost: And Monster Blood got to Trigger.

Camie: I don't think he was the only one.

BOOOM!

We heard a thunderous footfall and then saw EVANS MOM AND SHE WAS A GIANT!

WE GASPED!

Me: WHOA!

Nico: OH MY!

Eli: She's as big as a kaiju!

Lusamine: Speaking as a mother, I didn't see this coming!

I grew to her size.

Me: Mrs. Ross?

Mrs. Evan: Well hello J.D. Nice view from up here.

Me: The houses didn't get smaller. YOU grew over 100 feet tall.

Mrs. Ross: (GASP) Oh man! I'm scared.

Me: Don't panic. Did you step in something that made this happen to you?

Mrs. Ross: Yeah I think I did.

Me: Lift up your foot.

She did so.

Me: Nico can you find anything?

Nico looked under her right foot.

Nico: AHA!

He saw Monster Blood on her shoe. He got the blood off and she started to shrink.

Me: Wow it was on her shoe.

She was back to normal size.

Himiko: Sorry, Mrs. Ross.

Rojo: But it was for the best.

Evan Ross: Mom thank goodness. Now do you believe me about the monster blood?

Mrs. Ross: I'm beginning to now. You were telling the truth Evan. I'm so sorry I didn't believe you.

Evan Ross: It's okay mom.

Mrs. Ross: Sarabeth is really in trouble now.

Dimitri LouSteau: It's Monster Blood that's the real problem.

Mrs. Ross: Oh man.

Me: This is what got on you. This stuff made you grow to the size of Godzilla.

I showed the beaker full of it.

Mrs. Ross: (GASP) Oh my!

Nico: Yeah no kidding.

Me: Is that green slop all over your house?

Pinky: Please say no!

Jet: Pinkie, we might have to face facts.

Tsuyu: Hopefully, it's not too much.

Me: Lets take a look.

Nico: Agreed and be careful. Watch where you step.

We went into the house and saw MONSTER BLOOD DRIPPING DOWN THE STAIRS!

Me: YUCK!

Agitos: I think it knows we're here.

Me: Yep and we're looking at it.

I fired an ice blast and froze some of it.

Camie: That stuff looks like snot!

Me: It looks more like slime.

Elyon: It's just as disgusting as it was the first time.

Dr. Destiny: Hey, this is my first time seeing it!

Me: We faced it back in 2019. You weren't with us back then. I forgot to mention that.

Dr. Destiny: Oh right.

Nico: Yeah. Here's an Ice Laser blast.

Nico fired an Ice Laser and it hit the Monster Blood and froze some of it.

Eli: I sense Sarabeth in the backyard.

Me: Oh it is on!

Luna Anderson: Yeah!

Mokuba: Oh, you bet your asses it's entrance time!

Nico: Lets go.

We went to the backyard.

Sarabeth was laughing like a fucked up lunatic and then the spirits of ice appeared and swirled around her and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a phoenix cry was heard.

We came out!

Me: Sarabeth this ends now!

Sarabeth: Not if my blood gets you!

Me: Your BLOOD and you are going to pay!

Then there was a rumble and then…

CRASH!

The house bursted open and the blood grew and formed into a HUGE TOWERING MONSTROSITY!

SARABETH LAUGHED INSANELY AND THE BLOOD FORMED INTO THE CLOUD B4 CARRIER!

Me: WHAT THE FUCKING HELL! THE BLOOD HAS SENTIENCE!?

Brain: It still can't speak.

Matt Olson: Fine by me!

Luna Anderson: I'll face Sarabeth! You guys take that ugly freak down!

Me: You got it!

We flew into the air and fired at the blood!

I fired a powerful blast of ice and Nico fired a laser blast and Eli fired a lightning blast!

The blasts hit the blood creature!

KRABBBBBBOOOOOOMM!
KRABBBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMMMM!

The blasts were really burning it all over!

Nico: YEAH!

POW! BIFF SMASH!

Luna kicked and punched Sarabeth all over!

Luna Anderson: You make me fucking sick Sarabeth! You really played with fire and now you will pay for it!

POW!

She punched her in her face and Sarabeth punched at her.

Ben: Time to fight slime with slime!

Ben turned into Goop.

Ben: (GURGLING VOICE) GOOP!

He fired glops of acid slime at it and it burned it.

Volcana, Himiko, Lola, Nuova Shenron and Qin fired blasts of fire and burned the blood all over!

Luna Anderson was REALLY giving Sarabeth a piece of her mind!

POW!

She punched her in her face!

Luna Anderson: What you did to Evan and his family is beyond Hellishly Evil! Why!?

Sarabeth: Why!? Because I wanted them to suffer! I WANTED THE WORLD TO SUFFER FOR WHAT IT DID TO ME!

POW!

Luna Anderson: You're fucking insane!

She punched Sarabeth in the face and kicked her in the stomach!

Nico fired a blast of fire and it hit the blood and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMMM!

The Blood creature roared in pain!

Vakama fired a blast of energy and fire and blasted the creature!

Camie fired a blast of Aurora energy and the blasted the blood all over.

Himiko fired a blast of fire and blasted it all over.

Himiko: Good thing I don't have my old Quirk anymore.

Tsuyu: Thank goodness.

Tsuyu fired a wave of energy and blasted the creature.

Elyon and Matt fired energy blasts and blasted the creature.

Then the creature roared and went at the Cutie Mark Crusaders and then they pointed their butts at the creature and then…

EXPLOSIVELY LOUD SUPER FART!

The gas from their fart was so potent and deadly that the creature was melting and burning all over!

Goop charged at it.

And smashed into it and it roared and was in pain.

Camie: YEAH!

Qin: Take that.

Goop: I chose Goop because we're both green and slimy

Me: Good reason.

I fired waves of lightning and blasted the creature all over.

Lincoln fired massive waves of anti-magic darkness which scooped up all of The Monster Blood and had it contained in a massive anti-magic darkness ball. Then, I opened up a portal that led to The Sun and Lincoln pushed the ball in and it was sent hurtling towards the sun as we closed the portal and then, the ball exploded in a fireball of flames and it destroyed The Monster Blood and sent it to The Black Gates.

Luna fired a wave of energy and blasted Sarabeth to the Black Gates.

Qin: YEAH!

Nico: Good riddance forever, you blob of mayhem.

Lincoln: That's another Goosebumps Villain taken down and another of Slappy's minions taken care of. Now, there's one last thing to do, and one last loose end to tie up: Nicol Bolas.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of magic, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Nicol Bolas, or we will force you out.

A massive towering dragon came out, and it was none other than Nicol Bolas, one of the oldest Planeswalkers, one of the only six Elder Dragons to survive the Dragon War, and one of the major antagonists of the fantasy card game Magic: The Gathering.

Lincoln: Nicol Bolas, the ancient Planeswalker and survivor of The Dragon War, I knew you'd one day show up, and you made a huge mistake sending Sifa Grent to attack us, she paid the price for her misdeeds and so will you!

Nicol Bolas: YOU DARE TO SPEAK TO ME LIKE THAT?! I DO NOT CARE IF ALL OF YOU ARE GODS AMONG MEN, I WILL DESTROY YOU ALL AND THE ENTIRE MULTIVERSE WILL BE MINE!

Darcy Minjarra: (Australian Accent) Ah, shut up, you overgrown bloke!

Suddenly, Darcy Minjarra's green eyes turned neon green and she was surrounded by a black and blood red energy aura with stars, darkness, blood, shadows, dark magic, black magic, Satanic Magic, demons, creatures of the night, phoenixes, and angels, she unholstered her massive Devil Sword Dante from her back, and as she approached Nicol Bolas, she left black and blood red energy, stars, darkness, blood, shadows, dark magic, black magic, Satanic Magic, demons, creatures of the night, phoenixes, and angels with every step.

Darcy Minjarra: (Australian Accent) Did you honestly think that I'll just let a powerhungry overgrown bloke like you off the hook, I don't think so. In all my years of fighting villains and demons, you are absolutely the worst villain I've ever had the displeasure of knowing. You've committed too many crimes to count, Nicol Bolas, and for that, the punishment for your crimes is death.

Suddenly, Darcy Minjarra was surrounded by a massive vortex of black and blood red energy, stars, darkness, blood, shadows, dark magic, black magic, and Satanic Magic surrounding the vortex, there are demons, creatures of the night, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Nicol Bolas: the red eyes of death. Then, as the vortex faded, Darcy Minjarra emerged, but she was changed forever.

Darcy Minjarra grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large blood red and black orbs orbiting around her legs, she has the body of a goddess, she has dark blue highlights in the bangs of her long crimson red hair and red hairband and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a black and blood red energy aura with stars, darkness, blood, shadows, dark magic, black magic, Satanic Magic, demons, creatures of the night, phoenixes, and angels surrounding her, she has the symbol of Bush Rescue and a demonic sword emblazoned on her forehead and Third Eye with blood red iris, she has on phoenix earrings with blood red gems for eyes and holding the Star, Dark, Blood, and Eternity Kanjis in its claws, she also has a Tasmanian Tiger with blood red gems for eyes and holding the Star, Dark, Blood, and Eternity Kanjis in its hooves for the second pendant on the bottom of her crimson red Tasmanian Tiger-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Darcy Minjarra felt a sharp pain on her back, and then, her massive crimson red and midnight black angel wings with crimson red tips on the large midnight black feathers grew much bigger for her new body and she also now has eleven massive and long crimson red wolf tails with black tips and black markings, Darcy Minjarra has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Darcy Minjarra's massive Devil Sword Dante and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and blood red energy, stars, darkness, blood, shadows, dark magic, black magic, Satanic Magic, demons, creatures of the night, phoenixes, and angels, and when it emerged, it was transformed into Darcy Minjarra's Eternal Bloody Darkness Crimson Demon Knight Phoenix Angel Greatsword of Eternal Bloody Darkness Crimson Demon Knight Phoenix Angel Justice, it's a brand-new massive greatsword with embedded crimson red gems and the Bush Rescue symbol etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black Tasmanian Tiger heads and large sharp talons for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in their foreheads, longer midnight black handle, four large midnight black Tasmanian Tiger heads with blood red gems for eyes and on the bottom of the large midnight black Tasmanian Tiger heads is a large midnight black Tasmanian Tiger head with blood red gems for eyes and blood red gem in its mouth for the pommel, Darcy Minjarra has on her large gold Bracers of The Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold Tasmanian Tiger head with blood red gems for eyes and large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Darcy Minjarra's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Darcy Minjarra has transformed into SUPER ANGEL-CRIMSON DEMON KNIGHT-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL DARK BLOODY DARKNESS BUSH RESCUE AUSTRALIAN CRIMSON DEMON KNIGHT PHOENIX ANGEL OF DIVINE COSMIC ETERNAL DARK BLOODY DARKNESS BUSH RESCUE AUSTRALIAN CRIMSON DEMON KNIGHT PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL DARK BLOODY DARKNESS BUSH RESCUE AUSTRALIAN CRIMSON DEMON KNIGHT PHOENIX ANGEL LOVE!

We were really amazed by Darcy Minjarra's Super Angel-Crimson Demon Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Nicol Bolas saw it, he went mad with rage and fired a blast of magic to destroy her, but Darcy Minjarra had summoned red energy swords with a swing of her massive demonic greatsword that cut down the magic blast, and she fired a massive barrage of black and blood red energy, stars, darkness, blood, shadows, dark magic, black magic, Satanic Magic, demons, creatures of the night, phoenixes, and angels which hit Nicol Bolas and knocked him down, he got back up, but now he was pissed off.

Ty: (Australian Accent) (Amazed) Struth, Darcy, you've transformed!

Sly: (Australian Accent) (Amazed) She sure has, mate. Now, blood is about to be spilled once more.

Lincoln: I must agree, guys. Darcy Minjarra has transformed into her Super Angel-Crimson Demon Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, now, Nicol Bolas is about to find out why Darcy Minjarra has earned her name as The Crimson Demon Knight of Australia.

Darcy Minjarra: (Divine Echoing Godly Voice of The Eternal Dark Bloody Darkness Bush Rescue Australian Crimson Demon Knight Phoenix Angel and Divine Cosmic Eternal Dark Bloody Darkness Bush Rescue Australian Crimson Demon Knight Phoenix Angel Love) (Australian Accent) Too right, mate, he's lived for far too long.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Darcy Minjarra.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your rampage is over, Nicol Bolas, your days of trying to conquer the Multiverse end here and now, and you will pay for the crimes you committed over 25,000 years ago.

Darcy Minjarra and Lincoln went after Nicol Bolas, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Nicol Bolas and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws, massive greatsword, and angelic and demonic greatswords at his side and firing energy slashes from his claws and he and Darcy Minjarra also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Nicol Bolas even more madder with rage.

Nicol Bolas: YOU! YOU! I WILL KILL YOU ALL!

Nicol Bolas charged right at them with uncontrollable fiery rage and wrath in his black heart, but Darcy Minjarra fired a powerful black and blood red energy blast at them which hit him hard and he got knocked down, and then, Lincoln pounced on Nicol Bolas and pinned him to the ground with energy swords, and then, he bared his fangs at Nicol Bolas' neck and sank them into his neck and he began sucking out all of Nicol Bolas' blood and assimilating his Telepathy/Mind-Reading, Mind-Control, Memory Manipulation, Teleportation, Interplanetary Travel, Power Nullification, Spellcasting, Extensive Magical Knowledge, Superhuman Intellect, Fire Breathing, Flight, Immense Size and Strength, Nigh-Invulnerability added to his Invulnerability, Regeneration, and

Immortality and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done, he unlatched his fangs from Nicol Bolas' neck and the ancient Elder Dragon now looked like a lifeless drained corpse. Then, an energy card with The Hierophant's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Darcy Minjarra and Lincoln did as they holstered their massive greatswords and powered down and Darcy Minjarra's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive crimson red and midnight black angel wings are permanent.

Darcy Minjarra: (Australian Accent This is for all the lives of all those who fell victim to you and your desire to conquer the Multiverse. Thanks for helping me destroy Nicol Bolas for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Darcy.

Suddenly, Darcy Minjarra wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Darcy Minjarra's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Windigo flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and blood behind them and we cheered wildly. Then, Lincoln and Darcy Minjarra sucked in and absorbed the elemental forces and darkness and blood and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and Nicol Bolas was indeed everything I'd heard about him, he was a dangerous and ruthless monster who wanted to conquer The Multiverse, he needed to be stopped.

Me: Otherwise, everyone would be in danger. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: I've actually got two people we're meeting tomorrow: Dawn Branco, Queen of The Light Fairies.

Aprina Arabella: That's perfect, and you guys will love meeting her, Dawn Branco is Lincoln's Guardian Angel and the Queen of The Light Fairies of Daybreak Cove, an enchanted fairy village populated by The Light Fairies. Dawn Branco is a human sized fairy and she's a powerful and skilled fighter with incredible control over light and possess many incredible powers over light and magic. Lincoln met Dawn Branco when he discovered a portal that led to Daybreak Cove in the secret garden he and his Guardian Angels know about, and he saved Dawn from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Dawn was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: Whoa, she's a powerful master of light, that's awesome. And who's the second person we're also meeting?

Lincoln: This is one that'll interest The Hernandez Sisters: the second person we're also meeting on my rescue tomorrow is Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon.

That got the attention of The Hernandez Sisters.

Natasha Hernandez: COUSIN MICHELLE?!

Fiona Hernandez: We haven't seen her in years!

Marie Hernandez: We sure haven't.

Nicole Hernandez: It's been years since we last saw our cousin.

Ariana Hernandez: It sure has.

Nico: I haven't seen her too in years.

Selene Emperyous: Then, you're in for one awesome reunion and the rest of you are going to love meeting her, Michelle Hernandez is Lincoln's Guardian Angel from Transylvania, and like Natasha Hernandez, she's a Goth Girl born from darkness and also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and massive black angel wings, and just like Natasha, Michelle is also a vampire too, but unlike how Natasha became a vampire through the blood given to her by Nyssa Damaskinos, Michelle's case was a bloody one, Michelle was attacked by a vampire, and that vampire was none other than that asshole, Deacon Frost.

The Hernandez Sisters were absolutely pissed off, and Natasha's red eyes turned even redder and her fangs grew longer.

Natasha Hernandez: THAT FUCKER DID WHAT TO OUR COUSIN!?

Nico restrained her.

Nico: It's okay, Natasha, remember what happened last year when we faced that fucker, Lincoln used The Blood God's Vengeance Curse on that fucker and his vampire fucker minions except Mercury?

Nicole Hernandez: Yeah, I remember, we were there as well, Natasha.

That cooled her down and Nico let her go.

Selene Emperyous: Anyways, Lincoln found out about it, and in a vampiric rage, he drove off Deacon Frost and his fucked-up asshole vampire minions and he even made sure to leave claw marks on Quinn's back before that asshole ran off. Lincoln had to expose his vampire nature to Michelle and had to tell her about what she was going through such as the uncontrollable thirst for blood and all of the weaknesses that she would now have, and as if by a miracle, Michelle was able to pull through and reign in that power and she became even more powerful than ever. She was reborn anew and Lincoln chanted the same incantation that only Natasha Hernandez knew because of the book belonging to Count Dracula and he removed all of the vampire weaknesses Michelle had gotten, but none of them could hide their hatred for Deacon Frost, that asshole went too far attacking her, and when they told Victoria Kurenai and the Michigan Supernatural Defense Force, they swore Deacon Frost and his asshole goons would pay with their lives.

Victoria Kurenai: We swore to make that asshole pay for what he did to Michelle. But, that was thanks to Lincoln on his rescue last year when he killed that asshole and his friends using The Blood God Vengeance Curse on them and drained them of blood and made Deacon Frost's Blood God powers his and he sent them all to The Black Gates.

Nico: Yep, he got rid of that asshole and his goons and sent them to The Black Gates.

Lincoln: Wait until Michelle hears about it from us.

Chillyfish: Now we've seen the last of Monster Blood.

Thundermon: You said it.

Seadramon: And Sarabeth too.

Me: Good riddance.

Bizarro: Today was a bad day.

Grundy: Grundy wanna party!

NIco: Good idea! Great job today everyone.

Lana: (To the viewers) This was an awesome adventure everyone.

Me: It sure was.

We went back home and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Slappy was infuriated.

Slappy: Those fools might have gotten rid of half my power. But I'm fine with the other half!

Alexander DuBrow: In the meantime, I'm gonna get ready for my plan tomorrow.

Bob Roth: What exactly is it?

Alexander DuBrow: (smirks) Be patient. You'll see it soon enough.

Dawn was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Along with Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon, she's Lincoln's Guardian Angel from Transylvania and cousin of The Hernandez Sisters, and just like her cousin, Natasha Hernandez, she's a Goth Girl born from darkness and also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and massive black angel wings, and just like Natasha, Michelle is also a vampire too, but unlike how Natasha became a vampire through the blood given to her by Nyssa Damaskinos, Michelle's case was a bloody one, Michelle was attacked by a vampire, and that vampire was none other than that asshole, Deacon Frost. Lincoln found out about it and in a vampiric rage, he drove off Deacon Frost and his fucked-up asshole vampire minions and he even made sure to leave claw marks on Quinn's back before that asshole ran off. Lincoln had no choice but to expose his vampire nature to Michelle and had to tell her about what she was going through such as the uncontrollable thirst for blood and all of the weaknesses that she'll now have, and as if by a miracle, Michelle was able to pull through and reign in that power and she became even more powerful than ever. She was reborn anew and Lincoln chanted the same incantation only Natasha Hernandez knows because of the book belonging to Count Dracula and he removed all of the vampire weaknesses Michelle had gotten, but none of them could hide their hatred for Deacon Frost, that asshole went too far attacking her, and when they told Victoria Kurenai and the Michigan Supernatural Defense Force, they swore Deacon Frost and his asshole goons would pay with their lives. But, that was thanks to Lincoln on his rescue last year when he killed that asshole and his friends using The Blood God Vengeance Curse on them and drained them of blood and made Deacon Frost's Blood God powers his and he sent them all to The Black Gates.

Next up is Deep Trouble.

See you next time.

Me: The forest is always cool and fun.

Qin: It sure is.

Xenia: The forest is always cool and beautiful.

Me: It sure is.

Nico: Yeah no kidding. Nothing like getting into nature.

Keiko: That is for sure.

Nico: Keiko, I want to thank you, Killer Croc, and your teams for coming.

Keiko: No problem Nico. This will be fun and cool.

Xenia: It sure will.

Himiko: I'm ready to kick some butt.

Me: Me too.

Nico: Honoka, what do you like to do in your free time?

Honoka: I don't really know. I haven't given it much thought since the whole Summoning Creature horror.

Me: That was a horrible sight.

Camie: What happened?

Me: Well it was a horrible sight. In 150,000 years these scientists on an island in the Land of Lightning were trying to make the ultimate Summoning Creature by combining the powers of numerous creatures into one. But the entire project went horribly wrong and Honoka had to use her sealing jutsu to lock it away forever.

Nico: It's what happens when you play with fire.

Me: Yep.

Fu: That was terrible that happened back then.

Xenia: Yeah we were shocked hearing about that.

Camie: That is horrible!

Honoka: It was.

Juran: That was fucked up.

Me: Yep. Big time. Those scientists really played with fire big time and they paid the ultimate price for it.

Qin: Yeah.

Nico: That is awful.

Twilight Sparkle: Yeah it sure was.

Camie: Oh man.

Honoka: Yeah. But if I had to pick, I wanted to be a Sealing Jutsu Teacher at the academy.

Me: Good idea.

Nico: That's a good idea Honoka.

Me: They never had Sealing Jutsu taught at the academy and the Hokage is trying to find ways to expand the arsenal of the shinobi. So that is a great idea there.

Honoka: I'm glad you think so.

Me: Yeah.

Qin: That is true.

Me: Yep. Man now we're finally rid of the Monster Blood. That stuff was terrible!

Lola: And disgusting too! I didn't expect Mrs. Ross to grow giant like that!

Nico: Me neither.

Me: Yeah. But it was an awesome mission.

Kate Lloyd: I wasn't expecting the Monster Blood to turn into The Thing like that.

Nico: Me neither. That was horrifying.

Xenia: It sure was. But that was strange seeing it like that.

Camie: That was awful.

Hannah Fairchild: It sure was. But Luna Anderson also did a great job dealing with Sarabeth.

Me: Yeah that is for sure.

Lisa Loud: Though I may have kept a sample for further study.

Me: Lisa! Wait you may have something there. We may be able to use that against many of our enemies in the future.

Nico: Yeah I agree. We can use that somehow.

Xenia: Yeah.

Eli: But regardless we all did good against the blood.

Me: Yeah.

Nico: Vakama, Camie, Himiko, Tsuyu, Elyon, and Matt did good too

Ty Rux: That was fun for them.

Me: It sure was.

Himiko: We all had fun.

Tsuyu: I agree there.

Laney: Same here.

We arrived in a beautiful clearing in the middle of the forest and it was amazing.

Me: Wow!

Xenia: So beautiful.

There were flowers, animals and more.

Fluttershy: It sure is beautiful here.

Lola: I'll say!

Lana: Wow!

Nico: Everything's peaceful so far

Me: It sure is.

Qin: This is awesome.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word from Danny Anderson that Shadow Danny's back from Hell and he's still out to kill Danny again.

We gasped.

Hannah Fairchild: I knew that it was going to be him. He just doesn't know when to quit.

Nico: You got that right, Hannah.

Me: But, we're ready for that ghost once again, and there's no doubt

Slappy brought him back from Hell, damn that walking toothpick!

Lincoln: That dummy really enjoys pissing us off to no end, and since we got a dangerous murderous ghost to deal with, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Poison Ronnie Anne: We got here as fast as we could.

Noira: We're ready for Shadow Danny, and ready to piss Slappy off even more.

Lincoln: This should be good. (Sensed for Shadow Danny) AHA! Gotcha! I just spotted Shadow Danny, he's 20 yards away and he's already causing havoc close to here and I just picked up on Danny Anderson. We better get there immediately and get him out of the way before that ghost tries to kill him.

Nico: Right. We can't let this go on any further.

Lincoln: Exactly.

Qin: Then we got to be ready.

Me: This was a crazy story about Hannah. She was originally a ghost when we met her and her story was dark.

Applejack: When did y'all first meet Hannah?

Me: It was back in 2020. It was before the Great War with the Royal Defenders.

I went over what happened back in chapter 1051 and it was crazy.

When I was done everyone that hadn't heard about it was shocked.

Twilight Sparkle: Oh man! That's awful!

Nico: It was.

Killer Croc: I can't eat a ghost!

Me: No but we can kill it by banishing it to the Black Gates and using Danny Phantom's Ghost Hunting weapons.

Xenia: Yep.

Varie: Good idea.

Killer Croc: He doesn't have flesh!

Me: We know.

Lola: Yeah.

Hannah Fairchild: But I'm ready for him.

Lincoln: (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Me: Nope. Never has and NEVER will.

Eli: I can't wait till we kill that mutant.

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set out to rescue Danny Anderson and destroy Shadow Danny.

We were flying and then, we saw Danny Anderson, and we also saw Shadow Danny heading right for him.

Lincoln: There he is! And there's Shadow Danny!

Nico: Alright, team, let's get him!

We fired blasts of light that hit Shadow Danny and he screamed in pure agony and we landed in front of Danny Anderson.

Danny Anderson: Guys, oh thank goodness you made it. My shadow's come back and… !

Lincoln: We already know, Danny, Shadow Danny's come back and Slappy was the one behind that.

Shadow Danny: (ENRAGED SCREAM) HOW DARE YOU INTERFERE AGAIN, TEAM LOUD PHOENIX STORM! Danny must die, so that I can live and he takes my place in The Shadow Realm!

Hannah Fairchild: Seriously, you're still at it with that again! I warned you many times that Danny's not going to die here, but you, you were always so selfish and manipulative. This time, I'm through with playing nice.

Me: You are just a freak of darkness!

I fired a wave of energy and it hit Shadow Danny and blasted him all over with incredible force.

I fired a wave of energy and it hit Shadow Danny and blasted him all over with incredible force.

Tyler Navarro: Dino Charger, Ready!

Haruto: Henshin!

Tyler Navarro: ENERGIZE! UNLEASH THE POWER!

RRRRRRROOOOOOOOOOOOOOOOAAAAAARRRR! CHOMP!

They transformed and were ready!

Dino Tyranno: DINO TYRANNO! POWER OF THE ANCIENTS! SILVER SWORD! DINO KNIGHT READY!

He transformed and was ready!

Nico: OH YEAH!

We went at Shadow Danny with incredible speed and I punched him in the face with devastating force and Nico kicked him in the back and punched him all over his stomach with a massive flurry of incredible fisticuffs and kicked him all over the place and really let him have it. We backed away and Shadow Danny fired a massive blast of energy and I fired a powerful Kamehameha Wave and the blasts collided and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I teleported behind Shadow Danny and fired two powerful energy blasts and they hit him and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO
KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico and me then fired a massive barrage of energy and fire blasts at Shadow Danny and they all hit him and exploded in massive explosions of fire.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMM! KRABBBOOOOOOMMM! KRABBBBOOOOOOOOOMMMM! KRAABBBOOOOOOOOMMM! KRABBBOOOOOOOOOMMM! KRABBBOOOOOOMMMM KRABBBOOOOOOOOOOOOOOOOOOMMM! KRABBBOOOOOOOOMMM! KRABBBBOOOOOOMM! KRABBBOOOOOOMMM! KRABBBBBOOOOOOOOOOOOOOOOOOOOMMM! KRABBBBOOOOOOOOOOMMM! KRABBBOOOOOMMM! KRABBOOOOOOMMM! KRABBBOOOOOOOOOOMMM! KRABBBBOOOOM!

Me: Try this on!

I formed a rainbow energy ball.

Me: STARDUST DIVINER!

I fired it and it hit Shadow Mig and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Shadow Danny screamed in pain as the blast exploded when it hit him and when the smoke cleared, he was completely enraged.

Liberty: Try this one! ALIEN STYLE NINJA ART: GEONOSIAN WARRIORS!

Liberty fired a wave of energy and it formed into the warriors of Geonosis and they slashed and blasted Shadow Danny all over and it really hurt him.

Dil Pickles: This one will hurt you! ALIEN STYLE NINJA ART: ZERGLING RUSH!

Dil fired a massive wave of energy and it turned into a massive swarm of Zerglings from the planet Char and they blasted and exploded on Shadow Danny all over and it hurt him really bad.

Lucy Loud: This will cut you up good. GENJUTSU: TERROR OF THE NECROMORPHS!

Lucy showed her demonic red eyes and they formed an illusion and it showed that Shadow Danny was on the planet Aegis VII before it was destroyed and countless Necromorphs came and slashed him all over the place with indiscriminate fury of an unspeakable level.

Luna: Try this one. WOOD STYLE NINJA ART: SWARM OF WOOD ANTS SUPER COLONY!

Luna fired a massive wave of wood and leaves and they formed into a huge swarm of Wood Ants and they bit and burned Shadow Danny all over with incredible pain and more.

Lori: You literally disgust me! WIND STYLE NINJA ART: ANT-TERMITE WAR!

Lori fired a massive wave of wind and it formed into a massive swarm of termites and ants and they grabbed Shadow Danny and viciously bit and pulverized him at an incredible level.

Killer Croc: You're lucky I can't eat you!

Shadow Danny: TOO BAD FOR YOU!

I fired waves of energy and blasted Shadow Danny all over.

Starlight Glimmer fired waves of darkness and bones and blasted him all over.

Camie: And this!

She fired a beam of energy with her quirk.

Himiko fired fire blasts and blasted him.

Nico took out a grenade,

Nico: Fire in the hole!

Nico threw it and it hit Shadow Danny and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Billy: 15 points! (LAUGHS)

Nico: This ain't Pat the Baker!

Me: Nico he was just saying that out of force of habit.

I fired an energy blast and blasted Shadow Danny all over.

Suddenly, Hannah's dark blue eyes turned neon blue and she was surrounded by a dark blue energy aura with stars, fire, lightning, darkness, demons, ghosts, phoenixes, and angels, and as she approached Shadow Danny, she left dark blue energy, stars, fire, lightning, darkness, demons, ghosts, phoenixes, and angels with

every step.

Hannah Fairchild: You just don't know when to give up, do you? You were so obsessed about wanting to live in the human world, you intended to force Danny into doing something dangerous that it had almost cost him his life, so that you can escape into the human world and he'd take your place in The Shadow Realm. You're just a conniving manipulative freak and you always will be, there's no place for you in the human world, and now, I'm going to see to it that you are sent straight back to Hell where you rightfully belong, and this time, you are never ever coming back.

Suddenly, Hannah Fairchild was surrounded by a massive vortex of dark blue energy with stars, fire, lightning, and darkness surrounding the vortex, there are ghosts, demons, phoenixes, and angels flying around the vortex, and in the vortex is a dark blue phoenix with red eyes glaring at Shadow Danny: the red eyes of death. Poison Ronnie Anne: Too bad he's just a ghost, I would love to hit him with a blast of poison and see him convulse in pain.

Lincoln: As much as we want to see that happen, he doesn't even deserve to be poisoned, he's done way too much damage already, so death's the only thing he deserves.

Lincoln fired green ecto-lightning which electrocuted Shadow Danny badly.

Lincoln: And that was just for starters.

Nico: Hannah, summon the Sacred Beasts!

Hannah Fairchild: I'm on it! I summon the Sacred Beasts! Uria, Lord of Searing Flames, Hamon, Lord of Striking Thunder, and Raviel,

Lord of Phantasms!

In swirls of fire, lightning and darkness came the 3 Sacred Beasts!

The blasts all hit Shadow Danny and exploded with incredible power.

MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Nico: Did that get him?

When the smoke cleared we saw that he was very mangled up.

Suddenly, Poison Ronnie Anne's purple eyes turned neon black and she was surrounded by a purple energy aura with stars, poison, phoenixes, and angels, and as she approached Shadow Danny, she left purple energy, stars, poison, phoenixes, and angels with every step.

Poison Ronnie Anne: I always knew Slappy would one day bring you back and send you here to attack us and kill Danny again, and now, it's high-time we put you down for good.

Suddenly, Poison Ronnie Anne was surrounded by a massive vortex of sandy brown energy with stars and poison surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Shadow Danny: the red eyes of death. Poison Ronnie Anne has transformed into SUPER ANGEL-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA L-EMENTAL TRUE ETERNAL DEADLY POISON PHOENIX ANGEL OF DIVINE COSMIC L-EMENTAL TRUE ETERNAL DEADLY POISON PHOENIX ANGEL JUSTICE AND DIVINE COSMIC L-EMENTAL TRUE ETERNAL DEADLY POISON PHOENIX ANGEL LOVE!

We were amazed by Poison Ronnie Anne's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Air Lincoln saw her, he had an atomic blush on his face, hearts in his eyes, and his nose was bleeding wind.

Lincoln: Yep, he's me alright.

Luna: Yeah, there's no mistaking that love-crazy look in those eyes anywhere.

But, when Shadow Danny saw it, he fell into a rage and ran at her to kill her, but Poison Ronnie Anne fired a massive barrage of purple energy, stars, poison, phoenixes, and angels and they exploded with incredible power as they hit Shadow Danny, and to our surprise, he did get poisoned, he weakly got back up, but he was even angrier than ever.

Poison Ronnie Anne: (Divine Echoing Godly Voice of The L-Emental True Eternal Deadly Poison Phoenix Angel and Divine Cosmic L-Emental True Eternal Deadly Poison Phoenix Angel Love) Looks like I've gone and really made him mad.

Nico: Big time, and it looks like your poison blasts do have an effect on ghosts.

Lincoln: WHOA!

Me: That's incredible.

Shadow Danny: (COUGHING VIOLENTLY AND THROWING UP)

Ronnie Anne: Whoa, now that's just brutal.

Stella Zhau: It's like someone forced him to drink a cup full of poison, that much should've killed him.

Lincoln: Normally, ghosts are immune to poison, but we did a test and we soon found out that Poison Ronnie Anne's poison blasts happens to have a very lethal effect on evil ghosts and villains.

Nico: Damn, just one poison blast from her, and your life's basically done?! That really is lethal! So awesome!

Me: It sure is!

Qin: Yeah

Nico: Someone use light on him!

Luan: Allow me!

She fired a wave of light and blasted Shadow Danny!

Suddenly, Noira's violet eyes turned neon violet and she was surrounded by a black and violet energy aura with stars, darkness, shadows, dark magic, black magic, nightmares, phoenixes, and angels, she got out her scythe, and as she approached Shadow Danny, she left black and violet energy, stars, darkness, shadows, dark magic, black magic, nightmares, phoenixes, and angels with every step.

Noira: All the words that Hannah and Poison Ronnie Anne have said about you are indeed true, and I'm also not going to show mercy to a rotten piece of crap like you, I hope you're ready to die.

Suddenly, Noira was surrounded by a massive vortex of black and violent energy with stars, darkness, shadows, dark magic, and black magic surrounding the vortex, there are nightmares, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Shadow Danny: the red eyes of death. Then, as the vortex faded, Noira emerged, but she was changed forever.

Noira grew from 6'0" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large violet orbs orbiting around her legs, she has the voluptuous body of a goddess, she has black highlights in the bangs of her short violet hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon violet eyes and a black and violet energy aura with stars, darkness, shadows, dark magic, black magic, nightmares, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix and nightmare emblazoned on her forehead and Third Eye with violet iris, she has on nightmare earrings with blue gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has a nightmare with blue gems for eyes and holding the Dark and Eternity Kanjis in its hands on the bottom of her purple nightmare-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold flame links and she has on a white and gold accented choker on her neck.

Noira has on her purple robe and her head is covered by her hood, and her lower violet centaur body grew much bigger, and she has on a long sleeveless white trenchcoat with stars, darkness, shadows, dark magic, black magic, nightmares, phoenixes, and angels on the coattails, and on the back is a phoenix and nightmare surrounded by darkness. Suddenly, Noira felt a sharp pain on her back, and then, massive violet angel wings with purple tips on the large violet feathers grew and sprouted out of her back and she now has eleven massive and long violet wolf tails with purple tips and purple markings on the base of her spine and her light violet tail grew longer as well. Noira has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Noira's scythe, massive greatsword, and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of black and violet energy, stars, darkness, shadows, dark magic, black magic, nightmares, phoenixes, and angels, and when it emerged, it transformed into Noira the Nightmare's Darkness Demonic Nightmare Angel Scythe of Darkness Demonic Nightmare Angel Justice, it's a brand-new massive scythe with embedded purple gems and a Nightmare and phoenix etched on the 7'6" massive, wide, black curved sickle-shaped blade, large black horse head on the end of the sickle-shaped blade, large white angel faces built into both sides of the scythe and large purple gems embedded in the foreheads on one end of the longer midnight black handle and on the other end are four large black horse heads with dark blue gems for eyes and large black horse head with purple gems for eyes and large purple gem in its mouth on the bottom of the dark black horse heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold horse head with purple gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix and nightmare that said, "Noira the Nightmare, Legendary Voluptuous Nightmare of Germanic and Slavic Myth, Friend of Many Monster Girls, Future Wife of James Dean Knudson, Master of Darkness and Nightmares, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Nightmare, Phoenixes, and Angels"

We were amazed by Noira's Super Angel-Germanic Slavic Nightmare-Phoenix-Harmony United Friendship Universal Eternal

Celestial Xelnaga transformation, and when I saw Noira, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Shadow Danny saw it, he fell into an even darker rage and ran at her to kill her, but Noira fired a massive barrage of black and violet energy, stars, darkness, shadows, dark magic, black magic, nightmares, phoenixes, and angels which hit Shadow Danny and exploded with incredible power as he was sent flying into a tree, he got back up, but now, he was beyond pissed off.

Noira: (Divine Echoing Godly Voice of The Divine Darkness Voluptuous German Slavic Nightmare Angel and Divine Cosmic Darkness Voluptuous German Slavic Nightmare Angel Love) You've caused enough trouble for the last time, now, it's high time we got rid of you for good.

Nico: We're so going to piss Slappy off even more by beating your stupid dark butt into the ground.

Lincoln: This is going to be good.

Me: It sure will be!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon

Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Hannah Fairchild, Poison Ronnie Anne, and Noira and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Shadow Danny, it's clear you refuse to give up, so now, we're going to destroy you once and for all, and we'll make absolutely sure you never rise again!

Lincoln, Hannah Fairchild, Poison Ronnie Anne, Noira, and I went after Shadow Danny, and we fired extremely powerful blasts of rainbow energy, dark blue energy, purple energy, black and violet energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at Shadow Danny and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords and scythe leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Hannah Fairchild, Poison Ronnie Anne, Noira, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Shadow Danny insane and straight to the brink of insanity.

Horsea squirted ink and it hit him in his eyes!

Shadow Danny: YOU! I WILL KILL ALL OF YOU, I WILL LIVE IN THE HUMAN WORLD AND ALL OF YOU WILL SPEND ETERNITY IN THE SHADOW REALM!

Shadow Danny ran towards us and he was literally in a fit of absolute murderous rage, but Lincoln's massive Greatsword of The Demonic Princes glowed with red infernal energy and Shadow Danny had let out a scream of pure rage and pain as we saw streams of red energy being extracted out of him and went into the demonic greatsword, and then, it fired a massive red energy beam and it hit the ghost and he was literally torn and ripped apart to shreds as if his sins had finally caught up to him, and he was sent to The Black Gates forever. Everyone cheered as Lincoln, Hannah Fairchild, Poison Ronnie Anne, Noira, and I holstered our massive greatswords on our backs and powered down, and Hannah Fairchild's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive black angel wings are permanent, Poison Ronnie Anne's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive black angel wings are permanent, and Noira's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long violet wolf tails, and massive violet angel wings are permanent.

Me: Whoa. Did that just happen?!

Nico: He was literally torn apart!

Lincoln: That was one of the special attacks of The Greatsword of The Demonic Princes, the blade glows with red infernal energy and it extracts the sins of the guilty in the forms of streams of red infernal energy and transfers it to the greatsword, and then, it fires a massive beam of red infernal energy which hits the target and he's literally torn apart by his sins.

Me: Whoa!

Qin: That was AWESOME!

Eli: (GULPS) So, that's basically…?

Lincoln: The Judgement of Hell, doomed to be torn apart by their sins, that's right.

Nico: If that's one of the special attacks of your demonic greatsword, then I hate to find out what the special attack of your Greatsword of The Archangels of God is.

Lincoln: Oh, believe me, it's much more powerful and deadly to the truly irredeemable and eternally damned.

Sebastian Mendez: Speaking of truly irredeemable and eternally damned, I heard The Tiny Toons, Looney Tunes, Loonatics, and Z-Fighters declared war on Universe 666 Sebastian and the mind-controlled resurrected Universe 666 Z-Fighters' foes.

Me: Wait, what?

Buster Bunny: It's true, we declared war on that lunatic, and it's set for the day after we get rid of Slappy.

Babs Bunny: Which is why we got to get rid of the remaining Goosebumps monsters once and for all.

Plucky Duck: Then, we can get to our main targets.

Dizzy Devil: (Babbling)

Hampton Pig: Dizzy said that we're going to save and purify the mind-controlled resurrected Universe 666 Z-Fighters' foes by getting rid of the darkness that brought them back from the dead.

Shirley the Loon: Which is like good or some junk because that infernal darkness messes up my aura.

Fifi La Fume: (French Accent) Oui, and since Universe 666 Sebastian's like that mad lunatic from the past, we will make him pay.

Calamity Coyote: (Taking out a Billboard) If he is, then we both know he's going to be even worse than the monster we all knew from long ago.

Bugs Bunny: But, we've prepared for that for a long time because of all the constant attacks by that monster long ago, so we're more than ready for him.

Daffy Duck: He better say his prayers.

Nico: That's right, that madman's crossed one line too many, and now, he will pay for his crimes.

Lincoln: With his own blood.

Poromon: Yay!

Me: Now we've seen the last of Shadow Danny.

Hannah Fairchild: Thanks to all of you guys.

Nico: Yep.

Camie: That was fun.

Me: It sure was. And that's another one of the Goosebumps monster destroyed.

Laney: Slappy must really be mad now.

Me: Oh yeah.

Nico: (to Hannah) But that still doesn't get your Mom back.

Hannah Fairchild: I know.

Me: But this does. (SNAPS FINGERS)

I snapped my fingers and then a beams of light shined down from the sky and the divine singing of angels was heard.

(THE MYSTICS DREAM AT 6:06 TO 7:17 PLAYS)

We saw a figure come down and it was Hannah's mother Edith Fairchild!

Hannah Fairchild: (GASP)

Edith Fairchild: Hello my sweet Hannah.

Hannah then had tears stream down her face and then she ran over and hugged her mother for the first time since the fire!

She hugged her and cried hard.

Movie Stine: Technically, I'm the dad of my Hannah.

Me: We know that. This is the one we met in 2020.

Movie Stine: I know.

Edith Fairchild: Oh Hannah look at you. You have grown into an amazing young woman.

Hannah Fairchild: I know. I've come a long way since I joined the team in 2020. I have so much to tell you

Edith Fairchild: I can tell you have a lot to show me. (To us) Thank you so much for looking out for my daughter.

Me: You're welcome Mrs. Fairchild. We're so sorry you had to go through all that.

Edith Fairchild: I know. And it's okay. But I'm glad you all have been doing a great job protecting everyone.

Me: It's part of what we have to do.

Xenia: Yeah.

Hannah Fairchild: I have so much catching up to do.

Edith Fairchild: (to the Sacred Beasts) And thank you 3 for helping my daughter.

They roared to say you're welcome.

Fiona Hernandez: They said that you are welcome.

Maria Hernandez: The 3 Sacred Beasts have been a massive help to Hannah ever since she joined the team.

Nicole Hernandez: They are great part of her as she is part of them.

Edith Fairchild: That is amazing.

The Three Sacred Beast Cards went back to their cards.

Rainbow Dash then had tears stream down her face.

Rarity: Rainbow Dash whatever is the matter darling?

Applejack: (LAUGHS) I think she is happy because Hannah has her mother back.

Rainbow Dash: Okay yes I am.

Nico: Hey, there's no need to deny it.

Rainbow Dash: I know. It was just so awesome and touching.

Me: It was.

Edith Fairchild: I'm glad that my daughter was in great hands with you all.

Me: Hannah is a great member of the team and the family. She has come a long way.

Nico: Yep.

Hannah Fairchild: Yeah. Oh we got the Anothers to face.

Nicole: And I think I see one of them!

We saw a HUGE FLYING SAUCER SLOWLY COMING!

Nicole: WHOA! That's Saucerer from Star Fox 64!

Eli: Wow! Lets see who else is coming. (CONCENTRATES) WHOA! We have Another Saucerer, Meteo Crusher, Golemech, Gorgon, Grangas Mech, Granby, Attack Carrier, Ghost of Dr. Coffin and Killer Croc.

Me: Whoa! Some of the Star Fox Bosses!

Nicole: That is cool!

Eli: Yeah! And I sense that the anothers minus Killer Croc are all on Another Saucerer.

Nico: Like a transport vessel! That is cool!

Killer Croc: I think the Anothers Except Another Me are one person altogether.

Eli: That's right.

Me: That is cool!

Nico: Who do we call in for them?

Me: The Hero Angel Girls of League of Angels.

Tabitha: That's us here.

Victoria: We're ready for this.

Vivian: Yeah this will be most fun.

Nico: Awesome!

Me: This will be awesome and cool.

Xenia: Yep.

Me: Boy it's like we're on the planet Katina and we're battling Saucerer.

Xenia: Yeah it sure feels like it.

Nico: Good times.

Fox McCloud: Yeah it sure was.

Nico: They're getting off now!

The ship opened and out came the Anothers minus Killer Croc!

Me: WHOA!

Qin: That was awesome!

Another Ghost of Dr. Coffin: (In a girls voice) Awesome entrance huh?

Lincoln: (GASP) Athena Aeten II!?

They merged and she reverted back and she was a girl with red hair, red eyes, red angel wings and had orange clothes and a fire keyblade.

Athena Aeten II: Awesome to see you again Lincoln and wow you have grown into an amazing young man.

Lincoln: I know. I get that a lot.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Athena Aeten II, Keyblade Knight of Aeten II, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the volcanic planet, Aeten II, and she has intense fire and lava powers and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of the jungle planet, Aeten II, and she witnessed the Jedi Knights' battles against The Sith, and she helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and he eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of lava and fire.

Me: Whoa! The Keyblade Knight of the Volcanic Planet of Aeten II. That is awesome.

Laney: Boy it sure is.

Eli: That was also where the Battle of Aeten II took place during the Clone Wars.

Athena Aeten II: That's right.

Me: By the way is the Another Killer Croc hostile or friendly?

Athena Athen II: Friendly and she is a strong and powerful one.

Me: Neat.

Nico: Sorry we have to do this

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired massive blasts of energy and the Anothers all exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Me: WOOHOO! YEAH!

Nicole: Always loved those big explosions in Star Fox! Awesome way to close out the levels with a bang!

Lola: Yeah!

Me: Now for Another Killer Croc.

Nico: All we can do is wait.

Me: Yeah. But we don't have to wait long!

We saw a figure and it was ANOTHER KILLER CROC!

Nico: Whoa!

Eli: This one is going to be tough!

Another Killer Croc: (In a girls voice) It sure will be fun.

Me: (GASP) That voice!

She reverted back and was a girl with purple hair and purple eyes and had sky blue clothes and blue angel wings and she had a tiara with the symbol of the Cloud Dopant on it and the same symbol on her skirt and she had a Cloud Sword in her hands.

Me: (GASP) Cora Noctilucent Cloud!

Cora Noctilucent Cloud: Awesome to see you again J.D.

Me: Same here. Cora is the Embodiment of the Cloud Dopant and she has amazing cloud powers and can do anything with clouds. She also can control the weather.

Nico: Wow! That is cool!

Me: Yep. Also she has superhuman strength and armored. Not even a bullet can pierce it.

Killer Croc: Wow! That is amazing! She is strong and tough as I am.

Cora Noctilucent Cloud: That's right.

Kaito: (gets out Timeranger gear) Did Swartz promise you anything?

Zocks: (gets out GoGoV gear) Because we can grant instead.

Kaito got a Time Force Chrono Saber and Zocks got a Lightspeed Rescue Blaster.

Cora Noctilucent Cloud: No he didn't. I formed a fog bank in the lab and used that as a smokescreen to get away.

Sakura Knudson: That explains why there was a massive fog cloud in there.

Me: Very clever escape tactic. Using fog as a smokescreen.

Cora Noctilucent Cloud: That was awesome.

Sougo: (gets out Time Force Ridewatch) We met up with Brutus and Nero recently.

Geiz: (gets out Lightspeed Rescue Ridewatch) We're saying this because they're reptilian.

Sougo got TimeForceRedArmor while Geiz got LightspeedRescueRedArmor.

Cora Noctilucent Cloud: That is coincidental and cool.

Me: It sure is.

Lincoln: Lets separate you first.

He fired a wave of light and separated her.

Cora Noctilucent Cloud: This will be good!

She fired a wave of lightning and blasted Another Killer Croc!

Nico: Time for this! (ACTIVATES KILLER CROC AND THE GHOST OF DR. COFFIN'S RIDEWATCHES)

He fired energy waves and blasted the Another all over.

May: Hope you like your noodles cold! (ACTIVATES NOODLE WORLD AND FROST GIANT'S RIDEWATCHES)

She fired a wave of energy and blasted the Another.

Maria: This will be fun! (ACTIVATES TORMES AND KAITOUKI'S RIDEWATCHES)

She fired a wave of energy and blasted the Another all over.

Honoka: I'm always up for this! (ACTIVATES THE GHOST OF DR. COFFIN'S RIDEWATCH)

She fired a light blast and smashed the another all over.

Me: Oh yeah!

Then Gameface, Evil Desert Man, Kremlings, Dark Naruto, Game Machine Man and Magmar came.

Nico: Awesome team Gameface!

Gameface: Thanks Nico.

?: That is cool Nico.

Tomahawk Man came.

Me: Cool! Tomahawk Man!

Tomahawk Man: (In a girls voice) It's perfect for me too.

Nico: Storm Eagle Tomahawk!? Wow!

Me: Cool!

Storm Eagle Tomahawk: That's right and it's an honor to meet you J.D. The Spirits of the Shoshone Tribe told me all about you.

Me: You're from the Shoshone Tribe in Wyoming? That is cool.

Storm Eagle Tomahawk: It sure is. I got this. (INDIAN HOOTS)

She fired waves of energy and blasted Another Killer Croc and I got the Ridewatch and purified it!

Me: Awesome!

Storm Eagle Tomahawk: It sure was.

Me: And I know what's coming.

I put on my Blind Man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Storm Eagle Tomahawk: I'm ready for it.

Me: Here we go. (SNAPS FINGERS)

She doubled over in pain and threw up and she threw a tomahawk and May ducked under it as it missed.

May: WHEW!

She reverted back and had orange hair and purple eyes and had orange angel wings and she had a symbol for a tomahawk in the middle of her forehead.

Storm Eagle Tomahawk: (Groans) That hurt. (Sees herself) Whoa sorry guys.

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her new purple and orange clothes and gave her a native American headband with a feather in it.

Storm Eagle Tomahawk: Wow I look amazing. Thank you.

Rarity: You're welcome.

May: Ha! Missed me!

Me: Funny.

Storm Eagle Tomahawk: Sorry about that.

Me: No worries.

Honoka: Do you have a favorite memory of Nico?

Storm Eagle Tomahawk: My favorite is when me and Nico found a bunch of ancestral artwork in the mountains where my tribe lived that was made by my ancestors and we made an exhibit for it for everyone to see.

Me: That is amazing. I've always had a really amazing fascination with the cultures and history of Native American tribes.

Storm Eagle Tomahawk: I'm glad you are curious to know more about our culture.

Me: Yeah.

Nico and Storm Eagle hugged.

Nico: I've missed you.

Storm Eagle Tomahawk: Same here Nico.

We went back home.

Lincoln: Whoa, we're here in Romania, and I know what we're going to do here, not only am I going to rescue the forty-three girls here, but we're also going to destroy Ner'zhul, the main antagonist in Warcraft II: Beyond the Dark Portal and the supporting antagonist in Warcraft III: The Frozen Throne.

Lola: Oh man, this guy is bad news: Ner'zhul was the manipulative chieftain of the Shadowmoon clan of orcs and the first official Warchief of the Orcish Horde and the Horde of Draenor, but he was tricked into making a Blood Pact with Kil'jaeden the Deceiver; one that bound the orcs into the service of the Burning Legion.

Lincoln: But, then, he was destroyed and his spirit was transformed into the spectral Lich King, which was then encased in the mystical ice of the Frozen Throne atop the Icecrown Glacier in Northrend.

Me: In other words, we need to destroy him here and now.

Yusuke: I'm going to enjoy kicking that guy's ass!

Suddenly, we saw a beautiful and super sexy girl with long golden yellow hair with yellow hairband, yellow eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive yellow butterfly wings, and she was dressed in a sleeveless yellow top, yellow skirt, yellow knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, light, magic, fairies, phoenixes, and angels on the coattails and on the back is a light fairy, and holstered on her back is a massive greatsword.

Lincoln: (GASPS) Dawn Branco, Queen of The Light Fairies and Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon.

Dawn Branco: That's right.

Michelle Hernandez: And we got the girls away from that treacherous orc.

?: You shall all pay for getting in my way of conquering Azeroth!

We then saw our target, Ner'Zhul, and he was out for blood.

Sylvester: Okay, smart aleck, you asked for it!

Then, Lincoln stabbed his stingers into Ner'Zhul's chest and he began absorbing him and assimilating all his powers as well and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When he was done and the stingers changed back, nothing was left of Ner'Zhul except for his clothes. Then, an energy card with Ner'Zhul's drained soul appeared, and Lincoln sent him to The Black Gates, we cheered as we holstered our weapons and powered down.

Lincoln: Your powerhungry ambitions have cost you everything, Ner'zhul, now, rot in Oblivion forever. (To Dawn Branco and Michelle Hernandez) And it's so good to see you again, Dawn Branco and Michelle Hernandez.

Dawn Branco: You too, Lincoln, it's been seven years since we last met.

Michelle Hernandez: But, it's so good to see you again, along with you and my cousins, Nico.

Nico: You too, Michelle.

Natasha Hernandez: It's always awesome to see you once more.

Lincoln went up to Dawn Branco and he hugged her, and Dawn Branco is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you two were seventeen, and as you can see, I really grew a lot since then.

Dawn Branco: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Michelle Hernandez: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful light fairy and this dark goth vampire angel?

Lincoln: Indeed I do, J.D., the light fairy is Dawn Branco, Queen of The Light Fairies, she's my Guardian Angel and the Queen of The Light Fairies of Daybreak Cove, an enchanted fairy village populated by The Light Fairies. Dawn Branco is a human sized fairy and she's a powerful and skilled fighter with incredible control over light and possess many incredible powers over light and magic. I met Dawn Branco when I discovered a portal that led to Daybreak Cove in the secret garden my Guardian Angels and I know about, and I saved Dawn from an attack caused by that very deranged fairy-obsessed killer Randall Williams. Dawn was very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like the promise I made to Lily the Mermaid and my entire harem, I promised that when I came of age, I will marry her.

Eli: Her powers with Light really are that powerful.

Lincoln: Yep, and the dark goth vampire angel is Michelle Hernandez, Gene-Slammer of Red-Eyes Zombie Dragon, she's my Guardian Angel from Transylvania and cousin of The Hernandez Sisters, and just like her cousin, Natasha Hernandez, she's a Goth Girl born from darkness and also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and massive black angel wings, and just like Natasha, Michelle is also a vampire too, but unlike how Natasha became a vampire through the blood given to her by Nyssa Damaskinos, Michelle's case was a bloody one, Michelle was attacked by a vampire, and that vampire was none other than that asshole, Deacon Frost. I found out about it and in a vampiric rage, I drove off Deacon Frost and his fucked-up asshole vampire minions and I even made sure to leave claw marks on Quinn's back before that asshole ran off.

Michelle Hernandez: Lincoln had to expose his vampire nature to me and told me about what I was about to go through such as the uncontrollable thirst for blood and all of the weaknesses that I'll now have, and as if by a miracle with his words, I was able to pull through and reign in that power and I became even more powerful than ever. I was reborn anew and Lincoln chanted the same incantation only Natasha knows because of the book belonging to Count Dracula and he removed all the vampire weaknesses I'd gotten along with the thirst, but none of us could hide their hatred for Deacon Frost, that asshole went way too far attacking me, and when we told Victoria Kurenai and the rest of The Michigan Supernatural

Defense Force, they swore Deacon Frost and his asshole goons would pay with their lives.

Nico: But, it was thanks to Lincoln on his rescue last year when he killed that asshole and his friends using The Blood God Vengeance Curse on them and drained them of blood and made Deacon Frost's Blood God powers his and he sent them all to The Black Gates. And yesterday, your cousins were so mad when they found out from Lincoln that it was that asshole who attacked you and you got turned into a vampire, they wanted to rip Deacon Frost's head off.

Nicole Hernandez: Well, what'd you expect? That fuck crossed the line attacking her!

Lincoln: But, we made him and his asshole thugs pay for it with their lives, and now that you two are here.

Lincoln went up to and hugged Dawn Branco in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Dawn Branco: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Dawn Branco's neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and an Elemental Thunderbird Necklace of Eternal Love appeared on Michelle Hernandez' neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Michelle Hernandez: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Dawn Branco and Michelle Hernandez.

Dawn Branco and Michelle Hernandez had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw the forty-three girls, he immediately recognized them. Ed Cowart: Wait, huh?!

Lincoln: Looks like you wound up getting shocked seeing the Simulator versions of thirty-six of your future wives here, Ed. Are you girls okay?

Eiko Kawamura: Yes, we're okay, thanks to you.

Then, when Eiko Kawamura and the other forty-two girls saw who it was that saved them from Ner'zhul, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of

Manami Ogata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made forty-two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Manami Ogata: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, forty-three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator version of Yukana Yame, the Simulator version of Kaori Makimura, Aya Matsumoto, Eiko Kawamura, Manami Ogata, Miki Sakurai, Sayaka Nagatsuki, and the Simulator versions of Reiko Shirasawa and Miyomi from Huge Breasts Horny Tutor, Loretta Magnamia, Leezabel Worth, Irine, Marianelli, and Annette from Paizuri Fiancee, Aina Kuze and Misaki Ayuki from Mama ni wa Naisho no Papa Netori ~Watashi, Oyome-san ni Naru ne~, Night Charger, Bad Lotion, and Madame Venom from Sacrifice Villains, Ruby D. Satou from Gamen kara Detekita Oshi Vtuber to H na Dousei Seikatsu ~Shomin-ha Kyuuketsuki Ojou-sama wa Keiyaku Shitai~, Twiska from Brandish, Chris Saiga, Leviathan, Astarte, Bel, Anna the Knight, Luna the Wolf, Zoey the Pink Slime and Corina the Blue Slime, Seraphiel, Tori the Fox, Zelda the Fairy, Elena the Dragon, Jane the Valkyrie, Lala the Succubus, and Yoko the Dark Elf from Demon Master Chris, Sara the Succubus, Mara the Medusa, Nora the Mora, Suzu Koganemaru, Miki Motomi, and Miyuki Konnozaki from Bleed Blood, and Lovelia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Ner'zhul.

But, when Lincoln showed what we all did to him and what he did in absorbing Ner'zhul and assimilating all his powers and abilities and sending him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over the place. Lincoln, Dawn Branco, and Michelle Hernandez have a lot of catching up to do now that they're back in town.

Maria: Whoa, so you guys went after that treacherous orc, Ner'zhul. Damn, I hope you drained him of his life force and magic.

Lincoln: I did more than that, I absorbed him using Cell's absorption technique and gained his power and magic.

Suddenly, Lincoln sensed a thug trying to murder a couple and he flew down faster than a bolt of lightning and fired a beam of green Fel magic at the thug which hit him and sucked out his life force and transferred it to Lincoln and he turned to dust. The couple thanked Lincoln as he flew back to The World Tree Estate.

Nico: We saw the whole thing, you reacted quickly.

Lincoln: Lightning powers also gave me superhuman speed, along with superhuman strength, agility, and reflexes.

Me: And is one of nature's deadliest forces.

---

After putting an end to Ner'zhul, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dawn Branco and Michelle Hernandez saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Dawn Branco: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Michelle Hernandez: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Dawn Branco: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Michelle Hernandez: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Dawn, Michelle, what memories did you have with Lincoln?

Dawn Branco put up a video as it played on the big screen, and it showed Lincoln, Dawn Branco, and Michelle Hernandez flying home after an awesome day at Lake Huron.

Past Dawn Branco: That was truly an amazing fun day we had at Lake Huron.

Past Lincoln: It sure was, Dawn.

Past Michelle Hernandez: And we really had a lot of fun, and I didn't have to worry about getting hurt by the sun thanks to you.

LOUD MONSTROUS BELCH!

Suddenly, Lincoln caught the stench of B.O., limburger cheese, chum, and feet in the air and he almost barfed and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Dawn Branco: Oh no. Trouble?

Past Lincoln: Yep, and there's no mistaking that belch nor the stench of sweaty armpits. DANG IT, LYNN!

Suddenly, they saw Lynn flying towards them and she was really out for Lincoln's blood again, Dawn Branco fired a blast of light which burned her badly, and Michelle Hernandez fired blasts of darkness at her.

Suddenly, Woody Woodpecker appeared as he dodged Lynn's wild attacks in his usual crazy fashion and he pecked her head and tied her up.

Past Woody Woodpecker: Now, Lincoln! Send that pig crashing into her cage!

Woody Woodpecker flew back to The Loud House, and then, Lincoln ran at Lynn and gave her a mega hard punch with his excessively massive brute superhuman strength that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Dawn Branco: Linky, are you alright?

Past Lincoln: I'm okay, Dawn, I can handle that belching farting gorilla whenever she goes crazy.

Suddenly, Dawn Branco and Michelle Hernandez went up to and hugged Lincoln, and he hugged them back as he wrapped his arms around their waists and they kissed him, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Then, the sun continued to shine upon them, and it was truly a romantic sight as the video ended.

Nico: Shit, so Lynn went on another animalistic rampage again?! What got her gym shorts bunched up her ass that time?!

Lincoln: Lynn lost a game and decided to kill me again, and she knew Dawn and Michelle were with me, so she decided to also kill them as well to slake her bloodlust.

Michelle Hernandez: That's right. And after we had our passionate make-out session, we went back home and we already knew that Lynn was already in her cage.

Natasha Hernandez: Wait, I remembered you telling me about that. We were pissed at that pig!

Luna: Thank goodness, you didn't show up that day, and Woody reported back to us about that and needless to say, that belching farting overly-aggressive, psychotic stupid ape also got grounded for eighteen weeks before she got thrown back in like the gorilla that she is.

Lily: Same here, and we knew Lynn went way too far again, and we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times again, and that of course also caused her to vomit.

Lincoln: And we also cleared the room before Lynn let out her lethal farts again. But, Lucy had to sleep with Luna and Luan that night and we had to air out the room for three weeks.

Rita: She was violently out of control, and we warned Lynn many times that if she doesn't stop this, we would have no choice but to disown her and send her straight to prison.

Leni: If that happens, Lynn's whole future would be ruined forever and she would forever be marked as a criminal.

Lincoln: And it would lead her further down into darkness and she'd do anything to get revenge on me and kill everyone in her path, which is why I'm glad we got rid of Dark Lynn for good. She was a wild animal on steroids!

Me: Same here, I hated that four-legged monstrosity.

Varie: She was such a bitch.

Selene Arcangela: She was an out-of-control rabid dog, and any who don't see it her way, she gets physical, she was a totally disgusting pig! Ugh, that's why we always hated her with a blazing passion and that's why she was on the "Always Treat Aggressively" list because of that.

We got a shower afterwards, and then, Lincoln, Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Miko: Wow, so, this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Miko, and it's perfect for our first date. Shall we?

Lincoln, Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star and they hugged the girls in their abnormally massive and powerful muscular arms, and Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Starare in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Miko Nakadai, Animated Slipstream, Simulator Gwen Tennyson, Simulator Julie Yamamoto, Simulator Keiko, Simulator Sam Manson, and Simulator Star, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

---

Later it was time for another awesome Super Mario Galaxy 2 Adventure.

Nico: We're going to Honeybloom Galaxy now.

Me: Cool!

Qin: Awesome!

Me: Me, the LupinRangers, PatRangers, Tom and Raimundo are coming with. Also Eddy is coming with.

Dark Spicer: Me and Maxxor are coming too.

Nico: What's the reason?

Maxxor: This is amazing.

Tom Majors: It sure is!

Raimundo: I'm ready for this.

Raimundo: Long as there's no blood.

Poromon: LOOK AT IT!

Nico: Nice going Raimundo.

Raimundo: Sorry.

Me: But good idea Nico.

Nico activated them and fired waves of energy and blasted her all over!

I fired energy blasts and smashed her all over!

Ripgnat blasted her all over!

Maxxor fired energy blasts and blasted her.

Ripgnat fired slime!

Eddy fired his blaster and Raimundo fired a wave of wind and Tom fired energy blasts and smashed her all over.

Shayla and Carmen fired blasts of energy and lightning and blasted Goche all over.

Eddy: WOOHOHOHO! YEAH!

Shayla then opened Goche's safe and then a bunch of jewels fell out!

Goche: No!

Shayla Cooper LupinRangers: Well me and Carmen here are both twin sisters. But we have opposite lives. I am an accomplished master thief and I idolized my hero the Cooper Clan and Sly Cooper. I learned over 12,000 years of thieving techniques and did so much by stealing from Criminals all over the world.

Me: Wow! You and Sly Cooper and all our thieving friends are going to get along great.

Carmen Montoya PatRangers: They sure are. And I am a police officer. I busted all the criminals that my sister beat up.

Me: That is amazing!

Nico: Wow! You girls have so much in common with the Cooper Clan and Inspector Fox.

Carmen Montoya PatRangers: We sure do.

Nico: Would you girls like to join the team?

Shayla and Carmen: We would be honored.

We later left the simulator and everyone cheered wildly for us.

---

The Mascots were in front of the candy store.

Poromon: There it is. The candy store.

Poliwag: Time to indulge our sweet teeth.

They went at the candy store.

Eli: Has anyone seen the mascots?

Me: I think they went to the candy store.

Nico: The candy store? Why the… Oh my god!

Then we heard silly laughter!

Nico: EVERYONE BRACE FOR IMPACT!

ZOOM ZOOM ZOOM ZOOM ZOOM ZOOM!

THE MASCOTS BURSTED IN AND WERE BOUNCING ALL OVER THE PLACE FASTER THAN BULLETS FIRED FROM A GUN!

Ariel: Let's go to the candy store and see how bad the damage is.

We grabbed the Mascots and got them calm.

We went down to the candy store and that the mascots ATE ALL THE CANDY!

Me: GEEZ! They ate ALL THE CANDY!

Eddy: Except the Jawbreakers!

The jawbreakers were completely untouched.

Me: They couldn't risk smashing their teeth.

We saw a huge bag full of cash on the counter.

Man: Boy those mascots of yours LOVE all my candy.

Me: They sure do! Sorry about the store.

Man: Oh that's all right. Besides. They sure have amazing sweet teeth.

Eddy: I'll buy all those jawbreakers.

Eddy went and did so and got a huge bag full of them.

Eddy: Now the Store is OFFICIALLY cleaned out.

Me: Bone dry empty.

Man: Now I can retire in luxury,

We laughed.

Sideways (to the mascots): You guys have anything to say for yourselves?

Poromon: (TALKING FAST) WELOVECANDYANDWANTMORE!

Poliwag: GIVEUSMOREMOREMOREMORE!

Manaphy: ILOVECHOCOLATE!

Mac: Geez! That is as bad as how I get when I eat candy.

Me: Yikes! Mac do you have diabetes?

Mac: I don't really know.

Me: Oh.

Poromon: (gives Buzz and Pinkie Pie candy)

TOOURPARTNERSINCRIME!

Highbrow: Oh, because they helped you two hide the party from us.

Me: UCH! I thought they were over that.

Lola: Pinkie Pie eats a lot of sugar so that's no surprise.

Horsea: (HYPER TALK) POURSOMESUGARONUS!

Nico: Okay you guys have had more than enough.

Me: I agree.

I snapped my fingers and they were back to normal.

Mascots: (GROANS)

Meanwhile Double D was working in his room.

Double D: Even though Slappy lost half his powers, he shouldn't be underestimated.

Unknown to him, a mechanical fly went into his Iron Boy armor. Said armor's eyes then lit up as it started moving toward Double D.

Double D: (hears something moving) Is someone there?

He turned and was greeted with his Iron Boy armor punching him in the face, knocking him out. The armor then flew through the roof.

OUCH!

But Sebastian saw what went down.

RD Lynn: Nico, who's going to shine today?

Nico: Kendra, Varie, Linka Loud, Girl Jordan, Applejack, and Lewa.

Me: Sweet!

Girl Jordan: Yeah!

Applejack: YEEHAW! This is gonna be great!

Edd then came in with a nasty black eye!

Me: Double D! Oh my god what happened!?

Linka: Are you okay?

Edd: I don't know. My Iron Boy suit came to life and then I got hit by it.

Me: What!? Oh man!

Sebastian Mendez: I saw it guys! It just came to life somehow and moved on its own.

Me: Freaky!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Alexander DuBrow, and he's returned once more and is causing havoc in trying to capture the mermaids and kill Billy and Sheena Deep. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Alexander DuBrow, and he's returned once more and is causing havoc in trying to capture the mermaids and kill Billy and Sheena Deep.

We gasped.

Adrienne Midnight: Alexander DuBrow?! Why, I ought to… !

Lincoln: Easy, Adrienne, easy. We'll take care of him.

Nico: Yeah, and there's no doubt he's going to be using the Goosebumps-themed Iron Boy suits, so we're more than ready for them.

Adrienne Midnight: And I'm looking forward to killing him!

Lincoln: No, Adrienne, we're not going to kill him, we're sending him back to prison, the same goes with Bob Roth, and Nico's going to settle with kicking him hard in the groin.

Adrienne Midnight: Oh, okay.

Nico: That's a smart move, Lincoln. Alright, let's head down and help Billy and Sheena Deep and the mermaids take down Alexander DuBrow and make him pay.

Lincoln: Yeah, we can't let him keep running loose.

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth and Alexander DuBrow, they were literally suffering from another bad curse he inflicted on them: they also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on them, and they were scratching like crazy.

Nico: I never get tired of you making the curse even worse for Slappy and his cohorts and making things even worse for Bob Roth and Alexander DuBrow.

I went over and brought the book for Deep Trouble.

Me: This was also the adventure where we first met Carter and the Lightspeed Rescue team.

Carter: I remember that guys. That was so awesome.

Lola: It sure was!

Carter: Good times, huh?

Sakura Knudson: That is awesome!

Me: It sure was.

Laney: Yeah it was awesome and the weapons Carter and team has are awesome and amazing.

Lola: So are the Rescue Zords.

Nico: Yep.

Me: Vypra, Loki, Diabolico and Jinxer should come with us too since we are going to Mariner Bay for this.

Nico: Good idea. Since we are going to the place where they had numerous battles there.

The previous group came.

Thundermon: Can me, Greiger, New Wave, Hydros, Harpymon, Baron Mordo, Chillyfish, Seadramon, Bizarro, and Grundy go with you guys?

Nico: You sure can guys.

Vypra, Loki, Diabolico and Jinxer came too.

Vypra: Mind if we tag along too? Since this is our home too.

Me: Sure guys. I was just about to suggest that as well.

Lola: Yeah.

Camie: This will be cool.

RD Lori: Nico, which Gene Slammer do you literally think you'll meet next?

Nico: Knight Man next.

Qin: Nice!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Kaido, the major antagonist in the One Piece franchise, the Governor-General of the Beasts Pirates, a former member of the Four Emperors and was a member of the legendary Rocks Pirates, and he's come here to cause havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Luffy, this is one person we're not going to like one bit: the figure I saw and the dark energy I sensed belongs to Kaido, the Governor-General of the Beasts Pirates, a former member of the Four Emperors and was a member of the legendary Rocks Pirates, and he's come here to cause havoc.

We gasped.

Luffy: Oh man, I knew it was going to be him. But, I don't want him killed, can you guys…?

Lincoln: Say no more, we'll put him in The Masters of Evil's prison, but after I strip him of his powers and abilities.

Sakura Hanma: Yeah, leave him to us. We'll give him such a thrashing.

Nico: Yikes, this is going to be one violent thrashing he's going to get. Alright, gang, let's go, we're heading off to help Billy and Sheena Deep and the mermaids take down Alexander DuBrow and make him pay.

Lincoln: He's getting such a swift kick to the groin for this, and once we get done with that piece of shit, you're next, Kaido.

Sakura Hanma: You better pray for mercy, Kaido, because I will show you none, you will suffer the wrath of The Angelic Dragon!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Billy and Sheena Deep and the mermaids take down Alexander DuBrow and make him pay, and once we got done with that piece of shit, Lincoln and Sakura Hanma are going to take down Kaido and throw him in The Masters of Evil's Prison.

We were off to Mariner Bay.

* * *

We arrived in Mariner Bay.

Me: Mariner Bay.

Carter: Feels good to be back.

New Wave: I'm in my element here.

Nico: Yeah.

Joel Rawlings: Wonder how the Aquabase is doing?

Me: We'll find out.

Nico: Lets go underwater.

We went underwater.

Mevya: Look! a school of fellow fish!

Gru: (laughs) I knew you would love that!

We laughed!

Camie: Wow. It's amazing.

Harpymon: What about Billy and Sheena?

I got a call on my phone.

Me: Oh hold on. (Answers) Hello?

Captain Mitchell: J.D. it's Captain Mitchell.

Me: Oh (SALUTES) Hello Captain Mitchell sir! We were just talking about the Aquabase and you guys. Is everything all right?

Captain Mitchell: Yes it's fine. We have news. We have Sheena and Billy Deep here with us.

Me: Oh Harpymon just mentioned them. We were just about to head over there and see how they were doing.

Captain Mitchell: Great. We'll see you guys here shortly.

Me: Awesome. Bye.

I hung up.

Me: They are at the Aquabase now.

Harpymon: Awesome. Lets go.

RD Lucy: They're probably why Iron Boy is on a crime spree and isn't talking.

Me: Lets get over there.

We were off and we then arrived at the Aquabase.

Me: Wow!

Carter: It's good to be back at the Aquabase.

Me: Been a long time since we were here.

Nico: 4 years.

Qin: Yeah.

Seadramon: Look at all the water.

Me: Yeah.

Qin: It's awesome.

Captain Mitchell: Awesome to see you again guys!

Ryan and Dana hugged their dad.

Ryan Mitchell: We're glad to see you dad.

Dana Mitchell: It's good to be back.

Captain Mitchell: Glad to see you again kids and Carter and everyone you too.

Carter: Glad to be back sir.

Me: Good to see you again Captain Mitchell. Boy been a while. 4 years.

Captain Mitchell: It has been a while. Vypra, Diabolico, Loki and Jinxer. Been a while.

Vypra: Same to you Mitchell.

Me: I remember that you guys have a lot of history. I take it you have been following up on our adventures.

Captain Mitchell: Never missed a single one.

Me: Awesome.

Sasame Fuma: Billy! Sheena! There you guys are!

Sheena Deep: Thank goodness you all made it!

Me: We're glad we did.

Nico: Are you all okay?

Sheena Deep: We will be.

Billy Deep: We saw Iron Boy coming at us! He is on the loose.

Me: We know. He gave Double D a nasty black eye.

Edd: Yeah.

Sheena Deep: Ouch. Nice shiner.

Sebastian Mendez: It somehow just came to life and then POW! Slugged him.

Ms. Merriweather came.

Ms. Merriweather: And I think I know why and how.

Me: You do Ms. Merriweather?

Ms. Merriweather: Yes,

We followed her.

Grundy: (to Captain Mitchell) Vypra best boss!

Kendra: Of course she is.

Captain Mitchell: We saw and we're very pleased about that.

Me: I know.

We went to the computer.

Ms. Merriweather: Here's the culprit.

We saw a small machine inside it.

Me: Whoa that looks like a Housefly Remote Control Override Robot in it.

Ms. Merriweather: That's right.

Me: Damn that DuBrow! He slipped that in there when we weren't looking.

Beelzemon: And now, after years of fighting alongside the Iron Boy armor, we now have to fight it.

Me: Yeah!

Qin: Just like we did when we fought Zero in the Reverse World.

Me: That was crazy. But look on the bright side at least he isn't in it.

Nico: That's true.

Bizarro: This is gonna be easy.

Sheena: Why in God's name would you think this would be easy?!

Varie: He really means this is gonna be tough.

Double D: And for good reason. I've been giving my Iron Boy suit upgrades throughout the years.

Me: You have to go along with what Bizarro says though. He talks in opposite.

Sheena: Oh I get it. Easy to him is hard.

Me: Right.

Nico: Yeah we have been understanding his language.

Sheena: Oh. I think I get it.

Me: Good.

Qin: But it's going to be rough.

RD Sam Sharp: (to Nico and me) It's a good thing you two are immortal. The Iron Boy Suit will probably kill you two temporarily at least 2 times.

Me: You're right on that. But also you guys saw how we can smash metal right?

Everyone nodded.

Me: If it were Tony's Iron Man suit I could probably smash that with just a flick of my finger. Not to sound boastful or arrogant.

RD Sam Sharp: You're right on that. But yeah.

Camie: Yeah but that is cool.

Sheena: Wow.

Captain Mitchell: We found that the transmissions are coming from his base which was located 500 klicks from here.

Me: Just like before.

Chillyfish: Wait. Where are the mermaids?

Linka Loud: He's probably after them like last time!

Sheena: Yeah he is! He is trying to finish what he started 4 years ago.

Me: And we sent DuBrow to prison the last time.

Nico: Yeah he is not worth killing.

Lola: Nope.

Me: We already banished the rest of the Goosebumps Monsters to the Black Gates. But out of all of them, DuBrow and Bob Roth are the only ones not worth killing.

Ratso: The two of them don't even have powers.

Me: Nope. That's why it's jail for them.

Qin: Yep.

Sheena: And you guys have come a long way since you helped us before.

Me: Yep. We grew not just in power but in evolutionary terms. As well as grow in numbers.

Dana Mitchell: We sure have.

Laney: Yeah.

Girl Jordan: Nico, any chance you still have that contingency plan for the Iron Boy armor?

Me: It won't do any good. That's only been used back in 2020. I haven't updated it ever since.

Baron Mordo: So much for that.

Me: We got to remember to update our plans. But luckily I thought ahead.

I pulled out a special magnet.

Nico: What's that?

Me: An Electromagnetic Circuit Repulser. Sends an electric field through any technological suit.

Nico: Cool!

Me: Me and Lisa worked on it for just such an emergency.

Drillhorn: That's good. I'm sure you'll be able to use it after the Iron Boy suit beats the living crap out of us.

Me: Yep.

Drillhorn: Awesome.

Captain Mitchell: We better get ready for it then.

Applejack: Let's go find the varmint.

Hydros: Famous last words.

Me: Yep.

I pulled up the base on the satellites and on the ocean was his old base still in use.

Me: DuBrow still has that base in operation even after 4 years.

Sly: (Australian Accent) Entrance time, mates!

Nico: Lets go!

We teleported there.

DuBrow was laughing like a deranged lunatic! But then the spirits of the water appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and powerful fiery explosion blasted off above him and then a phoenix cry was heard and we landed.

Me: Alexander DuBrow you are under arrest!

Greiger: Put your hands on your head!

Lewa: You're not getting away with your crimes!

DuBrow: (smirks) Oh, I think you'll have to take it up with my bodyguard. You're probably familiar with him.

Before I could use the repulser, the Iron Boy suit threw Nico at me and cut off his hand. It then shoved said hand down Ed's throat before he could go Edzilla.

Ed spit it out.

But then Nico's hand moved and took the repulser and then attached it to the suit and then it activated and the suit fell apart and I caught the housefly robot and crushed it.

Me: Got it!

Nico: Nice try!

The hand came back and reattached itself.

Dubrow: Oh, who said that was the only suit I took control of?

Another Iron Boy suit landed. But this one looked similar to the Hulkbuster Armor.

Double D: (sheepishly) Oh, that's the Titan armor I made in case we need to fight big opponents.

The Titan Iron Boy armor fired missiles at Skywarp and Thundercracker, knocking them both down.

Thundercracker: (glares at the Titan armor) I'm not scared of you. Do your worst! (spits at it)

But I teleported and put another Repulsor on it and it activated and it too fell to pieces.

I crushed the robot in it too!

The Iron Boy suit flew back to Edd and was on him.

Edd: Now that's much better!

DuBrow: NO!

Iron Boy: It's payback time, dirtbag!

DuBrow: Ok. I admit I didn't take control of any more suits.

Nico: Good!

DuBrow: That's why I made my own.

3 Titan Iron Boy suits colored green and purple landed.

Nico: Like I said. No need for repulsors. We're doing this the old fashioned way!

Me: All right then…

I went super and teleported and PUNCHED ALL THREE OF THEM and smashed them into pieces!

Nico: NICE!

I crushed their bugs too!

DuBrow: NO! WHY YOU!

I crushed their bugs.

Sheena kicked DuBrow in his face and knocked him down!

Goosebumps Iron Boy suit shot homing missiles at us.

Nico: INCOMING!

I used my powers and redirected the missiles and they hit the other suits and blasted them.

Me: Nice!

Sheena and Billy bashed DuBrow all over!

Then Vypra and Loki slashed DuBrow and smashed the remote control for the suits!

Then Stonedozer, Whirlin, Iceage, Magma, Mortal Kombat Scorpion, Stratos, Ice Demon, Black Manta, Goro, and Puppetmon came.

Nico: Stonedozer, Whirlin, Iceage, Magma, Mortal Kombat Scorpion, Stratos, Ice Demon, Black Manta, Goro, and Puppetmon.

Stonedozer: Tell me that's you in there!

Iron Boy: It is. Don't worry.

Whirlin: Just wanted to make sure.

Iceage: Doesn't hurt to be cautious.

Nico: Okay then.

Magma: (to Nico) We heard you fought Shadow Danny.

Nico: We sure did.

Mortal Kombat Scorpion: You also brought back Hannah's mom, right?

Me: Yep we sure did.

Xenia: It was cool!

?: That is awesome!

A figure came out and it was COMMANDOCON from episodes 14 and 15 of Time Force!

---

Commandocon like all other mutants was created in the result of the science accident. This clumsy mutant was naïve, but very powerful and dangerous. Before the events of this season, Commandocon was captured and frozen in the Cryo-Prison.

He was released in the fourteenth episode by Ransik to find the Q-Rex in the past. Ransik chose Commandocon, because he could open portals to the past. The mutant came to the city and opened a portal to the past and found the Q-Rex.

The mutant took control over Quantasaurus with a mind controlling weapon. Wes and Eric followed him, but couldn't stop the villain.

Later Commandocon traveled back to the future and ordered Q-Rex to destroy the city. The Rangers summoned the Time Force Megazord and Shadow Force Megazord, but even together they couldn't defeat the Quantasaurus Rex. Commandocon and Q-Rex left the city and went to the jungle.

Then they returned again. Now he battled with the Rangers, while the Silver Guardians tried to evacuate the people in the town. The Rangers then summoned all their Zords and tried to battle the Q-Rex again. This time they nearly defeated the Q-Rex. Commandocon saw it and removed a chain of his DNA and enlarged himself.

Together they battled the Time Force Zords. Eventually Eric destroyed the mind controlling weapon and freed the Q-Rex from the mutant's control. Eric regained control over the Zord and ordered it to capture Commandocon. Q-Rex transformed into its Megazord Mode and battled the mutant. Commandocon tried to battle the Zord, but was finally defeated and frozen by the Vortex Strike.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of lightning blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Kaido, or we will force you out.

A massive towering dragon came out, and it was none other than Kaido, the major antagonist in the One Piece franchise, the Governor-General of the Beasts Pirates, a former member of the Four Emperors and was a member of the legendary Rocks Pirates.

Lincoln: Kaido, Governor-General of the Beasts Pirates, former member of the Four Emperors and former member of the legendary Rocks Pirates, I always knew you'd one day show up, Luffy told us everything about you, and if you think we're going to let you leave here without a scratch, you're sadly mistaken.

Sakura Hanma: Did you honestly think that I'll just let a nihilistic tyrant like you off the hook, I don't think so. In all my years of fighting villains and demons, you are absolutely the worst villain I've ever had the displeasure of knowing. Selene Arcangela: Oh shit, oh shit, this is going to end badly for Kaido now that Sakura Hanma, The Angelic Dragon, has transformed.

Lincoln: I must agree, Selene. Sakura Hanma has transformed into her Super Angel-Supreme King Z-ARC-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, now, Kaido is about to find out why Sakura Hanma is known as The Angelic Dragon.

Kaido: YOU! YOU! I WILL KILL YOU ALL!

Kaido charged right at them with uncontrollable fiery rage and wrath in his black heart, but Sakura Hanma fired a powerful black and pink energy blast at them which hit him hard, but he got knocked down with a swift punch from her, and then, Lincoln pounced on Kaido and pinned him to the ground with energy swords, and then, he bared his fangs at Kaido's neck and sank them into his neck and he began sucking out Kaido's blood and assimilating his Superhuman Strength, Immense Speed, Extreme Dexterity, Aerokinesis, Electrokinesis, Pyrokinesis, Fish-Fish fruit, Model: Azure Dragon, Flight, Hassaikai, Nigh-Invulnerability, Intelligence Basic and Advanced Haoshoku Haki, Basic and Advanced Busoshoku Haki, and Basic and Advanced Kenbunshoku Haki and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done, he unlatched his fangs from Kaido's neck and he was knocked out. Then, he tied him up in gold spider silk and opened up a portal to The Masters of Evil's Prison and threw Kaido into his new cell, we cheered wildly for what Sakura Hanma and Lincoln did as they holstered their massive greatswords and powered down and Sakura Hanma's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive pink and blue angel wings are permanent.

Then, as Lincoln leaned down to Sakura Hanma's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Supreme King Z-ARC flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness and falling

Sakura blossoms behind them and we cheered wildly. Then, Lincoln and Sakura Hanma sucked in and absorbed the elemental forces and darkness and Sakura blossoms and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and Kaido was one really tough pirate, but he was no match for Sakura Hanma.

Me: She's definitely Yuujiro Hanma's daughter and Baki's sister. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: There's only one person that we're meeting tomorrow, J.D.: Raven Mordecai, Queen of The Dark Fairies.

Aprina Arabella: The last Elemental Fairy Queen, that's perfect, and you guys will love meeting her, Raven Mordecai is Lincoln's Guardian Angel and the Queen of The Dark Fairies of Duskbreak Cove, an enchanted fairy village populated by The Dark Fairies. Raven Mordecai is a human sized fairy and she's a powerful and skilled fighter with incredible control over darkness and possess many incredible powers over darkness and magic. Lincoln met Raven Mordecai when he discovered a portal that led to Duskbreak Cove in the secret garden he and his Guardian Angels know about, and he saved Raven from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Raven was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Nico: So, now we're down to the last Elemental Fairy Queen, and it's the Queen of The Dark Fairies.

Lincoln: Yep, and she's a master of darkness and it deeply impressed The Goths of Darkness.

Brittney: Indeed it has.

Eli: Wait, I thought no one would ever be allowed to the secret gardens after what Lisa did.

Lincoln: Actually, we created a barrier that kept out Lori, Lynn, Lola, Lisa, and Luan and the rest of my enemies, but the others were allowed inside since we trusted them, and they also swore to keep the gardens a secret from those individuals.

Me: That's right.

Stratos: Next time, you should keep your suit protected.

Double D: I'll make a note of that.

Ice Demon: Good.

Black Manta: This was a good underwater adventure.

Me: It sure was.

Captain Mitchell: Thanks for visiting, guys.

Goro: No problem.

Me: Anytime.

Puppetmon: We'll try to come here more often.

Me: Yeah. And you don't have to worry about Bansheera ever again. We gave her the Black Gates.

Captain Mitchell: Good riddance.

Me: Yep.

Nico: Great job everyone.

Rarity: (To the viewers) This was a fun adventure darlings.

Me: It sure was.

We went back home, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth, he was literally suffering from another bad curse he inflicted on him: he wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on him, and he was scratching like crazy.

Werewolf of Fever Swamp: Now, may I go after them, master?

Slappy: Yes. You can go after them while I start on my plan.

Bob Roth: Oh, I get it. Tomorrow's the Supermoon!

Slappy: Yep

And we're going to meet the last of The Eight Elemental Fairy Queens, her name is Raven Mordecai, Queen of The Dark Fairies, she's Lincoln's Guardian Angel and the Queen of The Dark Fairies of Duskbreak Cove, an enchanted fairy village populated by The Dark Fairies. Raven Mordecai is a human sized fairy and she's a powerful and skilled fighter with incredible control over darkness and possess many incredible powers over darkness and magic. Lincoln met Raven Mordecai when he discovered a portal that led to Duskbreak Cove in the secret garden he and his Guardian Angels know about, and he saved Raven from an attack caused by a very deranged fairy-obsessed killer named Randall Williams, who was a major league problem for all of the Elemental Fairy Lands for years. Raven was very impressed by Lincoln's strength, bravery, intellect, and courage along with his skills in combat and magic, so much so that like the promise he made with Lily the Mermaid and with his entire harem, he promised that when he came of age, he will marry her.

Next up is The werewolf of Fever Swamp.

See you next time.

Me: Ahh Paris.

Xenia: I always love coming to Paris.

Chloe: It's good to be home.

Nico: Paris is always beautiful. Especially during this time of night.

Me: Man look at the moon. That is the moon that's going to be over us later tonight.

Nico: Yep. A Blue Supermoon.

We saw the 2nd Full Moon of August and it was a rare Blue Supermoon.

Lola: That is so cool. I wonder how it will affect Werewolves like J.D. the Nocturnal?

Me: No idea. But we'll find out soon. I wonder how it will affect me as Wolf Moon.

Camie: That will be awesome.

Margo: But it's so awesome to see.

Laney: It sure is Margo.

Nico: Margo, I want to thank you, Gameface, and your teams for coming.

Margo: Anytime Nico. This is gonna be so fun and cool.

Lola: It sure is!

Nico: That's going to be awesome seeing the Supermoon in our area later tonight.

Me: Yep. It's 7 hours ahead of us from back home.

Nico: Arrowette, what do you like to do in your free time?

Arrowette: I like to give classes on Archery. It's fun.

Me: Archery classes are always fun.

Lola: They sure are. Also I'm getting the hang of it too.

Camie: Archery is cool. I think it's fun.

Marinette: I like it too. I'm getting good at it.

Aylene Carter: It sure is and I like archery myself.

Me: Yep. It sure is awesome. You all are doing really well at it.

Camie: Thanks.

Nico: Green Arrow and Hawkeye are good at that too.

Me: So is Speedy and Abby Whistler.

Nico: Wow! Yeah I heard she has a powerful arrow shot herself.

Me: Yep.

Camie: Awesome.

Nico: That is cool. Man Yesterday was one crazyass day.

Me: You're telling me! DuBrow took control of the Iron Man Suit of Double D and turned it on us.

Eli: He sure did and the new Hulkbuster suits Double D made too!

Camie: YEAH!

Me: Which I thought were really cool. Double D did a great job with those.

Lola: They sure are amazing. BUT STILL THEY WERE TOUGH TO BEAT!

Lana: YEAH!

Girl Jordan: Yeah!

Nico: Now we know how it feels to fight the real Iron Boy suit.

Me: Yeah not pretty. But Tony said he had the same thing happen to him before.

Nico: I remember that!

Qin: Yeah that was rough!

Nico: It ripped my hand off and shoved it down Ed's throat!

Ed: Yeah and to be honest Nico you do not taste like chicken.

We laughed!

Eddy: (LAUGHS) That would not taste good.

Me: Yuck!

Nico: Yeah I don't think I would taste good.

Me: Yeah me neither.

Eli: But that was gross!

Nico: It was. Sorry about that Ed.

Ed: Aw it's all right Nico.

Me: But the good news is that DuBrow is back in prison for good. And it was awesome seeing Captain Mitchell and Mariner Bay again.

Nico: Yeah it sure was.

Applejack: That was really fun.

Nico: Kendra, Varie, Linka Loud, Girl Jordan, Applejack, and Lewa did good as well.

Varie: Boy we sure did. That was awesome.

Lewa: (LAUGHS) Yeah!

Girl Jordan: That was really awesome and fun.

Leeli: Yeah it was! We all thought so.

Linka Loud: Yeah that was awesome!

Kendra: It sure was.

Nico: Yep.

Me: Better get ready. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I howled!

Nico: OH YEAH!

Maria: This is gonna be awesome.

I looked at the Supermoon and it was behind the clouds.

Me: Behind the clouds. But we'll have to wait and see.

Camie: Yeah.

Nico: Whoever's attacking us here is in for a surprise!

Me: You got that right! Especially now that we're in Wolf Moon's element: The Night!

Xenia: Oh yeah!

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that a clone of Evillustrator is here in Paris and he's causing havoc.

We gasped.

Nico: A clone of Evillustrator's here?! SLAPPY!

Me: That dummy just really enjoys pissing us off!

Lincoln: He's already losing it with what we've been doing in taking down the other Goosebumps monsters and villains that he's been sending after us, and since we got a dangerous clone of Evillustrator to deal with, we're gonna need all hands on deck.

Lincoln called the rest of the team, and they arrived.

Amethyst Darcy: We got here as fast as we could.

Helia the Hel: We're ready for the Evillustrator Clone, and ready to piss Slappy off even more.

Lincoln: This should be good. (Sensed for Evillustrator Clone) AHA! Gotcha! I spotted the Evillustrator Clone, he's 20 yards away and he's already causing havoc with illustrations of the Akumatized villains we beat in the past.

Nico: They may be illustrations, but we can't let this go on any further.

Lincoln: Right, let's head down there and end those illustrations. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the Evillustrator Clone.

Nico then saw a package.

Nico: Oh, a present! I wonder who it's from.

Nico opened it to see a bomb.

Nico: Oh fuck.

It exploded in Nico's face!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion didn't kill Nico however. Just covered him in ash and soot.

Nico: (COUGHS) Okay who is the wiseass!?

Me: I think THEY ARE!

We then saw the illustrations of Volpina, Timebreaker, Puppeteer, Bubbler, Syren, Style Queen, Stormy Weather, Silencer, Sapotis, Sandboy, Rogercop, Riposte, Reverser, Reflekta, Princess Fragrance, Prime Queen, Pixelator, Party Crasher, Mr. Pigeon, Miraculor, Lady Wifi, Kung Food, Horrificator, Stoneheart, Gigantitan, Glaciator, Gamer, Frozer, Frightningale, Desperada, Dark Blade, Dark Owl, Dark Cupid, Goririlla, Copycat, Christmaster, Catalyst, Captain Hardrock, Befana, Bakerix, Weredad, Backwarder, Antibug, Oni-Chan, Troublemaker, Zombizou, Ephemeral, Anansi, Princess Pink, Digital Diva, Mimica, Power Chord, Bonkers, Fowl Sport, Queen of Darkness, Book Butterfly, Mud Slinger, Math Magician, Fear Fox, Wolf Carnage, Darkball Queen, Gargoyle, and Pharaoh causing a ton of havoc, along with the Evillustrator Clone.

Nico: HOLY SHIT!

Lincoln: There they are. EINI, LET'S SPEED AWAY!

Lincoln transformed into Thunder Hare, and he unholstered his massive greatsword and lightning whip and his angelic and demonic greatswords appeared at his sides. Then, he went after the illustrations of Volpina, Timebreaker, Puppeteer, Bubbler, Syren, Style Queen, Stormy Weather, Silencer, Sapotis, Sandboy, Rogercop, Riposte, Reverser, Reflekta, Princess Fragrance, Prime Queen, Pixelator, Party Crasher, Mr. Pigeon, Miraculor, Lady Wifi, Kung Food, Horrificator, Stoneheart, Gigantitan, Glaciator, Gamer, Frozer, Frightningale, Desperada, Dark Blade, Dark Owl, Dark Cupid, Goririlla, Copycat, Christmaster, Catalyst, Captain Hardrock, Befana, Bakerix, Weredad, Backwarder, Antibug, Oni-Chan, Troublemaker, Zombizou, Ephemeral, Anansi, Princess Pink, Digital Diva, Mimica, Power Chord, Bonkers, Fowl Sport, Queen of Darkness, Book Butterfly, Mud Slinger, Math Magician, Fear Fox, Wolf Carnage, Darkball Queen, Gargoyle, and Pharaoh, and he slashed at them with his greatswords and whipped them with his lightning whip and electrocuted them.

Chloe Bourgeois: Lets go guys!

The Miraculous Heroes transformed!

Me: YEAH!

I went at the clone of Volpina and jumped and spun my scythe around! But then the Supermoon was uncovered from the clouds and then suddenly my dark blue aura exploded out with incredibly supercharged force and I felt a massive surge of power! I swung my scythe and fired a massive wave of incredibly powerful blew fire and blasted all the Akuma's down!

WE GASPED!

Nico: WHOA!

Me: HOLY FUCKING SHIT! That was powerful!

Xenia: That was amazing!

Lana: What a powerful blast!

Laney: What happened!?

Me: Wait could it be?

I looked at the Supermoon!

Me: It's The Supermoon! It supercharged me!

Nico then saw a bowling ball heading towards him!

Nico: HIT THE DECK!

Nico ducked and it hit Ed right in his face!

SMASH!

Nico: OOH! Ouch!

Ed: RUN AWAY! FACESUCKING BOWLING BALL!

He ran and bashed the Akuma clones all over with his speed!

Eddy then grabbed Ed and sat him down and he got the ball off him!

I fired blades of Blue Fire and they hit the clones of Syren, Style Queen, Stormy Weather and Book Butterfly and smashed them down with devastating force!

Nico: Okay, we need to find out who's doing that after we kill the clones!

Eli: I agree!

Qin: But that is funny seeing that though!

Xenia: It sure is!

Riley Anderson: Wait! If the Supermoon Supercharged J.D.'s powers as Wolf Moon, it might have done the same for all the villains and heroes of the night. (ACTIVATES ZEN AKU'S RIDEWATCH)

She got his flute.

Riley Anderson: Lets see here. DARK WILD ZORDS ARISE!

She blew a tune and then ALL OF THE WILD ZORDS OF THE M.O.E. CAME! THEY WERE ALL PRESENT!

Nico: WHOA! ALL OF THEM WERE SUMMONED!

Riley Anderson: Lets see what they can do! ATTACK!

They fired waves of intensely massive and powerful energy and Riley fired blades of moonlight and the blasts all hit the Akuma Clones and exploded all over!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSIONS!

When the smoke cleared, all the Akuma clones were down with powerful walls of fire around them!

Nico: WOW! That was amazing!

Laney: Looks like your theory is spot on Riley!

Lisa Loud: Wow! I am very impressed Riley.

Eddy: Let's take them down and move on to the main target!

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed his stingers into the chests of the illustrations of Volpina, Timebreaker, Puppeteer, Bubbler, Syren, Style Queen, Stormy Weather, Silencer, Sapotis, Sandboy, Rogercop, Riposte, Reverser, Reflekta, Princess Fragrance, Prime Queen, Pixelator, Party

Crasher, Mr. Pigeon, Miraculor, Lady Wifi, Kung Food, Horrificator, Stoneheart, Gigantitan, Glaciator, Gamer, Frozer, Frightningale, Desperada, Dark Blade, Dark Owl, Dark Cupid, Goririlla, Copycat, Christmaster, Catalyst, Captain Hardrock, Befana, Bakerix, Weredad, Backwarder, Antibug, Oni-Chan, Troublemaker, Zombizou, Ephemeral, Anansi, Princess Pink, Digital Diva, Mimica, Power Chord, Bonkers, Fowl Sport, Queen of Darkness, Book Butterfly, Mud Slinger, Math Magician, Fear Fox, Wolf Carnage, Darkball Queen, Gargoyle, and Pharaoh, and he began absorbing them and assimilating all their powers as well and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When he was done and the stingers changed back, nothing was left of the illustrations of the Akumatized villains except for their clothes.

Then, energy cards with the illustrations of the Akumatized villains' drained souls appeared, and then, Lincoln sent them to The Black Gates, and he changed back and we all landed in front of the clone of Evillustrator.

Evillustrator Clone: You dare to get in my master's way?!

Lincoln: We do.

Nico: Especially since your master's a walking toothpick and one of the most dangerous Goosebumps monsters.

Evillustrator Clone: We'll see who's laughing when I bring your heads to my master!

Amethyst Darcy: That's never going to happen.

Me: And now you have all of us to face!

The Evillustrator drew a piano that fell towards Nico. He got out a sign that said "Oh crap!"

KRASMASH!

The piano crashed onto him with devastating force!

He got up and had piano key teeth and he played a stupid clown song.

Me: OOH! That had to hurt! My favorite note may be B-Flat but this is ridiculous! But you aren't the only one that knows how to draw!

Zocks: Here J.D. use this!

He gave me the Abaranger gear and I activated it and used the Quill of the White Dino Thunder Ranger.

Me: Thanks Zocks!

I drew an anvil above him and Evillustrator looked up and saw it and he got out a sign that said "Fuck me!"

Then it dropped and then..

KRASMASH!

He was flatter than a pancake!

Lola: OUCH!

Qin: That was funny!

Evillustrator drew a jaguar that growled at us.

Me: A jaguar!

Fluttershy: I got this.

She used her stare on the Jaguar and had it calm down and she pet it.

Fluttershy: Oh you are a good jaguar.

Me: Nice save.

Lincoln: Awesome Flutters.

Nico got up and he was mad now!

Nico: OKAY THAT FUCKING DOES IT!

NICO WAS PISSED!

Nico: NO ONE MAKES A MONKEY OUT OF ME!

Cole: Wild access!

He transformed and was ready!

Me: YEAH! RELEASE THE WOLF! (HOWLS) 🌙

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

I released a massive blast of blue fire and it was 100,000,000 times more powerful than before!

I went at Evillustrator and he drew numerous swords that went flying at me!

I ran and dodged them!

Everyone ducked and then Nico formed training dummies and the swords stabbed into them.

Nico: WHOA! That was close!

Evillustrator drew several crocodiles that surrounded everyone!

Nico: Crocodiles!

Sobek Caesar Crocodile: (Australian Accent) He should not have done that mates.

She used her taming abilities on the crocodiles and tamed them and they obeyed her!

I teleported and kicked Evillustrator in the back of his head and jumped in front of him and fired numerous huge blue fireballs at him! They hit him and exploded all over!

MASSIVE FIERY EXPLOSIONS!

Evillustrator drew mousetraps And one snapped onto Nico.

SNAP!

Nico: OOWWW! Those hurt!

Eli used the Force and sent them back to Evillustrator and I ducked and they snapped onto him!

---

Evillustrator: EEEEEYOWCH!

Me: That must hurt!

Qin: YIKES!

Evillustrator: (GROWLS) WHY YOU! TOP THIS!

He drew a picture and then we heard a scream.

Me: UH OH!

I looked and saw a girl sinking in a pit of quicksand!

Girl: (Swiss Accent) Someone help me!

Me: (GASP) That voice!

I flew and went over and grabbed her and she was a girl with golden hair and had a yellow dress on and had yellow angel wings and on her head was a tiara with the symbol for the Cheese Dopant on it and the same symbol on her skirt and she had a Cheese Magisword!

Me: (GASP) Catharina Cheese!

Catharina: Get me out of here!

I flew over and grabbed her and pulled her out!

Evillustrator: It's not going to be THAT EASY!

He drew an ice cream monster and it roared!

Nico: ICE CREAM! MINE!

Nico flew and ate the whole thing in one bite!

Evillustrator then drew the appetizer monster.

Squidward: HOLY FISH PASTE! WHAT IS THAT!

Lily: IT'S THE APPETIZER!

Patrick: (SCREAMS)

Mr. Krabs: RUN FOR YOUR LIVES EVERYONE! IT'S THE APPETIZER!

IT ROARED!

Eli fired a blast of fire and blasted the Appetizer into nothing.

Me: Time for you to see the ATTACK OF THE KILLER KRABBY PATTIES!

I put Catharina down and I drew NUMEROUS GIANT KRABBY PATTIES and they went at Evillustrator and talked in gibberish and smashed him all over!

Evillustrator then drew rabbid squirrels

Me: Rabbid Squirrels!

Vambre screamed!

Vambre: (British Accent) I HATE SQUIRRELS LIKE THIS!

GROUND POUND MAGISWORD!

She smashed them all over with it!

SMASH SMASH SMASH SMASH SMASH!

Evillustrator then drew a pack of grizzly bears!

Me: A Group of Grizzly Bears!

Fluttershy: Oh I got this. Hairy is going to have some friends.

She went and pet them and hugged them and they were happy with her.

Me: Aww. Awesome job Fluttershy. Hey Evillustrator, I hope you aren't going to run out of paper with your drawings!

Evillustrator: I can do gags till the cows come home!

Me: Oh yeah? How about this then?

I gave him a card.

He read it.

Evillustrator: (Reading) "The Employee of the Month Award is nothing but a bunch of…"

LOUD FART!

A stream of raw sewage hit him square in the face and he smelled like shit!

Evillustrator: "Baloney"

Me: WHEW! Who stepped on a duck!?

Lily: (LAUGHS) That happened to Squidward because of the Employee of the Month Award.

Squidward: (LAUGHS) Good times.

Mr. Krabs: (LAUGHS) That was fun.

Camie: (LAUGHS) That is funny!

Me: Top this one!

I drew a coconut tree and then a coconut fell and hit Evillustrator on his head!

BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT! HAHAHA!

Catharina Cheese: Taste this ja! CHEESE WHEEL AVALANCHE!

She fired a wave of energy and a HUGE ROLLING AVALANCHE OF CHEESE WHEELS CAME AND SMASHED EVILLUSTRATOR DOWN!

Me: WHOA!

Nico: (DROOLS) OH WOW! I THINK I LOVE THIS EMBODIMENT!

May: (LAUGHS) Nico sure loves his cheese.

Me: Yep. Catharina is the Embodiment of the Cheese Dopant. She has Cheese Powers and is also an amazing cheese maker.

Qin: (LAUGHS) Nico is going to be eating cheese all day from her.

Me: He sure is!

We laughed!

Evillustrator got up.

Evillustrator then drew a couple of lobsters and they were shoved into Nico's pants!

NICO SCREAMED IN PAIN AS THEY SNAPPED AT HIM!

CRUNCH!

Nico got nipped in the crotch and he sang like an opera singer!

May pulled out a pair of tongs and got the lobsters out of him!

Nico: Ouch. Thanks May.

Evillustrator: WHY YOU STUPID FREAKS!

Evillustrator drew a pack of Sea Bears!

He sent them over!

SpongeBob gave them a bunch of Tummy Tickles and they loved it.

Me: Hey! Sea Bears are out of their element!

I drew a bunch of bear traps and they snapped on Evillustrator!

SNAP SNAP SNAP SNAP!

Leni: Like top this one.

She lifted him up and I drew a huge tub of chocolate pudding.

He fell into it.

SPLAT!

Me: (LAUGHS) Hey you want some pudding with that!? SORRY All out!

WE LAUGHED!

Samson: PEANUT BUTTER SHORTCAKE!

Evillustrator drew a pack of Sea Rhinoceros

Me: Good thing we're all wearing Anti-Sea Rhinoceros Undergarments.

They came at us and I opened a portal back to the ocean.

Me: Try this on!

I drew a massive barrage of pie bombs and they hit Evillustrator and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

OUCH!

Nico: Nice one!

Luan: PIE SEE WHAT YOU MEAN!

WE LAUGHED!

Me: (LAUGHS) HE LOOKS LIKE HE'S ABOUT TO BUST AN ARTERY!

We laughed!

Me: But how about this one?

I drew a HUGE BOULDER above Evillistrator and he looked up and saw it and pulled out a tiny umbrella and then…

SMASH!

He got crushed under it!

His mouth poked out of the boulder.

Evillustrator: You're despicable!

Daffy Duck: HEY! NO ONE USES ONE OF MY LINES!

Nico: Ain't I a stinker?

WE LAUGHED!

Me: You sure are awesome at it Nico.

WE LAUGHED!

Evillustrator came out.

Me: And another thing Evillustrator, you know what I like you as? This.

I drew him like how Daffy was in the episode Duck Amuck.

I drew a mirror and he saw himself.

Evillustrator: EEEEEEEEKKK! WHAT THE FUCK HAVE YOU DONE TO ME!?

WE LAUGHED HYSTERICALLY!

THAT NEVER GETS OLD!

Vice: I don't get it.

Me: It's the cartoon Duck Amuck.

Daffy Duck: I was in a picture in progress and the animator drew me like that and it was crazy. Been an iconic reference for years.

Me: That was back in January 17th, 1953.

Vice: Oh!

Qin: Yeah that was awesome.

Me: Yep he had a flower frill, silly body and a flag for a tail with a screw and a baseball on it.

Evillustrator drew Doodlebob.

Me: Doodlebob!?

Nico: Oh no!

He then grabbed May and beat her up REALLY BAD!

Patrick: HE'S BEATING UP MAY! (LAUGHS)

She got pulverized bad!

SMASH!

She was smashed into a rock!

I then erased him.

Me: Oh yeah? How about this?

I drew a pitfall hole and Evillustrator fell into it.

SMASH!

Evillustrator: OUCH! Why that stupid little!

BLANG!

A huge wrench fell on his head!

Evillustrator: (Dazed) Where's the leak ma'am.

He got up and I drew a bowling ball and drew him as a bowling pin. I rolled the ball and he screamed and then…

BOWLING CRASH!

A red X Lit up for a strike!

The ball fell on him!

BOWLING CRASH!

Another Red X lit up for 2 strikes!

Me: Nice one!

Evillustrator: FINLAND!

Me: May are you okay?

May: I'm fine!

Me: Good.

Nico: Boy we are just launching pranks at each other all over!

Qin: Yeah!

Me: Lets get rid of this guy and get this over with.

Catharina: Ja I agree there.

Suddenly, Amethyst Darcy's amethyst purple eyes turned neon amethyst purple and she was surrounded by an amethyst purple energy aura with stars, light, amethyst gems, phoenixes, and angels, and as she approached the Evillustrator Clone, she left amethyst purple energy, stars, light, amethyst gems, phoenixes, and angels with every step.

Amethyst Darcy: You may be a clone of Evillustrator created by Slappy, but you're just as bad as the real one, and there's no way I'm letting you go that easily, you need to pay for your crimes and for the havoc you've been causing in Paris.

Suddenly, Amethyst Darcy was surrounded by a massive vortex of amethyst purple energy with stars, light, and amethyst gems surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at the Evillustrator clone: the red eyes of death. Then, as the vortex faded, Amethyst Darcy emerged, but she was changed forever.

Amethyst Darcy grew to 7'9" in height, she has gold metal bands on her biceps and thighs, and she now has eleven large amethyst purple orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long flowing black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon amethyst purple eyes and a purple energy aura with stars, amethyst gems, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix holding an amethyst gem in its claws emblazoned on her forehead and Third Eye with ink purple iris, she has on phoenix earrings with amethyst gems for eyes and holding the Star, Amethyst, and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with amethyst gems on the gold star links and amethyst crystal links and amethyst phoenix-shaped Element of Harmony and below the Element of Harmony is a phoenix with amethyst gems for eyes and holding the Star, Amethyst, and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck, she has on the same outfit as Darcy, but hers is more amethyst themed, and long white sleeveless trenchcoat with stars, amethyst gems, phoenixes, and angels on the coattails, and on the back is a phoenix with amethyst gems surrounding it. Suddenly, Amethyst Darcy felt a sharp pain on her back and then, massive brown angel wings with purple tips on the large brown feathers grew and sprouted out of her back, she has on a Ring of The Phoenix with amethyst gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and she has on black fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Amethyst Darcy's massive greatsword and all the greatswords and swords she'd gotten began merging and they're surrounded by a kaleidoscope of purple energy, stars, amethyst gems, phoenixes, and angels, and when it emerged, it was transformed into Amethyst Darcy's L-Emental Eternal Shining Amethyst Light Phoenix Angel Greatsword of L-Emental Eternal Shining Light Amethyst Phoenix Angel Love, it's a brand-new massive greatsword with embedded amethyst gems and phoenix etched on the 7'6" massive, wide, double-edged purple blade, large purple phoenix heads for the crossguard, large white angel faces built into both sides of the hilt with large purple gems embedded in the foreheads, longer midnight black handle, four large purple phoenix heads with black gems for eyes and large purple phoenix head with black gems for eyes and purple gem in its mouth on the bottom of the purple phoenix heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large purple gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, large gold Belt of Elemental Bravery with large gold phoenix head with purple gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix that said, "Amethyst Darcy, Elemental Angel of Amethyst, Friend of Lightning Lisa, Member of The L-Ementals, Archenemy of Fence Shadow, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Member of Team Loud Phoenix Storm, Defender of The Loud House and The Loud Family, and Master of Amethyst Gems, Angels, and Phoenixes"

We were amazed by Amethyst Darcy's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when the Evillustrator Clone saw it, he went mad and ran at her to kill her, but Amethyst Darcy fired a massive barrage of purple energy, stars, amethyst gems, phoenixes, and angels, which hit the Evillustrator Clone and exploded with incredible power, he got back up, but he was now pissed off.

Amethyst Darcy:(Divine Echoing Godly Voice of The L-Emental True Eternal Shining Light Amethyst Gem Phoenix Angel and Divine Cosmic L-Emental True Eternal Shining Light Amethyst Gem Phoenix Angel Love) Looks like I've gone and really made him mad.

Nico: Big time, and he's not going down without a fight.

Halifa: Neither are we.

Lincoln: Yep.

Lincoln made a dodgeball and it turns into a bomb and he threw it and it exploded as it hit the clone.

Me: WHOA!

Nico: We did see him absorb the illustrations of the Akumatized villains, and he now has all of their powers, and we saw him use Darkball Queen's Dodgeball powers, brutal.

Luna: Oh boy, and knowing just how deadly our bro is with Girl Jordan, Mollie, Brunhilde, and Sophia Presley, it wouldn't end well for any dodgeball team going against them.

Me: Nor for any villains as well.

Suddenly, Halifa's red eyes turned neon red and she was surrounded by a black and purple energy aura with stars, darkness, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels, she unholstered her massive Hel's Demonic Vampire Broadsword of Damned Souls Justice from her back, and as she approached the Evillustrator Clone, she left black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels with every step.

Halifa: Every single word Amethyst Darcy said about you is true, and I've got nothing nice to say to you, so it's time for you to say goodbye.

Suddenly, Halifa was surrounded by a massive vortex of black and purple energy with stars, darkness, shadows, dark magic, black magic, and Satanic magic surrounding the vortex, there are demons, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the Evillustrator Clone: the red eyes of death. Then, as the vortex faded, Halifa emerged, but she was changed forever.

Halifa has on her gothic style outfit with purple bows and she has on a long sleeveless white trenchcoat with stars, darkness, dark fire, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels on the coattails, and on the back is a phoenix and Hel surrounded by darkness. Suddenly, Halifa felt a sharp pain on her back, and then, massive silver angel wings with purple tips on the large silver feathers grew and sprouted out of her back and she now has eleven massive and long silver wolf tails with purple tips and purple markings. Halifa has on her Ring of the

Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Halifa's massive Hel's Demonic Vampire Broadsword of Damned Souls Justice, black and purple lace parasol, and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels, and when it emerged, it transformed into Halifa the Hel's Darkness Demonic Nightmare Demon Hel Umbrella of Darkness Demonic Nightmare Demon Hel Parasol Justice, it's a brand-new black and purple lace umbrella which measures at 8'4" in length with hanging purple gems and Hel and a phoenix printed on it and on the top of the parasol is a large silver skull with purple gems in its sockets, long midnight black handle, and on the end of the umbrella is a large silver skull with purple gems in its sockets, she has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold horse head with purple gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Halifa's Super Angel-Norse-Germanic Hel Goddess-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Halifa, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when the Evillustrator clone saw it, he fell into an even darker rage and ran at her to kill her, but Halifa fired a massive barrage of black and purple energy, stars, darkness, shadows, dark magic, black magic, Satanic magic, demons, phoenixes, and angels which hit the Evillustrator clone and exploded with incredible power as he was sent flying into a wall, he got back up, but now, he was beyond pissed off.

Halifa: (Divine Echoing Godly Voice of The Divine Darkness Voluptuous Norse-Germanic Hel Goddess Angel and Divine Cosmic Darkness Voluptuous Norse-Germanic Hel Goddess Angel Love) You've caused enough trouble for the last time, now, it's high time we got rid of you for good.

Nico: We're so going to piss Slappy off even more by beating your sorry butt into the ground.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Amethyst Darcy and Halifa and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, you clone of Evillustrator, we'll make absolutely sure you never rise again to torment Paris and its citizens.

Lincoln, Amethyst Darcy, Halifa, and I went after the Evillustrator clone, and we fired extremely powerful blasts of rainbow energy, amethyst purple energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at the Evillustrator Clone and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords and umbrella leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Amethyst Darcy, Halifa, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Evillustrator Clone insane and straight to the brink of insanity.

Evillustrator Clone: YOU! I WILL KILL ALL OF YOU!

The Evillustrator Clone ran towards us and he was literally in a fit of absolute murderous rage, but Lincoln ran at him with the tip of one of his eleven massive and long white tails changed into Cell's stinger and he stabbed the Evillustrator clone in the chest and Lincoln began absorbing him and assimilating his powers and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done and the stinger changed back, nothing was left of the Evillustrator clone except for his clothes, and Lincoln sent the Evillustrator Clone and the illustrations of the Akumatized Villains to The Black Gates forever. Everyone cheered as Lincoln, Amethyst Darcy, Halifa, and I holstered our massive greatswords on our backs and powered down, and Amethyst Darcy's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive brown angel wings are permanent, and Halifa's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long silver wolf tails, and massive silver angel wings are permanent.

Nico: Nice try, Slappy, you dummy!

Lincoln: We sure pissed him off big time.

Me: We sure did.

Sebastian Mendez: Now that we got rid of another of Slappy's attempts, I need to talk to you guys about something. As we know, tonight's the night of The Supermoon, that's the closest The Moon comes to the Earth in its elliptic orbit, resulting in a slightly larger-than-usual apparent size of the Moon.

Nico: Whoa.

Sebastian Mendez: But, here's the bad thing: The Supermoon causes werewolves to become super-aggressive and hulked out and their speed, strength, agility, and power is increased three-fold.

We gasped.

Me: Oh shit.

Lincoln: Whoa, then, this means… !

Sebastian Mendez: Yep, we're facing Will Blake who's been turned back into The Werewolf of Fever Swamp by Slappy tonight, but, we're in luck, tonight's the night of The Blue Goddess Supermoon, and since you and J.D. can turn into werewolves at will and have far greater control over the bestial side of the werewolf along with getting even stronger by the light of the moon.

Me: Which means we can't hold back on fighting Will.

Lincoln: And there's no doubt Grady's also going to help us in fighting Will, so we got to be ready for tonight.

Nico: The Blue Goddess Supermoon, so that's what Slappy's plan is for tonight.

Sebastian Mendez: It's going to be one of his last two plans to try and get rid of us, because by dawn tomorrow, Slappy's last day is near, and I'm looking forward to getting rid of that dummy, and there is no doubt Bob Roth will be there with Slappy, so he's getting a nasty kick to the groin, but we better let Lincoln do that.

Nico: Good idea, I haven't forgotten what Double D did to DuBrow. (Shudders)

Me: That was really really brutal.

Nico: That's all, folks!

LOONEY TUNES ENDING THEME PLAYS.

We laughed!

Me: Just kidding! We're not done yet. But that was funny.

Nico: Boy that had to be one of the goofiest battles ever.

Me: Yeah! It sure was!

Laney: (LAUGHS) Yeah we haven't had that much fun on a bad guy before.

Zocks: That was awesome.

Me: And we discovered that the Supermoon supercharges the heroes and villains of the night.

Maria: You guys realize that there are a lot of animals here, right?

Me: Yes we do.

I beamed the Sea Bears to the ocean.

Fluttershy: I'll have the land creatures over at my mansion.

She snapped her fingers and beamed them there.

Me: Perfect.

Lincoln: Awesome job Flutters.

I erased the pitfall.

We cleaned it up.

Nico was eating all the cheese wheels that rolled into the area.

Nico: (EATING) Yummy! Cheddar!

Maria: Hey, save some for us!

Nico: Sorry.

Nico came back with a bunch of wheels of cheese.

Me: Boy that was funny.

Laney: We really let loose the pranks.

Varie: (LAUGHS) We sure did.

Cole: That was so funny.

Pinkie Pie: Best Prankapalooza ever!

Camie: It sure was.

May ate some cheese.

May: (EATING) Yummy!

Catharina: It's part of my family and my powers ja.

Me: Catharina is from Switzerland and her family is widely known for making all kinds of cheese from all over the world.

Nico: Cool!

Me: Yep. They moved to Wisconsin and make many kinds of cheeses there.

Laney: Cool and amazing.

Catharina: Ja it sure is.

Nico: Let's give some to the mascots.

Me: Good idea.

Mascots: WE LOVE CHEESE!

They went and ate some cheese.

Nico: I forgot they were with us already.

Rarity: They sure love cheese.

Lily: I wonder if there's an embodiment for a Beer Dopant.

Me: Oh god! Don't get me fucking started

Poromon: I want to meet a Beer Dopant!

We laughed!

Me: (LAUGHS) That would be BEER HEAVEN for the Mascots.

Laney: (LAUGHS) Yeah.

Catharina: (LAUGHS) Ja ja. That is funny.

Horsea: I want share beer with our Kindergarten Class!

Maria: Horsea you can't do that!

Horsea: Why?

Me: Well they are too young to drink. Giving kids Alcohol is like giving poison to them. Remember the School of Drugs fiasco. Hmm?

Manaphy: Okay. But that was with other drugs too! We're talking about only beer!

Me: Well we are NOT going to give kindergarten kids alcohol.

Nico: Yeah.

Qin: It's not right.

Catharina: School of Drugs?

Me: Don't fucking ask.

Eli: Anyway we got the Anothers to take care of now. I sense that we have Another Vector, Vapor, X-Ray, Ironclad, Evil Desert Man and Gameface next.

We gasped!

Me: Whoa! The U-Foes Individually! That is cool!

Syd Chang: Since the U-Foes are my archenemies I'll help with that.

Me: Good idea. And that means Kamui, Charlotte, Supreme Kai of The West, and Lyn will help too.

Nico: Yep.

They came to help.

Kamui: We're ready for this too.

Charlotte: We sure are.

West Supreme Kai: This is gonna be awesome.

Lyn: It sure will be.

Eli: And I sense that the Anothers minus Gameface are one person.

Me: Nice.

Nico: There they are!

Out came Another Vector, Vapor, X-Ray, Ironclad and Evil Desert Man!

Me: WHOA!

Qin: This will be awesome.

Another Vapor: It sure will.

Lincoln: Elrena Exegol!? Wow!

They merged and she reverted back and was a girl with black hair and dark blue eyes and had black clothes and black angel wings and had a dark keyblade.

Elrena Exegol: Awesome to see you again Lincoln. I saw you guys do all those funny pranks on that Evillustrator clone and they were all really funny!

Me: (LAUGHS) That was awesome.

Elrena Exegol: I know. And wow! Lincoln you grew into an amazing young man.

Lincoln: I get that a lot.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Elrena Exegol, Keyblade Knight of Exegol, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the planet, Exegol, and she has intense darkness powers and is as strong as 500,000,000 Jedi Knights and 500,000,000 Sith Lords put together. She's a true master of The Dark Side of The Force and has all of their powers and uses the powers of the Dark Side of the Force for Good. She is the Keyblade Knight of the planet, Exegol, and she witnessed the Jedi Knights' battles against The Sith, and she helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala and Elrena Exegol both trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I had become a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of darkness.

We were amazed!

Me: Wow! The Keyblade Knight of the Planet Exegol! That was were we had the ultimate final showdown with Emperor Palpatine who came back from the Dead.

Eli: Yeah that was crazy!

Elrena Exegol: I know. I was shocked that he came back after all these years. But I'm glad he is gone forever now.

Me: So is the entire universe.

Qin: Yeah. What astounds me was that the Rebel Alliance couldn't find Exegol before.

Me: That was because it was not in our Galaxy. It was all the way over in Andromeda.

Nico: Our Sister Galaxy. That is amazing that they took the fight 2.3 million lightyears from home.

Lola: Yeah!

Me: By the way is the Another Gameface friendly or hostile?

Elrena Exegol: Friendly and she is a REALLY Fast and amazing one.

Me: Cool!

Nico: Sorry we have to do this

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for some backup! (TURNS DIAL) CROCODILE KILLER FORCE!

She summoned Killer Croc, The Ghost of Dr. Coffin, Noodle World, Frost Giant, Tormes the Centaur and Kaitouki!

Nico: YEAH!

Me: Now for the Another Gameface.

Killer Croc: Look! Fellow Crocodiles!

Sobek Caesar Crocodile: That's right mate. New friends.

Killer Croc: Yeah it sure is cool.

Nico: Yep. Now we wait for the Another.

Killer Croc: You gonna share that cheese?

Nico: Yes plenty for everyone.

Me: Guys lets focus. And here she comes!

We saw Another Gameface!

Qin: WHOA!

Me: This is gonna be good.

Another Gameface: (In a girls voice) It sure will be awesome.

Me: (GASP) That voice.

She reverted back and was a girl with aqua blue hair and had blue eyes and had blue clothes and a red scarf and had lightning angel wings and had a tiara with the symbol of the Jet Dopant on it and she had the same symbol on her skirt.

Me: Janna Jet! Wow!

Janna Jet: Awesome to see you again J.D.

Me: You too. Janna is the Embodiment of the Jet Dopant and she has incredible speed that makes her as fast as a fighter jet going at Mach 50. And she also has amazing piloting and mechanical skills in making all kinds of jets. Also she is very fast in sports and is

REALLY athletic.

Gameface: Cool! Just like me in all games.

Me: Yep.

Janna Jet: I love sports and everything.

Me: That is right.

Lynn: That is awesome!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sakura Knudson: That explains what that massive burst of speed was that I saw.

Me: Yep.

Lincoln: Lets separate you first.

He fired a blast of energy and separated her.

Janna Jet: Oh yeah!

ZOOM!

She flew and smashed him down.

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Nico: GAME ON! (ACTIVATES GAMEFACE AND EVIL DESERT MAN'S RIDEWATCHES)

He fired waves of energy and sand and blasted the Another.

May: Time for some awesome power! (ACTIVATES KREMLINGS AND DARK NARUTO'S RIDEWATCHES) COCONUT STYLE NINJA ART: HEAD SMASHING RASENSHURIKEN!

She formed a coconut Rasenshuriken and smashed it into Another Gameface and bashed it all over with NUMEROUS COCONUTS!

Maria: Time for some fire and games! (ACTIVATES GAME MACHINE MAN AND MAGMAR'S RIDEWATCHES)

She fired energy waves and blasted the Another.

Arrowette: Time for some arrow power! (ACTIVATES EVIL DESERT MAN'S RIDEWATCH)

She fired arrows and fired sand and blasted the Another all over.

Then Dodgeball Wizard, Hot Rodney, Condor, Evil Pirate Man, Flame Queen and N-Gamio-Zeda came.

Nico: Awesome team Dodgeball Wizard!

Dodgeball Wizard: Yep thanks!

Me: Awesome!

?: (British Accent) I most agree there!

We saw Knight Man come.

Me: Cool! Knight Man!

Knight Man: (In a girls voice) But this will be most fun.

Nico: Morgan Arthur Knight!? Whoa!

Morgan Arthur Knight: That's right Nico.

She reverted back and was a girl with purple hair, purple eyes, purple clothes and had purple angel wings and she had a symbol for the Knights Templar in the Middle of her Forehead and she had the Mighty Sword Excalibur in her hands.

Morgan Arthur Knight: Good to see you again. Tyler chap lets bring her down together.

Tyler Navarro: I get it since he's one of our monsters.

Me: Go for it!

Tyler Navarro: DINO CHARGER READY! ENERGIZE! UNLEASH THE POWER!

RRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOAA
CHOMP!

He transformed and was ready!

Nico: YEAH!

Me: Lets get him!

Me, Tyler and Morgan Arthur Knight fired blades of energy and the blasts all hit him and Another Gameface EXPLODED!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

I caught the Ridewatch and purified it!

Me: Awesome! Another Gameface you have failed this city!

Tyler Navarro: Monster Extinct!

Nico: YEAH!

Tyler Navarro: Like old times!

Nico: You said it!

Green Arrow: You got that right!

Morgan Arthur Knight: That was so fun!

Me: It sure was.

Sir Ivan: (British Accent) And it's a pleasure to meet a fellow knight.

Morgan Arthur Knight: Indeed Ivan. You too.

May: Yay! No one threw up! And I didn't get hurt!

Me: Except for where you got pulverized by Doodlebob.

May: Oh. At least I was half right on that.

Me: Yeah.

Arrowette: What's your favorite memory of Nico?

Morgan Arthur Knight: When me and Nico went to learn all about my ancestral heritage. I am the direct descendant of the great King Arthur.

Me: Wow! King Arthur is a powerful and great knight.

Nico: Yep.

Me: We went on many adventures where we helped him and his knights of old battle their enemies.

Morgan Arthur Knight: That is what I heard and I'm glad you did.

Nico: That was fun.

Nico and Morgan hugged.

Nico: I've missed you.

Morgan Arthur Knight: Same here.

We went back home and we had 6 hours to spare before tonight.

Lincoln: And right on schedule.

Then, Lincoln fired rainbow energy blasts that hit Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Pablo, Anderson, Hawk, and Hank and trapped them in straitjackets and strapped to gurneys.

Selene Arcangela: Now, for the next part, we're taking you parasites to court!

We holstered our weapons and powered down as we exited The Simulator, and then, we took the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, and Hank to the courthouse, and we made sure to message The Masters of Evil to join us in the courtroom, and once inside the courtroom, Lincoln and his Guardian Angels gave the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, and Hank Hell by presenting to the jury all the evidence of them putting Lincoln through Hell for seven years, and that absolutely disgusted and angered the jury.

The jury went inside for deliberation and ten minutes later, they came back, and they convicted the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, and Hank on all charges.

Katie Rockell: This is indeed the largest and most horrifying case that I've ever come across in any courtroom, and as such, the punishment must fit the crime. Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, and Hank, for the crimes that you've committed against Lincoln Loud and for making him through Hell for the last seven years, all of you are hereby ordered to pay him a grand total of $1.95 quintillion dollars, and you are also hereby sentenced to death.

Everyone cheered, and that royally pissed off the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, and Hank, who were thrashing in anger and rage. But, it was too late for them: Lincoln was awarded a grand total of $1.95 quintillion dollars which he deposited into his account, and after that was done, Lincoln slashed their heads off with a massive swing of his massive greatsword and banished them to The Black Gates for good.

Lincoln: You have no idea how long I've been wanting to do that to you parasites, this is for making my life Hell! (To Raven Mordecai) And it's so good to see you again, Raven Mordecai.

Raven Mordecai: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Raven Mordecai and he hugged her, and Raven Mordecai is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Raven Mordecai: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know this beautiful dark fairy?

Lincoln: Indeed I do, J.D., this is Raven Mordecai, Queen of The Dark Fairies, she's my Guardian Angel and the Queen of The Dark Fairies of Duskbreak Cove, an enchanted fairy village populated by The Dark Fairies. Raven Mordecai is a human sized fairy and she's a powerful and skilled fighter with incredible control over darkness and possess many incredible powers over darkness and magic. I met Raven Mordecai when I discovered a portal that led to

Duskbreak Cove in the secret garden my Guardian Angels and I know about, and I saved Raven from an attack caused by that very deranged fairy-obsessed killer Randall Williams. Raven was very impressed by my strength, bravery, intellect, and courage along with my skills in combat and magic, so much so that like with the promise I made with Lily the Mermaid and my entire harem, I promised that when I came of age, I will marry her.

Nico: That's really awesome. Now, we've met all eight Elemental Fairy Queens.

Lincoln: Exactly, Nico, and now that you're here, Raven.

Lincoln went up to and hugged Raven Mordecai in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Raven Mordecai: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Raven Mordecai's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Raven Mordecai: Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Raven Mordecai.

Raven Mordecai had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Nao Iihara, Kanae Shinjou, Maya Koromogae, Mika Kuouzumiaiginsusutakeizumonokamimeichoujin, Mitsugu Tsukushino, and Momona Amamiya from Resort BOIN.

Lincoln: Oh wow, it's Nao Iihara, Kanae Shinjou, Maya Koromogae, Mika Kuouzumiaiginsusutakeizumonokamimeichoujin, Mitsugu Tsukushino, and Momona Amamiya from Resort BOIN.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nao Iihara: Yes, we're okay, thanks to you.

Then, when Nao Iihara and the other five girls saw who it was that saved them from the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, and Anderson, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and

Nao Iihara: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Nao Iihara: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nao Iihara, Kanae Shinjou, Maya Koromogae, Mika Kuouzumiaiginsusutakeizumonokamimeichoujin, Mitsugu Tsukushino, and Momona Amamiya with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate after the trial ended.

Maria: Oh man, now that's what I call an awesome end to another trial.

Lincoln: Yep, I got paid a massive settlement for everything the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, and Anderson had put me through in the last seven years.

Me: And you saw the looks on their faces, I thought they were going to break out and cause a scene.

Nico: It wouldn't matter though, they still met their end either way.

After Lincoln's rescue in The Simulator and putting the Simulator versions of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, Dark Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, and Anderson down, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Raven Mordecai saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Raven Mordecai: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Raven, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Raven Mordecai: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Raven Mordecai: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Raven, what memories did you have with Lincoln?

Raven Mordecai put up a video as it played on the big screen, and it showed Lincoln and Raven Mordecai flying home after an awesome day at Lake Huron.

Past Raven Mordecai: That was truly an amazing fun day we had at Lake Huron.

Past Lincoln: It sure was, Raven.

Past Raven Mordecai: And we really had a lot of fun out in the sun.

LOUD BANSHEE SHRIEK!

Suddenly, Lincoln caught the smell of excessive perfume in the air and his eleven massive and long white tails had gone wild and his massive white angel wings were glowing.

Past Raven Mordecai: Oh no. Trouble?

Past Lincoln: Yep, and there's no mistaking the smell of excessive perfume. DANG IT, LOLA!

Suddenly, they saw Lola flying towards them and she was really out for Lincoln's blood again, Raven Mordecai fired blasts of darkness at her which blinded her.

Past Lincoln: I'm getting sick and tired of this, Lola. Now, go back to your cage!

Lincoln ran at Lola and gave her a mega hard punch with his excessively massive brute superhuman strength that sent her flying back to The Loud House where she crashed through the roof and landed in a titanium cage in her room.

Past Raven Mordecai: Linky, are you alright?

Past Lincoln: I'm okay, Raven, I can handle that rampaging pageant demon whenever she goes crazy.

Suddenly, Raven Mordecai went up to and hugged Lincoln, and he hugged her back as he wrapped his arms around her waist and she kissed him, and he was literally both dazed and in Heaven.

Past Lincoln: (In Heaven) Now, that… was so… awesome.

Then, the sun continued to shine upon them, and it was truly a romantic sight as the video ended.

Nico: Shit, so Lola went on another animalistic rampage again?! What got her dress bunched up that time?!

Lincoln: Lola got busted for trying to sneak out more perfume samples from Reiningers' and Miguel banned her and decided to kill me again, and she knew Raven with me, so she decided to also kill her as well to slake her bloodlust.

Raven Mordecai: That's right. And after we had our passionate make-out session, we went back home and we already knew that Lola was already in her cage.

Luna: Yep, and needless to say, that rampaging pageant demon also got grounded for eighteen weeks before she got thrown back in like the animal that she is.

Lily: Same here, and we knew Lola went way too far again, and we even reprimanded her big time, and I went as far as to whack her cage with a mallet twenty five times again, and that of course also caused her to vomit.

Lincoln: And we also had to get you out of the way, she tried to bite your fingers off!

Rita: She was violently out of control, and we warned Lola many times that if she doesn't stop this, we would have no choice but to disown her and send her straight to prison.

Leni: If that happens, Lola's whole future would be ruined forever and she would forever be marked as a criminal.

Lincoln: And it would lead her further down into darkness and she'd do anything to get revenge on me and kill everyone in her path, which is why I'm glad we got rid of Dark Lola for good. She was a spoiled brat to the infinite power!

Me: Same here, I hated that little monster.

Varie: She was such a tyrant.

Selene Arcangela: She was a rampaging animal, and any who don't see it her way, she gets physical! That's why we always hated her with a blazing passion and that's why she was on the "Always Treat Aggressively" list because of that.

We got a shower afterwards, and then, Lincoln, Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Lucila Noceda: Wow, so, this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Lucila, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda and they hugged the girls in their abnormally massive and powerful muscular arms, and Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda are in your harem.

Luz: I knew it, this was due to me introducing her to Lincoln, and they fell in love at first sight.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Amy, Universe 666 Anne Maria, Universe 666 Heather, Universe 666 Jo, Universe 666 Julia, Universe 666 Josee, and Lucila Noceda, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant,

but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: In hindsight, I should've known better than to do that.

---

Later that night we were over in Zephyr Heights for the Moon Festival. It was a once every decade festival for the Supermoon.

Queen Haven: And so… every ten years, when the moon reaches its closest point to Equestria, we throw a great big party to celebrate.

Me: This is really amazing your majesty.

Nico: It's an honor to be part of this.

Princess Luna: And as Princess of the Night, I'm truly honored that you have a festival for this occasion.

Queen Haven: I'm glad you agree Luna.

[ponies screaming]

I used my powers to put the fake moon decoration back.

Me: This is amazing though Your Majesty. We are probably the first ever humans to celebrate this with you.

Lola: Yeah usually we have the Chinese New Years festival but we never have seen Equestria celebrate this.

Me: It's a first for us.

Queen Haven: Ah, my daughters have always loved the Moon Festival.

Me: Have they really?

---

Flashback shows young Pipp and Zipp having fun. Well Zipp was but Pipp wasn't. Zipp was holding Pipp while she was up in the air by a balloon.

Young Pipp Petals: [screaming]

Young Zipp Storm: [laughing]

And this was before the magic returned to Equestria.

FLASHBACK ENDS

Pipp Petals: Correction. Zipp always loved the Moon Festival. Me? [laughs] Not so much.

Winnie the Werewolf: I love this festival!

Me: We can tell Winnie.

Queen Haven: Now, as it's the first Moon Festival since magic returned, we're putting on an extra special aerobatics finale featuring Zephyr Heights' finest flyers!

Me: Cool!

We saw the Pegasi flying faster than normal.

Me: WHOA!

Aerobat Pony: [screaming]

A pegasus crashed into the moon decoration.

[crash!]

Me: Ouch.

Queen Haven: Some of them are still getting to grips with the routine. Takes a long time to master your magic.

Me: I guess so.

A Pegasus then blew a stand away unintentionally.

Zipp Storm: Whoa!

Unicorn magic was stronger than ever as they were playing.

Dahlia made flowers grow behind her without noticing.

Zipp Storm: Something seems strange…

Me: Yeah I sense it.

We arrived at the royal box.

Queen Haven: Welcome to the royal box!

We saw a special spot for the queen and royalty.

Izzy Moonbow: Wow!

Me: Wow! We are truly honored Your Majesty.

Nico: This is amazing.

Hitch Trailblazer: So cool!

Sunny Starscout: [gasps] Wow! Oh, my hoofness! Incredible!

Eli: Boy it sure is.

Me: Look at this amazing spread.

Camie: It's awesome.

Izzy Moonbow: Uh, quick question. Does this clash with my mane? Ooh!

She had a rope around her and was being silly.

Lin Chung: Irena, I'll never regret meeting you.

Irena Malloy: Me neither Lin. That was so awesome.

Me: It sure was fun.

Lin Chung: It sure was.

Sunny Starscout: Oh, yeah, it's great having magic again. [gasps] Ooh, they have confetti cannons!

[boom!]

Pinkie Pie: (LAUGHS) Love confetti cannons!

[crowd cheering]

Me: YEAH!

Sunny Starscout: Whoa!

Zipp Storm: Uh…

Skye Silver: [amplified] Distinguished ponies! Please stomp your hooves for the Zephyr Heights Aerobats! [laughs]

[awestruck sounds]

We saw 3 Pegasi fly and they looked like Zephyr Heights version of the Wonderbolts.

Rainbow Dash: Wow! Zephyr Heights has its own version of the Wonderbolts!? How cool is that!?

Spitfire: That is really awesome!

Princess Luna: Having fun so far?

Me: We sure are Princess and you and the family of the night must be honored for this too.

Moondust: We sure are.

Snowdrop: This is so awesome that we are at a festival for Mother's night.

Gari: It sure is awesome.

Me: I'm glad you are having fun. We are too. Especially with the Supermoon.

Zipp Storm: So amazed and so jealous at the same time.

They did all kinds of tricks and moves

Rainbow Dash: This is REALLY Awesome!

But then the Supermoon was uncovered from the clouds and then the pegasi had their wings surging with electricity and then they flew faster than bullets fired from a gun!

Aerobats: [screaming]

THEY WERE MOVING SO FAST!

Me: WHOA!

Queen Haven: Oh. I don't remember these moves in rehearsals.

Zipp Storm: Those aren't moves. It's like… like magic is being supercharged or something!

I saw my hands surging with intense magical energy!

Me: WHOA! She's right! My magic is REALLY going haywire!

Xenia: This is intense!

The unicorns had their magic charged up too as we saw Izzy and Rufus floating!

Me: WHOA! This is gonna be intense!

Zipp Storm: I've got to get to the bottom of this before somepony gets really hurt!

Me: I agree. Lets see how powerful it is.

I fired a blast of magic and it fired out of my hands like 100,000 Noisy Cricket blasts and it blew me back and Nico caught me!

Me: WHOA! THAT was powerful!

Lola: NO KIDDING!

Nico: We better find out what's causing this.

We went to go ask around. We stopped a Pegasus named Berries.

Zipp Storm: Ah! You! What do you eat today? Breakfast, lunch, and dinner!

Berries: Um… pancakes, pancakes… [gasps] And pancakes! [giggles]

Me: Whoa Pancakes every time? Wow.

Zipp Storm: Pancakes all day. Didn't even know you could do that. Huh. Anyway, pancakes wouldn't have caused magic to supercharge. You! Levitate this hat!

She took Posey's hat.

Me: Sorry Posey.

Onyx did so and it flew fast.

Onyx: I'm, like, way better with crystals.

Zipp Storm: Of course! The Unity Crystals!

Me: We better check out the crystals.

[whoosh]

ZIPP FLEW FASTER THAN A BULLET FIRED FROM A GUN!

She grabbed a flagpole!

Zipp Storm: Aah! Ugh. Something must be going wrong with the Crystals.

She zoomed into the Crystal Brighthouse and checked them but nothing was wrong with them.

Me: Anything Zipp!?

Zipp Storm: Nothing! They are fine. Ah! I don't get it. If it's not the Unity Crystals that's causing this, then what is?

Zipp then saw the moon reflection in the water and saw that the moonlight was doing something as a Pegasus zoomed fast!

Zipp Storm: It couldn't be…

Me: What is it?

Zipp Storm: I think it's the moonlight.

Me: We better get the team together to help out.

Aerobats: [screaming]

Lin Chung: I'll never forget how you helped us defeat High Roller.

Irena Malloy: That was so fun and cool.

Nico: It sure was.

Zipp Storm: Sunny! Team huddle! Now!

Me: Guys we got huge problems. Lets huddle.

We went with Zipp.

Energon Scorponok: Why are we huddling?

Zipp Storm: I figured it out. It's the giant moon that's supercharging magic. Look.

We saw that when the ponies are exposed to the Supermoon's light it supercharges their magic and makes Pegasus Fly faster than bullets fired from a gun, intensifies unicorn magic 100-fold and intensifies Earth Pony magic times 100.

Sunny Starscout: Whoa. You may be onto something there, Zipp.

Nico: WHOA! I didn't know the Supermoon can do that.

Me: It's like what happened when we lost control of our powers when we were about to transform. Remember that?

Nico: How can I forget.

Me: But I think it might have something to do with the fact that the ponies of Equestria hadn't used magic in a long time since Opaline divided everyone.

Sunny Starscout: That might be it.

Princess Luna: This problem hasn't happened with me.

Zipp Storm: We've gotta do something!

Me: And quick or else someone is going to get seriously hurt.

Hitch Trailblazer: What can we do? It's not like we can just shrink the moon.

Zipp Storm: Hmm. No… but we can block it!

Eli: How are we going to do that?

Me: Next total lunar eclipse isn't till March of 2025.

Nico: And I don't think we can wait that long.

Zipp Storm: I got an idea. Ponies, everyone, grab as many lanterns as you can and follow me!

Me: Right!

We grabbed lots of moon lanterns.

Aerobats: [screaming]

Zipp Storm: [panting, amplified] Uh, and now for the finale of the finale. Everypony, release your lanterns!

Me: LANTERNS AWAY!

We pulled the tarp off and released lots of moon lanterns

[crowd cheering]

Rest of Mane 6: [cheering]

Me: OH YEAH!

Zipp Storm: Wow! [gasps]

The lanterns were scattering.

Zipp Storm: Oh, no! The lanterns are going all different directions! They'll never block the moonlight this way!

Sunny went Alicorn!

Sunny Starscout: I got this, ponies!

Nico: Whoa! How come Sunny isn't being affected?

Me: Because her wings and horn are Ethereal and they are made of spiritual energy. Awesome thinking there!

[upbeat music]

Sunny gathered the lanterns and put them in a magic ball.

Rest of Mane 6: [cheering]

She put it in front of the moon and in a flash of light she made an awesome disco ball style effect

[awestruck sounds]

Me: WHOA! That is cool!

Aerobat Pony: [screams]

The magic was nullified back to normal.

Zipp Storm: [amplified] Over to you, Aerobats!

They did an awesome finale.

[Asian-style music]

[crowd cheering]

Me: So cool!

Queen Haven: Now that's what I call a finale!

Rainbow Dash: That was AWESOME!

Mane 6: [cheering]

Me: YEAH!

Mighty Ray: Honestly, High Roller wasn't much of a challenge. The Twin Masters, on the other hand…

Nico: He was a challenge.

Metroplex: (Scottish Accent) What just happened?

Me: When we put the lanterns in front of the Supermoon it nullified the magic.

?: Boy that was genius!

A figure flew in and it was a girl with red hair, red eyes, black clothes and had red angel wings and had a tiara with the symbol for the Dino Fury Rangers on it and she had the same symbol on her skirt and a Dino Fury Sword.

Zhalia Ryusoulger: Zhalia Ryusoulger, Embodiment of the Dino Fury Rangers is here.

Me: Awesome to meet you Zhalia.

Zayto: An honor to meet our Embodiment.

Zhalia Ryusoulger: You too Zayto and thank goodness you're safe.

Lin Chung: Tell us more about yourself.

Zhalia Ryusoulger: Sure. I am a paleontologist and archaeologist. I have been trying to solve the mystery of the Sporix and dinosaurs for a long time. It's hard work.

Me: We can see that.

Zhalia Ryusoulger: By the way guys I saw your epic battle against

Void Queen and 24 of the most dangerous enemies of the rangers from over the course of 29 years. That was so epic!

Me: It sure was! One of the most awesome adventures ever.

Cornelia: And one of the most awesome we ever had.

Me: Yeah.

Nico: Would you like to join the team?

Zhalia Ryusoulger: I would be honored.

Me: Awesome.

Grave Clobber: Nico, who gets to shine next?

Nico: Zarya, J.D. Knudson as Wolf Moon, Riley Anderson, me, Megan, and Evelyn Burmingham.

Me: Awesome! Better get the mood ready. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙

I howled!

Nico: OH YEAH!

Riley Anderson: Awesome!

Megan: Yeah! This will be fun!

Evelyn Burmingham: It sure will!

We went back home and got ready.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Will Blake who's been turned back into The Werewolf of Fever Swamp, and he's returned to Fever Swamp and is causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than Will Blake who's been turned back into The Werewolf of Fever Swamp, and he's returned to Fever Swamp and is causing havoc once more.

We gasped.

Adrienne Midnight: Oh no, Will's been turned back into The Werewolf of Fever Swamp?! Damn that Slappy!

Lincoln: It's okay, Adrienne, but it's thanks to Sebastian for telling us also about The Blue Goddess Supermoon.

Nico: Yeah, and there's no doubt this is going to be one dangerous battle against Will Blake once more.

Adrienne Midnight: We got to head down to Fever Swamp once more and help Grady deal with Will once again.

Lincoln: And that we will, Adrienne.

Me: And Lincoln, I'll be needing your help with Will when we head to Fever Swamp to help Grady again, so you know what that means.

Nico: Three Nocturnal Werewolves against one, this'll be one dangerous fight. Alright, let's head down to Fever Swamp.

Lincoln: And help Grady with taking down and calming Will once again.

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth, he was literally suffering from another bad curse he inflicted on him: he also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on him, and he was scratching like crazy.

Nico: I never get tired of you making the curse even worse for Slappy and his cohorts and making things even worse for Bob Roth.

Sebastian Mendez: Thanks.

I went and got the book for The Werewolf of Fever Swamp.

Me: This was a freaky one.

Xenia: Yeah.

Nico: It's almost fitting we do this one.

Me: It sure is because the Supermoon is present.

Camie: Yeah this will be interesting.

Xenia: It sure will be

Tsuyu: Yeah no kidding.

Laney: I'm ready to make that monster into a fur pelt.

The previous group came.

Mortal Kombat Scorpion: Can me, Stonedozer, Whirlin, Iceage, Magma, Stratos, Ice Demon, Black Manta, Goro, and Puppetmon go with you guys?

Nico: You all sure can come with.

Laney: We're going to Fever Swamp to deal with the Werewolf of

Fever Swamp.

Stonedozer: Boy I remember hearing about that one! That was freaky! And perfect timing too because of the Supermoon.

Lola: Yeah!

Magma: We saw the trial you guys did earlier. That was crazy but awesome!

Lincoln: Thanks.

Goro: Didn't you all face this werewolf before?

Me: We sure did.

Nico: It was back in 2019 and it was scary.

Lola: Yeah.

Me: I can't remember if it was on the night of a Full Moon or something like that.

Nico: Me neither.

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well the Mega Man 7 Robots are next. Shade Man next.

Lola: Cool!

Lucy Loud: Wicked.

Me: Scans show that the Werewolf is located in Skunk Swamp.

Xenia: Where we fought the Gunderson Clan.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Cursa, the main antagonist of Mario Rabbids: Sparks of Hope, the 2022 sequel to the 2017 strategy action crossover game, Mario Rabbids: Kingdom Battle, and he's come back to get revenge on Mario and the others for destroying him. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Mario, Rosalina, this is one person we're not going to like one bit: the figure I saw and the dark energy I sensed belongs to Cursa, and he's come back to get revenge on you all for destroying him.

We gasped.

Rayman: Oh no. Cursa's back!

Rosalina: Cursa was once known as The Megabug, a creature created when The Rabbids found their way to The Mushroom Kingdom and it was causing havoc. Mario, Princess Peach, Luigi, Yoshi, and their new friends, Rabbid Mario, Rabbid Peach, and Rabbid Luigi destroyed The Megabug. But, a piece of the Megabug survived, and it turned into Cursa and it went after the Rabbid Lumas to absorb them and consume their energy.

Eli: That parasite needs to be destroyed once and for all!

Rayman: And it will, Eli. I'm calling for some additional help.

Rayman sent out a call.

Roxanne Equipooscuro: (Spanish Accent) And that is something all of us will accomplish.

Nico: Yikes, this is going to be one battle that'll decide the fate of the world. Alright, gang, let's go, we're heading off to Fever Swamp to help Grady take down Will Blake.

Lincoln: Grady, Will, you both hang on, we're on our way, and once we get done with this fight, you're next, Cursa.

Roxanne Equipooscuro: You better pray for mercy, Cursa, because I will show you none, for the crimes you've committed both as Cursa and as your original incarnation, The Megabug, there will be no mercy for you at all!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to to Fever Swamp to help Grady take down Will Blake who's been turned back into The Werewolf of Fever Swamp by Slappy, and once we got done with stopping Will Blake, Lincoln and Roxanne Equipooscuro are going to destroy Cursa.

We were off.

---

We arrived in Skunk Swamp.

Me: Skunk Swamp. It's amazing that this whole place is located right next door to Scratchy Bottom Campgrounds.

Nico: Yeah.

Lincoln: And me and my sisters used to hate going to Scratchy Bottom.

Lola: Yeah it was awful but not anymore.

Stonedozer: So, is the Werewolf a Texas Wolf?

Me: Not really sure.

CRUNCH!

But then I stepped on something and saw that I stepped on the mutilated corpse of a man that was mauled with extreme savagery!

Me: OH GOOD GOD!

Bruiser Cruiser: Jesus fucking Christ!

Nico: This man was REALLY RIPPED apart!

I wiped his blood.

Me: Still fresh. The werewolf was here less than a few minutes ago.

WOLF HOWL!

Magma: Of Fever Swamp or Grady?

Me: Could be either one of them. He's close.

Qin: Yeah.

Nico: I bet it's Grady.

Camie: Yeah.

Toxica: Grady? Are you there?

Me: (HOWLS) (ECHOES)

I howled and then someone howl back and then it got closer.

Then out came Grady.

Grady: Guys! You made it!

Me: Are you all right Grady?

Grady: No you have to stay away from me!

Me: Oh no! Not again.

Nico: Grady, if the werewolf is trying to take control, don't let it! You control it, not the other way around!

Grady: NO! IT'S TOO STRONG! I JUST KILLED A MAN! GO GET AWAY!

Me: Fight it Grady! Fight it!

Grady groaned in pain!

But then the Supermoon was uncovered by the clouds!

I looked at the Supermoon!

Me: Oh man!

Grady: NO! GO! RUN!

He turned into A WEREWOLF!

Me: The Supermoon makes it more powerful than ever!

Nico: Luckily, I came prepared! (fires dart into Grady's shoulder)

It hit him and he roared and he was back to normal

Nico took off his jacket and put it on him as he was naked.

Me: Lets get him to the house.

Nico: Right.

We went to the house.

Qin: Geez he is completely exhausted.

Me: The Anti-Werewolf Serum?

Nico: Yep.

We put him on a bed.

Nico: He still can go werewolf. But now, he's in complete control.

Me: Now he can go Grady the Nocturnal.

Nico: But how did the Supermoon make him go feral?

Me: Because the moon is so close to the Earth, the light from the Supermoon is more concentrated. Hence why my powers as Wolf Moon got intensely strong.

Sunny Starscout: And why everypony's magic got all out of whack.

Xenia: Yeah.

He got up.

Ice Demon: You doing okay, buddy?

Grady: (Groans) I think so.

Me: You went really feral. The Supermoon did that.

Grady: Supermoon?

Me: It happens once every 28 days. When the moon reaches a point where it's closest to the Earth. It's called the Lunar Perigee or the Supermoon Paradox. The moon is brighter and bigger than it is normally.

Grady: Wow. That is amazing. No wonder my Werewolf Powers got stronger than ever and out of control.

Me: Yeah. But this is a Rare Blue Supermoon. This happens once every 10 years.

Sunny Starscout: Wow! So we picked a really good time for the Moon Festival.

Me: We sure did.

Ashi: Unfortunately, you're not the only Werewolf active right now.

Grady: I know. Will is back and I'm trying to help him.

Me: Let us help you too. You have Werewolf friends too.

Grady: Really?

Me: Yep.

Grady: Wow. Wow you guys have grown in numbers since 2019.

Me: We sure have.

Grady: I was following up on all your adventures and wow you guys have come so far.

Me: I know. Things have changed tremendously for all of us.

Zarya: My bet is that he's trying to build a Werewolf Army.

Goro: He probably already has.

Me: If that's the case then everyone is in serious danger.

We saw blood on Grady's hands.

Me: Grady this blood on your hands was from that man. The Supermoon made you do this.

Grady: I know. I know I'm going to hurt people.

?: That is for sure.

We saw THE MAN THAT GRADY KILLED!

Me: WHOA!

Nico: WHAT IN THE NINE LEVELS OF HELL!

Me: You're the man we saw that was butchered!

Chandler: Wait a sec? Uncle Vince? Is that you?

Vince McCann: Chandler? Oh my god! I thought you were dead!

Chandler: I was.

Me: This man is your uncle?

Chandler: Yeah. He was my dad's brother.

Scrap Shooter: Didn't see that coming, see.

Me: Me neither.

Vince McCann: Oh Chandler I'm sorry I wasn't there for you. My brother was a monster and he threatened to kill me if I came anywhere near you.

Chandler: I know uncle. I know. He was the reason why I became such a heartless monster why I bullied Lincoln and wanted nothing more than to kill. If Lincoln's guardian angels weren't there I might have succeeded and I'm glad I didn't.

Lola: Yeah.

Vince McCann: I'm glad they stepped in. And I'm proud of you for becoming a redeemed soul Chandler.

Chandler: Thank you Uncle.

Grady: I'm sorry I killed you Mr. McCann.

Vince McCann: I know Grady. It's not your fault.

Me: But how are you still alive?

Puppetmon: It's a zombie! Fucking kill it!

Me: Poromon!

Brittney: Wait! He's not a zombie. He's dead and in spirit.

She pulled out her book and scrolled to the Curse of the Werewolf.

Brittney: Here it is. When a Werewolf kills its victim on the night of the full moon, that victim's spirit is cursed to be bound to the man that killed them until the curse is lifted by killing the werewolf responsible.

WE GASPED!

Me: I've seen this in movies many times before. Those werewolves are mercilessly haunted by the very spirits of the people they viciously slaughtered.

Qin: Yeah!

Camie: We're not going to kill Grady are we!?

Me: Absolutely no fucking way! That goes against our code! Grady is still a kid and we never kill kids. Only on RARE instances.

Laney: Yeah.

Grady: At least your code hasn't changed.

Me: Yeah.

Skallox: By now, the Werewolf has probably… had some fucking fun.

Me: Yeah. I know. Will is still out there and we have to help him.

Black Manta: And by fun, he's probably killed several people.

Riley Anderson: There's no easy way to sugarcoat that.

Me: I agree.

Laney: We got to kill his werewolf half!

Xenia: But how?

Me: The only way we know how to kill a werewolf: Silver Bullets.

Swift Foot: Don't all guns use silver bullets?

Me: Yes they do.

I pulled out the pistol I found in New Orleans and it had 6 rounds of Silver Bullets in it.

Grady: Fancy Gun.

Me: Yeah. Long story. But we have 6 rounds of silver bullets here.

Selene (Underworld): We can also use silver nitrate gas.

Me: Silver Stakes can work too.

Blade: Got plenty of those.

Nico: Is that everything?

Stratos: Let's double check.

Lincoln: I got silver lightning.

Me: Good.

Lana: Uh mom don't kill me for this but…

She pulled out Rita's Silver Dessert Serving knife.

Rita: My Silver Pie Knife?

Me: That's perfect Lana.

Qin: Plenty of silver.

Alvin: Wait!

He pulled out a wolf headed Borgia Stick.

Me: A Wolf Head Borgia Stick?

Simon: It belonged to our Neighbor Laurence Talbot.

Theodore: He was a werewolf too.

WE GASPED!

Me: Oh man. Wait he was?

Alvin: Yeah we cured him.

Me: Wow.

Starlight Glimmer: Let's head out.

We were off to find him.

I smelled for him.

Me: (SNIFFS) I smell him. Blood. He's close.

Megan: I hear something.

Werewolf of Fever Swamp: Fellow Werewolves. For too long have I resided helplessly in the mind of the weak Will Blake. For too long have we let humans get the best of us. NO LONGER! Tonight, we will be the ones to triumph over the humans. And then, the world will be ready for Master Slappy to rule!

They howled.

Iceage: Not gonna lie. That was a good speech.

Me: Yeah.

Nico: Lets go guys. Entrance time.

We went at them.

Then a Silver Nitrate Gas grenade flew in and exploded!

BOOM!

It burned many of the Werewolves all over from the inside and outside. Then the spirits of the wolf moon came and swirled around The Werewolf of Fever Swamp and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of silver fire exploded out and then silver fireballs rained down and burned the werewolves and then a Phoenix Cry was heard and we landed.

Me: Okay you motherfucking Werewolves! Time for humans to fight back!

Khybon: Line up to be killed from smallest to biggest!

I fired Silver Bullets and Stabbed them with Silver Stakes.

BANG BANG BANG!

STAB STAB STAB STAB!

I fired blades of blue fire and blasted them.

Whirlin: Time to blow you away!

Evelyn Burmingham: Big time!

He spun around in a huge tornado and blew them all over.

Evelyn fired energy blasts and blasted the werewolves.

Camie: Take that!

We then saw NUMEROUS spirits trapped in Limbo going to Heaven.

Me: WHOA!

Nico: Awesome!

Me: WOLF FIRE BLAZE STORM!

I fired a wave of blue fire from my scythe.

Nico: (Echoing) GRIZZLY WING!

Nico fired a massive swarm of bats.

Zarya: TIME TO HOWL! (HOWLS)

She fired a wave of energy and it formed into a wolf.

Riley fired waves of energy.

Megan fired a Phazon blast and Evelyn fired a blast of energy.

Suddenly, The Blue Goddess Supermoon appeared from the clouds in the skies.

Lincoln: Let's do this.

(THE BEASTS AT OUR DOOR PLAYS)

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, his large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head turned midnight blue, and he let out a powerful howl as Lincoln transformed into Lincoln The Nocturnal.

I let out a growl as lighter brown fur begin growing on my abnormally massive and powerful muscular body with tan fur growing on my massive and wide muscular pecs and eight pack abs and my nose changed to a wolf's nose and muzzle and my abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, my blue eyes had slit pupils, my rainbow wolf ears on top of my head turned brown, I still had claws on my fingers, my eleven massive and long rainbow wolf tails turned brown, and my large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind my head turned midnight blue, and I let out a powerful howl as I transformed into J.D. The Nocturnal.

And Grady let out a growl as brown fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles bulged and grew even bigger, brown fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and muzzle, his deep sapphire blue eyes remained the same, but his pupils turned into slits, and large brown wolf ears grew on top of his head, he suddenly grew and sprouted out massive brown angel wings with dark blue tips, his tail grew longer, he now had a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head that turned midnight blue, and he let out a powerful howl as he transformed into Grady The Nocturnal.

Suddenly, The Blue Goddess Supermoon's effects took place as Lincoln, Grady, and I became even more hulked out and super powerful.

Me: YEAH!

Lincoln: (Beastly Voice) Whoa, this feels really awesome, I feel like I can take on an army of muscled thugs in the biker bar and send them packing!

Me: (Beastly Voice) I feel even more powerful than ever, so this is… !

Sebastian Mendez: Those are the effects of The Supermoon, especially The Blue Goddess Supermoon.

Nico: Oh yeah!

Weirdwolf: Save some for me!

Ben turned into Blitzwolfer.

Ben: BLITZWOLFER!

Nico: Oh yeah!

Ben fired a wave of energy and blasted the Werewolves!

Me: Yeah!

I fired waves of energy and blasted the Werewolves.

Weirdwolf charged at the werewolves.

And he rammed them down.

I slashed a werewolf across his stomach and slashed his head off!

Then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Mummy, Diabolico, and Rowdyruff Boys came.

Nico: Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Mummy, Diabolico, and Rowdyruff Boys.

Wolf: My kind of fight!

Killer Shrike: Of course you would say that.

Captain Boomerang: This is turning out to be a bloodbath.

Me: It sure is! And I think it's awesome!

Crimson Dynamo: (to Nico) We heard you fought an Evillustrator clone.

Nico: We sure did!

Shiva: How many pranks did you do?

Me: All kinds of silly pranks!

Nico: Yeah!

Zen-Aku came.

Me: Zen-Aku!? Your turn?

Zen-Aku: Yep it sure is.

Me: Fitting for tonight too.

Laney: It sure is.

Zen Aku: (to Riley) It's good that today is your time to shine.

Riley: You got that right.

Cole: This is gonna be just like old times.

Qin: Yeah!

We got the battles underway.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Cursa, or we will force you out.

A massive malevolent and power-hungry cosmic entity came out, and it was none other than Cursa.

Nico: So, that's Cursa.

Rosalina: Correct.

Suddenly, Cursa was attacked by three missile blasts, a frisbee, punches, and a blade that flew in from nowhere and attacked Cursa. We then saw three figures appear, they were none other than Rabbid Peach, Rabbid Luigi, Rabbid Mario, and Edge.

Rayman: Alright. Now, we stand a chance against Cursa.

Edge: I thought we were rid of you for good, Cursa, but you just refused to stay dead.

Roxanne Equipooscuro: Blame Slappy for that one. Now, that dummy has gone way too far!

Suddenly, Roxanne Equipooscuro's purple eyes turned neon pink and she was surrounded by a black and purple energy aura with stars, darkness, gears, dragons, phoenixes, and angels, she unholstered her massive Cyberdark End Dragon-themed greatsword from her back, and as she approached Cursa, she left black and purple energy, stars, darkness, gears, dragons, phoenixes, and angels with every step.

Roxanne Equipooscuro: Did you honestly think that I'll let a vengeful powerhungry cosmic entity like you off the hook, I don't think so. In all my years of fighting villains and demons, you are absolutely the worst villain I've ever had the displeasure of knowing. You've committed way too many crimes to count, Cursa, both in your current form and when you were still The MegaBug, and for that, the punishment for your crimes is death.

Suddenly, Roxanne Equipooscuro was surrounded by a massive vortex of black and purple energy, stars, darkness, and gears surrounding the vortex, there are dragons, phoenixes, angels, and Cyberdark End Dragon flying around the vortex, and in the vortex is a purple phoenix with blood red eyes glaring at Cursa: the red eyes of death. Suddenly, Roxanne Equipooscuro's massive Cyberdark End Dragon-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and pink energy, stars, darkness, gears, dragons, phoenixes, and angels, and when it emerged, it was transformed into Roxanne Equipooscuro's Eternal Dark Gear Mech Darkness Cyberdark End Dragon Phoenix Angel Greatsword of Eternal Dark Gear Mech Darkness Cyberdark End Dragon Phoenix Angel Greatsword Justice, it's a brand-new massive greatsword with embedded purple gems and Cyberdark End Dragon etched on the 7'6" massive, wide, double-edged black blade, large purple dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large purple dragon heads with black gems for eyes and on the bottom of the large purple dragon heads is a large purple dragon head with black gems for eyes and black gem in its mouth for the pommel, Roxanne Equipooscuro has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Cyberdark End Dragon's head with purple gems for eyes and large purple gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. But, when Cursa saw it, she went mad with rage and fired a blast of darkness to kill her, but Roxanne Equipooscuro fired a massive barrage of black and purple energy, stars, darkness, gears, dragons, phoenixes, and angels which hit Cursa and knocked her down, she got back up, but now she was pissed off.

Princess Entrapta: Whoa, my cousin's transformed, awesome!

Selene Arcangela: Oh shit, this is going to end badly for Cursa now that Roxanne Equipooscuro has transformed.

Roxanne Equipooscuro and Lincoln, along with Rabbid Peach, Rabbid Luigi, Rabbid Mario, Edge, Rayman, Mario and his friends went after Cursa, and they fired extremely powerful blasts of rainbow energy, black and purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Cursa and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws, massive greatsword, and angelic and demonic greatswords at his side and firing energy slashes from his claws and he and Roxanne Equipooscuro also attacked him with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Cursa even more madder with rage.

Rayman: Alright, Cursa's now driven mad by rage, now we can finish her off!

Rabbid Peach, Rabbid Luigi, Rabbid Mario, Edge, Rayman, Mario and his friends also blasted Cursa as well, and that finally drove Cursa over the edge.

Cursa charged at them driven made by rage, suddenly, Lincoln reeled back his left fist, and then, he made a punching motion and fired out a massive twisting barrage of black vines with thorns and the pointed tips ensnared Cursa, and then, Lincoln began draining Cursa as red energy was flowing out of Cursa and into Lincoln as he began absorbing her energy and assimilating her Umbrakinesis, Cosmic Influence, Immortality, Corruption, Tentacles, and Life Creation and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Suddenly, Cursa was growing weaker and weaker until she was entirely absorbed by Lincoln, and as the black vines and thorns disappeared, he fired out an energy card with Cursa's drained soul inside and he banished her to The Black Gates, we cheered wildly for what Roxanne Equipooscuro and Lincoln did as they holstered their massive greatswords and powered down and Roxanne Equipooscuro's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple and black angel wings are permanent.

Roxanne Equipooscuro: For your crimes, only eternal damnation awaits you. Thanks for helping me destroy Cursa for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Roxanne.

Suddenly, Roxanne Equipooscuro wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Roxanne Equipooscuro's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Cyberdark End Dragon flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Roxanne Equipooscuro sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought.

Lincoln: You said it, and Cursa was indeed as dangerous as Rosalina and our friends said she is.

Rayman: But, we defeated Cursa, and if I'm not mistaken, you used Alraune's powers to ensnare her and drain her of all her powers.

Lincoln: You guessed it.

Me: Cursa stood no chance. So, Lincoln, who are we meeting tomorrow on your rescue?

Lincoln: Now, we're back to meeting more Cybertronian Gene-Slammers, J.D., and there's four new Cybertronian Gene-Slammers I'm going to meet: The Gene-Slammers for Omega Supreme, Trypticon, Metroplex, and Fortress Maximus.

Selene Arcangela: Awesome, and there's only four girls who'd be Gene-Slammed into them: The Shadowmagic Sisters, and you'll love meeting them. Their names are Betty Shadowmagic, Gene-Slammer of Omega Supreme, Celia Shadowmagic, Gene-Slammer of Trypticon, Dani Shadowmagic, Gene-Slammer of Metroplex, and Elsa Shadowmagic, Gene-Slammer of Fortress Maximus, these four sisters are Lincoln's Guardian Angels from Romania and his classmates in Math. They're the sisters of Ashley from WarioWare as well incredible powerful masters of dark magic. Their dark magic was so strong, it was said to completely control other people's minds and even turn other people into different objects or animals, and it impressed even The Goths of Darkness. They used their dark magic to get those who tried to harm Lincoln in so much trouble and those that tried to harm Lincoln wound up getting turned into various objects.

Me: Wow, that's some powerful dark magic.

Selene Arcangela: Yep, and they each have black hair with black matching clothes but with one difference to go with them: their headbands. Betty's: pink, Celia's: blue, Dani's: white, and Elsa's: orange. To show thanks for protecting him, Lincoln made the Shadowmagic Sisters beautiful black necklaces, and as thanks, they each kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age he will marry Ashley and her sisters along with the rest of his harem, and they hate NO MA'AM with an incredibly blazing passion, the reason why is because those moronic pigs tried to TP their house, but Lincoln, Ashley, and her sisters were there and they did not take kindly to those morons' attempt to TP their house, so they made illusions of the most scariest monsters ever known which appeared before NO MA'AM which made them pee and crap their pants all the while running back to Chicago screaming like little girls.

Nico: Those pigs, I can't believe they tried to TP their house.

Me: But, they made a big mistake crossing them.

Lincoln: And once they're back in town, NO MA'AM is literally in for Hell.

Billy Numerous: How do you feel, Will?

Will Blake: A little weak. But I'll live.

Deker: That's good.

Mummy: You've earned some rest.

Diabolico: Only one more Goosebumps monster for this set of adventures left.

Brick: Unfortunately, the one left is the most evil of them all.

Me: I'm counting on it. (looks to the distance) I'm coming for you, Slappy. And you will pay for everything you've done!

We went back home, and back at Slappy's home, Slappy and his cohorts screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted them to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth, he was literally suffering from another bad curse he inflicted on him: he wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on him, and he was scratching like crazy.

Bob Roth: (calls Slappy) Slappy, where the Hell are you?!

Slappy: Relax. I'm about to start my endgame plan.

Bob Roth: You should hurry. Because all of our guys are gone!

Slappy: Don't worry. By the time this is done, Nico won't know what hit him.

Bob Roth: Can you guarantee that?

Slappy: Oh yes. Make sure to send a video with this title.

Bob Roth: And that would be?

Slappy: (smirks evilly) "Nico Chan murders Jillian Zinman!"

Slappy hung up and it's revealed that he was outside Jillian Zinman's house. He then went inside.

UH OH!

I was laying on the ground thinking.

Me: (In my head) Slappy is definitely up to something. He is definitely going to frame Nico for a crime he didn't commit. But I can't let him know until the right time or else it will give away my plan. Nico forgive me but I have to do this to keep up a front.

Nico: J.D. you are thinking a lot. Is something on your mind?

Me: No I'm just keeping my thoughts together.

Nico: Oh. Thinking about me going after Slappy?

Me: Yeah. We got to end this now.

Xenia: Later. Lets just enjoy this.

Nico: Yeah.

Dan Kuso: Besides this will be an awesome battle.

Nico: Dan, I want to thank you, Dodgeball Wizard, and your teams for coming.

Dan Kuso: Not a problem Nico. This will be awesome.

Drago: It sure will be cool.

Qin: Yep.

Me: (In my head) I already let Sheila and Tom know and told them to let Nico play along. I have a good feeling I know what it is that Slappy is trying to do. But I need to gather evidence to prove and I know just where to look. Just give me some time Nico. If Nico goes to jail, May is going to kill me.

Nico: Nate, you've been a good brother to Twilight.

Nate: I sure have.

Twilight Sparkle: He has been one of the best brothers ever next to my biological brother Starshine.

Nico: That is for sure.

Laney: That was awesome for Twilight Sparkle's Ambassador Missions last year.

Nate Adams: It sure was.

Nico: And you told us about Yokai.

Nate: I sure did.

Me: (LAUGHS) And some of them were awesome and funny!

Lola: (LAUGHS) Yeah. Like that one that makes people fart!

Nico: (LAUGHS) That was awesome!

Me: (LAUGHS) Cheeksqueek was a riot! He's like a living whoopee cushion.

Luan: (LAUGHS) He sure is a gas! (LAUGHS)

WE LAUGHED!

Eddy: (LAUGHS) Good one Luan!

Me: (LAUGHS) Yeah! Man yesterday was a BRUTALLY Bloody battle! But it was cool because of the Supermoon.

Nico: Grady's Werewolf side tried to take control.

Me: Yeah but that was because the Supermoon made it stronger.

Lola: Yeah we didn't know that the Full Moon being that close could to that.

Twilight Sparkle: Me neither. So many adverse effects.

Sunny Starscout: Yeah we found out that J.D.'s Wolf Moon form was intensified and then Equestrian Magic was supercharged.

Nico: And why the Werewolf Forms became stronger and more feral.

Lola: Yeah.

Me: So many adverse effects on it.

Nico. Zen Aku and Wolf joined in on the fun too

Riley Anderson: That was so awesome.

Lola: It was a truly nocturnally awesome battle.

Lana: Yeah it sure was.

Qin: Yeah!

Nico: But at least Will is okay.

Me: And Grady is safe too.

Qin: Thank goodness.

Nico: Me, J.D., Zarya, Riley Anderson, Megan, and Evelyn Burmingham did good

Me: Yeah that was fun.

Nico: Now it's my group that's last.

Qin: Yep.

Xenia: Now it's personal for Nico.

Me: Yep.

Maria: For now, let's enjoy some nice peace and quiet.

Me: Yeah.

Qin: It's awesome.

Lincoln: Okay, guys, we've got ourselves a huge emergency: we got word that Terminator Manaphy and Horsea are here and they're causing havoc.

We gasped.

Me: Oh shit. Evil Nico!

Lincoln: There's no doubt in my mind they were sent by Evil Nico from Universe 666 Earth to kill us as revenge for destroying him, just like with Terminator Poromon and Terminator Poliwag.

Nico: Even dead, Evil Nico's nothing more than an honorless, cold-hearted, vengeance-crazed snake!

Me: What an asshole! I'm glad you gave that douchebag the black gates!

Lincoln: We've already got Slappy who's lost it big time to deal with later on today, we can't have any more headaches from Evil Nico, let's take care of those two Terminator mascots, and since we got two more dangerous Terminator Mascots of Evil Nico to deal with, we're gonna need all hands on deck.

Me: I hope these are the last of the Terminator Mascots.

Lincoln called the rest of the team, and they arrived.

Wax Syd Chang: We got here as fast as we could.

Flare the Papillon: We're ready for those two Terminator Mascots, and ready to piss Evil Nico off even more.

Me: Evil Nico is dead and in the Black Gates.

Flare the Papillon: Oh right.

Lincoln: This should be good. (Sensed for Terminator Manaphy and Horsea) AHA! Gotcha! I spotted Terminator Manaphy and Horsea, they're 20 yards away and they're already causing havoc in town.

Nico: Figures they're already causing havoc.

Lincoln: Right, let's head down there and end those two Terminators. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Terminator Manaphy and Terminator Horsea.

Horsea: We better look out for my Terminator double.

Manaphy: Mine too.

We were flying, and then, we saw Terminator Manaphy and Terminator Horsea.

Sherlock Hound: (British Accent) And there they are. Allow me.

Sherlock Hound summoned a blood red version of The Royal Arms of Lucius, and they attacked both Terminator Manaphy and Terminator Horsea, and we landed.

Nico: That was a nice attack you used with a blood red version of The Royal Arms of Lucius.

Sherlock Hound: (British Accent) I've been saving it for when I fight Ardyn Izunia in a true usual battle. But, who better to test it out on than the servants of that snake?

Terminator Manaphy: (Arnold Schwarzenegger Accent) You will be terminated in Evil Nico's name.

Terminator Horsea: (Arnold Schwarzenegger Accent) None of you will ever leave here alive.

Sherlock Hound: (British Accent) (Laughing Sinisterly) Oh, that is where you are wrong. (Blood Red Eyes turn even redder) (Demonic Voice) You two are the ones who shall not leave here alive!

Me: Wow!

My data eyes turned on and they analyzed them. They were T-X, T-1000 And T-800 combined models. Very advanced prototype models.

Me: Wow! You 2 are combos of T-X, T-1000 And T-800 and made and programmed by Evil Nico to kill our Nico.

Terminator Manaphy: That is right!

Me: You 2 are far more advanced than your predecessors. I would say about 250 years ahead of our time.

Terminator Horsea: That is right.

Me: And the Arnold Schwarzenegger Accents really suit you.

Horsea: (LAUGHS) Yeah that is cool!

Terminator Manaphy: You have two choices. Let us terminate you and die painlessly or fight back and die painfully.

Me: How about option 3? We reprogram you and you work for us?

I fired a blast of lightning and electrocuted them both.

Terminator Horsea: There is no third option. Only your terminaton.

Me: We don't die that easily. Just ask your creator.

I fired waves of lightning and electrocuted them again.

Lola: He got what was coming to him!

She fired a wave of fire and burned them. Revealing their true robotic forms and they were AMAZINGLY Well built and advanced.

Lisa Loud: WOW! That is amazingly well built!

Kairi Yano: Kaitou Change!

SEIZA CHANGE!

Lucky: Star Change!

Kaito: Change Zenkai!

Touma: Henshin!

Kazuma: Henshin!

They transformed!

Kairi Yano: (SNAPS FINGERS) LUPIN RED!

Lucky: SUPER STAR! SHISHI RED!

Kaito: SECRET POWER! ZENKAISER! ゼンカイザー

Touma: The Swordsman of Fire, Kamen Rider Saber!

Kazuma: BLADES OF THE ROYAL FLUSH! KAMEN RIDER BLADE!

They were ready!

Kairi Yano: Here's an Advanced Notice: We're taking your treasure.

Me: And we're going to kick your teeny tiny ugly fucking asses!

Terminator Manaphy: Hasta La Vista, Baby. (fires gun)

I caught the bullet.

I flicked it back and it hit Terminator Manaphy in its face and blasted her.

We fired waves of energy and blasted them all over.

Nico: Yeah!

Terminator Horsea fired at Horsea.

She dodged it.

Terminator Manaphy formed her arm into a chainsaw and jumped at May and she blocked it with her sword and sparks flew everywhere! But then…

SLASH!

She got cut in her cheek on her face!

May screamed!

May had blood dripping from a cut on her right cheek.

Terminator Manaphy then fired at Manaphy.

Manaphy dodged the blasts.

Manaphy NO ONE DOES THAT TO MY MAMA!

She fired waves of energy and blasted Terminator Manaphy all over!

I fired energy blasts and blasted them all over.

Terminator Horsea tried to run Maria over with her motorcycle.

But Maria turned into water and Terminator Horsea splashed through her.

SPLASH!

Maria: HA! Nice try!

Dan: Bakugan Brawl!

He summoned Dragonoid!

Dan: ABILITY ACTIVATE!

Dragonoid fired a blast of fire and blasted the Terminator Mascots.

Suddenly, the skies turned blood red and Sherlock Hound unholstered his massive Sherlock Hound's Demonic Dark Knight Sparda's Eternal Angelic Demonic Demon Hound Greatsword of Demonic Dark Knight Eternal Angelic Demonic Demon Hound Justice and transformed into Super Angel-Demon Hound-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Stellar Blood-Stained Dark Demonic Darkness Dark Knight Demon Hound Phoenix Angel of Divine Cosmic Star Blood-Stained Dark Demonic Darkness Dark Knight Demon Hound Phoenix Angel Justice and Divine Cosmic Star Blood-Stained Dark Demonic Darkness Dark Knight Demon Hound Phoenix Angel Compassion, and he unleashed pure Hell untold upon them with dark energy blasts and slashes from his massive greatsword.

Sherlock Hound: (Divine Echoing Godly Voice of The Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel and Divine Cosmic Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel Compassion) (Demonic Voice and British Accent) Had enough?

Terminator Manaphy and Terminator Horsea: (Arnold Schwarzenegger Accent) Never!

Sherlock Hound: (Divine Echoing Godly Voice of The Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel and

Divine Cosmic Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel Compassion) (Demonic Voice and British Accent) Then, prepare to die.

Wax Syd Chang: Alright.

Suddenly, Wax Syd Chang's yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with stars, wax, phoenixes, and angels, and as she approached Terminator Manaphy and Terminator Horsea, she left yellow energy, stars, wax, phoenixes, and angels with every step.

Wax Syd Chang: I have no words to even describe how much I hate you two abominations, you're a disgrace to the real Manaphy and Horsea, and just like your two other Terminator comrades, you're about to be reduced to scrap metal!

Suddenly, Wax Syd Chang was surrounded by a massive vortex of yellow energy with stars and wax surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Terminator Manaphy and Terminator Horsea: the red eyes of death. Then, as the vortex faded, Wax Syd Chang emerged, but she was changed forever.

Suddenly, Wax Syd felt a sharp pain on her back and then, massive brown angel wings with yellow tips on the large brown feathers grew and sprouted out of her back, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and she has on black fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Wax Syd Chang's massive greatsword and all the greatswords and swords she'd gotten began merging and they're surrounded by a kaleidoscope of yellow energy, stars, wax, phoenixes, and angels, and when it emerged, it was transformed into Wax Syd Chang's L-Emental Eternal Solar Light Wax Phoenix Angel Greatsword of L-Emental Eternal Solar Light Wax Phoenix Angell Love, it's a brand-new massive greatsword with embedded yellow gems and phoenix etched on the 7'6" massive, wide, double-edged yellow blade, large yellow phoenix heads for the crossguard, large white angel faces built into both sides of the hilt with large yellow gems embedded in the foreheads, longer midnight black handle, four large yellow phoenix heads with yellow gems for eyes and large yellow phoenix head with black gems for eyes and yellow gem in its mouth on the bottom of the yellow phoenix heads for the pommel, she has on her large gold Bracers of the Champions of The Universe with large yellow gems on her wrists and Dragon Ball Bracelet on the left gold Bracer, large gold Belt of Elemental Bravery with large gold phoenix head with yellow gems for eyes and large yellow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Wax Syd Chang's Super Angel-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Terminator Manaphy and Terminator Horsea saw it, they went mad and ran at her to kill her with lasers, but Wax Syd Chang fired a massive barrage of yellow energy, stars, wax, phoenixes, and angels, which hit Terminator Manaphy and Terminator Horsea and exploded with incredible power, they got back up, but they were now pissed off.

Wax Syd Chang: (Divine Echoing Godly Voice of The L-Emental True Eternal Solar Light Wax Phoenix Angel and Divine Cosmic L-Emental True Eternal Solar Light Wax Phoenix Angel Love) Looks like I've gone and really made them mad.

Nico: Big time.

Lincoln: And they're not going to go down without a fight.

Suddenly, Terminator Manaphy and Terminator Horsea were attacked by blasts of darkness fired from nowhere.

Sherlock Hound: (Divine Echoing Godly Voice of The Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel and Divine Cosmic Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel Compassion) (Demonic Voice and British Accent) You always seem to know when to make an entrance, do you, Ardyn Izunia?

Suddenly, a figure appeared from the darkness, it was none other than Ardyn Izunia.

Ardyn Izunia: I would've thought that Evil Nico would be done with trying to seek revenge, guess I was wrong.

Flare the Papillon: That's about to end here and now. Those two are heading right for the scrap heap.

Sherlock Hound: (Divine Echoing Godly Voice of The Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel and Divine Cosmic Blood-Soaked Demonic Darkness Dark Knight Demon Hound Phoenix Angel Compassion) (Demonic Voice and British Accent) Ah ah ah, we're not going to fully destroy them though, just like with the other two Terminator Mascots, we're going to also rebuild those two to serve The Masters of Evil, Flare.

Suddenly, we saw two surviving thugs of Flip's survive, but Sherlock

Hound fired blasts of dark fire at them as he blindsided them, and he rushed out in a vapor of darkness and he grabbed them by the necks with his hands covered in darkness and he turned them into daemons and he harvested their life force as he assimilated them.

Nico: What the?! What was that?

Ardyn Izunia: Oh dear, it appears he's acquired my ability to turn people into daemons and assimilate them, his missions in Hell must've greatly evolved his powers even further, and now, he's surpassed Sparda himself in terms of raw demonic power, strength, and skill.

Me: That's really incredible.

Suddenly, Flare's gold eyes turned neon gold and she was surrounded by an orange and yellow energy aura with stars, flowers, butterflies, phoenixes, and angels, she unholstered her greatsword from her back, and as she approached Terminator Manaphy and Terminator Horsea, she left orange and yellow energy, stars, flowers, butterflies, phoenixes, and angels with every step.

Flare: Every single word Wax Syd said about you is true, and I've got nothing nice to say to you two pieces of scrap metal, so it's time for you to say goodbye.

Suddenly, Flare was surrounded by a massive vortex of orange and yellow energy with stars and flowers surrounding the vortex, there are butterflies, phoenixes, and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Terminator Manaphy and Terminator Horsea: the red eyes of death. Then, as the vortex faded, Flare emerged, but she was changed forever.

Flare the Papillon grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large yellow orbs orbiting around her legs, she has the voluptuous body of a goddess, she has gold highlights in the bangs of her short neck-length green hair with flowers and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon gold eyes and an orange and yellow energy aura with stars, flowers, butterflies, phoenixes, and angels surrounding her and immense neon rainbow protective aura with elements swirling around it, she has a phoenix and Papillon emblazoned on her forehead and Third Eye with yellow iris, she has on butterfly earrings with amber gems for eyes and holding the Flower and Eternity Kanjis in its legs, she also has a Papillon with amber gems for eyes and holding the Flower and Eternity Kanjis in her hands on the bottom of her purple demon-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flower links and she has on a white and gold accented choker on her neck. Flare has on her outfit and she has on a long sleeveless white trenchcoat with stars, flowers, butterflies, phoenixes, and angels on the coattails, and on the back is a phoenix and Papillon surrounded by flowers and light. Suddenly, Flare felt a sharp pain on her back, and then, her gold butterfly wings grew even bigger for her new body and she now has eleven massive and long green wolf tails with gold tips and gold markings. Flare has on her Ring of the Phoenix with large gold gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Flare's massive greatsword and all the greatswords and swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of orange and yellow energy, stars, flowers, butterflies, phoenixes, and angels, and when it emerged, it transformed into Flare the Papillon's Nature Beauty Flower Floral Storm Papillon Angel Greatsword of Nature Beauty Flower Floral Storm Papillon Angel Justice, it's a brand-new massive greatsword with embedded gold gems and a Papillon and phoenix etched on the 7'6" massive, wide, double-edged green blade, large green Papillon heads for the crossguard, large white angel faces built into both sides of the hilt with large gold gems embedded in the foreheads, longer midnight black handle, four large green Papillon heads with gold gems for eyes and large green Papillon head with gold gems for eyes and gold gem in its mouth on the bottom of the green Papillon heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with green gems on her wrists and

Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold Papillon head with gold gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the phoenix and Papillon that said, "Flare the Papillon, Legendary Voluptuous Papillon of Myth, Friend of Many Monster Girls, Future Wife of James Dean Knudson, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Nature, Butterflies, Phoenixes, and Angels"

JUSTICE AND DIVINE COSMIC NATURE VOLUPTUOUS MYTH NATURE PAPILLON BUTTERFLY ANGEL LOVE!

We were amazed by Flare's Super Angel-Norse-Nature Papillon-Butterfly-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Flare, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Terminator Manaphy and Terminator Horsea saw it, they fell into an even darker rage and ran at her to kill her, but Flare fired a massive barrage of orange and yellow energy, stars, flowers, butterflies, phoenixes, and angels which hit Terminator Manaphy and Terminator Horsea and exploded with incredible power as they were sent flying into a wall, they got back up, but now, they were beyond pissed off.

Flare: (Divine Echoing Godly Voice of The Divine Nature Voluptuous Myth Nature Papillon Butterfly Angel and Divine Cosmic Nature Voluptuous Myth Nature Papillon Butterfly Angel Love) You two Terminators for Team Loud Evil Storm are heading straight for Hell for following the orders of that cold-hearted honorless snake!

Nico: That asshole is going to be beyond pissed off in a major way when we deal another blow to another of his attempted revenge schemes against us.

Lincoln: This is going to be good.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony

United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Wax Syd Chang and Flare and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You two Terminators are done running loose, just like what we've done to your fellow Terminator comrades, we're dismantling you both and we're reprogramming you to serve some new masters.

Lincoln, Wax Syd Chang, Flare, and I went after Terminator Manaphy and Terminator Horsea, and we fired extremely powerful blasts of rainbow energy, yellow energy, gold and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at Terminator Manaphy and

Terminator Horsea and they exploded with incredible power as they hit them.

Then, we attacked them with energy slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Wax Syd Chang, Flare, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Terminator Manaphy and Terminator Horsea insane and straight to the brink of insanity.

Terminator Manaphy and Terminator Horsea: (Arnold Schwarzenegger Accent) YOU! WE WILL KILL ALL OF YOU AND AVENGE EVIL NICO!

Terminator Manaphy and Terminator Horsea ran towards us and they were literally in a fit of absolute murderous rage, but Lincoln fired blasts of rainbow energy that dismantled the Terminators except for their heads which he kept and sent them to our lab to reprogram them to serve The Masters of Evil and rebuild their bodies.

Nico: (puts on sunglasses) Hasta La Vista, Baby!

Me: You're terminated motherfucker.

Qin: Yeah!

Laney: That was awesome!

May: YEAH! Ow.

Varie: Let me look at that.

She looked her over.

Everyone cheered as Lincoln, Wax Syd, Flare, and I holstered our massive greatswords on our backs and powered down, and Wax Syd's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive brown angel wings are permanent, and Flare's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long green wolf tails, and massive gold and yellow butterfly wings are permanent.

Nico: To be honest, I never expected Evil Nico to send more Terminator Mascots to kill us again. I was expecting it to be another of Slappy's attempts.

Lincoln: It wasn't actually, The Werewolf of Fever Swamp was the last Goosebumps Monster Slappy sent after us. Now, all that's left is Slappy himself.

Sherlock Hound: (British Accent) There's no place left for Slappy to run now. This will no doubt be his last stand against us.

Ardyn Izunia: True, but soon, he'll finally perish once and for all.

Ardyn Izunia vanished.

Nico: Say, is Will doing okay after what happened last night, Lincoln?

Lincoln: He's been doing well, Nico. Will's been resting at Grady's house ever since we removed the werewolf and we tore it to shreds.

Me: That's a relief.

Nico: And you guys tore him apart, and that Supermoon really did make you guys infinitely stronger than ever.

Me: It sure did.

Lincoln: That exposure to The Blue Goddess Supermoon, it felt like that I've been given an infinite supercharge and I had infinite amounts of energy, power, strength, speed, agility, reflexes, and beyond.

Me: You're not kidding.

Luna: You, J.D., and Grady did a really crazy ton of damage to Will Blake's werewolf form, dude.

Rudina Adalwulf: It was really wild.

Nico: Rudina, when you turned Lincoln into a werewolf years ago, did it happen on the night of a Supermoon?

Rudina Adalwulf: No, thank goodness.

Lincoln: Yeah, if that happened, I would've seriously dismantled the house when I attacked Lori, Lynn, Lola, Lisa, and Luan that night.

Me: Along with everything else in your path.

Nico: No kidding.

Nico went over to May.

Nico: You okay, babe?

May: Yeah Varie did a great job.

Varie: Thanks May.

Me: That's our chief healer for you.

Qin: Yep.

Nico: Oh speaking of which how is Diana Dynamite?

Varie: She'll be back in action by tomorrow.

Lola: Awesome.

Nico: Man she took quite a beating.

Laney: Yeah.

Me: Yeah now for the Anothers.

Eli: Lets see hat we got.

He concentrated.

Eli: Whoa! We got Another Wrecker, Thunderball, Piledriver, Bulldozer, Hot Rodney and Dodgeball Wizard.

Me: Whoa! The Wrecking Crew members individually.

Lola: That is cool.

Nico: Who's up for this?

Lok Lambert: I will help because they are my archenemies too.

Me: That makes sense. But also Aika Kiryuu, Tachibana, Kazuma and Orta.

Nico: Nice!

Qin: Yeah!

Tachibana: That is awesome.

Kazuma: I'm looking forward to this.

Aika Kiryuu: Me too!

She ran and groped Kurumu's breasts.

Kurumu: Hey stop that!

Me: Aika don't make Nicole kill you.

Nico: Would she? Aika is a girl too.

Nicole: Yeah but Rias told me that she is a pervert too. But luckily for her I only go after male perverts. Never female ones.

Nico: Oh. That makes sense.

Kurumu: Wow.

Laney: Lets focus on the task at hand.

Eli: And the Anothers minus Another Dodgeball Wizard are one person.

Me: Nice.

Then suddenly we felt a MASSIVE Rise in heat!

Me: WHEW! Man it suddenly got hot!

Eddy: MAN! I am frying like an egg!

Nico: There they are!

We saw the Anothers minus Dodgeball Wizard!

Me: WHOA!

Lok: This is gonna be fun!

Another Wrecker: (In a girls voice) Yeah it sure is.

Lincoln: Valeriana Valmorg!? Whoa!

They merged and she reverted back and was a girl with orange hair, orange eyes, orange clothes, fire angel wings and a fire keyblade.

Valeriana Valmorg: Awesome to see you again Lincoln and wow you have become an amazing young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Valeriana Valmorg, Keyblade Knight of Valmorg, she's my Guardian Angel from Michigan and she's also a powerful Jedi and a powerful force of epic power. She was born and raised on the volcanic planet, Valmorg, and she has intense fire and lava powers and a core temperature that rivals a million Suns put together and is as strong as 500,000,000 Jedi Knights put together. She has all of their powers and uses the powers of the Light Side of the Force for Good. She is the Keyblade Knight of Valmorg, and she witnessed the Jedi Knights' battles against The Sith, and she helped out in many of their battles against The Sith. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to mastering The Light Side of The Force while Maridia Amidala trained me a lot when it came to mastering The Dark Side of The Force for Good, and over time, I became a powerful Master of The Light and Dark Side of The Force and I eventually became as strong as 900,000,000 Jedi Knights and 900,000,000 Sith Lords, and she taught me everything that she knows when it comes to using the powers of lava and fire.

We were amazed!

Qin: Wow!

Me: The Keyblade Knight of the planet Valmorg. That is awesome. We actually have been to Valmorg a number of times.

Nico: That planet is incredibly hot.

Eli: Twice the heat of the planet Venus.

Me: 1,931˚ Fahrenheit.

Valeriana Valmorg: I know. It's always hot there. I heard all about your battles on my planet.

Me: Yeah those were fun.

Juran: But those battles were hot and unbearable! I ALMOST DIED ON THAT PLANET!

Me: Oh quit overreacting Juran. By the way is the Another Dodgeball Wizard friendly or hostile?

Valeriana Valmorg: (Uncomfortable Nervous Chuckling.)

Me: What's the matter?

Valeriana Valmorg: Uhh she is friendly but she is ALWAYS Drunk.

Me: Uh oh.

Poromon: Could it be?

Me: I have a feeling it is.

Nico: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Me: Yeah!

Nico: Lets get them!

We fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: OH YEAH!

Qin: Awesome!

The mascots sniffed something.

Me: Uh oh. Smell something?

I smelled my breath.

Me: Do I offend?

Manaphy: No it's not you J.D. It smells like beer!

?: (SLURRED SPEECH) (SINGING) NOBODY KNOWS (HIC) HOW DRY I AM (HIC) NOBODY KNOWS (HIC!) HOW DRY (HIC) I AM!

Me: I know that singing anywhere!

A figure came and it was Another Dodgeball Wizard and man was he drunk!

Me: Boy this one is drunk as a loon!

Dodgeball Wizard: GEEZ! I can't believe I look like that drunk!

Another Dodgeball Wizard: (In a girls voice) (HIC!) Hey buddies! (HIC) What's up.

Me: I know that voice!

She reverted back and was a girl with blond hair, red eyes, yellow angel wings, German clothes and she had a tiara with the symbol of the Beer Dopant on it and she had the same symbol on her skirt and she had a dragon sword in one hand and a huge beer mug in the other.

Me: Bianca Beer. Oh good god.

Bianca Beer: (BARNEY BELCH) I missed you J.D. (HIC)

She went over and hugged me.

Me: Ooooo kay?

Nico: How about this? I make you sober and you tell us more about yourself

Bianca Beer: HEY! Don't tell me what to do!

Nico snapped his fingers and made her sober.

Bianca Beer: (GROANS) That was horrible! J.D.? Wow awesome to see you again.

Me: Same here Bianca. I think it speaks for itself which embodiment she is for. But Bianca is a beer maker. She comes from Germany but was raised in America.

Nico: That is awesome.

Bianca Beer: Yeah. Sorry about coming in like that drunk.

Me: No worries.

Bianca Beer: Also I may be a beer maker but I also am a dodgeball master.

Dodgeball Wizard: That is awesome! Just like me.

Girl Jordan: And me too.

Laney: Wow! You drink as much beer as Barney Gumble does.

Bianca Beer: I sure do.

Barney Gumble: That is so much we have in common. (BELCH)

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (Gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword and Zocks got a Kiramai Sword.

Bianca Beer: No he didn't because he wanted me to leave in a hurry. I was so drunk that I made him scared.

Me: That is too funny.

Sakura Knudson: That explains why I heard someone singing How Dry I Am in the lab.

Me: Bianca gets REALLY Drunk and man when she gets drunk you better watch out. She is completely unpredictable.

Fu: Like Rock Lee when he uses the Drunken Fist.

Me: Exactly.

Qin: You know funny thing is we just talked about a Beer Embodiment last night.

Me: We sure did.

Lola: Yeah

Sougo: (Gets out Dino Fury Ridewatch) How about giving the mascots some?

Geiz: (Gets out Kiramager Ridewatch) Before they end up taking it from you by force?

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

The mascots pointed guns at her.

Poromon: Give us beer. NOW.

Geiz: Oops! Spoke too soon.

Bianca Beer: Now now guys. I got plenty.

She fired waves of beer and they went right into the Mascots Mouths and they swallowed and got DRUNK REALLY FAST!

Me: OH god.

Lincoln: Lets separate you first and then you guys can drink as much as you want.

Bianca Beer: Okay.

Lincoln fired beams of energy and separated Bianca.

Bianca and the Mascots went to a bench and got drunk fast.

Nico: Dodge this! (ACTIVATES DODGEBALL WIZARD AND HOT RODNEY'S RIDEWATCHES)

He fired waves of dodgeballs and energy and smashed the Another.

May: Try this on! (ACTIVATES CONDOR AND EVIL PIRATE MAN'S RIDEWATCHES)

She fired a wave of energy and blasted the Another.

Maria: Time for some fireballs! (ACTIVATES FLAME QUEEN AND N-GAMIO-ZEDA'S RIDEWATCHES)

She fired waves of fireballs and blasted the Another all over.

Nate Adams: Taste this!

He activated Cheeksqueak's powers and farted massively!

LOUD SUPER FART!

It made the Another vomit

Me: WHO STEPPED ON A DUCK!

Nate Adams: And this. (ACTIVATES HOT RODNEY'S RIDEWATCH)

He fired a blast of energy and smashed the another down.

Bianca and Mascots: (SINGING) (Slurred speech) NOBODY KNOWS HOW DRY I AM! (HICCUPS)

We laughed!

Poromon: (Slurred Speech) What are you laughing at jerks!? (HIC)

Poliwag: (Slurred Speech) I am so wasted!

Manaphy: (Slurred Speech) I don't want to go home! I'm not done talking to me!

Horsea: (Slurred Speech) Home sweet home! Now to watch some

TV.

Bianca Beer: (Slurred Speech) Let me tell ya if there was a Fart Dopant she would make people hurl all over.

WE LAUGHED!

Me: (LAUGHS) That would be so crazy! A Fart Dopant!

Philip: (LAUGHS) Yeah what a Gas!

Then Roxy Rocket, Astronema, Yolker, Universe 666 Storious, Sculpin and The Phantom of The Bwahpera came.

Nico: Nice team Roxy!

Roxy Rocket: Thanks Nico.

Me: Awesome!

?: (Transylvanian Accent) This will be fun!

Shade Man came.

Me: Shade Man! Awesome.

Shade Man: (In a girls voice) This will be so fun.

Nico: Valleria Shade!? Wow!

She reverted back and was a girl with black hair, red eyes, black clothes and had black angel wings and she had a symbol on her forehead for the kanji of Shade and she had vampire fangs.

Valleria Shade: Good to see you again Nico and also the Mega Man 7 Gene-slammers only have 2 members that can revert back at will and I'm one of them.

Me: Ah 1 fourth out of 8. Interesting.

Valleria Shade: Yes. I got this.

She fired a wave of energy and blasted the Another and I caught the

Ridewatch and purified it.

Me: YEAH!

May: No one threw up on me this time!

Me: Good.

Natasha Hernandez: Awesome to see you again Valleria.

Me: But aren't you worried that you will burn out here in the sun?

Valleria Shade: Oh don't worry. I don't burn. I sparkle.

She was sparkling with amazing beautiful rainbow sparkles in the sun.

Me: Wow! That is amazing!

Natasha Hernandez: I didn't know some vampires can do that.

Varie: How did that happen?

Valleria Shade: Oh I was in an accident. I was in a transporter device and a Vampire Bat accidentally flew in and fused with my DNA. Making me into a Vampire.

Me: Wow! That is crazy.

Johnny Test: That's like what happened with my sisters.

Me: Yeah.

Juran: Did it really?

Johnny Test: Yeah my sisters merged themselves with Vampire DNA and turned into vampires to try and win Gill.

Me: And let me guess. It went terribly wrong.

Johnny Test: Yeah it did. They were very dangerous bloodsucking vampires.

Me: Yikes.

Dodgeball Wizard: We actually have vampire versions of them in the M.O.E.

Qin: That is cool!

Qin Guetzalcoatlus: Yep. They are my archenemies.

Me: Right! I remember!

Johnny Test: That is cool!

Nate Adams: What's your favorite memory of Nico?

Valleria Shade: When me and Nico went to a hospital and I saved someone's life by turning them into a vampire like me. It was a little girl. She was dying of cancer and my vampire venom saved her.

Me: Geez!

Nico: That was awesome.

Nico and Valleria Shade hugged.

Nico: I've missed you.

Valleria Shade: Same here.

We went back home.

Jake Long: But, this has gone on long enough.

Lincoln: It sure has, Jake. This time, we're through with Twinrova, we're sending her straight to The Black Gates.

Suddenly, we saw four beautiful and super sexy girls with long midnight black hair with pink, blue, white, and orange hairbands, pink and blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, massive beautiful midnight black angel wings, and they were dressed in short-sleeved black frilly shirts, black skirts, black knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with stars, darkness, dark magic, black magic, Satanic magic, phoenixes, and angels on the coattails and on the back are Omega Supreme, Trypticon, Metroplex, and Fortress Maximus, holstered on their back are four massive greatswords and with them are the four girls.

Lincoln: (GASPS) Betty Shadowmagic, Gene-Slammer of Omega Supreme, Celia Shadowmagic, Gene-Slammer of Trypticon, Dani Shadowmagic, Gene-Slammer of Metroplex, and Elsa Shadowmagic, Gene-Slammer of Fortress Maximus.

Betty Shadowmagic: (Romanian Accent) That's right, and we got the girls away from that witch of fire and ice.

?: YOU WILL NEVER ESCAPE, TEAM LOUD PHOENIX STORM! YOU WILL ALL PAY FOR WHAT YOU DID TO GANONDORF!

We then saw our target, Twinrova, and she was still out for our heads.

Then, Lincoln stabbed his massive greatsword into Twinrova's stomach, and he began sucking out her Pyrokinesis, Cryokinesis, Witchcraft, Merging, Mastery of Sorcery, Flight on Broom, Brainwashing, Teleportation, and Alchemy and made them his own, and he also sucked out her lifeforce and reduced her into a lifeless drained corpse and he sent Twinrova to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: When are you ever going to learn, Twinrova, your devotion to your son, Ganondorf, was going to cost you your life when you cross us. (To The Shadowmagic Sisters) And it's so good to see you and your sisters again, Betty.

Betty Shadowmagic: (Romanian Accent) You too, Lincoln, it's been seven years since we last met.

Lincoln went up to The Shadowmagic Sisters and he hugged them, and The Shadowmagic Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you four since you were seventeen, and as you can see, I really grew a lot since then.

Celia Shadowmagic: (Romanian Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Dani Shadowmagic: (Romanian Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Elsa Shadowmagic: (Romanian Accent) Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these four girls?

Lincoln: Indeed I do, J.D., these four girls are Betty Shadowmagic, Gene-Slammer of Omega Supreme, Celia Shadowmagic, Gene-Slammer of Trypticon, Dani Shadowmagic, Gene-Slammer of Metroplex, and Elsa Shadowmagic, Gene-Slammer of Fortress Maximus, these four sisters are my Guardian Angels from Romania and his classmates in Math. They're the sisters of Ashley from WarioWare as well incredible powerful masters of dark magic. Their dark magic was so strong, it was said to completely control other people's minds and even turn other people into different objects or animals, and it impressed even The Goths of Darkness. They used their dark magic to get those who tried to harm me in so much trouble and those that tried to harm me wound up getting turned into various objects.

Me: Wow.

Selene Emperyous: They each have black hair with black matching clothes along with massive black angel wings: but with one difference to go with them: their headbands. Betty's: pink, Celia's: blue, Dani's: white, and Elsa's: orange. To show thanks for protecting him, Lincoln made the Shadowmagic Sisters beautiful black necklaces, and as thanks, they each kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age he will marry Ashley and her sisters along with the rest of his harem, and they hate NO MA'AM with an incredibly blazing passion, the reason why is because those moronic pigs tried to TP their house, but Lincoln, Ashley, and her sisters were there and they did not take kindly to those morons' attempt to TP their house, so they made illusions of the most scariest monsters ever known which appeared before NO MA'AM which made them pee and crap their pants all the while running back to Chicago screaming like little girls.

Nico: Sheesh, those morons really do enjoy pissing everyone off.

Lincoln: They sure do, the only way to find out they're here is the smell of cheap beer in the air and B.O.

Me: Don't they know anything about a shower?

Sebastian Mendez: Apparently not, and I should know because after getting hit with The Curse of Devil's Point all those years ago, I reigned terror down on their heads and on the streets of Chicago.

Lincoln: Which explains the reports of destruction that you've caused, and any who dared to seek our help were eventually found later murdered by you, and now that you girls are here.

Lincoln went up to and hugged Betty Shadowmagic in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Celia Shadowmagic in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he

fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. And finally, Lincoln went up to and hugged Elsa Shadowmagic in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. Betty Shadowmagic: (Romanian Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Shadowmagic with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Celia Shadowmagic: (Romanian Accent) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Shadowmagic Sisters.

The Shadowmagic Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Serena Ijuin, Marie Ijuin, Harumi Kurisu, and Mizuki Hanyuu from Vampire.

Lincoln: Oh wow, it's Serena Ijuin, Marie Ijuin, Harumi Kurisu, and Mizuki Hanyuu from Vampire.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Serena Ijuin: Yes, we're okay, thanks to you.

Then, when Serena Ijuin and the other three girls saw who it was that saved them from Twinrova, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

We returned to the World Tree Estate and the rest of the team was shocked to find out the villain we went after was our old enemy, Twinrova, who came back still wanting revenge on us for what we did to Ganondorf.

But, when Lincoln showed what we all did in viciously beating that witch down and Lincoln stabbing her in the stomach with his massive greatsword and sucking out her powers and lifeforce, and then, sending her to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheeks. Lincoln and the Shadowmagic Sisters have a lot of catching up to do, now that they're back in town.

Maria: Damn, I thought we were finally rid of Twinrova, but she sure doesn't know when to quit.

Lincoln: She doesn't, but in the end, it cost Twinrova her life.

Me: And she was sent to The Black Gates forever.

Nico: Never again will she ever hurt anyone else in the name of her evil son.

---

After finally getting rid of Twinrova and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Shadowmagic Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Betty Shadowmagic: (Romanian Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Celia Shadowmagic: (Romanian Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Dani Shadowmagic: (Romanian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in

public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Elsa Shadowmagic: (Romanian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Betty Shadowmagic: (Romanian Accent) I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

The Shadowmagic Sisters put up a video as it played on the big screen, and it showed Lincoln and The Shadowmagic Sisters at The Loud House, specifically in Lincoln's room and they were practicing magic.

Past Betty Shadowmagic: (Romanian Accent) You're doing excellent, Lincoln, pretty soon, you'll be able to do the same things that we can do with our dark magic in case your mean sisters try anything to hurt you.

Past Lincoln: Lori, Lynn, Lola, Lisa, and Luan will try anything to get revenge on me, so I've got to be ready.

Past Celia Shadowmagic: (Romanian Accent) And we got to be ready for anything.

LOUD BANSHEE SHRIEK! LOUD MONSTROUS BELCH!

Suddenly, Lincoln caught the smell of excessive perfume, B.O., limburger cheese, chum, and feet in the air and he almost barfed and his eleven massive and long white tails went wild and his massive white angel wings were glowing.

Past Dani Shadowmagic: (Romanian Accent) Oh no. Trouble?

Past Lincoln: Yep, and there's no mistaking the loud banshee shrieks and smell of excessive perfume, B.O., limburger cheese, chum, and feet. DANG IT, LORI, LYNN, AND LOLA!

Suddenly, the door was kicked open, and Lincoln saw Lori, Lynn, and Lola and they were really out for Lincoln's blood again, but The Shadowmagic Sisters fired blasts of darkness at them which blinded the three of them.

Past Lincoln: I'm getting sick and tired of this, Lori, Lynn, and Lola!

Lincoln fired blasts of darkness and dark magic at Lori, Lynn, and Lola, and they got hit and they're suddenly put under his spell. Then, he made them confess their crimes to everyone else in The Loud House and why they tried to kill Lincoln again, which of course, disgusted everyone and they wound up getting grounded and Lincoln forced them into their cages in their rooms as the video ended.

Nico: Whoa! You mastered the very same powers as The Shadowmagic Sisters and you made them confess their crimes under your control.

Lincoln: Betty and her sisters were proud of me for what I did, and now, I have the same powers as them.

Betty Shadowmagic: (Romanian Accent) We were truly amazed.

Luna: Yep, and needless to say, those three got grounded for eighteen weeks before they got thrown back in their cages like the animals they were.

Lily: Same here, and we knew Lori, Lynn, and Lola went way too far again, and we even reprimanded her big time, and I went as far as to whack their cages with a mallet twenty five times again, and that of course also caused them to vomit.

Lincoln: And we also had to get you out of the way, those three tried to bite your fingers off!

Rita: They were violently out of control, and we warned Lori, Lynn, and Lola many times that if they doesn't stop this, we would have no choice but to disown them and send them straight to prison.

Leni: If that happens, Lori, Lynn, and Lola's whole futures would be ruined forever and they would forever be marked as criminals.

Lincoln: And it would lead them further down into darkness and they'd do anything to get revenge on me and kill everyone in their path, which is why I'm glad we got rid of Dark Lori, Lynn, and Lola for good!

Me: Same here, I hated those threee monsters.

Varie: They were a bunch of powerhungry tyrants.

Selene Arcangela: They were rampaging animals, and any who don't see it their way, then, they get physical! That's why we always hated them with a blazing passion and that's why they were on the "Always Treat Aggressively" list because of that.

We got a shower afterwards, and then, Lincoln, Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet are heading to Resort Island.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Kluke: Wow, so, this is Resort Island, it sure is beautiful.

Lincoln: It sure is, Kluke, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet and they hugged the girls in their abnormally massive and powerful muscular arms, and Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Resort Island, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet are in your harem.

Luan: And at least, Universe 666 Kyubi is a much better person than the one we know who hated The Mystics and humanity with a blazing passion.

Universe 666 Kyubi: And I have to thank you and Lincoln for killing her, Luan.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Kyubi, Simulator Kluke, and Simulator Bouquet, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

---

Later it was time for another awesome Super Mario Galaxy 2 Adventure.

Nico: Bowser's Lava Lair is next.

Me: Awesome! First Bowser Battle of Super Mario Galaxy 2.

Nicole: Yep.

Rarity: Me, Sweetie Belle and Style Queen will go in that one darlings.

Me: Awesome Rarity. And me, the Kiramagers and Yodonna can go too.

Nico: All right!

Juru: Lets do it then!

We went in and the Simulator Activated and we were at BOWSER'S LAVA LAIR!

Me: WHOA!

Sweetie Belle: Wow! This is a hot one!

Style Queen: It sure is!

Me: But this will be fun!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well the only tips I have for this one is to do what you did before in Super Mario Galaxy 1.

Me: Okay.

?: And we'll help you guys too!

We saw 2 girls come. 1 had Yellow hair, blue eyes and had rainbow wings and she had yellow clothes and had a tiara with the symbol of the Kiramagers on it and she had the same symbol on her skirt and had a Kiramager Sword in her hands. The other had black hair and purple eyes and had black angel wings and black clothes and she had the symbol of the Yodonheim Empire emblazoned in the middle of her forehead and she had the same symbol on her skirt and had a Dark Energon Saber.

Crystal Crystalia Kiramager: I am Crystal Crystalia Kiramager, Embodiment of the Kiramagers of Crystalia.

Yvonne Yodonheim Kiramager: And I'm Yvonne Yodonheim Kiramager, Crystal's twin sister and Embodiment of the Dark Kiramagers of Yodonheim.

Me: Wow! Awesome to meet you girls.

Nico: Wow! The Twins of Light and Darkness of Kiramagers! That is cool!

Yodonna: It sure is and Yvonne it's an honor to meet you.

Yvonne Yodonheim Kiramger: Same here Yodonna.

Nico: I didn't expect 2.

Me: Well the LupinRangers and PatRangers Embodiments were twins too.

Nico: Good point.

Juru: But this is amazing!

Me: It sure is.

Yvonne Yodonheim Kiramager: I know. Rarity we saw your big day mission last year and you did a tremendously awesome job.

Crystal Crystalia Kiramager: That was so awesome.

Rarity: Why thank you darlings.

Juru: Sis was great!

Crystal Crystalia Kiramager: She sure is. We'll talk more about ourselves later.

Yvonne Yodonheim Kiramager: Lets get Bowser.

Nico: Yep. Lets go!

We were off!

We flew and we got to a big door and blasted it open and then we got to BOWSER'S THRONE!

He was big!

Bowser: BWAHAHAHAHA! You showed up!

Me: First time battling you in a new game huh?

Bowser: It sure is.

Me: Boy you have gotten big! Have you been working out?

Bowser: (LAUGHS) No but thanks for noticing.

Nicole: (On the radio) Okay I take back what I said before. You got to hit him in the face three times with huge asteroids. Or energy blasts whichever works.

Me: Okay.

Rarity: I'm ready for some justice!

Me: Lets get him!

Kiramagers: KIRAMAI CHANGE!

Yodonna: DARK CHANGE!

They transformed as jeweled backgrounds formed behind them.

Juru Atsutal: "Shining Sparkling! Kiramai Red!"

Tametomo Imizu: "Precise Shooting! Kiramai Yellow!"

Sena Hayami: "Dashing Lightning! Kiramai Green!"

Shiguru Oshikiri: "Unstoppable Edge! Kiramai Blue!"

Sayo Oharu: "Incredible Dexterity! Kiramai Pink!"

Takamichi Crystalia: "Shining Breakthrough! Kiramai Silver!"

Yodonna: The Dark Angel of Yodonheim! Yodonna!

All: "Arriving in a flash! With a 24-carat solution! Mashin Sentai Kiramager

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and crystals formed and they were ready!

Me: YEAH!

Nico: (gets out Dodgeball Wizard and Gameface's Ridewatches) Play ball!

He activated them and fired a massive stream of dodgeballs and blasted Bowser all over!

Bowser: Couldn't it have been baseballs instead?!

Me: I wish!

Rarity fired waves of jewels!

Sweetie Belle fired waves of energy.

Style Queen: Take this one!

She fired waves of energy.

I fired a blast of light.

Crystal and Yvonne fired blasts of light and darkness and the blasts hit Bowser and bashed him all over.

Me: Oh yeah! Now for the grand finale!

Kiramagers: KIRAMAI BLAST!

Yodonna: YODON BLAST!

We fired a massive blast of energy and blasted Bowser and he shrunk back to normal size as we saw that he had a Grand Star In him!

Me: He had a Grand Star in him!

Nico: Wow! No wonder he was so big!

Bowser: You know I became big to get some cake, right?

Me: Some cake? Is it someone's birthday?

Bowser: You'll find it as you get more stars.

Me: Okay.

He then vanished and we got the Star!

YOU GOT A GRAND STAR!

Me: OH YEAH!

Crystal Crystalia Kiramager: That was awesome!

Rarity: Boy it sure was darlings!

We all high five.

Nico: Tell us more about yourselves.

Crystal Crystalia Kiramager: Sure. We were both born both in Crystalia and Yodonheim. We are known as the Twins of Light and Darkness as you said.

Yvonne Yodonheim Kiramager: We were raised for 2 different purposes. I was trained to destroy.

Crystal Crystalia Kiramager: And I was trained to protect. We both had opposite powers. But we became very close and awesome sisters. Even though we are related by blood. We have powers over jewels and crystals and powers over light and darkness.

Nico: Awesome!

Me: Do you have any special hobbies?

Crystal Crystalia Kiramager: Well me and Yvonne work at a jewelry store and we make amazing jewelry together.

Yvonne Yodonheim Kiramager: It's really fun and cool.

Me: That is awesome.

Nico: it sure is. Would you two like to join the team?

Crystal and Yvonne: We would be honored.

Me: Awesome.

We left the Simulator and everyone cheered wildly for us.

Later most of us were watching TV.

Me: (In my head) So far so good. My plan is working. Just need more time.

Poromon: BLUE! 44! HUT HUT HUT HIKE!

He grabbed a football and then rammed the couch!

WHAM!

May: Manaphy, what are you doing?

Manaphy: We're playing Football.

Lynn: Cool! Need another player?

Poliwag: Sure Lynn.

ZOOM!

She came back in her football gear.

Me: Go outside and play guys.

Poromon: Okay.

They went outside.

Rainbow Dash: Count me in!

Nico: I wanna join too!

Me: Go for it!

They put on helmets.

We went outside.

Everyone was excited.

Poromon: BLUE 44! HUT HUT HUT HIKE!

They went at each other and Lynn threw the ball to Rainbow Dash and she got a touchdown!

TOUCHDOWN!

Trypticon: Top that!

They were having lots of fun!

Poromon: OH YEAH!

Me: AND THE MASCOTS WIN THE SUPERBOWL!

We laughed!

Xenia: (LAUGHS) That would be awesome.

Nico: A guy can dream.

Xenia: Yeah.

Fortress Maximus: Let me count the number of touchdowns.

He counted.

Fortress Maximus: 6 touchdowns total for the mascots.

Me: Not bad.

Nico: How about I go get a drink of water?

Me: Sure.

He went to do so.

As Nico was drinking water, He got a call on his communicator from an unknown number.

Nico: (picks up) Hello?

?: Hello, Nico.

Nico: (growls) Slappy!

Slappy: How's your day been today?

Nico: Pretty good. And we played all your devlish games and brought the pain to your minions and-

Slappy: (laughs) Oh, spare me the reference. Can't you say something original for a change?

Nico: What the fuck do you want?

Slappy: Just want to let you know that I've started my endgame. Pretty soon, you and your friends will be in for a wild ride!

Nico: This is between you and me. Leave my friends and family out of this!

Slappy: Oh, I just want to break you. Not your friends and family. They're just in the way. Besides, you're gonna need some people to miss you when you're gone.

Nico: What are you talking about?

Slappy: Why don't you go to your front yard and find out through the surprise I left there? (hands up)

Feeling cautious, Nico went outside to the front yard and found something buried. He dug it up and to my shock, it was Jillian Zinman's corpse! Her neck was twisted into an odd angle and her eyes were fixed open, staring without seeing. That's when Tom and Sheila found Nico.

Tom Lair: Nico?

Nico: Tom. Sheila.

Sheila: Nico, please tell me you didn't do this!

Nico: Some people might think I did.

Tom Lair: Listen, this doesn't prove anything. We can-

Nico: (puts hands on head) Tom, you and Sheila do what you need to do. I have faith that the others will find a way to fix this.

Sheila: (sadly) Nico Chan, you're under arrest for the murder of Jillian Zinman. You have the right to remain silent.

Nico let himself get handcuffed as Sheila escorted him to a police car.

I saw the whole thing.

Me: (In my head) Excellent, my plan is in full swing.

I went over to the hole.

I gasped!

Me: Oh Jillian! (GROWLS) SLAPPY YOU MOTHERFUCKING MONSTER! Now to get the evidence.

I went to the computer.

Tussle Sprout: May, did Nico say who's going to shine before this?

May: He said Sydney, Hinata, Luan, Vypra, Winx Club Layla, and Missy Rodgers

Me: Awesome!

Missy Rodgers: This will be awesome.

Hinata: I'm looking forward to this.

Luan: Me too! We got work to do.

Me: First lets go resurrect Jillian.

Vypra came.

Vypra: I heard what happened! Did Nico?

Me: No he didn't! Slappy framed him! Lets head down to bring Jillian back.

We did so.

Me: Okay Jillian time for you to get justice.

I snapped my fingers and then she came back!

Lincoln: Jillian, what happened?

Jillian Zinman: Slappy killed me! And I saw that he tried to frame Nico for it.

Lincoln: He what?!

Suddenly, the rest of us appeared when Lincoln screamed out.

Lincoln: YOU MOTHERFUCKING TOOTHPICK!

Qin: Now lets head to the station!

Me: Lets go!

Juran: Wait. Isn't this the part where you guys show us Slappy's book and what he's capable of?

Me: Usually yes but not this time! Right now we got to clear Nico's name! Besides we knew this was coming.

Jillian Zinman: Yeah.

I went and got the books for Night of The Living Dummy just in case.

We were off to the station.

The Previous group came with us.

Mummy: Can me, Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Diabolico, and Rowdyruff Boys go with you guys?

Butch: Also, do not believe any of this shit! Nico didn't kill anyone innocent!

Boomer: It was probably Slappy. He's just doing this to ruin Nico's reputation! Ask Eli if you don't believe this!

Maria: Whoa! Calm down, you two! Breathe!

Me: Yeah! Also yes you can come with. We're going to need all the help we can get for this one!

We ran fast to the station.

At the police station…

Prisoner 1: Hey! Nico Chan, right?

Nico: That's me.

Prisoner 2: We remember you. Years ago, you saved our lives by taking down some racist cops assaulting us!

Nico: I remember that.

Prisoner 1: What's a nice guy like you doing here?

Nico: Aparently, I killed a girl.

Prisoner 2: What?! There has to be some mistake!

Nico: I think there is. Wanna hear some theories? We're probably gonna be here a while.

Prisoner 1: Tell us what happened.

Nico told them what happened.

Prisoner 1: That's awful! You would never do that!

Sheila: I didn't know you saved these guys back then Nico.

Nico: It was a long time ago.

Sheila: Wow.

Sheila: Nico, I have big news!

Nico: What's the big news?

Sheila: Well-

The rest of us entered.

Me: WAIT!

Sheila: (sighs) Nevermind.

Emerald Sustrai: Nico, there you are. First of all, which Gene Slammer do you think you'll meet next?

Me: Emerald is now really a good time to talk about that?

Nico: No she can ask it. It's a mandatory question. Spring Man next.

Me: Ooh springy. We have proof that Nico didn't kill Jillian.

Jillian: That's right!

Sheila gasped!

Sheila: Oh my god! You're alive!

Me: I brought her back.

We showed the pictures.

Me: There were taken from our security systems. Slappy did this! He snapped Jillian's neck and buried her in our yard in order to frame Nico!

They gasped!

Nico: I can't believe that stupid dummy! Now, he's gone too fucking far! But, I'm so glad you're okay, Jillian. We'll get you back to The World Tree Estate so you can rest.

Sheila: I knew Nico didn't do this! Oh we made a terrible mistake. I'm so sorry Nico!

We got Nico out.

Nico: Now, what are you saying, Sheila?

Sheila: (sighs): It can wait.

Wolf: Did we miss something?

Sheila: No. Whatever I was going to say, Slappy being killed is more important. So, get to it, I guess. Just make sure the movie version stays alive since it's more likable.

Lincoln: (shrugs) Whatever gets the prime version of that dummy out of our lives sooner.

Me: You got that right. But Sheila you can tell us before we leave.

Sheila: Okay then.

She showed us Ultrasound Photos.

Me: (GASP) I don't believe it!

Lola: You're going to…

Sheila: Yep. I'm going to have a baby!

We cheered wildly for her!

Me: Wow! Congratulations Sheila!

Nico: Wow! So you and Eric decided to open the door for parents.

Sheila: Yep.

Me: Awesome! Does Eric know?

Sheila: He sure does.

We went back home and Jillian went with us back to The World Tree Estate.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Slappy the Dummy, and he's already causing havoc, and Bob Roth is also there with him as well, and they're already pissed off their plan to frame Nico by killing Jillian Zinman failed. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the final Goosebumps Monster is none other than Slappy the Dummy, and he's already causing havoc, and Bob Roth is also there with him as well, and they're already pissed off their plan to frame Nico by killing Jillian Zinman failed.

We gasped.

Luna: That goddamn dummy and greedy fat pig! I knew they'd be here!

Nico: Those goddamn fuckers!

Jillian Zinman: We've got to warn the others and fast!

Nico: And that we will, Jillian.

Sebastian Mendez: Slappy, now you've really done it this time!

Suddenly, Sebastian's eyes turned blood red, and Slappy screamed in agonizing pain, as it caused the lethal curse that amplified the poisonous darkness that his Universe 666 counterpart inflicted him with to go up even further, and their purple glowing veins were getting far worse, but as for Bob Roth, he was literally suffering from another bad curse he inflicted on him: he also wound up getting a bad combination of a bad rash, poison ivy underwear, and pimples and boils always appearing on him, and he was scratching like crazy.

Nico: I never get tired of you making the curse even worse for Slappy and making things even worse for Bob Roth.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed four dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure

is none other than an old enemy of Selene Arcangela's named Damien Algernon, he's a dangerous demon sent by Lucifer to kill her, Lincoln, and his Guardian Angels, but he was defeated before and sent back to Hell, but after he'd heard word of Lucifer's banishment to The Black Gates, Damien Algernon broke out of Hell and is back for revenge against us for what we did to his master. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and Selene, you aren't going to like it one bit: the figure I saw and the dark energy I sensed belongs to your old enemy, Damien Algernon.

Selene Arcangela gasped in horror.

Selene Arcangela: What?! That demon's come back?!

Nico: Uh oh, this doesn't sound good, and do you know him, Selene?

Selene Emperyous: She does, Damien Algernon is a dangerous demon that was sent by Lucifer to kill her, Lincoln, and his Guardian Angels years ago, but he was defeated before and he was sent back to Hell, and because of his failure to do so, Lucifer had him chained up and imprisoned in The Circle of Treachery for his failure.

Michelle Emperyous: But, after he heard word of Lucifer's banishment to The Black Gates, it appears Damien Algernon broke out of Hell and is back for revenge against us for what we did to his master.

Selene Arcangela: This has gone on long enough! I'm gonna destroy that dangerous demon and make him pay!

Lincoln: Save seconds for me, Selene. I've had just about enough of that demonic asshole too. He's lived for far too long, now I'm gonna tear him to shreds!

Nico: So, we now have a battle of Heaven and Hell later on, this should be good. Alright, gang, let's go, we're heading off to destroy the last Goosebumps monster running loose: Slappy The Living Dummy, and send Bob Roth straight to prison forever.

Lincoln: Try to kill Jillian and frame you, will they?! They better say goodbye to their pathetic lives for what they've done, and once we get done with those two goddamn parasites, you're next, Damien Algenon.

Selene Arcangela: For too many years, you've tried to kill me, Lincoln, and the rest of The Guardian Angels and all in the service of that bastard, Lucifer. Well, that ends here and now, you better be ready to face Oblivion for what you've done.

Connor Chan: In hindsight, I should've known better than to do that, and Slappy, you've got some fucking nerve to try and kill Jillian and frame my bro! If I ever see your ugly face, I'M GONNA SHOVE YOU STRAIGHT INTO A FUCKING WOODCHIPPER!

Alicia Chan: Nico, did you just hear…?!

Nico: I did, sis, I did. Connor, when we face that stupid dummy, we're gonna rip him limb from limb and make him suffer!

Jillian then joined us.

Luna Loud: Dude, didn't you hear J.D.? Get some rest back at the Estate.

Jillian: No. I'm helping you guys. It's my encounter with Slappy that got Nico scared of him in the first place. And Nico's in this mess because I got myself killed. I have to make this right.

Me: What!?

Pain Yatta: Now that you say it, we never DID know how Nico became scared of Slappy.

Nico: Guys, this isn't the time to-

Luan: Actually, Nico, we've decided to catch Slappy and Bob Roth off guard while they think they've won. So, we pretty much have time.

Me: Yeah Nico you can tell us. Nico was it the book that Jillian was from responsible for scaring you?

Elena Validus: Nico, why don't you explain how your fear of Slappy started?

Nico: Well, it all started when I was in elementary school., I was in thee library.

Nico told us all about what what went down

Nico: My teacher was just putting on a Goosebumps video for the class to watch.

Poromon: Me and Poliwag were with him.

Crimson Dynamo: Really?

Poromon: Yep. It was Bride of The Living Dummy.

Me: This one right.

I pulled out the book.

Nico: Yep. But this was the TV version of it.

Billy Numerous: So you could see it in full detail, right?

Nico: That's right.

He told us what happened.

---

Jillian Zinman's life is a hassle, mainly due to having to deal with her six-year-old twin sisters Katie and Amanda, who always bring along with them Mary-Ellen, a life-size doll that they constantly use to torment her. After she insults the doll, Jillian wakes up in the middle of the night to see the twins trying to cut her hair, claiming that Mary-Ellen told them to. The next day, Jillian's mother tells her to take the twins and Mary-Ellen to the Little Theater for the ventriloquist show. Jillian brings along her best friend Harrison.

The ventriloquist is a man named Jimmy O'James who arrives onstage with his dummy Slappy. Jillian notices that Jimmy looks unhappy, made no better as the act is nothing but Slappy hurling harsher and harsher insults on Jimmy. The pair then ask for some audience participation. Katie and Amanda volunteer, only for them and Mary-Ellen to be hurled even harsher insults. After the show, the twins run off backstage to tell Slappy how mean he was. Jillian and Harrison give chase until Jillian finds Jimmy's dressing room. As she spies on him, she sees Jimmy arguing with Slappy, eventually leading to Slappy slapping Jimmy hard in the face, making his nose bleed. When Jimmy notices Jillian spying on them, he claims that this was all just a routine for the show. Jillian believes him and leaves.

Jillian eventually finds Katie and Amanda and takes the twins to Dairy Queen, where they force her to buy an ice cream for Mary-Ellen. When they get home, Jillian is shocked to find Slappy sitting on the couch. Harrison shows up and mentions that he had found Slappy in the dumpster and brought him home with him, believing that Jimmy must have gotten rid of the dummy. Slappy suddenly bites Jillian's hand, but Harrison assumes that his jaw must be broken. They also find the paper containing the magic words in Slappy's breast pocket. Jillian almost reads the words aloud, but her mother calls them for dinner. Harrison leaves Slappy with Jillian as her father is an aspiring carpenter with his own workshop. After an incident at dinner involving Mary-Ellen, Jillian begins to plan some sort of revenge on her sisters. After a failed attempt, the twins say they want to tell her something important but Jillian doesn't listen out of anger.

Jillian and Harrison head to the local magic shop to buy props for their clown act for an upcoming four-year old's birthday party, as being a clown has been Jillian's longtime passion. The two spot Jimmy O'James exiting the shop. They try to tell them that they have Slappy, but he tells them to get rid of him before it's too late, then runs off. Jillian returns home, having found squirting playing cards for the clown act, but sees that her lizard cage has been broken into and her pet lizard Petey has gone missing, with Slappy near the scene of the crime. She eventually finds Petey in Slappy's mouth. Believing the twins had something to do with it, Katie and Amanda are forced to put Mary-Ellen in the closet, the twins say that this will make her very angry.

The next day, Jillian and Harrison perform their clown act at the birthday party, but everything goes wrong. From bad jokes to empty squirting cards, it just makes the kids unhappy. When they attempt a whipped cream pie prank, things get worse as the cream was replaced with some kind of soap, which injures some of the party-goers. Jillian believes it to once again be the work of the twins and resumes her plan for revenge. She also decides to give up being a clown, as Harrison's proposal of a ventriloquism act interests her more. When she confronts Katie and Amanda about the sabotage of her clown act, they say that they were at a friend's house the whole day, so they couldn't have done anything.

Harrison and Jillian find Jimmy's address in hopes of learning about ventriloquism. However, when they arrive, they find the house abandoned with destroyed and unfinished dummies lying around. They find a diary that mentions the origins of Slappy: he was created by an evil sorcerer who would create evil toys; ones he would use to steal from or injure children. He created his most evil creation, Slappy from the wood of a coffin and then put his evil inside it. The diary mentions the magic words to awaken Slappy, but Jimmy managed to put him back to sleep before abandoning him. Jillian believes that Katie and Amanda may had read the spell and awakened Slappy.

Jillian's parents leave for the night, so she has to take care of Katie and Amanda. When she enters her room, she sees Slappy by the mirror with the words Where is my bride? written with lipstick on the mirror. Jillian tries to see if Slappy's alive, but the dummy doesn't move. After going to the bathroom to calm down, she suddenly hears a commotion downstairs. Jillian enters the dining room to find food and broken plates everywhere with Slappy sitting at the table, the twins in a panic. Slappy disappears again and is then found on Jillian's bed, once again with the words Where is my bride? now written on her wall. Jillian ends up grounded for the mess and tells

Harrison that she won't use Slappy for their ventriloquist act, so Harrison replaces him with another dummy named Maxie.

Jillian and Harrison host another birthday party in the basement of Jillian's house. However, when they open the dummy case, they find Slappy inside. They decide to use Slappy and Mary Ellen for their performance instead. Everything goes well until Slappy vomits green slime on the children. Slappy then holds a boy named Eddie hostage, saying that he wants his bride. Jillian thinks he must mean Mary-Ellen, but Slappy rejects the doll, saying that he wants Jillian to be his bride. When she refuses, Slappy headbutts her in the nose, calling it a "love tap." Suddenly Mary-Ellen awakens and starts to fight with Slappy, saying she brought Slappy to life to marry her, not Jillian. Katie and Amanda tell Jillian the truth - that Mary-Ellen had been alive and had enslaved them ever since they first got her, and that she was the one behind all the terrible things that befell Jillian.

Mary-Ellen reveals that she wanted to bring Slappy to life to make Jillian's life eternally miserable. Slappy fights off Mary-Ellen and says that this birthday party will now be a wedding party with Jillian as his bride. The two dolls continue to wrestle with one another until they end up in Mr. Zinman's workshop. Slappy slices Mary-Ellen with the table saw, but she manages to drag him into the saw as well, causing both to be cut in half. Slappy's remains try to attack Jillian, but falls to the ground and stops moving. The parents arrive to pick up their frightened children, but neither Jillian, Harrison nor the twins mention anything about Slappy or Mary-Ellen.

After cleaning up, Harrison reads another passage from Jimmy's diary that mentions how the destruction of Slappy's body doesn't fully kill him and how his spirit can still possess others. Jillian suddenly says she finally knows how to get her revenge on Katie and Amanda. She opens her mouth wide and vomits green slime all over them.

---

When it was done WE WERE HORRIFIED!

Jillian: I still remember that like it was yesterday.

Bugly: But that wasn't the ending of the episode, wasn't it?

Nico: Nope. The ending of the episode is everyone getting a nasty surprise when it's revealed that Slappy's spirit has possessed Harrison, and laughs maniacally. He said, "Heh, heh, heh! Sorry, folks! Harrison doesn't live here anymore!"

Me: (GROWLS ENRAGED) THAT MOTHERFUCKING TOOTHPICK!

Jillian: (GROWLS) I hate that dummy!

Lola: ME TOO! I WILL NEVER FORGIVE HIM FOR WHAT HE DID TO ME!

Me: She found Slappy and tried to do a dummy act like Luan did but it went terribly wrong.

Brick: Before we continue, I want to say that I'm happy for Sheila.

Sydney: Me too. I became one of the Underground Girls alongside her, remember?

Me: How can we forget.

Sheila: It's going to be awesome being a mother.

Eric Loud: We are gonna be happy parents.

Me: You sure are. And I have a strong feeling she or he will be a gene-slammer too.

Sheila: Yep.

Me: Wow. When is the due date?

Sheila: I have a feeling it will be some time next week.

Teen Titans Lightning: Anyway, continue with your tale.

Nico: Right. After the video, when I came home, I put up a strong front. But when it came to Slappy, I became frightened.

Poromon: Me and Poliwag always had to calm him down when that happened.

Nico: I would have panic attacks, nightmares, I wasn't able to sleep for days, couldn't focus in school, everyone was concerned for me.

Me: Holy shit.

Kate Lloyd: That's like what happened to me because of The Thing. I had the same things.

Me: I know the feeling myself.

Nico: But of course, that ended in 2018 when we fought the Fright Knight.

Hinata: I remember that.

Diabolico: That was the time when you fought Danny's enemies.

Me: I know. I was there! I witnessed the whole thing back then!

Laney: That was crazy!

May: And that was back when Nico joined us.

Me: Having us all together with him made him overcome his fear of Slappy and it made him stronger than ever.

Kate Lloyd: Just like how you all helped me conquer my fear of the Thing.

Lola: Yeah!

Pam: Movie Slappy can stay since he has understandable motives for his actions. But Prime Slappy torments people for fun and loves seeing people suffer. That's why he's gonna die! (cheerfully) So, who's got the termites?

Lana: I do!

Lana pulled out a jar full of them.

Pam: Oh perfect Lana!

Nico: Nice!

Me: Slappy has gone too far this time! And he will pay for everything he has done!

Nico: Slappy better be ready! (EYES GLOW RED) No more Slappy! No more lives will be destroyed by your hatred.

Luan: Anyone get the evidence?

Spiderman: I do. Don't worry.

Deker: We'll tell you when to send it.

Nico: Good. Lets go guys. It's time to end this once and for all.

Me: You're right.

Just then, Chloe Bourgeois' phone rang.

Chloe Bourgeois: Can I take this call?

Bludgeon: Might as well.

Chloe Bourgeois: (answers) Hello?

Andre Bourgeois: Chloe dear. How are you?

Chloe Bourgeois: Good, Dad. Me, Mom, and the rest of the team are finally about to go after Slappy and Bob Roth.

Andre Bourgeois: That's what I wanted to talk to you about. Feel free to destroy Slappy. But bring Bob Roth to Paris so he can be put in the local prison there. He IS a France problem, after all.

Chloe Bourgeois: I'll tell everyone. Thanks dad.

Andre Bourgeois: Go get him Chloe.

She hung up.

Chloe Bourgeois: Dad said to have Bob Roth sent to Paris for punishment.

Me: Well we were going to do that anyway.

Nico: Yep

Shiva: We don't even know where they've been all this time?

Vypra: I have the best trackers in the Masters of Evil looking into it.

Her phone then rang.

Vypra: Oh excuse me.

She answered.

Vypra: (Answered) Hello?

Dark Spicer: Vypra it's Dark. We found Slappy. He's located a hidden cabin in the forests of Wildcat Mountain State Park.

Me: In Southwestern Wisconsin.

Nico: All the way down there.

Sideways turned into his vehicle mode.

Sideways: Race you there!

Nico: You're on! We're coming for you Slappy!

Me: This ends NOW!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Jillian Zinman's house to destroy the last Goosebumps monster running loose: Slappy The Living Dummy and send Bob Roth straight to prison forever, and once we got done with those two, Selene Arcangela and Lincoln are going to destroy Damien Algernon, the servant of Lucifer and their old enemy.

We got ready and we were Off.

We arrived and saw the cabin and saw them drinking wine.

Winx Club Layla: There they are.

Slappy: (laughs as he and Bob Roth clink glasses) A toast to Nico's misery!

Bob Roth: You said it! Good thing I posted what you told me to!

Captain Boomerang: (Australian Accent) That's right. Laugh it up!

We heard them talking and we were broadcasting their whole conversation to the world including the cities of Gotham Royal York and Paris.

THIS FURTHER INCRIMINATED THEM!

Power Girl: Entrance time!

We went at them.

They laughed and then the area turned into the planet Glaren and then the spirits of wood eaters came and swirled around them and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard! We came out!

Nico: SLAPPPPPYYY!

Slappy: WHAT!? BUT I THREW YOU IN JAIL!

Nico: I will never forgive you for everything you did!

Jillian: And you thought you killed me! But you thought wrong!

Slappy gasped!

Slappy: WHAT!? BUT HOW! I KILLED YOU! YOU MUST BE A GHOST!

Jillian: If I was a ghost can I do this!?

She fired a laser blast and blasted off Slappy's leg!

Killer Shrike: Do it, Peter!

Spiderman: (innocently) Oh look. Evidence of Nico's innocence. (sends it) Oops!

EVERYONE on Social Media saw it and THEY GASPED! IT WAS REALLY SLAPPY THAT KILLED JILLIAN AND FRAMED NICO FOR IT!

BUSTED!

Me: You rotten motherfucking toothpick! You don't have anymore of your minions to come and save you now!

I teleported a punched him square in the face and bashed him into a rock and he fell to pieces! But he got up and put himself back together.

Me: I knew it wasn't going to be easy. That was for starters.

Nico: Wait. Does anyone hear that?

An army of Dummies showed up.

Slappy: Did you think I wouldn't have a backup plan? I used my powers to bring all these Ventriloquist Dummies to life. Now, any last words?

Maria: Go to Hell.

I fired waves of fire and incinerated the army!

Nico: Slappy! I will never forgive you for everything you've done!

HE WENT SUPER SAIYAN INFINITY!

Nico: You make me Sick Slappy! For over 16 years I've had to put up with your evil and terror! NO MORE! (FLARES UP POWER WITH EXTREME AND DEVASTATINGLY ULTIMATE FURY!) THE

WRATH OF THE SAIYANS WILL MAKE SURE YOU PAY FOR YOUR CRIMES! (ROARS IN EXPLOSIVE AND INCREDIBLY POWERFUL FURY!)

HE FLARED UP HIS POWER WITH INCREDIBLY EXPLOSIVE FORCE AND HE WASS GOING TO MAKE SURE THAT SLAPPY PAID FOR HIS CRIMES TIMES THREE HUNDRED QUINTILLION INFINITIES!

(IT'S TERROR TIME AGAIN BY SKYCYCLE PLAYS)

You hear the screeching of an owl

You hear the wind begin to howl

You know there's zombies on the prowl

And

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

You hear the beating of your heart

You know the screaming's gonna start

Here comes the really scary part

'Cause

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

All the trees begin to moan

And the monsters grunt and groan

Rotting faces full of slime

Don't you know it's terror time?

And…

It's terror time again

They got you running through the night

It's terror time again

And you just might die of fright

It's a terrifying time

Nico flew at him with incredible speed and bashed him all over the place with kicked him in the stomach!

Bob Roth: BOSS!

POW!

I punched Bob Roth in his face and knocked him down.

Chloe: Venom!

This Paralyzed Bob Roth.

Chloe: Don't be such a baby. This is only temporary. Long enough for us to arrest you!

Sheila put the cuffs on him.

Nico punched Slappy and kicked him all over!

KROW BLAM SMASH WHAM!

He punched him in his face and kicked him in his stomach, punched him in the head and kicked him in the chest!

Another wave of Dummies appeared.

Missy Rodgers: Release the termites!

While this was going on, Poromon was busy drinking beer.

Poromon: What a great show!

CHAINSAW NOISES!

Dummies: TERMITES OH THE HORROR! WHAT A WORLD! WHAT A WORLD! WHO WOULD HAVE THOUGHT A BUNCH OF MOTHERFUCKING MONSTERS LIKE YOU WOULD DESTROY OUR EVIL WICKEDNESS WITH THESE BUGS!

They were destroyed!

I fired waves of fire and incinerated the dummies all over. Nico punched Slappy.

Nico: THAT WAS FOR FRAMING ME!

Jillian kicked Slappy in the stomach!

Jillian: THAT WAS FOR KILLING ME!

She kicked Slappy in his head!

Poromon then got drunk.

He threw beer bottles and smashed them onto Slappy!

Slappy: OW! What the…

POW!

Poromon pecked him.

Woody Woodpecker: You know what's worse than termites? ME!

He pecked Slappy all over!

Woody Woodpecker: Guess Who!? HEHEHE HA HA! HEHEHE HA HA! HEHEHE HA HA! HEHEHEHEHEHEHEE!

Slappy fires green goo from his nose at Poromon but he countered by puking.

The blasts of slop collided and Poromon's puke got all over Slappy!

YUCK!

LINCOLN GAVE BOB ROTH A SUPERHARD KICK IN HIS CROTCH!

(WILHEIM SCREAM)

Me: (WINCES) OOOH!

Nico: (WINCES) DAMN, THAT'S GOT TO HURT!

Lincoln wrapped him up in gold spider silk and threw him into a portal leading to The Neptune Cryo-Prison where he was flash-frozen and thrown into a doorless windowless Anti-Dark Magic Anti-Dark Orb cell in Supermax Security Solitary Confinement and chained to the wall with Neutronium Chains lined with rainbow energy.

Nico: YES! WE DID IT! THE GOOSEBUMPS MONSTERS ARE FINALLY GONE FOR GOOD!

Me: At long last, they're finally gone!

Lincoln: It's been a long time coming, but now, it's over, The Goosebumps Monsters have been taken down and busted, Now, there's only one last thing to do and one last loose end to tie up: Damien Algernon.

?: (DEMONIC VOICE) YOU WILL ALL PAY FOR WHAT YOU DID IN HUMILIATING ME IN FRONT OF MY LORD, LINCOLN LOUD AND SELENE ARCANGELA! I WILL KILL YOU ALL AND AVENGE LORD LUCIFER!

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking the smell of brimstone and Hellfire from anywhere, come on out right now, Damien Algernon, or we will force you out.

A figure came out: he was a male with long black hair, pale skin, dark clothes, he has black demonic wings, and blood red eyes full of hatred, it was Damien Algernon, the dangerous demon servant of Lucifer and the hated archenemy of Selene Arcangela, Lincoln Loud, and his Guardian Angels.

Selene Arcangela: You Hellfire-dwelling rotten black hearted piece of fucking shit!

Nicholette Torrington: I should've known you'd show up here once again, you fucking asskisser of The Devil!

Nico: Whoa! You girls really do hate him that much.

Damien Algernon: (DEMONIC VOICE) SHUT UP, YOU WORTHLESS MONKEY FREAK!

Damien Algernon fired a blast of Hellfire at Nico, but the diamond barrier that was still up absorbed the Hellfire blast and that majorly pissed off Damien Algernon.

Selene Arcangela: And for what you just did, you just stepped into deep shit now!

Suddenly, Selene Arcangela's blue eyes turned neon blue and she was surrounded by a white energy aura with stars, fire, water, ice, lightning, earth, wind, holy light, darkness, elemental forces, holy magic, archangels, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Damien Algernon, she left white energy, stars, fire, water, ice, lightning, earth, wind, holy light, darkness, elemental forces, holy magic, archangels, phoenixes, and angels with every step.

Selene Arcangela: I always knew that one day you'd break out of The Ninth Circle as soon as Lucifer's death reached you in Hell. But, he had it coming for the pain and suffering he's caused to too many innocent souls and perpetrating many evil deeds for eons, and now, it's your turn, Damien Algernon. You will pay dearly for serving that traitorous Fallen Angel and for trying to kill us years ago, and you deserve no mercy for everything you've done.

Suddenly, Selene Arcangela was surrounded by a massive vortex of white energy with stars, fire, water, ice, lightning, earth, wind, holy light, darkness, elemental forces, and holy magic surrounding the vortex, there are archangels, phoenixes, angels, and The Archangels and Timelords flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Damien Algernon: the red eyes of death. Then, as the vortex faded, Selene Arcangela emerged, but she was changed forever.

Selene Arcangela grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large heavenly white orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a white energy aura with stars, fire, ice, water, earth, wind, light, darkness, elemental forces, holy magic, phoenixes, and angels surrounding her and her immense protective blue aura had suddenly changed, and it's now an immense protective neon rainbow aura with all of the elements swirling around it, she has the Timelords emblazoned on her forehead and Third Eye with blue iris, she has on angel earrings with blue gems for eyes and holding the Star, Fire, Ice, Water, Earth, Wind, Light, Dark, Holy, and Eternity Kanjis in their hands, she also has The Timelords with blue gems for eyes and holding the Star, Fire, Ice, Water, Earth, Wind, Light, Dark, Holy, and Eternity in their hands for the second pendant on the bottom of her white angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Selene Arcangela has on a sleeveless white blouse, white skirt, white knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, fire, ice, water, earth, wind, light, darkness, elemental forces, holy magic, phoenixes, and angels on the coattails, and on the back are The Timelords and The Archangels surrounded by elemental forces. Suddenly, Selene Arcangela felt a sharp pain on her back, and then, her massive white angel wings with colored tips on the large white feathers grew much bigger for her new body and she also now has eleven massive and long brown wolf tails with white tips and white markings, Selene Arcangela has on her Ring of the Phoenix with large white gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Selene Arcangela's massive angelic greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of white energy, stars, fire, ice, water, earth, wind, light, darkness, elemental forces, holy magic, phoenixes, angels, and archangels, and when it emerged, it was transformed into Selene Arcangela's Eternal Holy Elemental Holy Archangel Timelord Goddess Phoenix Angel Greatsword of Holy Elemental Holy Archangel Timelord Goddess Phoenix Angel Justice, it's a brand-new massive greatsword with embedded white gems and The Timelords etched on the 7'6" massive, wide, double-edged gold blade, large gold phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large white gems embedded in their foreheads, longer midnight black handle, four large gold phoenix heads with blue gems for eyes and on the bottom of the large gold phoenix heads is a large gold phoenix head with blue gems for eyes and blue gem in its mouth for the pommel, Selene Arcangela has on her large gold Bracers of The Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Sephylon, The Ultimate Timelord's head with blue gems for eyes and large blue gem in its mouth for the belt buckle and gold versions of the other Timelords' heads around the belt on her waist, large angel spellbook, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused enough trouble for us for the last time, Damien. This time, we'll make sure you die here and now, you demonic servant of Lucifer.

Selene Arcangela and Lincoln went after Damien Algernon who continued firing blasts of darkness and Hellfire at them, but they dodged all the attacks, and they fired extremely powerful blasts of rainbow energy, white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, symbiote goo, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Damien Algernon and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold-plated claws, massive greatsword, and angelic and demonic greatswords at his side and firing energy slashes from his claws and he and Selene Arcangela also attacked him with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Damien Algernon even more madder with rage.

Damien Algernon: (DEMONIC VOICE) YOU! YOU! I WILL KILL YOU ALL!

Damien Algernon turned into his demon form as his pale skin turned red, he now has black horns on his head, and his nails turned into black claws, and he went at Lincoln and Selene Arcangela now driven mad by rage and madness. Suddenly, Lincoln reeled back his left fist, and then, he made a punching motion and fired out a massive twisting barrage of black vines with thorns and the pointed tips ensnared Damien Algernon, and then, Lincoln began draining Damien Algernon as red energy flowed out of Damien Algernon and into Lincoln as he began absorbing his energy and assimilating his powers and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

Suddenly, Damien Algernon was growing weaker and weaker until he was reduced to a drained and lifeless corpse, and as the black vines and thorns disappeared, he fired out an energy card with the demon's drained soul inside and he banished him to The Black Gates, we cheered wildly for what Selene Arcangela and Lincoln did as they holstered their massive greatswords and powered down and Selene Arcangela's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive white angel wings are permanent.

Selene Arcangela: You've had this coming for seven years, Damien, and for your crimes, only eternal damnation awaits you. Thanks for helping me destroy that demonic bastard for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Arcangela wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Arcangela's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and The Timelords flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Selene Arcangela sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, that was one awesome and fierce battle you guys fought against that demonic bastard.

Lincoln: We fought against him before seven years ago and we won, now this time, we made sure we destroyed him for good.

Me: And saved the world from any remnants of The Devil's minions. So, Lincoln, who are the next Cybertronian Gene-Slammers we're meeting on your rescue tomorrow?

Lincoln: That's an easy one, J.D.: Aoi Policeangel, the Evac Gene-Slammer, Benika Policeangel, the Crosswise Gene-Slammer, Chikae Policeangel, the Jolt Gene-Slammer, Daichi Policeangel, the Hoist Gene-Slammer, Emiha Policeangel, the Grapple Gene-Slammer, Fuwa Policeangel, the Skids Gene-Slammer, Haruhi Policeangel, the Mudflap Gene-Slammer, Itoha Policeangel, the Tracks Gene-Slammer, Jun Policeange, the Windcharger Gene-Slammer, Kasumi Policeangel, the Sunstreaker Gene-Slammer, Mio Policeangel, the Flashpoint Gene-Slammer, Nami Policeangel, the Side Burn Gene-Slammer, Omoi Policeangel, the Scattershot Gene-Slammer, and Popori Policeangel, the Wreck-Gar Gene-Slammer.

Selene Emperyous: I knew it would be them, and you guys are going to like meeting them: The Policeangel Sisters, these thirteen girls are Lincoln's Guardian Angels from Japan and classmates in Math, but they're also training to work alongside the police, like their sister, Ginrei from Giant Robo.

Nico: Whoa, so we got some future officers of the law we're meeting.

Selene Emperyous: Yep, and they're easily identified. Aoi has pink hair with matching clothing, Benika has blue hair with matching clothing, Chikae has black hair with with matching clothing, Daichi has brown hair with with matching clothing, Emiha has white hair with matching clothing, Fuwa has red hair with with matching clothing, Haruhi has yellow hair with with matching clothing, Itoha has pink hair with red streaks along with with matching clothing, Jun has blue hair with purple streaks with with matching clothing, Kasumi has orange hair with with matching clothing, Mio has orange hair with blue streaks with with matching clothing, Nami has indigo hair with with matching clothing, Omoi has yellow hair with red streaks with with matching clothing, and Popori has violet hair with pink streaks with with matching clothing. Lincoln made Ginrei and her sisters beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Ginrei and her sisters along with the rest of his harem, and they hate Bradley Uppercrust III with a blazing passion, the reason why is because he once stole fireworks and placed them on every sports equipment in order to blow them up.

Me: HE WHAT?! (GROWLS) If Max finds out again, forget it, he's unleashing pure Hell on him again!

Selene Emperyous: Luckily, Lincoln, Ginrei, and her sisters intercepted and they beat the crap out of Bradley Uppercrust III and they removed the fireworks and took him right back to prison.

Lincoln: Serves him right. Oh, and speaking of demonic assholes, you know what this means?

Sebastian Mendez: Yep, tomorrow, the battle to save the world from Universe 666 Sebastian and his mind-controlled minions: the Universe 666 versions of The Z-Fighters' old foes is on. Buster, his gang, The Looney Tunes, The Loonatics, and The Z-Fighters have a really huge fight on their hands.

Me: You said it.

Man Boy: It's over. Slappy is gone for good.

Me: Good fucking riddance to bad rubbish.

Qin: Yeah!

Femme Fatale: And now, his victims have gotten justice.

Trapster: How do you feel, Nico?

Nico: I feel… actually pretty good!

Kangor: We're glad, mon.

Saix: Movie Slappy is the only Slappy now. And like we said, he has understandable motives.

Nico: (smiles) Guys, thank you. All of you. You not only helped me physically. But mentally as well.

Lincoln: Wait. What does that mean?

Maria: Don't spoil the moment, Lincoln.

Me: He's just happy that his nightmare with Slappy is over forever at long last.

Nico: Yeah.

Me: But you're welcome Nico. Your friends will never abandon you because they will always look out for you.

Nico: Yep. But thank you guys and great job today everyone.

Lola: Thanks.

Nico: Lets go home. I'm pooped.

Me: Me too.

Jillian: (To the viewers) Slappy is gone forever. Now he is a forgotten memory.

Me: Yep.

We went back home and we finally got rid of The Goosebumps Monsters after we finally began our hunt for them years ago. At home we went to sleep and we were beat. Meanwhile, back at the hideout of Universe 666 Sebastian in the former school, Perfecto Prep, the seal had finally disappeared, and the gate burst open thanks to a blast of Infernal Darkness and a black-clothed figure came out in a fit of rage: it was Universe 666 Sebastian and his mind-controlled minions: the Universe 666 versions of The Z-Fighters' old foes whom he killed and brought back from the dead under his control.

Universe 666 Sebastian: DAMN THEM! DAMN THAT TEAM LOUD PHOENIX STORM! EVERY SINGLE TIME THEY CONTINUE TO SUCCEED! (ENRAGED SCREAM) IT DRIVES ME ABSOLUTELY MAD! AND SLAPPY, I KNEW YOU'D MESS THINGS UP! NOW, YOU'RE GONE FOREVER! DAMN THEM ALL! YOU BASTARDS WILL ALL PAY, YOU! WILL! ALL! DIEEEEEEE! (DERANGED DEMONIC LAUGHTER)

THE GOOSEBUMPS MONSTERS ARE GONE FOR GOOD, BUT NOW, UNIVERSE 666 SEBASTIAN HAS NOW COME OUT AND HE INTENDS TO CONTINUE WITH HIS PLANS TO DESTROY ALL LIFE ON EARTH AND THE UNIVERSES BEYOND! NOW, TOMORROW, THE BATTLE IS ON TO SAVE THE EARTH AND THE UNIVERSES BEYOND FROM THE DEMONIC THREAT OF THE DAMNED AND DERANGED DEMON!

Deadpool then looked at the viewers.

Deadpool: What? There's no ending with Slappy here. He's dead forever. The chapter's done, folks!

THE END

The mission? PAYBACK ON SWARTZ! Sakura Knudson was going to double cross that monster and make him pay for everything he did to her.

Nico: This is gonna be awesome.

Sakura Knudson: I can't wait to give the monster that took me a piece of my mind. I've got 10 years of pain to dish out on him.

Me: This is gonna be awesome and cool.

Lola: Yeah it sure is!

Varie: I have a feeling we're going to be in for a massively and epic explosive fight like with what went down back during Maxxine's big day mission.

Sougo: Boy that was so epic.

Lola: It sure was!

Sakura Knudson: Yeah.

Danny Phantom: And I'm ready to kick some butt. Big time.

Laney: Yeah this will be fun.

Nico: Danny, I want to thank you, Roxy Rocket, and your teams for coming

Danny Phantom: Not a problem Nico. This will be so fun.

Princess Hisui: I'm really looking forward to this one.

Xenia: Me too.

Nico: Hisui, what do you like to do in your free time?

Hisui: I haven't really thought about it honestly. I've been so busy as princess that I haven't thought about anything fun. But if I were to pick, I would teach magic and techniques to everyone in school.

Me: That's a good idea Hisui.

Camie: Yeah it sure is.

Sakura Knudson: The kids in all the schools would love that.

Nico: They sure would.

Tsuyu: I agree there.

Nico: You would do good at Hogwarts.

Hisui: Not just there but in all other schools too.

Me: Awesome.

Lola: Yeah.

Me: Nico how do you feel now that Slappy is gone forever?

Nico: Want to know how I feel?

Me: Yes!

He then pulled his fist back and was ready to punch me and I braced myself! Then he stopped the punch and then grabbed me in a headlock and tickled me!

Me: (LAUGHS) HEY! (LAUGHS)

Nico: I feel pretty good actually!

Maria: Do you feel… Prime?

Nico:.. I don't want to rip off Primal.

Maria: Oh.

Me: (LAUGHS) Cut it out!

Nico: Sorry.

He let me go.

Me: (LAUGHS) Glad that motherfucking toothpick got what was coming to him.

Nico: You guys actually did help me mentally.

Me: Friendship always exists in bonds, heart, spirit and through love.

Nico: That's right. You guys made sure I would never be controlled by home. Salem helped too.

Eli: She sure did.

Camie: Yeah that was awesome.

Varie: Now we have officially seen the last of that monster.

Vypra: Good riddance to bad rubbish.

Hinata: Yeah that is for sure.

Nico: Sydney, Hinata, Luan, Vypra, Winx Club Layla, and Missy Rodgers did good too

Missy Rodger: We sure did.

Luan: Everyone did a great job in all those 24 days.

Me: That is for sure. We can now officially call this event The 24 Days of Goosebumps Terror.

Nico: I like it.

Applejack: Me too. That is a good event.

Me: If this were on Halloween it would have been perfect. But August is just fine.

Nico: Yep. You all did a great job during these 24 days.

Eli: That was so fun.

The Simulator activated and we were in Japan, specifically Swartz' lair.

Lincoln: This is going to be so awesome. We're going to take down Swartz again, but I sensed it that Sakura's going to transform after she double-crosses him.

Me: Yep, just like how I exploded and transformed against him.

Xenia: That was awesome.

Nico: Oh, this should be good, and J.D., next time, don't try to keep me out of any of your plans.

Me: Yeah, I'll make sure of that, and Lincoln really clobbered me on the head for that one. Damn, I'd forgotten that you're just as strong as me. Ouch.

I had a REALLY huge lump on my head.

Laney: Ouch! Lincoln was that really necessary?

Lincoln: Sorry. You didn't expect me to be the one to reprimand you for that.

May: I was about to do it, but you did in the blink of an eye.

Nico: (LAUGHS) Yeah you beat May to it.

Maria: Next time, we'll leave the reprimanding to you.

Lincoln: Let's not do that, but J.D. learned his lesson. And since we're dealing with Swartz, we're gonna need all hands on deck for this one.

Lincoln called the rest of the team, and they arrived.

Me: All the team this time. Perfect. Just like what happened last year when we went after that asshole.

Maxxine: Just like what happened with my Big Day last year.

Sougo: That was awesome.

Lincoln: Only this time, he'll be facing a lot more of us as well. (Sensed for Swartz) AHA! Gotcha! I've just picked up on Swartz, he's in his lair, but he's unaware of what's happening and that we're here.

Me: Perfect. Now, let's get this show on the road, I can't wait to see the look on his face when Sakura double-crosses him.

Lincoln: Same here.

Poromon: Let's get going!

Me: I agree there.

Nico: Okay.

Lincoln: (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: What, they're here in The Simulator?! (GROWLS) That mutant just doesn't even know when to quit!

Qin: He is really getting on our nerves.

Suddenly, we saw a massive army of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of

hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Swartz.

We went to the same warehouse he was in. We saw him.

Lincoln: (Whispers) There he is.

Sakura Knudson: It's showtime.

Swartz was angrily stewing in his lair, and then, suddenly, a massive galaxy of stars appeared from out of nowhere covering the room, and then, shooting stars appeared along with mythical beasts as they fired powerful elemental blasts and they hit Swartz all over the place, then, the shooting stars and mythical beasts converged, and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry were heard, and we appeared.

Swartz: (Sees Sakura Knudson) YOU?!

Sakura Knudson: That's right, me.

We were all ready to face him!

Me: What's a matter Swartz? Didn't like how we beat you before and ripped you to pieces and sent you to the Black Gates?

Swartz: How could you do this? I treated you like a daughter!

Eddy: You mean how you turned her and several people into Anothers, giving them false offers, treated Heure and Ora like shit, tried offing Sougo, getting the other Riders erased temporarily, and killing Jiryu's parents? Some father figure you are!

Me: You are NO FATHER at all! You are nothing but a monster! You turned many of my friends including my twin sister into monsters!

Qin: And so many more!

Sakura Knudson: You may have taken me in and trained me, but to find out that you were going to use me to get rid of my brother and his friends, that's the straw that broke this camel's back! (Thinking) You've caused far too much trouble to too many people and all for your plan for world domination and lied to too many people. (Out Loud) No more.

Suddenly, something within Sakura Knudson's mind snapped as the memories of Swartz' crimes and lies echoed through her head and her neon pink eyes turned neon pink, and she was surrounded by a pink and rainbow energy aura with aura energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, phoenixes, wolves, and angels, she unholstered her massive Sakura Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice from her back, and as she approached Swartz, she left pink and rainbow energy, aura energy, aura energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, phoenixes, wolves, and angels with every step.

Sakura Knudson: You absolutely make me fucking sick, Swartz, for far too long, you've caused far too much trouble to the Zi-O Kamen Riders and all of Japan and the entire world in your schemes for world domination. (SUDDENLY GETTING SUPER-MEGA PISSED OFF AS HER ENERGY AURA EXPLODES) But, what ultimately crossed it is that you've also kidnapped my brother's friends, Nico's friends, and Lincoln's Guardian Angels, and you've even made deals with their enemies promising them either their desires for happiness or revenge… , THAT'S THE VERY THING THAT ABSOLUTELY PISSED ME OFF TO NO FUCKING END, YOU GODDAMN ASSHOLE! AND NOW, I WILL SEE TO IT THAT YOU PAY THE

FUCKING PRICE FOR EVERYTHING YOU'VE DONE… WITH YOUR OWN BLOOD!

We gasped at the sudden extent of Sakura Knudson's rage: SWARTZ WAS NOW ABSOLUTELY FUCKED TO NO END! HE ANGERED SAKURA, AND NOW, HE'S ABOUT TO GET HIS HEAD RIPPED OFF!

Nico: Yep, there's no doubt about it that she's your sister: she's exploded with incredible power and now, Swartz is literally up shit creek without a paddle!

Me: That's for sure!

Lincoln: And now, the fireworks are about to begin. EVERYONE, TAKE COVER IMMEDIATELY, SHE'S GONNA BLOW!

Eddy: RUN FOR IT!

We ran for cover as Sakura Knudson screamed like a madwoman, and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

THERE WAS A MASSIVE EXPLOSION OF ENERGY AND SHE WAS SCREAMING LIKE AN INCREDIBLY ANGRY LUNATIC AND HER POWER WAS RISING EXPONENTIALLY AND THE SKIES DARKENED WITH RAINBOW LIGHTNING STRIKING ALL OVER THE PLACE WITH INCREDIBLE FURY AND THE GROUND WAS SHAKING EXTREMELY VIOLENTLY! SAKURA'S AURA WAS GLOWING WITH INCREDIBLE INTENSITY AND LIGHTNING, FIRE, WATER, WIND, EARTH, DARKNESS, LIGHT, CRYSTAL, AURORA AND ALL THE ELEMENTS WERE SWIRLING AROUND IT WITH INCREDIBLE POWER! HER SKIN HAD RAINBOW FLAMES FLICKERING OUT AROUND IT!

Vegeta: (GASP) IT'S UNREAL!

Nico: WHAT POWER!

Me: UNBELIEVABLE!

Goku: INCREDIBLE!

Eli: WHOA!

Gohan: IT'S AMAZING!

Sakura Knudson: (Divine Echoing Godly Voice of The Harmonious United Friendship Cosmic Elemental Flower Love Wolf Phoenix Angel and Divine Cosmic Harmonious United Friendship Cosmic Elemental Flower Love Wolf Phoenix Angel Love) In a word? AMAZING!

But when Swartz saw it, he went mad with rage at her double-cross and he transformed and ran at her to kill her, but Sakura Knudson fired a massive barrage of neon pink energy, aura energy, aura energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, phoenixes of different elements, angels, and wolves which hit Swartz and forced him out of his lair and we followed out, and we destroyed it as Lincoln fired a ball of rainbow energy at it. Swartz got back up, but now, he was beyond mega pissed now.

Sakura Knudson: (Divine Echoing Godly Voice of The Harmonious United Friendship Cosmic Elemental Flower Love Wolf Phoenix Angel and Divine Cosmic Harmonious United Friendship Cosmic Elemental Flower Love Wolf Phoenix Angel Love) What we gave you is just for starters.

Me: She's right.

Lincoln: This is only the beginning of the pain you're about to endure for everything you've done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious

Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and his new greatswords were ready as well.

Then, I transformed into Super Angel-Wolf Moon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Cosmic Elemental Wolf Moon Phoenix Angel of Divine Cosmic Elemental Wolf Moon Phoenix Angel Justice and Divine Cosmic Elemental Wolf Moon Phoenix Angel Hope and unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and we joined Sakura Knudson and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You are done running loose, Swartz, now we are going to make sure that you never hurt anyone else ever again with your lies and schemes!

Lincoln, Sakura Knudson, and I went after Swartz, and we fired extremely powerful blasts of rainbow energy, neon pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Poison, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Windigos, and Mermaids at Swartz and they exploded with incredible power as they hit him.

Sakura and Swartz were really going at it as massive fiery explosions went off all over the place and thunderous shockwaves were blasting out with all of their punches. Sakura fired a massive volley of finger energy blasts and they hit Swartz all over and exploded with incredible fiery force and smashed him all over.

Swartz: I really thought we were close, Sakura. Your brother and his friends were supposed to die, not you! Now, you're making do this!

He turned into Another Decade.

Sakura Knudson: I'm ready for you. Give me your best shot!

He went at Sakura and she kicked him in his face and punched him hard in his stomach and punched him in the chest and slashed him all over with her sword!

Sakura fired powerful energy blasts and blasted him all over with them in fiery explosions!

Me: Sougo, you and your team better transform too since we are battling your enemy.

Sougo: Good idea!

Qin: Yeah!

Woz, Tsukuyomi, Tsukasa and Sougo: Henshin!

They transformed!

Nico: Oh yeah!

We fired energy blasts and blasted Swartz all over!

Horsea squirted ink at him and it got on his eyes.

Poromon smashed beer bottles on him.

Poromon: And this too! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him!

Poromon fired bubble beam blasts.

Tentacool and Jirachi fired energy blasts and red lasers.

Manaphy fired blasts of energy. The blasts all hit Swartz and blasted him all over.

Connor: Dino Thunder, Power Up!

He transformed and was ready.

Connor bashed him all over!

Me: Nico I hope you make Swartz eat his heart like you did before.

Nico: I'm open to someone else killing him!

Me: This will be good!

Qin: As long as that jerk gets what's coming to him!

Lola: YEAH!

We fired energy and element blasts.

They blasted Swartz all over!

Poromon got out a beer bottle and shook it!

It rumbled and Poromon launched it!

POP! WHOOSH!

It hit Swartz and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Me: WHOA!

Nico: Nice one!

Me: Boy that beer is really carbonated.

Lola: Yeah!

Poromon then drank some and got drunk. He bashed and pulverized the shit out of Swartz.

Poromon: (Slurred Speech) You think you're so much fucking better than me!?

He bashed him all over with incredible speed.

Lola: Nice one!

Nico fired a blast of energy and blasted Swartz!

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my claws, and he, Sakura Knudson, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Swartz insane and straight to the brink of insanity.

Then, Lincoln stabbed Swartz in his stomach and he sucked out all of Swartz' powers of Time Travel, Temporal Awareness, Time Manipulation, Power Bestowal, Power Absorption, Memory Alteration, AI Reactivating, Telekinesis, World Creation, Summoning, Dimensional Teleportation, Strong Resistance, Dimension Kick, Dimension Blast, and Rider Punch.

Swartz: YOU! YOU! I WILL KILL YOU ALL!

Swartz suddenly grew to a giant.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United

Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you decided to grow into a giant, huh? Okay then, try this on for size.

BAYONETTA 3 OST: WITCH HEART

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) DO O IA LINCOLN LOUD. (CLENCHES HAND HARD AND DRAWS BLOOD) CNILA D COMSELHA ODO ANANAEL. (OPENS HAND AND PUNCTURES ARE SEEN) IPAMIS NONCP FAFEN NIIS. (BLOOD DROPS ONTO THE GROUND AS UMBRA WITCH PORTAL APPEARS) AVAVAGO TLIOB VRAN!

Suddenly, a massive portal opened underneath Lincoln's feet as coils of dark energy and darkness exploded out, and then, it took on the form of Sin Gomorrah, The Font of Devastation, Gomorrah's completely uninhibited form as it let out a massive elephant roar that echoed all over.

Sin Gomorrah charged right at Swartz, and they fought hard, but Sin Gomorrah overwhelmed Swartz hard with his brute strength, and then, it opened its chest and gathered energy from its spikes and tail and it fired a massive laser which hit Swartz who tried to fight it off, but because of what Lincoln did in sucking out all his powers, he wasn't able to hold off the attack, and he was overwhelmed and knocked down.

Swartz: I admit I'm no saint. But You know what I really wanted?

Sakura Knudson: What was it, Swartz?

Swartz: I told you, but you weren't listening.

Sakura Knudson: Well, I'm listening now…

Swartz: I wanted to be a father to you.

Sakura Knudson: (solemnly) I'm really sorry, Swartz.

Deadpool: FUCK THIS GUY!

BANG!

Deadpool shot Swartz in the head, killing him.

Me: Nice shot Wade!

Qin: Yeah!

Deadpool: Thanks!

Venom: That is exactly what I said when I killed Kasady.

Me: Nice one!

Lola: YEAH!

Me: FUCK THAT GUY!

Lola: Nice!

Sin Gomorrah let out another massive elephant roar and was dispatched back into the portal. Then, Swartz' soul appeared, and Sakura Knudson drew the Judgement Kanji on his forehead and he was banished to The Black Gates forever. Everyone cheered as Lincoln, Sakura Knudson, and I holstered our massive greatswords on our backs and powered down, and Sakura Knudson's new body, clothes, weapons, jewelry, Third Eye, gold halo, eleven massive and long neon pink wolf tails, and massive neon pink angel wings are permanent.

Nico: Whoa! Okay, now that's what I call an awesome and epic battle! And we killed Swartz yet again!

Me: And my sister transformed and really let him have it.

Nico: Yeah!

Eli: That was really awesome, and of course, you had to summon one of Bayonetta's Infernal Demons when Swartz turned into a giant.

Lincoln: He didn't even see that one coming, but this is meant in the cases of enemies growing to the size of a giant.

Nicole: True, and I knew you'd summon Gomorrah to deal with Swartz, even though Swartz isn't one of Paradiso's Angels.

Lincoln: I did say one of my dark arts is summoning demons, and my demon summoning had also overwritten the contracts that Bayonetta and Jeanne forged with them, now in addition to devouring the Angels of Paradiso, Infernal Demons can also devour the souls of the damned as well.

Bayonetta: (British Accent) You certainly didn't mention that one.

Lincoln: You and Jeanne didn't ask, Bayonetta.

Jeanne: Touché I suppose. But, now that we know that, now any damned soul that we see can also be devoured by our friends from Inferno, impressive.

Deadpool: I bet he never expected to get shot in the head!

Nico: Nope.

Qin: Yeah.

Me: But now he is gone for good.

Nico: How do you feel, Sakura?

Sakura Knudson: Better than ever. Now I'm forever free of him.

Nico: Good riddance.
